

## PARISH COUNCIL MEETING

### East Devon Local Plan Village Boundaries.

The Parish Council received a consultation from EDDC on proposed development boundaries for villages where sustainable development could take place. This allows villages to have a say on where development might take place in their area. EDDC will make the final decisions on where development might go as they have to find room for over 17,000 homes over the life of the Local Plan and beyond. Of course, none of this applies to Lympstone and EDDC does not have

the final say because we have a Neighbourhood Plan in place. The boundaries for development in the Parish are already clearly set out as the wishes of our community and those that took an active part in preparing the Neighbourhood Plan. The neighbourhood Plan is now being quoted in Officer Reports about planning applications and by Inspectors

when considering appeals. The value of the Lympstone Neighbourhood Plan is becoming clearer and stronger all the time.

**Register to Vote** EDDC are carrying out the annual electoral Register canvas. They are on the second stage of the annual canvas which includes Household Enquiry reminders and also Invitation to Register forms. Statistics for our parish are as follows:-

EDDC have posted out 947 initial forms and 430 reminders. They have received 611 forms back from the Lympstone electorate (63.7% return). They are now chasing the last 36.3% of Lympstone electors for their forms. Don't miss your chance to vote, get your form back to EDDC now.

**Trafalgar Road Play Area** Parish Councillors have found that the Litter Bin at the Trafalgar Road Play area is not being emptied by MoD Housing contractors and it is also being abused by residents. Cllr Kathy Rogers has voluntarily emptied the bin but found that kitchen waste and pet bedding were amongst the other rubbish. This should be put in your bin at home, please. If you have any contact with anyone at MoD Housing please let them know that their refurbished Play Area is being spoiled by waste overflowing from this bin.

**Review of polling stations.** EDDC is currently carrying out a review of polling stations. This is normal after a big election. The Village hall is the usual venue for Lypstone but in March this was not available and so the Referendum was held in the Methodist Church. Each venue has benefits and small concerns. The Parish Council felt that the Methodist Church was a good location and easily accessible for everyone but it does not have any parking for voters. The Village Hall is also a good location although it is an uphill walk if you use School Hill. It has car parking and is probably better located for a larger number of voters. The Committee Room is not accessible to those with mobility problems but the main hall is and so this is the room that should be used. EDDC would like to hear your views about these

and any other suggestions that you might have.

**Hedges And Verges** Now that autumn is approaching it is time to start looking at cutting hedges and verges to keep paths and walking routes clear and passable for pedestrians. DCC have reduced the amount of work that they do and are looking for land and property owners to accept their responsibility to keep their property in order. If your house has a hedge or verge that fronts onto a footpath or road, now is the time to have a close look to make sure that it is kept neatly trimmed and brambles or weeds are in check. In severe cases, DCC will issue a warning to land or property owners to cut their hedges otherwise they will use their powers to cut a hedge and will charge the property owner.

**DCC Community Self-Help Schemes** DCC are also promoting their community self-help scheme to encourage local volunteers to carry out minor repairs and maintenance to roads, verges and footpaths. They will provide training, equipment and public liability insurance. The Parish Council already cuts verges in the parish that DCC won't cut any more but did not care too much about this scheme as it feels that DCC is trying to avoid some of its responsibilities. If you are interested in joining the scheme, have a look at <https://new.devon.gov.uk/devonhighways> for details.

**Community Defibrillator** This will soon be installed by Village Shop. It is an easy piece of kit to use and is designed to be used by anyone; you don't need any specialist knowledge. It comes with full instructions which must be followed and the equipment will do the rest. When it is in place the Parish Council will arrange First Aid training which will include a section on how to use the defibrillator. This will be offered to businesses around the Shop first as places are limited. After that, places will be available to anyone who is interested. Details will be put on the notice boards.

## **FROM THE EDITOR**

### **OBSTRUCTION**

I have been asked to write to everyone in the village to gently remind people that obstruction, particularly by motor vehicles, is a legal matter. In recent weeks the law has become involved and this almost inevitably will mean inconvenience for us all and serious trouble for offenders. Excuses such as historical precedence ('I have always parked here') or third party permissions ('you will be alright

there') will not be accepted as a defence.

