

## From the Parish Council

At the Parish Council meeting on Monday 2<sup>nd</sup> July 2012, the good news was that an application for funds to replace the surface inside the Children's Play Area and to repaint the equipment had been

successful. An application had been made to the Ministry of Defence Community Covenant Panel for

£10,202 for this work. The application had to be supported by DCC Panel and the Armed Forces panel before being submitted to the Community Covenant panel at the MoD in London. It has passed all these stages and the Parish Council has been informed that the grant is available. Tony, the Clerk, will now meet contractors, 'Surebond', to discuss details and timing for the work.

The play area, which was provided by

Lympstone @ Play about 6 years ago, has been very popular. The original surface is rubber tiles. This was great at the time but, with frequent use, these have worn and moved. Replacing them with a continuous surface, possibly with some different colours laid into it, will jazz the area up. The equipment has also had heavy use and is looking jaded. Minor repairs and re-painting will finish the area off nicely and will be a great place for our young children to play. The work will mean that the play area will be closed for a week or so. Signs will be put up when the details are known. **Cont**

## **EDDC CHANGES**

Are things looking better at EDDC? The Parish Council heard from District Councillor Ben Ingham that Head of Planning and Countryside Services, Mrs Kate Little, had moved on to pastures new and that the Planning Department were now being encouraged to involve local Councillors in planning decisions. The Development Management Committee will now get involved in the latest stages in the production of the latest East Devon Local Plan. This should help to keep the focus on overall Planning and not just housing numbers, which seem to have been the only thing that matters so far. The Parish Council and the Clerk have seen other changes that show that East Devon members want to get involved in local matters more and that they are willing to listen to local opinion. Contact either David Atkins or Ben Ingham if you would like to know more about the work of EDDC.

## **JUBILEE**

The Jubilee celebrations seem to have been thoroughly enjoyed by everyone who took part. The slightly damp weather on Sunday did not deter picnickers, who were entertained with live music by the Church Band and Master of Ceremonies, Brian Mather. The Scouts provided an excellent barbecue for those who didn't bring their own and your Chairman, Cllr Peter Acca's family and the Scouts ran the bar, which didn't run out of beer

There were no great plans for Monday evening except that there would be a Jubilee beacon and a fireworks display. The event was dubbed an open party evening and that was what it was. A live band was coaxed into leaving Exmouth Football Club to play for party goers on Cliff Field, the Scouts provided the barbecue again and the Acca family ran the bar (which did run out of everything this time!) the bar was topped up from stock from the Sailing Club, thanks to the Commodore and Judith Carter for stepping in to save the evening, although even these supplies did not last long but everyone was happy. Brian Mather provided the PA system and did another great job as MC for the evening. The Beacon took a little while to get going but then grew into a superb bonfire and would have been seen from some distance, as part of the chain of beacons around the UK. It was a proud moment for the village to show it's thanks to a superb Queen for the last 60 years. The Firework display was a bit of last minute luck when it was heard on the grapevine that Angelfire Pyrotechnics of Exeter had a spare Supervisor for the evening. A couple of phone calls and a site visit confirmed that Cliff Field was indeed a safe venue for a display and what a display it was! The intended 5-6 minute display went on for nearly twice that length of time to the great entertainment of everyone at the Party. Overall this was a great weekend for the village and perhaps, one that should

be repeated on another occasion. The plan from the beginning was for people and Groups to volunteer to do their bit and that it would all come together. There is no doubt that some did put in a considerable effort to make things happen and the Parish Council would like to send out special thanks to all those who got involved in both events. If you didn't get involved or come to the Picnic or the Party, please try do get involved for the next Village event. Lymptstone has a lot of activities all put on by people offering to share their time and skills but there is always room for more help and fresh ideas.

The Jubilee Textile Project was nearly the last part of the celebrations and it certainly met the high standards that were hoped for. I am sure that everyone who went to the exhibition, and most of you appear to have been, were truly inspired by the creativity and workmanship of the Panels that were on display. This exhibition was a great success and has raised £1,000 for Village hall funds from an investment of only £126.00 by the Parish Council.

