PARISH COUNCIL

Planning is still at the forefront of Parish Council business. A Planning Committee has now been formed to consider all planning matters and to decide the Parish Council's response to planning applications.

Cllr Mrs Kathy Rogers, former Planning Champion, was elected Chairman of the new Committee which met for the first time last Monday.

There was only one planning application but the major item of business was the appeal that had been submitted by Strategic Land Partnerships against refusal of their planning application to build 33 houses on land at Courtlands Cross.

Whilst Kathy is Chairman of the Planning Committee, Cllr Rob Longhurst was asked to take the lead on behalf of the Parish Council and the

whole community, in opposing this unwelcome development.

The Courtlands Lane Action Group has already been busy starting to prepare a case to put forward the community feeling against this application. More information about this and how to object can be found on their website www.courtlandsverycross.org. If you wish to object you must submit your views before the appeal deadline of 18th July 2014. There will be information and letter writing next to Londis on Saturdays 5th and 12th July from 10 am to noon.

Footpaths in the Parish. The Parish Footpath Warden, Jenny Moon, has been busy walking the footpaths in the area and cutting back vegetation to keep them passable. This is hard work and sometimes there is a bit that Jenny cannot reach. If you feel able to give our parish Footpath Warden a helping hand to keep paths open for everyone do get in touch with Jenny or Tony, The Clerk to the Parish Council.

Neighbourhood Plan. The Parish Council has supported the Neighbourhood Plan Working party in its bid to get EDDC to proceed with its part in processing the Lymptone Neighbourhood Plan. EDDC had raised some very minor and pedantic queries during the formal consultation stage. The Working Group has proposed a response to this which has been accepted by the Parish Council. The Council also agreed that the Neighbourhood Plan should go forward on the understanding that if the EDDC Local Plan changes then the Neighbourhood Plan would be reviewed to meet these changes.

The Neighbourhood Plan also includes a lot of Community Actions and the Parish Council felt that these should not wait until the Plan has been formally adopted. Cllr Mrs Jenny Clark is the Parish Champion for the Neighbourhood Plan and has started work on this Community Wish-List.

Bus Stop at Meeting Lane. In response to local comments, the Parish Council is to look at ways of making the area around this bus shelter more attractive. Amenities Champion, Cllr Peter Acca and Tony, the Clerk have cut back branches from trees that were overhanging the Bus Shelter. The next steps will be considered at the next meeting of the Parish Council and could include a flower bed and painting.

War Memorial – The Parish Council have accepted a quote from Woodbury Stone Masons for cleaning and refurbishing the War Memorial. This work will start soon and will be completed in time for the Commemoration Service on 4th August 2014. More details of this service will come from the Parochial Church Council and Rev Hutchings but in the meantime please put the date in your diary.

Footpath at School Hill. The footpath from the School gates into Candy's Field has now been surfaced with tarmac. This will make it much easier for people going to and fro, especially mothers with push chairs and buggies. The work was funded out of receipts from the bar at the Jubilee Party and from the Parishes Together Fund that is provided by DCC and EDDC

Need a grant? Could your Group benefit from new equipment or some work or just a cash injection. Help is at hand. Each year, the Parish Council sets aside some money to help groups in the Parish.

Details and an application form are on the website at:
<http://www.lympstone.org/parish-council/parish-council-grants/>

Your County Councillor also has a Community Fund to help groups in the Village. Applications for these are usually made either direct to your County Councillor, Bernard Hughes or through the Parish Council.

If you would like the chance to have a grant fill in the form and send it to Tony, the Clerk, or just give him a ring for help and advice. his address is always on the front page of The Lympstone Herald.

FROM THE EDITOR

Well I am back with a bumper issue Herald. Thanks go to Terri and Judith for putting together June's issue.

Whilst I have been away Judith replaced our router (the flashing data light that always stays on) and now we have a rate of 37.6 Mb of data coming in replacing the 1.6 Mb we had before.

This is the speed increase I have been asking BT about for a decade and can recommend it.

NOW would be a good time to trim overhanging hedges on roads and footpaths as the recent warm weather has stopped plant growth and made cutting easier. A professional gardener said - do it now and with a bit of luck you will not need to cut bushes again this year

NEIGHBOURHOOD PLAN UPDATE

The Lympstone working group was faced with the various options and decided to push for our plan to go through regardless of the lack of Local Plan (we will review it and amend it if necessary after EDDC eventually has their plan adopted) .The Parish Council after a full explanation voted unanimous support. We will now be progressing the plan and asking EDDC to put it forward to the examiner as soon as possible.

