NEWS FROM THE PARISH COUNCIL

Cliff Field

On Saturday 23rd November, at 10.00am a gallant team of volunteers from Lympstone Scouts and Lympstone FC turned up at Cliff Field to lay plastic tiles to protect the surface at the entrance of Cliff Field.

Ably led by Cllr Peter Acca, they soon got into the swing of things and made rapid progress in laying a Geotex membrane that goes underneath the tiles and then laying the tiles themselves. These all lock together and so should form a stable and long lasting base for vehicles to drive on occasionally.

The back-breaking part of the job was digging out the pile of top soil, barrowing it onto the tiles and then spreading it with rakes and brushes to fill the mesh and leave a clean finish. Good progress was made but it was

clear that this was by far the biggest part of the job and so the cavalry in the form of Andy Love and his digger were called in. Andy was able to dig out and drop into place buckets full of soil in minutes. This made the task so much quicker and easier. The whole job was just about finished by 2.00pm

Scouts, Cubs and Beavers were there helping to break up the soil and did a sterling job in providing Tea & Coffee and bacon sandwiches. All in all it was a great way to spend a sunny Saturday morning with a great result for the village. **A BIG THANK YOU TO ALL THAT TURNED OUT TO HELP.**

Parking restrictions (Yellow Lines) in Lymptstone

DCC has asked the Parish Council to look at areas where parking restrictions might be made.

The Parish Council consider the following areas might be suitable:

Longmeadow Road

From No 8 Bakers Cottages to the entrance to Leustona to allow room for the gritter lorry to pass.

Outside Brendon - to allow room for the gritter lorry to pass.

At the junction with Strawberry Hill – check the parking prohibition associated with the stop line. If this is in place then no further action is needed.

Church Road

Outside the entrance to Lymptstone Nurseries. To enable vehicles to proceed without driving onto the cobbles. There is also a problem of speeding in this area which may need alternative traffic calming.

School Hill

To join the double yellow lines at the bottom of School Hill to where the road widens. There is a need to discuss management of the extension car park with VHMC to make sure that residents living nearby are offered licences to park in the evenings and weekends.

Meeting Lane

There is a wish for a designated ‘Bus Stop’ marking to prevent obstructions for busses.

Dawlish Park Terrace, outside no 9 & 10 Dawlish Park Terrace to allow the gritter lorry to pass. The Working group felt that as there is no off-street parking and the gritter lorry only passes a few times each year, no restrictions are needed but the occupiers of these properties should be informed of the problem and asked to park elsewhere when the gritter lorry is likely to pass.

Sowden Railway Bridge, no need for restrictions but ask DCC to clear the carriageway of silt and vegetation on each side to effectively widen the carriageway.

The Strand, under the railway bridge, the existing restriction on the north side could be reduced to allow parking for one extra vehicle.

Burgmanns Hill, From the two telegraph poles at the east end of The Avenue to the existing yellow lines North of Greenhill Avenue.

(The above were discussed at the meeting on the 2nd of December to be concluded at the January meeting. Ed.)

Clerk to the Council: A J Le Riche, DMS, 43 Salisbury Road, Exmouth, EX8 1SL, Tel 279665/ 07866 535580 clerk@lymptstone.org

FROM THE EDITOR

Hedges, particularly those containing brambles, are a real nightmare. Cyclists, the partially sighted and those who are old and too slow to react to these face slashing weeds are all vulnerable to such menaces.

If you have a garden with overgrown hedges, whether or not they contain such weeds, must by law be kept in check. Failure to have hedges cut back so that they are contained within a garden boundary will result in, as a minimum, a bill (usually extortionate) from the local council, for work that most people can do for themselves. Numerous cases of overgrown hedges have been reported to the Parish Council which is prepared to use the full force of the law to curb what is a danger to all.

A **supply of (empty)** sandbags is available from Richard Eastley or Alfie Beer – give them a ring if you feel vulnerable to flooding.

Broadband updates are creeping into the village. Give me a call or send me an email (we don't need to publish it) if you have had it installed.

Cllr Chris Carter

COURTLANDS PLANNING

I am able to report that the latest planning application by Strategic Land Partnerships on land to the North West of Courtlands Cross has been turned down by EDDC. The application was rejected by EDDC officers without referral to the main Management Development Committee - thus demonstrating their confidence in their decision. Thank you to all those who took the time to write or e-mail EDDC - it does work. I await further developments!

BEST KEPT VILLAGE COMPETITION 2014

Judging May – July next year

A stalwart bunch of villagers met on Sat 30th November to pick litter. The party concentrated on Candy's Field, Cliff Field and Underhill. Thank you all. Please continue to take care of these community spaces and other areas you regularly use; this should be easier when the hedges have been trimmed.

A reminder that there are recycling facilities at the Village Hall.

OPPOSITION TO THE ESTUARY TRAIL THROUGH LYMPSTONE

Many of you will have seen the TV and press coverage about Lymstone's efforts to get an additional safe route

incident, while residents and visitors wishing to enter the village can do so easily. The village will therefore remain a safe and attractive environment, and visitors will continue to enjoy the services of the local

for the Exe Estuary Trail through the village. Any reporting tends to put their own slant on the issue, so just to be clear the Trail Action Group position,

which is supported by the Parish Council, is that the development of a route along the railway line with clear access points to the village would benefit everyone.

