ANNUAL PARISH MEETING

This will take place at 7.30pm on Monday 13th May 2013 in the Committee Room at the Village Hall. This is a Village Meeting, not a Parish Council meeting. Any elector can come along to raise issues of Local concern.

There is a lot happening in your community so this is a chance to update on Parish matters. It is only scheduled to last half an hour so it will not take up much of your time but it will be worth attending.

A J le Riche

FLOWER BEDS

The Parish Council is responsible for maintaining several flower beds around the village, not just in the centre. Most, but not all are looked after by very willing and able volunteers. There is opportunity for more volunteers to take on this work or to help those already giving their time. It is not a big commitment but a small amount of work can make a big difference to the appearance of the Village. So if you think that you could spare an hour or two each month please contact Cllr Peter Acca, Cllr Terri Scott or Tony, the Parish Clerk, to let them know what you might be able to offer.

Cllr Terri Scott

ATTENTION ALL DOG WALKERS

A reminder to dog walkers in the village. Please remember to pick up after your dog and place in the bins provided, this applies to all public areas including Avenue Field and Cliff Field, the Dog Warden will be patrolling the village and if caught you will be fined £80. It is worth noting that it is also an offence to pick and flick your dog's poo into hedges!!!!!! Thanks.

Lent Lunches. You will be pleased to hear that, after all expenses are paid, the lunches made a total of £440. This will be given to the Open Door in Exmouth and St Petrocks in Exeter. Very many thanks to all who helped, not forgetting Mary and Neil Downes who erected and dismantled the tables for everyone. Well done to all.

VILLAGE SHOP

Spare a thought for those of us who are dependent on the village shops for groceries and cash, who have no cars, difficulty in walking or, are unable to access trains and buses and therefore can't reach Exmouth, shops or supermarkets. For elderly people, especially those living alone, a visit to the Village Shop/and Post Office is an outing, a therapeutic experience and a chance to meet friends. The friendly staff at the shop, numbering approximately 10-12, are all local people, who work hard to keep things going. If the shops go, they will lose their jobs. These facilities are vital for those like me, who wish to remain independent, and not be a burden on family and friends.

We all get old, it is a fact of life, circumstances change, and although we may lose our ability to move around as we once did, the incentive to do so remains.

We have a Village Shop, a Post Office, and a Mobile Library. It is vital we keep them, it would be sad to see these facilities die through lack of support. **SO PLEASE SUPPORT THE SHOP, THE POST OFFICE and THE MOBILE LIBRARY.**

LYMPSTONE W.I.

At our Annual Meeting in April Diana de la Rue was elected President, and grateful thanks were given to Anne Frampton and Jo Cotton who were standing down as President and Hon. Secretary respectively.

We welcomed Mary Andrews, W.I. Advisor, to assist us with the formal proceedings and also to chair the discussion on this year's W.I. Resolution addressing the "Decline of our High Streets and Town Centres". Nationally, the W.I. is an extremely influential group which each year campaigns and lobbies government and other agencies on a different resolution which has been submitted by W.I. members to the National Conference and voted on at that time. Recent resolutions have included campaigning for more midwives, and for a fair price to farmers for milk. There is information on the website about all previous resolutions and the many other activities that the modern W.I. takes part in www.theWI.org.uk

We are looking forward to hosting the Estuary Group Spring Meeting on Wednesday, 10th April, and ten of us are going to the Devon Spring Council Meeting in Torquay on 17th April when Ann Widdecombe will be the speaker. Our next meeting is on Wednesday, 1st May (**not** 8th May as in printed programme) at 2.30 p.m. in the Village Hall. Rosemary Bethell will be talking to us about "Flower arranging on a budget". All are welcome, and if you

would like any more information about Lymptstone W.I. please phone Diana de la Rue on 01395 274099.

POLICE

Between the 10th and 12th March a number of insecure vehicles in the village were entered and have money and CDs stolen. This occurred at various locations around the village including Wotton Lane. It is believed they occurred in the early hours of the morning. If anyone has any information regarding these thefts, please contact me on the details below. Please ensure that your vehicle is left secured when unattended and remove any valuables.

A large sign in the Saddlers Arms car park was damaged between the 19th and 20th March. The sign was torn and sprayed with graffiti. If anyone has any information regarding this crime, please contact me on the details below.

Over night of the 20th March a concrete mixer was stolen from a property on Hulham Road. If anyone saw any person or vehicle acting suspiciously around that time, please contact me.

There are currently two bikes locked and left unattended on the bike racks outside of the Swan public house.

They are fairly rusty and slightly unloved and have been in situ for quite some time. I am trying to establish whether they have been abandoned. If you are the owner, could you please contact me to confirm ownership.

Cliff Field/Candys Field – please can I ask that dog owners/walkers make sure they watch their pets when exercising them at these locations. I have had a number of complaints regarding dog jumping up at people and chasing cyclists and runners. As a dog owner it is your responsibility to ensure you are in proper control of your pet at all times. I will be asking the dog warden to attend and monitor the area. Thank you in advance.

