

# THE LYMPSTONE HERALD

## SNOW, SAILING & SUMMER ON THE WAY?

Hard to believe the incredibly late snowfall again at the end of the March but summer must nearly be here as boats were craned into the harbour on Tuesday 3rd of April. The Lympstone Fishery and Harbour Association reported that the operation ran smoothly

with some warmer dryer weather. Dinghies and day boats were brought to the sailing club on Sunday 8th April with the hardstanding being almost full by the end of the day. Hopefully the cold weather is now behind us and we can look forward to summer in Lympstone.

# PARISH COUNCIL NEWS

The Annual Parish Meeting was held on Monday 9th April 2018. This is not a Parish Council meeting but a meeting of all electors where anyone can report on any Group's activities and any elector can raise matters of local concern.

Footpath Warden, Jenny Moon reported that she had surveyed the footpaths in Mid-March. She did a large amount of clipping back and of course there was a lot of mud anyway but....

Fp7- the East Devon Way... Great work has been done on one side of the two higher stiles, but on the other side of both there is basically a pond! There is more work to be done.

Fp21 was impassable - a pond up to the top of my wellies! I found an alternative way round but not on the path. I have often seen a pool of water there but nothing like it was yesterday. I suggest we keep an eye on it.

Fp18 I know work has been done on the lane to Parsonage Stile but it is extremely wet again.

Fp8 There is always mud on this path but a bit of work has been done there and the path could be greatly improved by some stone / wood being put down over with the first 10 metres of the path (at the railway bridge end)

Parish Council Chairman, Cllr Jenny Clark reported on a year of great activity and success for the Parish Council. The new Pre-school building was up and running in Candy's Field. The Youth Club had been given an eye-catching makeover and had a new Leader, Sue Briggs. Sessions were very popular with between 30 – 40 children attending. At the beginning of the year, the cemetery was looking very poor and a few complaints had been received. Extra maintenance work was carried out and now the work has been handed to local Groundsman, Andy Western. The Parish Council hopes that you will all agree that it is looking much better. A safety visibility mirror has been provided at Sowden End so that cyclists can see cars and pedestrians approaching around the bend in either direction and ride safely. This has been coupled with the lane markings installed by DCC.

The lights and locks in the public conveniences have been upgraded with automatic controls. – all for your Convenience!

Cllr Chris Carter has handed over the Lympstone Herald to the younger hands of Cllr Rob Hilton and his wife. Chris produced the Lympstone Herald for 15 years and ensured that it was financially independent. Rob has added a new look to the cover which we hope you will all find attractive.

During the year we lost Malcolm Lyon as a Parish Councillor but he has been replaced by John Montgomery.

Flooding is always a local concern and the building works at Longmeadow Road and Strawberry Hill have only added considerable to the fears of residents living in those areas. There seems to be no sense in granting planning permission for such development when it is clear that surface and foul drainage will cause problems by adding to sewers and watercourses that are already overloaded. The Parish Council is keeping up the fight to have changes made so that the problems will be reduced. The Parish now has two groups of flood wardens covering the lower and upper sections of the village and there are two sets of first response flood protection equipment available. Cllr Phil Corcos and Alan Burton are the contacts for this. The Parish also has a Flood Resilience Group set up by Cllr Phil Corcos and now led very ably by Clem Davies who has wide experience in these matters.

Tony Day reminded the meeting that ALRUG – the railway Group – was still very active and is currently challenging changes to the timetable which will reduce the service and change the times of trains. The Station Group will be calling a Work Party soon to tidy up the embankment.

Residents reported graffiti on the

Exe Estuary trail and the railway arch at Sowden End. The Clerk will report these to DCC and Network rail. Anyone can report matters like this and potholes, blocked gullies etc directly onto the DCC website. This is usually the quickest way of dealing with such problems.

Brian Cotton informed the meeting that a railway sleeper had been blocking the gully behind the houses in Pretty Corner and could have led to a serious situation but it was removed by neighbour and Flood Warden, Roger Stewart. This gully is prone to flooding and it is vital that it is kept clear to protect houses in the area.