We would welcome new volunteers for the NP working group – the next stage will be to implement some of the ideas put forward by residents at the consultation stage, and to organise a referendum. If you are interested in becoming involved then please contact

PARISH CHURCH

PRODUCE STALL Once again this year we will be selling produce etc 'under the railway arch' in Lympstone in aid of our church. The Produce Stalls will be on Saturdays through to 30 August

FURRY DANCE Are you willing to serve this community at the Furry Dance on 2nd August? Due to the success of Mad Hatters workshop last year, the committee have asked if the church would be willing to run a children's area up on Cliff Field. Nigel and Katherine will both be there but the number of traditional crafts and games that we can offer will be determined by the number of people who tell Katherine they are available to assist. Katherine.lyddon@gmail.com or 07974528880.

PARABLE OF TALENTS CHALLENGE We have now reached the "official" deadline for the return of your £10 challenge start-up plus any extra you have made, so we are anticipating that the "profits thermometer" will go soaring upwards! (due to those who have already completed the challenge it has already gone past the break-even point). Ideally we would like the money to be in an envelope with your name, total amount and how you raised the profit. If you have any problem, please contact us on 01395 224759. We will soon

start phoning around those outstanding! *Ian and Heather Stratford*
LONE WORKING POLICY A reminder to all who might find themselves 'working' alone in church. In order to comply with our Lone Working Policy please be reminded, if it is at all possible - work in pairs, inform others of your whereabouts, lock the vestry if you are working alone in the vestry, keep a mobile phone with you.

SEA SUNDAY this year will be on 13th July at Lympstone Harbour from 11.30 a.m. For this service we thank the Harbour Board and the Sailing Club for their support and permission. The leader this year will be Revd. Sid Humphries who will also be preaching. We are pleased that the Lympstone Silver Training Band will be accompanying the hymns.

WORLD WAR I Service and memorial will be held on Monday 4th August beginning at 7.30 by the War Memorial, followed by a service in church. There will be a procession through the village to The Strand all led by Revd Sid. The evening ends with a wreath, created earlier during the service, being cast on the water from a rowing boat on the river, followed by the last post along with a piper playing period music..

ANNUAL RIDE AND STRIDE Saturday 13th September.

The annual 'Ride & Stride' event provides the opportunity for walkers

and cyclists to visit local churches - and to raise money for the preservation of church buildings throughout Devon. Most churches have refreshments available to welcome the travellers! Routes can be as short or as long as you like and maps will be available in the Parish Church so that you can define your preferred route in Exmouth, Budleigh Salterton or Topsham . This is an enjoyable day out for families of all ages - combined with as much, or as little exercise as you choose!

Contact Basil Strickland on 266935 or Basil.Strickland@gmail.com if you want more information in the meantime.

SID HUMPHRIES ORDINATION takes place on Sunday 28th September at 10.30 a.m. in St Gregory's Church Seaton. Later in the day Sid will preside over his first Celebration of Holy Communion at 5.00 pm in Lypstone. All are welcome to come to rejoice with Sid and the church community on this great occasion following many years of study, preparation and prayer.

THE DIOCESE OF DEVON MAGAZINE The Diocese has decided to cease publication of the magazine in its recent format. LYMPSTONE ENTERTAINMENTS

The Eloquent Guitar series of Concerts came to a closing crescendo when David Cottam invited four string players to accompany him on Sunday 29th June in Church.

Music of Vivaldi, Boccherini and Garcia were played by the five musicians in a variety of combinations. Lypstone Entertainments will continue to produce professional performers providing entertainment in the village at minimum cost.

PRESS RELEASE ON BEHALF OF COURTLANDS LYMPSTONE ACTION GROUP 7TH JULY 2014

We are
delighted
that Cllr.
Longhurst
accepted

the invitation to lead the opposition to SLP's appeal. Rob led the 2011/12 Courtlands defence, and local residents have complete confidence that his experience and commitment will ensure the Parish is protected from this opportunistic attempt to undermine the District and Parish Councils efforts for a planned and consensual approach to development.

We welcome Cllr. Rogers reiteration of the Parish Council's opposition to this development. This accords with the views of the local community. 467 people objected to East Devon; a further 50 have written to the Inspectorate in Bristol following our 'letters under the bridge' session on Saturday.

We are pleased that the Parish Council will consider establishing a 'fighting fund' to secure any necessary professional advice, since if this appeal succeeds the whole Parish, and the A376 corridor will be open to developers.