CALLING NEW LYMPSTONIANS

Have you been living in Lymptstone for less than 15 years? Are you a 'young family'? Can you accommodate guests at home? Can you spare one long weekend a year meeting new, potentially lifelong friends? If you are still reading, how about twinning?

Our twin village of Biéville-Beuville, less than 10 miles from the ferry port of Ouistreham/Caen on the Normandy coast, is calling for a new generation of young families to take over the near 40-year legacy already established.

If you are at all interested, but are concerned about the image of what you know of the present/previous generation of twinning – fear not. Now is an ideal moment to recast the mould because the previous ways of doing things, very successful in their time, with a committee and fundraising have ceased with the demise of The Lymptstone Twinning Association. However Lymptstone remains officially twinned with Biéville-Beuville, through the Charter upheld by the Parish Council, but active twinning fall to others.

So what is twinning all about and what is involved nowadays? Fundamentally, it is about having fun and a very rewarding good time with a similar French family, else why do it at all? In even years, they come to us for a weekend, in odd years, we stay with them for a weekend, the weekend usually being a public holiday at the

end of May although the timing can be changed. In the past the number of people involved has filled a coach, although this year a handful of full cars will suffice. To find out more visit the Lymptstone Twinners website &/or contact Richard Crisp

A NEW, YOUNG WI FOR LYMPSTONE?

Throughout Devon new WIs are starting up, specifically to cater for working women and mums with children who cannot attend monthly afternoon meetings. Jam and Jerusalem don't feature! Whilst food and craft skills are popular, many other events are on offer at the moment, i.e. a canoeing adventure day on the River Dart, 2-day visit to Kew Gardens, Buckingham Palace and Kensington Palace, a day at Newton Abbot races and a trip to a historic fairground heritage centre to name but a few.

There has been a WI in Lympstone for 94 years. Our early history makes fascinating reading; members met all through WW2, and we hope to keep going for our centenary but we are struggling to increase membership. It would be so good if a new group for younger people could be formed in the village. Some institutes meet in a pub room to keep expense to a minimum. In recent issues of WI Life, women have been featured roller derby skating, attending self-defence classes and side car racing. There is no such thing as a stereotypical WI member. The WI exists to inspire women so give it a try? I am happy to point you in the right direction for setting up your own evening WI.

Competitive Cynthia set for Starlight Walk's new route

More than 100 women have already signed up to take part in this year's Starlight Walk for Hospiscare, which has a new 12k route along Exmouth's seafront and beautiful countryside.

The walk is back for one night only taking place on Saturday May 11. The Hospiscare ladies walk usually takes place on two nights with one walk in Tiverton and one in Exmouth.

But Hospiscare has combined the walks to one venue for 2013 to maximise the amount of money raised.

The 12k walk starts at the earlier time of 8pm this year and incorporates the cycle path to Budleigh into the route. The walk finishes at Exmouth Rugby

Club where a much deserved treat will be on offer. "Exmouth Rugby Club are brilliant; there is a great atmosphere and a good feeling. I'm just hoping we get loads of people signing up."

Hospiscare gives high-quality care and dedicated, free-of-charge support to people who are terminally ill. Hospiscare is your local hospice charity for Exeter, mid and east Devon.

50 GLORIOUS YEARS- THE EAST DEVON AREA OF OUTSTANDING NATURAL BEAUTY CELEBRATES ITS 50TH BIRTHDAY

East Devon is well known for its beautiful landscapes, stunning coastline, fascinating history and vibrant communities. In 1963 this unique landscape was designated as an Area of Outstanding Natural Beauty, in recognition of its importance nationally. To mark this very special anniversary 2013 will be a year of celebration with events, activities and exhibitions throughout the region.

The festivities kick off in April with Heritage Week culminating in the Peter Orlando Hutchinson Project Conference at Kennaway House in Sidmouth. Throughout the summer the AONB team and members of the AONB Partnership will be attending the Axe Vale Festival, Heath Week at Woodbury Common and the Honiton Show, with displays describing the many varied projects the AONB supports.

From January onwards we will be running a photographic competition entitled

“Focus on 50 – celebrating half a century of the East Devon AONB” as well as a writing competition for all ages called “Life and Landscape”; so if there is a special place or view that you would like to photograph or write about, this is your opportunity to enter and win some great prizes.

We are also challenging as many people as possible to walk the length of the East Devon Way during the year – as one event or in bite size chunks! This 40 mile route passes through the heart of the AONB, from Exmouth to Lyme Regis, and your achievement will be rewarded with a unique 50th Anniversary certificate!

Local businesses are being encouraged to get involved too! We are keen for as many as possible to pledge their support by using the East Devon AONB 50th logo wherever they can. In return they will be included on a supporters list and receive free promotion of their business not only on the East Devon AONB stand at high profile local shows, but also on our website.

Our anniversary celebration will take place on Friday 20 September at Bickton College. Professor Michael Dower CBE, former Chief Executive of the Countryside Commission, will be our special guest. He is also son of John Dower, whose work in 1945 laid the foundations for the National Parks and Access to the Countryside Act 1949

which created the AONB and National Park system.