Our friendly local PCSO has done her best to sort out local disputes but she has now passed the problems on to higher authorities.

In addition, there have been a number of cases of criminal damage to property over recent weeks in which locks have been glued, signs ripped down and barbed wire removed from a gate. Blatant disregard for the law and, in effect, vandalism, will not be tolerated by the authorities.

### **HEAVEN IS FULL**

This eye catching sign has been stolen from its location in Wotton Lane. If you know anything about its current location, then please let the police (or me) know.

### **CENTRAL STORES**

Sarah-Jane Hocknull has just been appointed Manager of Lympstone Central Store. Previously in the café next door for eleven years, Sarah-Jane promises to try to bring the Stores, where her husband Paul also works, back to the original village shop concept.

**PRESENTATION OF IPADS TO THE PRESCHOOL BY THE CHAIRMAN OF THE PARISH COUNCIL**

Lymptone Preschool would like to express their gratitude to both the Exmouth Rotary Club and the Lymptone Parish Council for their very generous grants resulting in two new iPads for the preschool. The preschool is still waiting to hear about our application for funding for a purpose built preschool to secure our future in these difficult times of reduced local/central government financial support. These iPads will

allow preschool to access a time/cost saving online recording system for our families and will therefore help the preschool to reduce administration costs in this interim period. The support from our local Rotary Club and the Lymptone Parish is massively appreciated! Thank you so much!

Preschool is saying goodbye to our Playleader Emma Winter who will be moving on to pastures new in September. We would like to wish Emma every success in the future and a big thank you for all her hard work with us over the past 2 years. Our Deputy Playleader Caroline Armstrong will be stepping up into the leader role from September and will be supported by another internal promotion with Stacey Onoyiweta stepping into the Deputy position. We are therefore looking forward to a smooth transition into the new term for our families and are very excited to start back in September.

As always we will be fundraising hard to support our preschool and would like to ask if any families/business people would be prepared to get involved and help support us in our general fundraising or to help us in our quest to secure funding for the desperately needed new building...if you can help please contact us on [lymptonepreschool@yahoo.co.uk](mailto:lymptonepreschool@yahoo.co.uk) or 07792846555 many thanks!

## **FURRY DANCE 2015**

The friends of the Furry Dance would like to thank all those who contributed to making the event such a success. We are pleased with the feedback so far, in particular the popularity of this year's new entertainers. The three Punch and Judy shows attracted a total audience of over 250, both young and old. The roving magician kept everyone enthralled throughout the day at all our venues

including in the harbour (where the Dog Show

attracted record entries) at the Fancy Dress Competition on the Cliff Field and in the Pannier Market area. When the Dance left the lower village the festive atmosphere was maintained by two troupes of Morris Dancers and the Memory Lane Singers. We are always interested in any constructive feedback so please feel free to contact any member of the committee with your comments and ideas.

It would be very difficult to run the event without our generous sponsors, donors, hardworking support team, stall holders and the goodwill of the village community. A special mention

must also go to the SW Comms Band who made a major contribution to the day's fun. Many thanks to you all.

*Chris Doak*

## **THANK YOU**

I would like to thank all the customers of Central Stores who have popped their change into the Exmouth & Lypmstone Hospiscare collection tin. What you put in certainly adds up to a wonderful amount for our local Charity - £120 being the most recent donation. Ange, the landlady of The Globe, is extremely supportive of so many things in the village and we are particularly appreciative of her enthusiasm and support for our Charity - a donation to our stall at the Lypmstone Furry Dance and now the terrific news that she is running an exciting Rugby World Cup Raffle to raise money for us. Thank you in advance to all sporting enthusiasts who pop into The Globe to buy a ticket - good luck!