### **BEATING OF THE BOUNDS**

The last Jubilee event will take place on Saturday 1<sup>st</sup> September 2012. Robert Harrison has kindly agreed to arrange a 'Beating of the Bounds' starting at 9.00am on that day. This is a walk around the boundaries of the parish, historically, to make sure that they were all in good order. The walk is open to everyone and you don't have to do the whole walk, you can cover whichever sections you choose although some

stalwarts will take pride in completing the whole circuit and then taking refreshment together in which ever pub they finish at. This is an ideal opportunity for those who have not lived in the village for too long to meet up with others and find out a little more about what makes Lymptstone such a special place to live. (Read on for further details Ed).

### **JUBILEE EVENTS**

Numerous groups and societies held special events over the long Jubilee weekend. Perhaps the Sailing Club's Sail Past and the 1948 torch which arrived by sea and circulated Lymptstone were amongst the most dramatic

## STREET PARTIES TOOK PLACE ALL OVER LYMPSTONE. THIS ONE FINISHED WITH PATRIOTIC SONGS

### **NEXT HERALD - SEPTEMBER**

As you are probably aware there is no Herald in August so we have included a number of events from July, August and September in this issue.

### **CTC-RM YOUNG OFFICERS' VILLAGE EXERCISE**

September will again see the Royal Marines camping and hunting for insurgents in the streets of Lympstone for two or three days (see below). Clive Wilson will again be organizing our bunch of "village elders".

### **HEDGES**

The bad weather in this, wettest of Junes, has brought many problems. Many of the footpaths in the Village are now difficult or virtually impossible to use as the weeds and hedges have grown rapidly. This is a great pity as most of them are well used. DCC will be doing some work but otherwise it is the responsibility of the owners to arrange for the work to be carried out so that the paths are usable. The Parish Council is asking all landowners to do

their bit to keep these Village paths clear, so that they are available as an amenity for all of us. Please remember that overgrown hedges are not only illegal but also present a danger to both pedestrians and cars where there are no pavements.

### **ESTUARY TRAIL**

My apologies to those who were misled by my statement on the use of motorised bikes on the Estuary Trail. Apparently one can use motorised bikes so long as fifteen miles per hour is not exceeded.

### **MARINES IN LYMPSTONE**

#### **Patrolling Candies Field**

The Young Officer Batch from Commando Training Centre Royal Marines once again proposes to conduct a short exercise in Lymstone Village. This year, the exercise is planned for the 26<sup>th</sup> until the 28<sup>th</sup> of September. As with previous years, it provides the Young Officers with a unique opportunity to practice their role whilst interacting with a real population. Continued support of the

### **EDITING THE HERALD**

This month's issue completes my ten years of producing the Herald. If you are interested in becoming involved in what has now become a fairly slick operation with help from Jan and Liz then give me a call. This is called succession planning.

*Cllr Chris Carter*

Parish Council and residents of Lymstone is extremely welcome and can only strengthen the link between the Village and CTCRM. Capt John Whiteman RM will be present at future Parish Council Meetings to answer any queries but should you wish to speak to him in advance, he is available on [ctcrm-cw-rmyo-so3plans@mod.uk](mailto:ctcrm-cw-rmyo-so3plans@mod.uk) or work mobile 07824 544930. If there are any issues then please let him know.

## BEATING THE BOUNDS

## OPEN GARDENS FOR HOSPISCARE

The three Lymptone gardens open on Sunday 24th June had a fantastic day and raised £2100 for Hospiscare. Christine, Suki and Linda would like to thank all the helpers who put in so much time and effort and also the local businesses who generously contributed the raffle prizes.