News from the Parish Council. The Parish Council held its ordinary meeting after the Annual Parish Meeting.

The Parish Council considered two retrospective planning applications which were to seek approval to the drainage scheme for the land off Longmeadow Road, which has already been installed and appears to be failing. The Parish Council agreed to object to both these applications, full details are available on the village website. Residents are urged to submit their own objections as quickly as possible. The closing date is Thursday, 12th April 2018. Residents should also submit objections to SWW as they need to know local feeling on these matters.

EDDC have issued a press release a press release about a car parks consultation. They have invited the Parish Council to have a say by filling in the online questionnaire before 1 June 2018: <http://eastdevon.gov.uk/consultation-and-surveys/car-park-review/> The main effect of this on Lympstone residents will be the removal of the local permit so that residents will now have to buy a full EDDC permit costing £134 pa.

The Council also agreed to register its interest in taking over the car park from EDDC. This would allow local control of use and charges although it must be borne in mind that there is no guarantee that the Parish Council would keep the present charging system. EDDC would also like to know if the Parish Council would like them to show an interest in taking over the area that was a temporary car park, at the top of Underhill Close. Cllr Longhurst had explained why the Parish Council could not get involved in this. Local residents voiced some concerns that the temporary car park was never full but there had been significant extra parking in Underhill Crescent whilst this car park was in operation, that having parked there, residents would need to walk up the very steep hill to get back to their cars and during the bad weather, the car park was inaccessible. The Parish Council would welcome your views on the future of this area including

whether it should be for general parking or possible with individual spaces being let on licence. Cllrs David Atkins and Helen Dimond will be checking on the volume of parking at the Underhill car park to help show whether more car parking is needed.

## LYMPSTONE GARDEN CLUB

Thanks to everyone who joined us in March for a special afternoon with Pippa Greenwood. The hall was packed, Pippa was so knowledgeable and passionate about her subject and the legendary tea and cakes went down a storm. And despite a slightly tricky journey to us, Pippa was kind enough to say: "I had a lovely time and was so touched by how kind, helpful and smiley you all were. Thank you, Lympstone Garden Club!"

Looking ahead, on Tuesday 17 April at 7.30pm there's a talk by specialist Katharine Murray on 'Growing Pelargoniums', and then the popular Coffee Morning and Plant Sale on Saturday 12 May in the Methodist Hall from 10am. Come and buy some plants to brighten up your pots and borders, and start off that veg patch.

One more date for your diary is the Annual Show in the Village Hall on Saturday 18 August – more details of how to enter in the coming months.

News from the Garden Club is sent out regularly by email – if we don't have your details and you'd like to be kept up to date with what's coming up then please send your name and email address to [windygardener@yahoo.co.uk](mailto:windygardener@yahoo.co.uk)

*Gail McKenzie*

## LYMPSTONE HISTORY SOCIETY

The Methodist Hall was buzzing for our March talk, when Todd Gray updated us on 'The Cathedral Green Fire & Exeter's Ancient Buildings'. As a result of the terrible fire that destroyed the Royal Clarence hotel and several other buildings in what was the parish of St Martin's, more has been discovered about the history of the area, in addition to what was already known.

Hot off the press was our latest booklet 'A Sketchbook of Devon' with contributions from local artists showing another side of our lovely village. Copies of this and other booklets in the series (Devon Boy, 1590, and Cooking and eating in a Devon Village: A historical Scrapbook) can be purchased at our events, or from our treasurer Graham Banks (Clays, The Strand), or you can email us at [lympstonehistorysociety@gmail.com](mailto:lympstonehistorysociety@gmail.com)

Our next talk is on Thursday 19th April, when John Allan will be talking about Anglo-Saxon Mints in Devon. As usual it will start promptly at 7.30pm in the Methodist Hall (doors open from 7pm). The full programme of talks for 2018 are on the village website calendar [www.lympstone.org/whatson](http://www.lympstone.org/whatson) and on our notice-board under the railway arch.

*Mary Turner*

## **PARISH CHURCH**

### **Services**

Sunday 8am Lay Led Morning prayer (except 3rd which is Said Eucharist)

10am Sung Eucharist except 1st and 3rd (Family Holy Communion 1st, Morning Praise 3rd)

Wednesday 11am Said Holy Communion.

