

Village Meeting 23/24th November - Attendee feedback

Firstly a "Thank You" for giving up your time to attend this Village Meeting on the "Village Building Boundary Line" and "The Neighbourhood Plan". These are extremely important issues that will direct the development of The Parish over the next 15 years and build on the work of the Parish Plan 2010. Your input into both of these processes is vital and we would therefore appreciate you taking a short time to complete this questionnaire – it will be used by the Working Party for information and also passed to East Devon District Council who require this feedback as part of their legal requirement in the production of the Local Plan. Your responses will be treated in confidence by the Working Party, the Parish Council and East Devon District Council – if published your name and postcode will be deleted.

2. The "Village Building Boundary Line" and "The Neighbourhood Plan"

These are two complex issues that the meeting tried to explain simply, concisely and succinctly

a.	Do you feel you now have an understanding of what they are all about?	<input type="checkbox"/> Good Understanding	<input type="checkbox"/> Adequate Understanding	<input type="checkbox"/> Little Understanding

b.	Do these criteria adequately cover our main objectives?	<input type="checkbox"/> Yes	<input type="checkbox"/> No

4. The Proposed Locations

The Working Party proposed to the Parish Council 9 locations for new homes. The Parish Council have taken their advice and intend to propose these 9 locations to East Devon for incorporation into the Local Plan. These will meet our target of 40 new homes over the next 15 years.

a.	Do any of these locations directly affect you or your family?	<input type="checkbox"/> Yes	<input type="checkbox"/> No

d.	Do you believe we have achieved this objective? If "No" why not?	<input type="checkbox"/> Yes <input type="checkbox"/> No

f.	Is there another location that you would wish to see placed on this preferred list? Why do you believe this location should be added?	
g.	Should we be required to find, say, a site or sites for another 10 homes which of the sites not on the preferred list would you nominate (list enough sites to cover an additional 10 homes)	
h.	Is there any other comment that you would like to make on the proposed sites?	

5. Your overall response