*Linda Lyon*

Every four years we organise a walk around the Parish boundary. It falls this year on Saturday 1<sup>st</sup> September, commencing at 9.30am at Parsonage Style. However, if you have access to a boat and would like to follow the boundary on the river – meet at the Boat Shelter at 9.00am. Please bring a packed lunch, stout footwear and plenty of stamina for this 6.5 mile walk, which involves climbing through hedges and across the common! Well behaved dogs strictly on a lead, are welcome – bearing in mind there will be livestock at various points on the walk. We aim to return to the Swan Inn at approximately 4.00pm for refreshments and hopefully a barbecue. Enquiries: Robert 266465.

## LIFE BOAT TO VISIT LYMPSTONE

The Exmouth Life Boat will be visiting Lymptone on the evening tide of Friday 3rd August at about 8pm at the invitation of Lymptone Sailing Club. The Club has been collecting money over the last year for new life jackets for the RNLi crew and will be handing over a cheque with their donation during this visit. There is usually an opportunity for people to go on board and have a look around the boat for anyone who is interested. Come down and greet it when it arrives at the Boat Shelter. Of course being a Life Boat, if an emergency occurs the visit will be postponed to another day.

There will be a range of wonderful items - paintings, prints, photographs, cards, jewellery, cushions, and more! Buy a raffle ticket and win an arty prize!

The studio will be open 11am till 5pm every day from 2nd – 30<sup>th</sup> August with different work being shown each week. Tea, coffee and home made cake/biscuits will be available and cream teas at the weekends - all great value! Looking forward to seeing you!

## **66TH ANNUAL FLOWER AND VEGETABLE SHOW 18<sup>th</sup> SEPT**

With our English summer apparently in full swing, thoughts are turning to the Garden Club's Annual Show. Schedules are now available from the Post Office, Londis, the café, and the pubs, and the very wide range

of classes ensures there is something of interest for everyone. It is the enthusiastic support of so many villagers which always makes this event such a success!

Even if you are unable to be an exhibitor yourself, we can promise you a delightful afternoon in the Village Hall. Doors will open at 2pm and a wonderful sight will greet you as you walk in. On display will be hundreds of home-grown flowers and vegetables, as well as home-made produce, handicrafts, photos, art work and flower arrangements. Prizes will be presented at 4pm by the Rev. Geoffrey Wrayford. Do also make time to enjoy the wonderful refreshments in the Function Room and to make a purchase from the produce stall. Proceeds from the latter will go to Village Hall Fund Raising. This really is a good afternoon out for the whole family, so please come along and enjoy yourself!

## **LYMPSTONE HISTORY SOCIETY FURSDON HOUSE, CADBURY**

A private visit to Fursdon House has been arranged on Tuesday 28<sup>th</sup> August 2012, to include a tour of the house, gardens and cream tea – tickets £12.

Please contact Robert Golding for further details and bookings. Tel. 01395 279909 or [pinhoe67@btinternet.com](mailto:pinhoe67@btinternet.com)  
EVERYONE WELCOME!

## PARISH CHURCH

The church community was uplifted by the packed church when we gave thanks for the wonderful example given in the life of Jill Lupton. John spoke warmly of her faith, love of the family and service to the Lympstone community. We will all miss the warmth of her welcome as she made all feel special to her.

**PRODUCE STALL** is starting, under the arch, on 21st July and continuing through until 15th September. Please help if you can with any donations of home-grown or baked produce for the stall. As always from 9.30am until sold out!

As part of the Jubilee celebrations Exeter Cathedral has organised a **MAJESTY FLOWER FESTIVAL**

11th to 15th July daily, from 9am to 5pm and 6.30pm to 8.30pm (10am start on 11th and on Sunday 15th noon to 4pm only). £9 in advance £10 on the door, Students £3.50, 5 to 18. Why advertise an event outside Lympstone? It's because Lympstone has some wonderful flower arrangers and they are among the three hundred flower arrangers taking part in the Cathedral event. So it is a fine opportunity to visit, possibly, the finest building in Devon to see thousands of flowers majestically displayed. (I'm

told the flower order is about £20,000) They suggest allowing two hours to be able to have time to see all the displays. Schools are involved and there will be a marquee on the Cathedral Green for their work. (For more information about the schools' part Google 'phil creek schools flowers'). The last time the cathedral presented a flower festival was fifteen years ago. This event will be a wonderful experience.