**Lympstone Unlocked** 22nd at 5pm for all the family. (75% growth over the first 3 meetings!)

**The Annual Vestry Meeting** for Election for Church Wardens for the next year and the **Annual Parochial Church Meeting** will be held on **Sunday 22nd April 2018** following the Sung Eucharist at 11:30am.

The meetings will be chaired by the Rector, The Revd James Hutchings. Nomination forms for election of Churchwardens and PCC members will be on the table at the back of the church prior to the meeting. These should be completed and passed to the rector (in the case of Churchwardens) or the PCC secretary (Jeff Russell) before the meeting. Please note that you should check that whoever signs your form is on the electoral roll.

**Donation from Ecclesiastical Insurance** - The Church has just received another donation as a result of a member of the congregation taking

out a Household insurance policy with Ecclesiastical Insurance; Thank you for nominating Lympstone church. There is still time for others to follow this example; see details on the notice on the door to the porch. The Insurance company is 130 years old and will donate #130 to the church of your choice if you take home insurance with Ecclesiastical.

**New Organ.** A new electronic organ has been approved to take the place of the twenty plus year old instrument we currently use. Instead of punched cards the new organ will be programable and its software able to be upgraded. When more stops are open a pipe organ has to share the air from the pump among the pipes. So this new organ subtly changes the sound imitating the true and changing sound of a pipe organ. Our director of music, and Churchwarden, Philip White is looking forward to delivery and is arranging guest organists to perform concerts. Details to be announced.

**Rector at the Swan** 11th at noon, 19th at 11am and 25th at 11am or 263681 for the Parish Office.

More information under the Arch or in Church.

*Brian Mather*

## FLOOD RISK MANAGEMENT

The first meeting of the Lympstone Flood Risk Management Project Steering Group took place on 8 March. Led by our Flood Resilience Group, the Project Steering Group includes representatives of all of the flood risk management authorities (Environment Agency, Devon County Council, East Devon District Council, and South West Water). All expressed support for the project and are committed to working in partnership with us.

Key elements of the project include: developing a hydraulic model, addressing recognised local flood risk issues, and developing an action plan to reduce flood risk in the village.

The Environment Agency has already provided £30K for the first phase of the hydraulic modelling study, and is confident in securing additional funding for the second phase. The model is vital since it will provide data to better understand the flood risk and to help us identify appropriate risk reduction measures. It will also inform the planning process.

To make progress on local flood issues - particularly those associated with the current residential developments in the village - a further meeting with Devon County Council and South West Water was held on 5 April.

Work is also ongoing to review the performance of the existing flood defences with the Environment Agency, and we have just obtained funding for a preliminary study of runoff from rural land in the upper catchment.

Finally, a big 'thank you' to all those people who have already sent us photos and other information about flooding in the village. We are currently working on a record of flood events so this is really helpful. We are particularly keen to confirm the number of properties that have been affected by flooding. So, if any part of your property has been flooded at any time in the past, please contact us. We will treat any information received confidentially.

If you have any questions or comments, please feel free to contact me.

## LYMPSTONE WI

It was our Annual Meeting this month, so after the official approval of accounts and election of President and Committee, it was time to look back at a successful year with three new members, lots of good meetings and pleasurable outings.

We had some brilliant speakers, being transported to different places as far apart as Russia in the pharmaceutical business world and America during the evacuation in the Second World War. Nearer home we found out about Jane Austen, "Remarkable Women" and Dartmoor Search and Rescue, all centred in Devon. Subjects like garden design and the entertainment business were also covered.

Members took part in Devon Federation events including a Spring Garden Day at Longdown, Spring Council in Torquay, Sing for Fun, Officers Get together, Autumn Showcase and a visit to Cardiff Christmas market. There was a carol service, but unfortunately not the one in Exeter Cathedral for our WI this year, hopefully better luck this coming Christmas. The Pampering Day at Exeter College comes highly recommended for the future.