We support the Parish Council's Neighbourhood Plan, which provides

for the gradual expansion of Lymestone to meet local needs, on development sites that are supported by the local community and do not erode the Green Wedge that protects our village identity which is so important to us, and many others.

We agree with the Inspectors Report in 2012 – that 'this site is unsuitable for housing'. Strategic Land Partnerships have already lost a very similar appeal at Feniton in 2014; with the full involvement of the Parish Council we believe that they will be defeated here as well.

Anyone who is interested in finding out more about the development proposal is welcome to come to our 'under the bridge session' outside Londis on Saturday 12th July. We will keep local residents informed of developments through the Lymestone Herald and other local publicity.

Courtlands Lymestone Action Group is composed of local volunteers who are supporting the Parish Council's opposition to Strategic Land Partnerships continued attempts to build on the land at Courtlands Cross and erode our village identity.

POLICE REPORT
12TH MAY 2014 – 24TH
JUNE

There have been 4 crimes reported to our communications centre during the above period:

On the 16th May a burglary occurred to a property in The Strand. Entry was gained through a window and a wallet and cash stolen. CR/073279/14.

19th May a vehicle parked near Hunton Close had its driver side window smashed. CR/074712/14.

On the 7th June a vehicle parked on Sowden Lane had damage caused to its paint work by a blunt instrument. CR/079509/14

Between 11th and 12th June a vehicle parked in Underhill Car park had its windscreen cracked by an unknown item. CR/81123/14

Over the last few months there have been a number of vehicles being criminally damaged either by smashing a window or damaging paintwork. These incidents are taking place at different locations around the village and some have been committed during the day. There appears to be no pattern as to when these offences are taking place. I ask that we all remain vigilant and report any suspicious behaviour to the Police as soon as possible.

17 x logs have been called into our communication centre:

5 x highway disruption/Road traffic collision

6 x concern for welfare
1 x anti social behaviour
4 x suspicious circumstances
1 x abandoned call

We are continuing to have criminal damage to vehicles in the village. These are taking place at various locations around the village and sporadically. Please can I ask all residents to remain vigilant and report any person seen acting suspiciously.

The summer evenings are upon us and I am sure we are all enjoying the sunshine and out in our gardens. A gentle reminder to consider your security and keep doors locked, even if you are just in the garden. Keep handbags and purses stored in a safe place and do not leave valuable items on display. If you see any person or vehicle acting suspiciously, please report to Police as soon as possible.

Longmeadow Road – When parking in the area please do not obstruct the pavement. There should be enough room for a double buggy or a wheelchair to pass. Pedestrians should not be forced onto the road due to bad parking. Thank you in advance for your co-operation.

If you have any enquiries or wish to discuss any concerns, please contact me on the details below.

WHY

(Pete Redbourne asks a number of very sensible questions in his own inimitable way)

I wonder if someone in our lovely leafy green fresh air village can help me with my why's.

Why following a minor house fire - involving smoke damage does the owner ask the fire service to vent their home and provide a mist spray to absorb the effects of the smoke and then provide details to their insurers as a claim for the damage?

Why is smoking banned inside our pubs and restaurants and all public buildings; indeed on the whole site at some hospitals?

Why it is medically recognized smoke can induce asthma and making breathing more difficult for those who have breathing illnesses?

Why is it well known fires cause environmental damage?

Why in Lympstone do we have one of the best green collection services around?

Why have we got such a brilliant green garden recycling centres a few miles from the village; its even open on a Sunday and Bank holiday's?

Why do a few villagers feel comfortable with smoking and polluting the village air particularly on warm balmy windless evenings?

Why make a fuss its only smoke and its been done for years? Why whine if you don't like it - take up smoking or let's all do it; save on the trips to the tip and or the green collection fee?

I be grateful if some one would be kind enough to answer these why's or at least rationalize why a few residents feel comfort to invasively subject others to illness, coughing, sweating and re-cleaning their once fresh smelling homes behind closed windows.

Pete Redbourn (no longer qualified to put on a breathing apparatus - although I wish I was!)

ANNUAL CRICKET MATCH

You know the score. We trundle up to St. Peter's School with our picnic baskets, the mid-summer sun glints gloriously on the distant river, the band strikes up, the Sauvignon sparkles as ever and genteel gossip is fuelled by the aroma of sizzling sausages. The crack of willow on leather and oh, there is cricket too! Men in white are ambling about, many of them in the next field hunting lost balls. Discreet enquiry reveals that Village are batting and scoring rather a lot of runs.