**SEA SUNDAY Service** (11.30am Sunday 8th by the Sailing Club) is now a firmly fixed calendar event thanks to Rev'd Geoffrey Wrayford who, once again, will officiate with our Mission Community Rector James Hutchings speaking. The tide will be up this year so there may be movements in and out around the service but when asked Geoffrey said," all part of the challenge!" By the time you read this it may have already happened but there's just a chance the Herald may be out in time.

**SUMMER BARBECUE** All will be welcome to this new event to be held adjacent to the Youth Club hut at 12.30pm on Candy's Field, Sunday 15th July.

**FAIRTRADE** The Diocese is very keen that all churches work towards being registered as a 'Fairtrade Church.' Anyone feeling able to take on this role in Lympstone should contact the PCC secretary, Jill Wilson (264753) in the first instance.

**RIDE & STRIDE** - Saturday 8th September. This is a great day out for people and families of all ages and can

be made as relaxed or energetic as you prefer. We need three categories of volunteers for this year's Ride and Stride event: Traditional Riders and Striders to ride or walk to their selection of local Churches - after securing sponsorship from family and friends, families to participate in a gentler 'Treasure Hunt' walking route from Woodbury back to Lymptstone. (This is the event postponed from the Silver Jubilee weekend) and friendly faces to welcome the Riders and Striders to Lymptstone Parish Church throughout the day with soft drinks and biscuits.

Your Church needs YOU to volunteer for at least one of the above categories! Please put the date in your diary and look out for full details later in August. Contact Basil Strickland on 01395 266935 or [Basil.Strickland@gmail.com](mailto:Basil.Strickland@gmail.com) if you want more information in the meantime.

Also for September, Heather Stratford will be organising a coffee morning with stalls (including cakes and children's activities) in aid of the Childrens' Society on Saturday 8th September. See her notice elsewhere in this issue and please offer help in any way you feel able.

**BUCKFAST ABBEY** There will be a visit to the Abbey on Thursday 13th September leaving Exmouth at 1.15pm. The cost will be £10 per person and anyone may sign up on the list at the rear of the church. Contact Jill Wilson for details.

Advanced information that there will be a Newcomers' Party on 22nd September for all who have joined the village community in the last three years. Details to follow on the welcome revival of this, once annual, event.

See the weekly pew sheets and notices under the arch for other information. The third Sunday family service after 9:30 breakfast will be held in both July and August.

*Brian Mather*

## JILL LUPTON

John and Family wish to thank everyone for their support and prayers during Jill's illness and death. Thank you also very much indeed for the many wonderful letters and cards received, your words have been a great comfort to us and very much appreciated. It was wonderful to see so many of you at her funeral, thank you. I know that like us you were delighted with the gorgeous flowers arranged by the 'Church Flower Girls' and by the angelic singing of the Primary School Choir. Our thanks go to them and everyone else who helped make the occasion so memorable.

*John Lupton*

## WRIGHTS TO THE RESCUE!

Half the summer gone without a cricket report? Blame the weather - I do. It's certainly why the record this season reads one win, one defeat and five cancellations including, so sadly, the annual Village vs School match at Harefield. Last Thursday, however, it stopped raining just long enough for our Wright non-brothers (Duncan and David, a scorer's nightmare) to get it right! First, their tight bowling helped restrict the visitors to 103 - at one stage the pair pinned the opposition's best batsmen down for 17 balls without scoring.

Then, following a Lympstone collapse to 65-8, the unbrothers had to come to

the rescue with the bat as well, both finishing not out as Lympstone snatched a one wicket victory from the gaping jaw of defeat!! Exeter Network CC 103-5 (David Wright 2-9), Lympstone 106-9 (Duncan Wright 32 no).