Our own events were as usual numerous: a visit to Cothelstone Manor was hailed as brilliant, not to mention

the summer supper and the (very French and sophisticated) Feb lunch at the sailing club.

The Furry Dance and the magnificent Calendar Girl scarecrow that won a section of the Village competition was a highlight in the summer. Supper at the Redwing cheered us up in January and the Xmas party saw some of us in a very energetic mode indeed with a Zumba display by members and friends.

Members of our WI volunteered for various good causes like making cakes for the Open Gardens event and litter picking once a month on the public fields and footpaths round Lympstone.

We are now looking forward to another year of education, fun and food!

Our next meeting will be on 2nd of May. The speaker will be Graham Hurley, local author, talking about 'crime writing'.

*Elly Cordwell*

## LYMPSTONE LIVES

### BRIAN COTTON

**Brian Cotton, who has lived in Lympstone since 1999 with his wife Jo, has taken on various roles in our local community to improve village life.**

#### **Origins**

Brian was born in Surrey in 1937. After suffering a heart attack and having a triple bypass operation, Brian moved via Bristol and Torquay to Lympstone in 1999.

#### **Family**

He is married to Jo and has two sons: one who now lives in Exmouth, the other with Brian and Jo's two grandchildren in Torquay.

#### **Career**

Brian trained as an engineer and, after a period as deputy chief engineer at a large chemical works in Avonmouth, worked in the oil and gas pipeline industry. In 1987 Brian and Jo's life together took a very different turn in terms of work when they bought a hotel in Torquay. They stayed in the hospitality industry until 1999, when they moved to Lympstone.

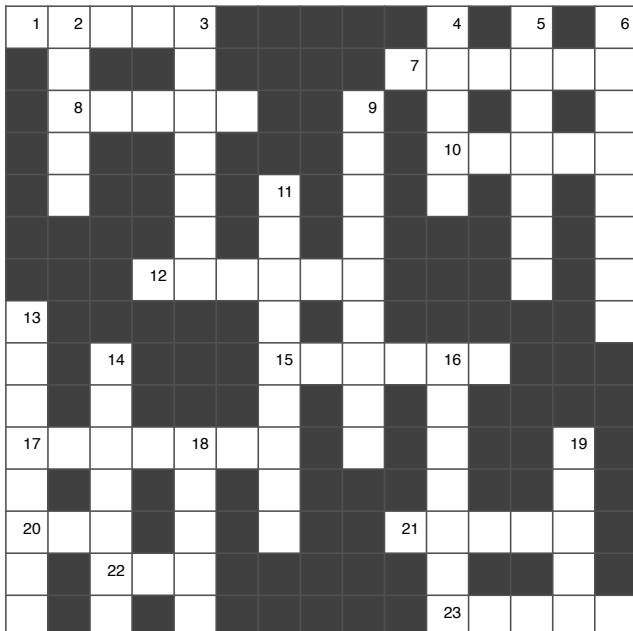

#### **Village Connections**

Living in Lympstone the pair soon became involved in village life. Brian became Chairman of the Twinning Association, on the Committee of History and Historic Houses Association. He soon became a trustee of the Village Hall and Vice Chair for the last few years. It was under his, expert guidance that the Village Hall was brought into the 21st century with a new bar, kitchen, toilets, stage and hall lighting. He also advocated the hall's solar panels, heating & ventilation and fire alarm system, with thanks to Don Mildenhall's leadership.

#### **At Present**

Brian is now eighty years old and feels it is time to take a back seat from village duties. His summative comment on life in Lympstone is this: "I have enjoyed every minute of our life in Lympstone."

## CAN YOU SPARE AN HOUR?

Twice a year we spend an hour or so tidying the lower part of the railway embankment on Station Hill. If you would like to help, please come to the station at 11am on Wednesday 23rd May, with your gardening tools and a willing pair of hands – no climbing involved.

Earlier that morning the station platform will be planted with a summer display, watered and maintained by village volunteers. All this community effort helps make the whole station area attractive for villagers and visitors alike.