It would enable commuter cyclists, joggers and others who don't wish to stop in the village to pass by more quickly with less risk of

businesses. We are not anti cyclist and we welcome people to the village. If you support the development of an alternative route remember to sign the petition – there will be a copy at Londis and at the Post Office until the end of December.

The Accident Book is also still in the Post Office and it is important that we keep records of accidents and near misses to provide evidence of the safety risks – so if you witness an accident please record the details there or email them to patsquire12@hotmail.com

LYMPSTONE POST OFFICE

Thank you, Gill.

PARISH CHURCH

Advent is here bringing to mind thoughts of a Happy Christmas!

Advent is a period of waiting, as the Christian Church prepares itself for the Christ child. It signifies the start of the Church's calendar and is a time of great excitement, as we get ready for the joy of Christmas. It's also a time when we are invited to deepen our faith, to walk more closely with our brothers and sisters in Christ, and to prepare ourselves spiritually for the Nativity.

Services leading to and at Christmas. There will be many opportunities to think about the importance of this very special day in the Church this December.

Sunday 15th Advent 3 services at 8 am and 10 am Morning Praise with 9:30 breakfast

Monday 16th December at 7 pm the candle lit Carol Service.

Tuesday 17th and 18th Lypstone School Carol Concerts (time from the school)

Thursday 19th Lypstone School end of term service at 9.20am

Sunday 22nd December Advent 4 services at 8 am and 10 am

Sunday 22nd December at 5 pm the Christingle Service

Wednesday 25th December Christmas Day services at 8 am and 10 am (both with Eucharist)

Sunday 29th December at 5pm Reflective Taize style service

Mince Pie Appeal There is a list at the back of the church which asks for volunteers to make or provide mince pies for the Carol Service on 16th December.

The Clock

You may have noticed by sight and sound the clock is at 12 and stationary. This is because the face needs a lick of paint and the mechanism an overhaul. Normal service will be resumed as soon as possible. We thank the Parish Council for the grant of £335 toward the total £1,600 cost.

Adopt a Grandparent?

Are you willing to become an adopted Grandparent or Aunt/Uncle for a Marine family? Would you like to get to know a family, perhaps to babysit, support by sending birthday cards and remembering them at Christmas (next year!) If the answer is yes then please contact Katherine Lyddon (07974528880) as soon as possible so that you could be matched up with a family. They would welcome support from you.

2014 Diary

Pocket sized diaries are available, free of charge, in the church now. If you wish to give a donation place it in the collection or the box in the church porch.

The weekly pew sheet is about to have a new editor. Philip White is taking on the task from the beginning of December so all contributions to him on 01395 26469 or by email to pcw_31@btinternet.com. Word

processors always think for you and underline email addresses. It means that an address like Philip's is unclear to my eye. That's pcw(underscore)31 and so on.

LYMPSTONE MUMMERS ARE AT IT AGAIN

As is now customary, the Mummings will bring our Village's traditional Mummings Play to Lypmstone's hostelrys on the Saturday before Christmas (December 21st). The script, handed down over generations, compresses a history of England's hostilities – from the Crusades onwards – into a noisy ten minutes of violent defeat and rude revival of past foes. The troupe of six players will burst into the Saddlers at around 8.30, fight their way through the Redwing at 9 and the Swan at 9.30 to arrive at the Globe by about 10pm. A collection will be taken for the Children's Society. On the previous night the Lypmstone play will be taken to Topsham, by train naturally.

LYMPSTONE W.I

To lead us into the Christmas spirit we were given a fascinating talk by Mrs Diane Janes, a local author, on Festive Literature, in which she explored Christmas in fiction from “Rudolph the Red Nosed Reindeer” to John Betjeman’s “Christmas”, via readings from works by Dickens, C.S. Lewis, Pam Ayres etc.!

Then a few notices:

A visit arranged to the Met Office on Saturday, 1st February at 1.00 p.m. (need to take I.D.)

Christmas evening meal confirmed for Tuesday, 14th January at the Swan Inn at 6.30 for 7.00 p.m.

“Winter Warmers” lunch at Sailing Club on Tuesday, 25th February.

Visit to Quicke’s Dairy followed by pub lunch on Tuesday, 26th March.

Members have been asked to vote on which of the 4 Resolutions they would like to be selected for the National WI 2014 campaign:

1. Increasing organ donation
2. Funding for women’s centres to cater for the specific needs of vulnerable women at risk of offending
3. Campaign against female genital mutilation
4. Provision of non-acute hospital beds

These will be discussed at January’s meeting and voted on using the secret ballot forms which we have all received in the W.I.Life magazine.

Then followed a scrumptious tea and “lucky dip” presents, finishing with enthusiastic singing of some traditional Christmas songs.

Our next meeting is on Wednesday, 8th January, at 2.30 p.m. in the Committee Room of the Village Hall. The talk will be “Associated Country Women of the World (ACWW)” by Mrs Roma Patten. Further information is on our dedicated website link on www.lympstone.org (Social section) or phone Diana de la Rue on 01395 274099.
