

PARISH COUNCIL

Dinan Way Extension - The planning application for this has now been submitted. Details are at <https://planning.devon.gov.uk/PlanDisp.aspx?AppNo=DCC/3909/2016>

Parish Councillors have met Officers of DCC several times to discuss the implications of this road on the Parish. The main concern is the increased risk of surface water run-off which will add to the already poor and overloaded drainage system including the Wotton Brook.

The Parish Council will hold a public open meeting at 7.00pm on Thursday 24th November 2016 in the Village Hall to hear views from the public and formulate a response to the application. Please come along and hear the various comments about how this road might affect your house.

Sewage – Di Beatty reported that there had been more occasions when raw sewage had been discharged into the River Exe recently even though there had been no rain for a long time. Cllr Rob Longhurst reported a similar situation last month and has asked for details of this and how the number of discharges is monitored. To date no information has been forthcoming. The Council also received the Exe Estuary Management Plan which had as one of its objectives to press SWW to reduce these discharges. The Parish Council will be lobbying SWW to improve this situation and will lobby the Exe Estuary Management Partnership to increase its pressure on SWW to do better.

Exe Estuary Trail – In December 2015 the Trail Action Group wrote to Devon County Council with a request for an update on our request for support for an off-road route for the Exe Exeter Trail through Lypstone (as identified in our Neighbourhood Plan). David Whitton, DCC Head of Highways, replied and placed responsibility for any progress on Lypstone Parish Council. He proposed that Lypstone Parish Council should develop the route into a viable proposition, consider how it could be funded, and get permission from Network Rail. Judith Carter and the Trail Action Group are keeping up their hard work on the project to have an off-road route through the Village. They have secured the services of Engineering Consultancy, Sands Consultants of Exeter. Sands will be liaising with DCC and Network Rail Engineers to draw up plans for the feasibility of an off-road route. They have already visited the area to gain an impression of what might be possible. The next stage will be for Sands with an Engineer and a Network Rail Engineer to walk a potential route. No costs have been charged so far but this next phase will cost in the region of £2,000. Sands are at pains to point out that they will only recommend proceeding beyond initial investigations if

discussions with Network Rail are positive, construction costs appear reasonable, the route appears broadly acceptable, and DCC are supportive. Cllrs Jenny Clark and others reminded the Council that this was the most popular of all the community actions from the Neighbourhood Plan and that the Council had been setting aside funds for Neighbourhood Plan Projects. The Parish Council wholeheartedly supported the Trail Action Group on the progress that they have made and agreed to fund the first phase of time at a cost of approximately £2,000.

Lypstone Youth Club and Lypstone Pre-school – The project to replace Lypstone Youth Club building is moving on. The idea is to demolish the building, build a new Pre-school building on the site of the Youth Club so that it has easy access to the excellent outdoor play facilities at the Village Hall and then build a new Youth Club building next to the Pre-school building. The Youth Shelter will be removed and the Basket swing, a very popular piece of equipment, will be moved to the other side of the Multi User Games Area. DCC have submitted a bid for Government funding for a ‘turn-key building for the Pre-school. A decision on that will be known in December. If this is successful it will release some Parish Council funds for a new Youth Club building. The

Parish Council has authorised a lottery bid for £100,000 towards the cost of a new Youth Club and will apply for other sources of funding to meet the balance. If these are not forthcoming, then the Council will take out a loan to cover the balance. With low interest rates, some councillors considered this to be a good opportunity to create a new public building for the Parish.

We need a new Parish Councillor.

There is a vacancy for a Parish Councillor on Lymington Parish Council caused by the resignation of Sandra Everett. Parish Council Chairman thanked Sandra for her time as a Parish Councillor and now the hunt is on to find a successor. The vacancy has been formally advertised and no request for an election has been received so it is now up to the Parish Council to co-opt a new Councillor. Anyone interested in filling this vacancy should write to or email the Clerk or contact a Parish Councillor saying why they would like to become a Councillor and the skills and experience they could offer. Applications will be considered at the meeting of the Parish Council on Monday 5th December 2016.

NHS BEDS

Northern, Eastern and Western Devon Clinical Commissioning Group (NEW Devon CCG) are consulting on proposals to improve your future care in the area by providing more care in people's homes and avoiding hospital

admissions where possible. They are doing this by reducing the number of beds in local hospitals including Exmouth to fund the cost of the different service. Saying "In addition to the consistent and enhanced provision of community health and social care delivered in people's homes, the services will be supported by consolidating community inpatient beds in the following possible configurations, subject to consultation:

Option A, Beds at: Tiverton 32, Seaton 24, Exmouth 16

Option B, Beds at: Tiverton 32, Sidmouth 24, Exmouth 16

Option C, Beds at: Tiverton 32, Seaton 24, Exeter 16

Option D, Beds at: Tiverton 32, Sidmouth 24, Exeter 16

It is worth noting that Options C & D will see the closure of all beds at Exmouth."