*Tony Day, Scorer*

## THE CHILDREN'S SOCIETY

A Coffee Morning in aid of The Children's Society will be held on Saturday morning, 8<sup>th</sup> September, from 10.00am at Highfield, 12 Underhill Close, Lympstone. All welcome – cake stall, raffle, children's activities etc. Please put the date in your diaries now – further information will be on village posters during August.

*Ian and Heather Stratford*

## THE LYMPSTONE PLAYERS' JUBILEE REVELS -24<sup>TH</sup>-26<sup>TH</sup> MAY

The Players provided us with much fun and sumptuous feasting in celebration of the Diamond Jubilee of The Queen's Accession to the Throne.

There were four 'different' Queens, three 'differing' Dukes of Edinburgh. Cast ages ranged from six to ...infinity! Christopher Robin tried to keep the guards in order; the Queen and the Duke were at home at ease, on duty for an Investiture, and an excerpt from Alan Bennett's play 'Did she, or did

she not know ?' of Antony Blunt's espionage activities ?

It was a joy to welcome two new children, as well as to see again the 'old gang' of youngsters, especially the naughty corgis! Welcome back to Daisy O'Dea, and to see Michael Wilkes on stage for the first time. Matt Hood , and Ralph Rochester provided two scripts, and the whole adult cast performed with their usual skill and professionalism..

A memorable evening. Thank you to everyone who contributed towards its success, on and off the stage, in the kitchen and on the floor of the house.

*Rosemary Bethell*

## ANY QUESTIONS

The posters for the BBC live broadcast of their flagship political panel programme 'ANY QUESTIONS?' taking place on Friday evening, 7th September in the Church should be on display in the village by the middle of July and the FREE tickets for the live broadcast will then be available from Diana Letcher, 01395 267693, d.letcher@btinternet.com or from the kiosk under the railway bridge on Saturday mornings between 9.30am and 12.30pm.

Jonathan Dimpleby is the current chair of the programme and the first member of the panel to be named is Lord Peter Hennessy, the eminent historian and cross-bench peer in the House of Lords. Names of the other three

panellists will be announced in due course.

*Diana Letcher*

## SCHOOL GOVERNANCE

We have been very fortunate to have had a strong Governing Body over the past few years, and we have achieved much in improving the school's standards, buildings and reputation locally. The school is growing and vibrant and, quite simply, a great place to be! Our current Community Governor, Phil Hope, is stepping down this year, and we are keen to find an energetic and enthusiastic replacement for him. Being a member of the Governing Body is extremely rewarding, interesting and beneficial to the whole community, so why not give it a try? We would expect to meet six times during the year, so it is not too demanding, but there are many interesting challenges ahead, so if you would like to get involved, do get in touch! No previous experience is necessary for this post, and you do not need to be connected to the school already, we would welcome interest from any member of the village community, whatever age or background, so do please contact either myself on 279090, or Tony Priest at the school. Thank-you.

*Victoria Laney-Hubbard*

## A MEMORY OF LYMPSTONE'S JUBILEE CELEBRATIONS

As we all know the weather was, in the end, quite kind to us over the Jubilee week-end meaning all the celebrations could go ahead as planned. The Big Picnic in Candy's Field was well supported, and around 500 turned out to watch the lighting of our Jubilee Beacon and fireworks in Cliff Field. There was also the excitement of Lympstone children carrying the 1948 Olympic sailing torch through the village. All these happy Lympstone events are recorded on a special 'limited edition' postcard on sale now in the Post Office - a memory to keep or send to family and friends!

*Frances Longhurst*

## JUBILEE QUIZ

The winners of the quiz were the Burton family (Alan, Sally and Leonie). They answered 58 of the 60 questions correctly and win the prize of £60. 12 other people answered all of the questions; all of them had 50 or more correct answers. Runners up were Margaret Turgoose, Joyce Perry, Richard Bound and Doreen Flowers. Well done, and a big thank you to everyone who bought the quiz and helped village hall funds. All of the answers are given on the village hall website.