## FUND-RAISING DINNER

A dinner to raise funds for the Sam Banks Memorial Fund will be held at the Sailing Club on Saturday 9 June. The evening will begin with drinks and starters in Teresa and Paul Sauven's garden overlooking the estuary before two further courses indoors where there will also be a short performance from a soprano and accompanist.

The Sam Banks Memorial Fund provides bursaries for photography students at Pathshala South Asian Media Institute in Bangladesh. Tickets cost £22 and are available from Louise and Graham Banks at Clays, The Strand (or phone 223048 or email [gthbanks@gmail.com](mailto:gthbanks@gmail.com)). All are welcome.

*Graham Banks*

## LYMPSTONE ART EXHIBITION

SUNDAY 27TH MAY SUNDAY 3RD JUNE

Please come to our Exhibition which is in half term week. We will have a wide range of paintings, as well as sculpture, ceramics and other 3D art on show. Open from 11pm to 5pm in the Village Hall, although on the final day, Sunday 3rd June we finish at 2pm.

We have a secret auction for a wonderful watercolour by a local artist, Louise Banks. The artist Paul Barclay, whose family originates from Lympstone and now has a gallery in Dartmouth will be opening the Exhibition and presenting the prizes. He has kindly donated a picture as a raffle prize

Put the dates in your diary and enjoy a visit - an opportunity to buy original art work at very reasonable prices. Entry £1, free for children under 12

*Judith Carter*

# THE RETURN OF THE RUSSIANS

Visas granted for English tour.

The astonishing tenor from St Petersburg, Sergey Grankvist, a member of the Nikolsky Ensemble who will sing Russian Orthodox sacred music and traditional Russian folk songs on Thursday, 26th April at 7.30pm in the wonderful acoustic of Lympstone Church.

One of the most thrilling events ever promoted by Lympstone Entertainments was the performance by the singers from St Petersburg in 2016. We are excited to tell you that, at short notice, we have been offered another concert by some of the same singers, including the star soloist, tenor Sergey Grankvist. News has just reached us that Visas have been granted to the four singers.

This is the Nikolsky Ensemble, formed by Boris Totokin, who conducted the earlier

Hermitage Ensemble, and featuring the tenor who astonished us last time with his amazing voice. Once again they will be performing a programme of Russian Orthodox sacred music, and well-loved Russian folk songs. The composers of the sacred music include Tchaikovsky, Mussorgsky and Rachmaninov, and the songs in the second half feature such favourites as Moscow Nights, Song of the Volga Boatmen, Those Evening Bells and Kalinka.

The Nikolsky Ensemble has already undertaken tours of Estonia and Norway, and now is coming to England at a time of sensitive relationships between our two countries.

Tickets £12 (£10 if you have bought a ticket for the Budapest Café Orchestra) [boxoffice@lympstone-entertainments.net](mailto:boxoffice@lympstone-entertainments.net), 2 Brookfield Cottages 01395 223 Harland Walshaw

## **FRIENDS OF THE CHURCH**

The winner of the £25 lottery prize in the March draw - the last for the 2017/18 round - was Sue Date. Tickets are now being sold for the 2018/19 round of the Lottery - £6 gives you a chance in all twelve of the monthly draws. If no one knocks on your door to ask you to buy one and you would like to do so, please let me know and I will happily oblige! The Lottery helps to provide valuable funds to keep Lympstone's church building in good condition for now and into the future. Do support it if you can. The Annual General Meeting of the Friends of the Church will be held on Friday 27 April, starting at 7.30pm in the church. It is an open meeting so please come along if you would like to learn more about the work of the Friends.

*Clive Wilson 2674753*

## **BRAIN TUMOUR SUPPORT**

On 21st April at 7pm at the Public Hall Budleigh Salterton, the theatrical company Prior Commitment are putting on a parody of Shakespeare, to celebrate his 400th anniversary and give us all another way of looking at Shakespeare and his works. For those of you who love him its an amusing view, for those who don't care for the Bard's work its a fun way of becoming familiar in a modern way to view him, and for others its a way of having a giggle and a drink or two. A win:win for everyone. Tickets are available from Budleigh Tourist Information or Cards Too, both in the High Street at Budleigh, or via myself.

*Jeanette Hackwell*