There is concern that this and the closure of other homes in the area will reduce the number of convalescent beds for those who need them and do not have family living nearby to help people recover from time in hospital. The area generally has an ageing population and so it takes longer for them to recover from treatment. There is also concern that, at the moment, hospitals are not discharging patients because there is a lack of services to support them when they get home. You need to have your say on the shape of health services at this

local level. Details are on the New Devon website (www.newdevonccg.nhs.uk/about-us/yourfuture-care/102019.) You can also respond in writing addressed to Freepost YOUR FUTURE CARE. (Use the capitals as shown and there is no postage to pay).

THE PARISH CHURCH

- Where all are welcome.

Choir – Our small choir provides a vital lead to the music in our worship – if you love singing and would like to join our choir, Philip White, our organist, will be pleased to discuss your involvement over a cup of coffee after any service or Tel: 264469.

The Eucharist (or Holy Communion) Jesus celebrated a Last Supper with his disciples on the night before he died. He broke bread with them, and shared a cup of wine. Ever since then Christians have repeated his actions in the Eucharist service..

Children are always very welcome to join in all our 10am services at Lympstone. We especially look forward to welcoming them with their parents at the Eucharist. The first and third Sundays are family services with

Eucharist on the first Sunday and Morning Praise on the third.

Sunday School / Sunday Club: There is no Sunday School at the moment, however if a few children are present week by week on the 2nd, 4th and 5th Sundays, we can re-start a Sunday Club for children in the vestry during the service.

Communion Boxes containing material to help children follow and understand the Eucharist are available at the back of the church. If you wish to share the worship with your child please ask a sidesperson for a box.

The Family Corner is available near the entrance to the church where there are activity bags for small children.

Christmas dates. As we approach the festive season we look forward to the celebration of the birth of Jesus in the singing of carols, celebrations, giving and receiving gifts. The main Christmas services will be listed in the December Herald but the earlier ones need to be given this month to make sure you know in good time.

Christmas Shoebox Appeal: Once again, Lympstone Primary school is hoping to fill shoeboxes with presents for under-privileged children who won't otherwise receive anything this Christmas. If you would also like to contribute, filled shoeboxes can be brought to church no later than Sunday 13th November (and will then be passed on to the school); leaflets about what can and cannot be packed are available at the back of the

church. If you cannot put a full shoebox together, please add something to the box at the back of church by this date, and the School Council will assemble shoeboxes from these donations. Thank you for your support. Demelza.

Carol Singing around the village is early because we wanted to include the Royal Marines

who are coming to help with a number of bandmen to play for the carolers. We will meet at the Parish Church at 6pm on Monday 12th December and finish up at the Methodist Church for refreshments and maybe a mince pie at the end of our journey. All are welcome and it is a very special experience to carol in the dark with torches and lanterns to bring the good news and cheer to the village on a winter's evening. Do come along.

Christingle Eastern European Churches gave us the Christingle service where the world is represented by an orange with a red band symbolising the blood of Christ. Purses of money are donated to the Childrens' Society. After all the oranges are distributed the candles are lit to shed Christ's light on the world. The electric lights are put out and, in

the darkness, the candles light up the whole church with their gentle glow. A memorable and moving experience. Everyone is welcome to come and join in the carol singing and enjoy the candlelight and the message of the Christ child.

Carol Service

The ever popular Carol service in the church will

be on Monday 19th December at 7pm but come early for a seat!

Finally for the month the '**Scratch Nativity**' starts from the Nursery at 6pm on Wednesday 21st December. All ages are welcome and shepherds, angels, kings, Josephs and Marys are wanted to act out their various parts. You may wish to come as a donkey or a sheep or bring one along! We progress, retelling the story of the first Christmas, towards the church and later arriving at the altar, the angels announce the news to the shepherds and all progress to the stable to see the newborn baby. Carols are sung and with some refreshment the Nativity is complete. Young children and some older ones enjoy the playing of the participants of the story and many adults love to act it out too. All are welcome. We would like to have more than 100 this year. Some costumes are available in church from 5.30 or bring your own.

FROM THE EDITOR

Don't be shy. We need two volunteers.

The first, with great ideas and the ability to 'sell' them to a group of people with altruistic views who also sit on the Parish Council. The second with the ability to read what others have written and to apply a bit of common sense and almost intuitive feeling for what the writer meant as they edit the Herald.

If you feel that you would like to try either of these activities then please contact either me or Tony, our Parish Clerk. The contact details for both are

on the front page of this Herald or just ring 274104 right now – No WAITING!.

FROM THE KNOWLEDGE

Repair your own holes in the road Devon County Council wants to create an army of volunteers to fill in potholes. Residents are to be given two days of training and supplied with equipment and materials as part of the 'Dig-It-Yourself' scheme supported by the Government. A pilot scheme across five parishes proved such a success they now plan to roll it out across the whole of Devon. The LGA said a number of other local highway authorities are now considering rolling out similar schemes of their own.

On Tuesday 22 November, our Garden Club evening will start with a short AGM followed by a 'What Tree Where?' talk by our very own expert gardener Sheila Parker.

The event is at 7.30pm in the Village Hall Function Room. Entrance is £3 on the door – all are welcome, there's no membership fee. Refreshments available, and plants and preserves on sale.