It is with much sadness that we announce the sudden death of Miss Audrey Cave. Audrey had worshipped in Lymptone for many years, dedicating many hours to the work and outreach of our church and we will miss her immensely.

If you regularly book the hall and have not already been contacted - or are maybe interested in hiring it for an event or meeting – we would ask that you contact Gillian Hipkins on 224442 or via e-mail at [gill.kelv@talktalk.net](mailto:gill.kelv@talktalk.net). Many thanks.

We meet regularly for worship, each Sunday morning from 10am (worship begins at 10.30am) and warmly welcome visitors.

Just a reminder to residents regarding the parking in and around the village: It is an offence to park on yellow lines, within 32 feet of a junction or to obstruct a pavement. I am aware as the local officer that parking is limited and roads are narrow and I do try to work with the community to allow for this, however I have been made aware of and have seen some inconsiderate parking recently. Please be mindful of parking and consider the safety of others.

## LYMPSTONE BROWNIES

Lympstone Brownies had a great time in May completing a Jubilee Challenge badge. This included drawing a picture of the Queen for a competition at Exmouth library and we had a winner! We also had a "horse" evening making and jumping fences! The activities concluded with an indoor Garden Party wearing our hand-made hats.

After half term we had a fantastic fundraising event. Thank you to all the Brownie parents and friends for their support. During June we also had a circus skills evening. In July we are having a "fun" Olympics evening and finishing the term with a family picnic.

We will be welcoming new girls into the pack in September!

*Rosie Jones (Brown Owl)*

## OPEN GARDEN EVENT

Jackie and Will Michelmores would like to thank all of the Lympstone residents who, along with numerous local friends and three generations of their family, worked incredibly hard to help make their National Garden Scheme Open Garden this June such a huge success.

Despite a severe weather warning (a month's rain was originally forecast for the Friday) and the gale force winds which hampered preparations, the opening of their exposed coastal garden went ahead as planned.

Over 620 people visited during the seven hours that it was open and over £3000 was raised for local and national charities.

Jackie and Will were happy to be able to donate to the village hall refurbishment again this year.

If you missed the NGS event the garden is open by appointment until October (full details may be found on - <http://www.lympstone.org/businesses/lookout-landscapes/>).

## LYMPSTONE WI

On 7<sup>th</sup> July, Mrs. Christine Marsh's talk to the WI on *Macular Degeneration and YOU* identified the world's