John Wilding, Head of Forestry and Environment for Clinton Devon Estate, and East Devon AONB Partnership Chairman, said “The East Devon AONB is an inspirational place to live and work and we hope as many people as possible will help us celebrate this amazing landscape”. To make sure you don’t miss out on any of the activities and to get more information go to www.eastdevonaonb.org.uk or contact the team on 01404 46663

LYMPSTONE C OF E PRIMARY SCHOOL – APPOINTMENT OF NEW HEADTEACHER.

I am delighted to be able to announce that the Governors have appointed Mrs Emily Mellor as Headteacher of our school, to take up her post in September after Tony Priest retires in the summer.

We had twenty applicants for the post, which is a high number for a Primary Headteacher post, and we invited five to interview. The assessment process took place over two days and tested the candidates on all aspects of school life and the role of Headteacher. It was a very strong field, but at the end of the two days the seven Governors involved were unanimous in their choice.

Emily is currently Assistant Headteacher at Withycombe Raleigh in Exmouth and has been a teacher within a variety of schools in Devon for nearly twenty years. I am sure that she will bring much to our school, whilst at the same time understanding and continuing those things which make Lypstone School such a special place. I know that she is keen to start to get to know the children, parents and staff within the school as soon as possible and Tony will be discussing opportunities for her to meet people over the coming weeks.

AFTERNOON MUSIC

This coming Sunday,
14th April, will see
the first of

Lymptstone Entertainments' afternoon concerts. The cellist Hilary Boxer will play some of the wonderful Bach Cello Suites, which are amongst the most loved pieces of classical music.

This is the first of a summer series, which continues on 12th May, when Hilary is joined by another cellist, Jane Pirie, for a concert which links music by the 18th century Italian composer Boccherini with pieces by Fats Waller, the American jazz singer and composer of the 1920s and 30s, famous for *Ain't Misbhavin'* and other songs of the period.

Each concert will take place in Lymptstone Church from 4pm to 5pm. Tickets can be had for each concert at £7 (£5 for children), or for the series of four at £20 (£14). They are available from John Welton at 1 Harefield Cottages, tel. 271 915, or johnwelton68@gmail.com, or otherwise from the Post Office with a £1 booking fee.

➤ SEAGULLS HEAD INLAND

The RSPB has reported that seagulls are moving inland to towns and cities due to the collapse of the fishing industry. Grahame Madge, from the organisation, said the birds were natural scavengers and were also being enticed by the growing number of councils collecting food waste. Some councils have had to install spikes and clear nests at waste recycling sites, while some are proposing to shoot the gulls.

(Lymestone suffers from people who feed seagulls in the village Ed)

➤ Faster broadband and a new hotline for a countryside revolution

Environment Secretary Owen Paterson claimed that rural communities are being held back by 'outrageously' slow broadband speeds as he launched Defra's Rural Statement. The government has announced £20m in grants to help communities improve their broadband by investing in infrastructure and to set up as service

providers themselves. They also announced plans to stop councils blocking the installation of 'ugly' standard street cabinets, which connect homes to the internet and will make it easier for landowners, local authorities and communities to install broadband cables under public streets or private land, or on telephone poles.

New standards arrangements for council members

The Department of Communities and Local Government has published a guide for councillors on openness and transparency on personal interests. This is a practical guide which will help all to properly understand the new arrangements and shows clearly how these arrangements strike a common sense balance between accountability of elected representatives and personal privacy. All members of the council will want to carefully look through the guide as it will be helpful as you go about your day-to-day business as elected members serving your local communities. The guide is available on the Department of Communities and Local Government website. It will help all those who have chosen to serve their communities as councillors to ensure that there is openness and transparency about their affairs whilst their legitimate privacy is properly respected.

LYMPSTONE IS A LUCKY VILLAGE

For many years the grey beards in the village have said that Lymptstone has one pub too many. But nature abhors a vacuum and I think that 2013 will fill the empty spaces around the bars.

The Swan has seen bar space reduced by an increase in dinners – many of them coming in from Exmouth. The Redwing has increased capacity by fitting out the Loft as a semi-private dinning and drinking area. And now Ange and Mike, the new landlords in the Globe, are moving in with great ideas, many based on their experience as customers having lived in Lymptstone backed by Ange's money management experience as an accountant. The Saddlers will hope to swell their takings with passing trade from a recovering economy.

I hope to help everybody by not buying a new car and spending the money saved on good dinners – like local mussels followed by a freshly caught Jason's crab (or a lobster, I am not picky) served with a crisp dry white.

The Herald will carry reports on my dining adventures around the village.

THE GLOBE INN Is changing hands

We would also like to take this opportunity to thank Dave & Sheila for all their hard work over the last 3 years & wish them the very best for their retirement.

THE NEW HANDS

Ange & Mike are very excited to announce that on Monday 22nd April they will become the new Landlady & Landlord of The Globe Inn.

We will be closing for a period of refurbishment so please keep your eyes peeled around the village for notices of our official opening party, anticipated to be the beginning of May.

We look forward to welcoming customers old & new.