## NEIGHBOURHOOD PLAN

In two recent planning applications that have gone to Appeal, The Inspectors have highlighted the benefits of the Neighbourhood Plan in reaching his/ their decisions. **LYMPSTONE WI**

Our first speaker after the summer break was Charles Palmer, who gave a talk and demonstration on dowsing. Luckily for those of us disinclined to look for more water after the cool and wet summer we had been experiencing in Devon, Charles prefers to dowse for ley lines and energy, describing dowsing as "instinctive pre-vision". After he had told us how he had used his dowsing rods to find his building society passbook, one member was inspired to buy a set of rods from him to help in the search for her missing car keys.

Despite there having been no August meeting, some members of the group had met on several occasions over the summer. Our summer supper was held once again at the Sailing Club on the 23<sup>rd</sup> July. Between courses, several members gave brief talks on the development of the WI over the decades since its inception in 1915, and we rounded off the evening with a delicious Centenary Celebration Cake. Just over a week later, members served tea, coffee, and home-made cakes, as well as the extremely popular Ploughman's Lunches, in the Methodist Hall for the Lypstone Furry Dance. Some members also combined forces with TAP for an enjoyable, though wet outing to Burrows Farm.

Continuing the Centenary celebrations, there will be a boat

cruise with picnic supper from Totnes to Dartmouth on Saturday the 19<sup>th</sup> September. There are still a few tickets available for this, as well as for the Autumn Council meeting at Plymouth Guildhall on Wednesday the 14<sup>th</sup> October, when the guest speaker is Julie Summer, Author of *Jambusters*, the book used for the ITV series *Home Fires*.

The next litter pick is scheduled for Thursday the 1<sup>st</sup> October at 10 am, and our next meeting will be held on the 7<sup>th</sup> October at 2.30 pm in the Committee Room of the Village Hall, when we will hear about CHICKS (Country Holidays for Inner City Kids).

We are very pleased to welcome anyone who thinks she might be interested in finding out about the Lymptone WI. For more information please phone Diana de la Rue on 01395 274099 or find us on the village website.

## 2015 POPPY APPEAL

Lest We Forget.

The 2015 Royal British Legion Poppy Appeal House to House Collection will take place in Lymptstone between Saturday 24th October and Saturday 7th November. A street collection will take place outside Central Stores on the 6th and 7th November and a stall offering various poppy items and homemade cakes and biscuits will be under the Railway Bridge on Saturday 7th November from 10-12am.

During the summer whilst holidaying in France we visited Ben's Great Uncle's grave at Hazebrouck Cemetery and took a Battlefield Tour. It is important also to remember that the money raised by the Appeal (except for the costs of the Appeal itself) still goes to help serving and ex-servicemen and women and their dependants in times of need through the Royal British Legion's Benevolent Fund.

I am often asked why we see Newsreaders and television personalities wearing a poppy before the official dates of Remembrancetide and so the official line from the Poppy Appeal Organisation is that the problem of 'selling' poppies is confused with 'wearing' them. The Law says you can only conduct a 'street collection on dates you have a license. We can, as any Exempted Charity, conduct house to house collections all year round. We don't

because we agree with other exempted charities not to encroach on their time. Static collections too are legal all the year. If you choose to wear a poppy 365 days a year you break no law! It is complicated but that is why so often you see poppies being worn early. It has been traditional practice that poppy emblems will be offered and worn only during Remembrancetide. Also please do bear in mind that high-profile individuals wearing poppies provide invaluable PR for Remembrancetide."

Once again I would also like to take this opportunity to thank the band of willing volunteers who continue to give their time to assist with the collection as without them it would not be possible. If you feel that you would like to volunteer as a Collector (it only takes up about an hour of your time) or get involved in the Poppy Appeal in some other way then please do contact me on 264988 or email me at [beckspearson@me.com](mailto:beckspearson@me.com)

On the 11th hour of the 11th day of the 11th month we will stand in silence once again to remember those that have fallen. But let us also remember those that are here amongst us now and need our help. Please give generously and wear your Poppy with pride as I know you always do. Thank you.