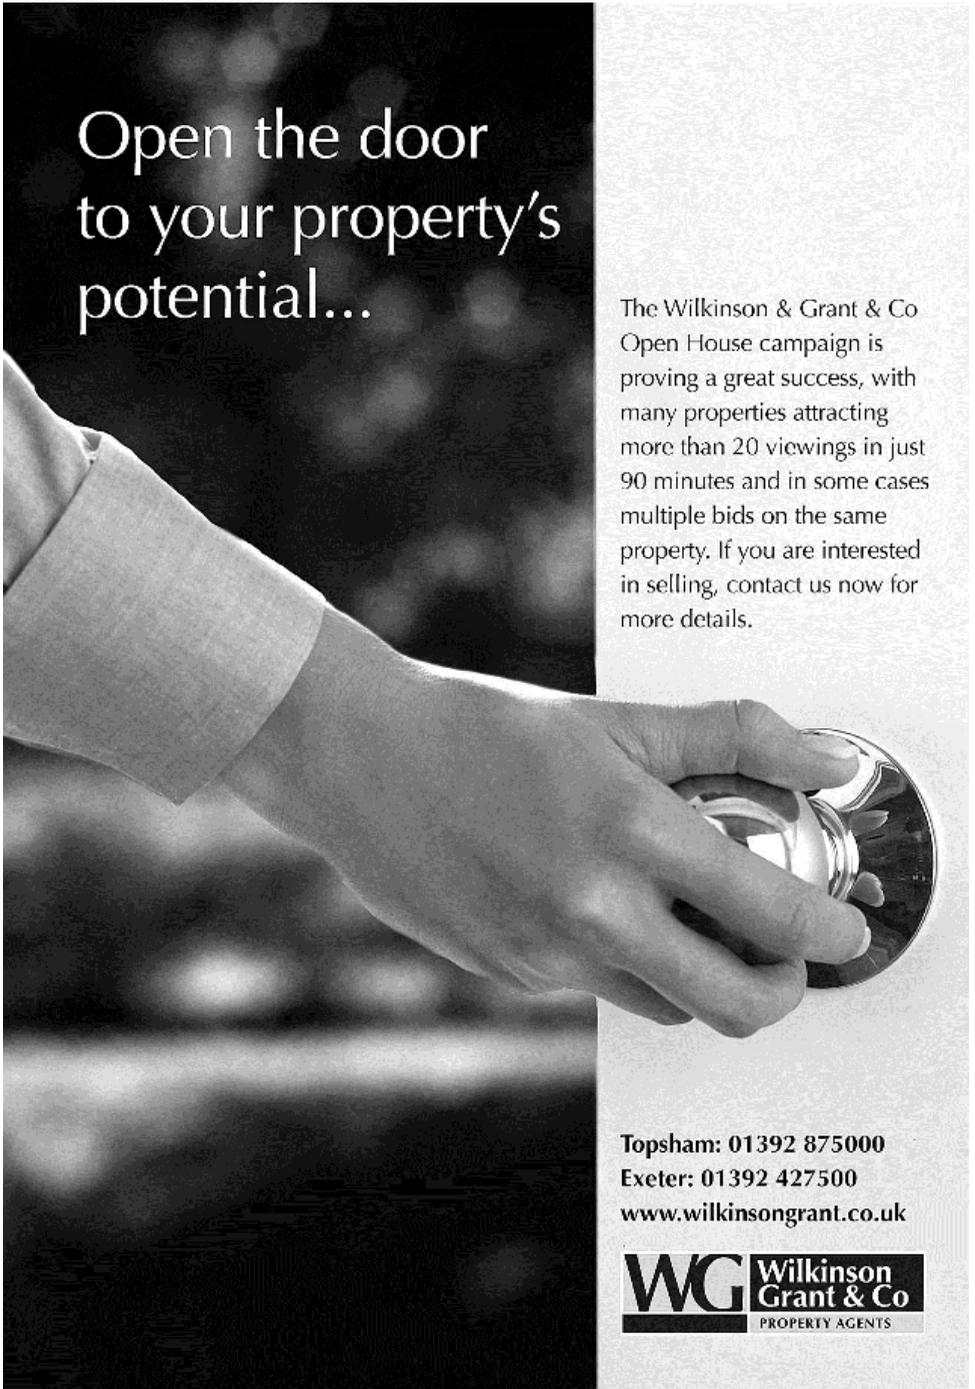

commonest visual impairment as 'loss of central vision'. Special spectacles demonstrated how things look to those with only peripheral vision, and we learned the importance of early diagnosis as the disease, though incurable, can be delayed in its progress with appropriate treatment. Excellent literature was circulated and we were referred to [www.maculardisease.org](http://www.maculardisease.org) for further information.

After refreshments, reports included the success of the Jubilee Tea, where past member Ena Glover won the raffle. Sadly, the 'July Supper' planned for Tuesday July 17<sup>th</sup> has been cancelled as so many members were committed elsewhere. It is hoped we shall have an Autumn Lunch instead.

On 5<sup>th</sup> September (Village Hall 2.30 pm), our guest speaker will be novelist Fay Sampson, born in Lympstone, classmate of local folk and sister of WI member Joyce Perry. Don't miss this!

And more excitement came with the news that Radio 4's *Any Questions?* team has accepted the WI's invitation to visit Lympstone! The BBC's flagship political panel programme will be broadcast live at 8pm on Friday 7<sup>th</sup> September from Lympstone parish church. Tickets (all free) will be available from mid July. Further details from Diana Letcher, 01395 267693 [d.letcher@btinternet.com](mailto:d.letcher@btinternet.com).