With Christmas approaching, we also wanted to give you advance notice of what should be a very popular event with Sarah Pepper – on the evening of Tuesday 6 December in the Methodist Hall at 7.30pm. Entry is £6 on the door.

Sarah is back by huge popular demand. She is an exceptional Devon florist who regularly works with the National Trust and RHS. She's known for her natural, classic and contemporary approach to floristry, and is much in demand.

We'll also welcome in the season with festive refreshments.

LYMPSTONE T.A.P. - (THIRD AGE PROJECT)

T.A.P. meets on Friday afternoons at 2.30 p.m. in the Methodist Church Hall, Lypstone until the 18th November, 2016 restarting again in early February. Our poster of events is on the notice board under the bridge at The Strand, or can be sent by email - please contact:- d.budgen@sky.com

On the 7th October we had Mr. Ron Howell who gave us a very interesting talk and computer presentation about "3,000 Years from Under the Sea". He belongs to a Sub Aqua Club which explores wrecks on the Devon coast for hidden treasures. The group had found a massive number of 17th century gold coins from one wreck off Salcombe and its possible involvement in the white slave trade which are now in the British Museum. They also found lots of other valuable artefacts. We plan to invite him again in our Spring 2017 programme.

On the 21st October we had an afternoon of games, a quiz and tea.

On the 28th October we had Mr. Graham Banks who told us about "Jane Austen and Marriage". This was very interesting and he explained how Jane Austen used the status of your family, which was very important as to who you could marry, in her books.

On November 4th we will be having "Questions and Stories" by Mr. Allen and Mrs. Eileen Dolley.

November 11th - "Gardeners Travels in Madeira" - Mr. Nicholas Baker.

November 18th - "Things I do for Hospicecare" - Miss Leslie Weeks.

We would welcome any new Ladies and Gentlemen to join us at any of our meetings. We look forward to seeing new Members.

EXE ESTUARY TRAIL

Last December the Trail Action Group wrote to Devon County Council with a request for an update on support for an off-road route for the EET through Lymptstone (as identified in our Neighbourhood Plan). David Whitton, DCC Head of Highways, replied and placed responsibility for any progress on Lymptstone Parish Council. He proposed that Lymptstone Parish Council should develop the route into a viable proposition, consider how it could be funded, and get permission from Network Rail.

When we met with Network Rail in 2014, they indicated that there are a number of possible options to route the Trail along the railway cutting.

The Trail Action Group has approached several civil engineering firms and Sands Consultants (an Exeter-based firm) have met with us and provided considerable time and advice at no cost and have provided an outline plan with proposed tasks and costs. These include a initial drawings of the route and structures needed for consideration and approval by the Parish Council. .

The Parish Council has agreed expenditure of an estimated £2,000 for this initial work and possible commitment of a further £9,000 to cover a topographical survey and detailed drawings for construction.

We will be discussing these plans with both Network Rail and Devon County Council as we will need their agreement and support.

Update on cobbles

We have continued to ask Nigel Flower, Safety Officer at Devon County Council, about when the proposed cobbles (agreed in mid 2015) will be laid. He has now stated that they will be done in the current financial year. However this will not change the need for an alternative route for the trail alongside the railway line

LYMPSTONE WI

On Wednesday the 2nd November we celebrated Lymptone WI's 97th birthday (another excuse for some delicious home-made cake) with the hope that we can continue to be a vibrant and relevant part of our community well into our next hundred years.

Our birthday speaker was zoologist Dan Freeman, whose early work for the Natural History Museum and the RSPB led him to the BBC in Bristol and then on to a career as a freelance film-maker and writer. Dan has travelled the world in his quest to capture some amazing moments on film – which may not always be happening quite as they appear!

After the tea break our Treasurer, Heather Stratford, told us that next year's membership subs of £39 would be due for payment at the January meeting, and that our branch would be resuming offering a Denman learning bursary to members in the New Year, with names drawn by ballot at the Christmas meeting.

Our president, Diana de la Rue, mentioned that the latest litter pick had been very productive (although that might not necessarily be a good thing) and that the final pick of the year would take

place on Tuesday the 22nd November – volunteers welcome! She reminded us that the County Carol service would be taking place at Exeter Cathedral on Tuesday the 6th December at 2.15 pm, and that Lymptone WI would be hosting the Group Carol Service at Lymptone Parish Church on Monday the 12th December at 2 pm. Our New Year Evening meal at the Redwing has been arranged for the evening of Wednesday the 18th January.

Our final meeting of 2016 will be a members-only event held on Wednesday the 7th December at 2.30 pm in the main Village Hall. Entertainment will be provided and members are requested to bring a small plate of food (more delicious cake) and a bran-tub present to the value of approximately £3.

We are very pleased to welcome anyone who thinks she might be interested in finding out about the Lymptone WI. For more information please phone Diana de la Rue on 01395 274099 or find us on the village website.

(A big thank you to all our WI members who keep some parts of our village tidy. Perhaps it is the litter picking which keeps our WI members slim. Ed)