So what are the rules this year? Must the teams tie? Is leg before allowed? Can people be run out (even off the first ball, even if it's their birthday, and even if their name is Trevor Harris)? Ah, everyone must bowl two overs,

whether they can or not, but the batsman is not obliged to retire, however many times he hits it out of the ground. A mysterious recipe, tailor made for a hungry hitter on a mission!

Like the Village captain, deprived four short of the Lymestone Club's best ever innings two nights previously (run out backing up!) and now powering past the magical 85 with almost ten overs to spare. Dragged from the field by frustrated team mates 5 short of a century, what chance now of a tied match? Village amass 206-3, but School fight back vigorously with the bat. Newing and the younger Pritchard feature in a fourth wicket stand of three figures, that helps School to a reply of 166-4 in their 20 overs. School's turn to win next year?

All that remains is for the raffle prizes to be allotted, the Church to count the proceeds and a weary scorer to ponder and pontificate about the nature of the Annual Cricket Match....

EXE ESTUARY TRAIL

Members of the Devon Countryside Access Forum, a statutory body which advises Devon County Council on Rights of Way, visited Lymptstone on Thursday 3rd July. I had sent them the records of near misses and accidents in Lymptstone on the on road section of the Exe Estuary Trail through Lymptstone earlier in the year and had attended one of their meetings to talk to them about our safety concerns. At that meeting on the basis of this report they recommended that Devon County Council re-route the EET off road, alongside the railway line in Lymptstone. They also decided to visit Lymptstone later in the year to see the issues for themselves. They spent over an hour in the village with me walking the on-road section and viewing the road and the danger spots. They expressed concern that a major cycle way was routed through the village street, given the hills, bends, narrow stretches and lack of pavements and have put this issue on the Agenda for their next meeting for further discussion.

Meanwhile the Parish Council are still awaiting proposals from DCC about how safety could be improved along The Strand and Sowden Lane.

I cannot stress enough how important it is to record all near misses in the book at the Newsagents and any accidents on

the police 101 number. We need this evidence to have any hope of getting an alternative route for the trail through Lymptstone. There were 3 near misses reported in the book at the newsagent last month, 2 were between cyclists and pedestrians on The Strand, and one between a car and a cyclist on the blind bend by the estuary on Sowden Lane

LYMPSTONE WI

At a well-attended meeting on Wednesday the 2nd July, our speaker, Mike Fowkes, an ex-policeman, told us about the work of the independent crime-fighting charity, Crimestoppers. The charity, which has been running for 25 years, encourages people to get involved in preventing and anonymously reporting crime in their area. Mike had stepped in when the speaker originally booked to talk on policing the internet was forced to pull out due to other commitments. Following Mike's talk, Heather Stratford read out the report from our link delegate, Sue Bury, detailing her day at the WI AGM at Leeds on the 6th June. On the 18th June, a group of WI women was joined by three non-members (one of whom came along to the July meeting) for an extremely enjoyable private tour of Cadhay House

and Gardens. This was followed by a cream tea, served in the café barn, although most of us took advantage of the warm sunshine and sat at the outside tables to enjoy the beautiful and peaceful views.

Although there will be no monthly WI meeting in August, there is no shortage of WI activities over the summer. After the positive response last year, our Summer Supper - on the evening of Thursday, 17th July - will be once again held at the Lympstone Sailing Club. We will also be providing our enormously popular Ploughman's Lunches at the Furry Dance on the 2nd August, as well as

offering morning coffees and afternoon teas on the day. Later in August, a group of members has arranged to meet up for an Italian meal at a restaurant in Exmouth. There are also plans for a river cruise from Exmouth to Exeter on the 3rd October.

We are happy to welcome anyone who thinks she might be interested in finding out about the Lympstone WI. For more information please phone Diana de la Rue on 01395 274099, look for us on the village website, or come along to our next meeting in the Committee Room of the Village Hall at 2.30 pm on Wednesday the 3rd September, when Rosemary Wedlake will talk about Hats through the Ages.

THANK YOU

For all of you that have not heard, I am leaving Lympstone for France. I would like to say a big thank you to all my loyal customers and to all the "Lympstonians" for making myself and my family feel very welcome in this lovely village. Cam and I will be going to The Swan on Saturday 26th July for a pint or two as we are leaving on the 31st July. Anyone wanting to join us, it would be great to see you.

Au revoir

FURRY DANCE PROGRAMME FOR SATURDAY 2ND AUGUST

The programme for this year's Furry Dance will be similar to last year, timings are as follows;
09.30 Road closed between the hairdressers and the newsagents for setting up the Pannier Market stalls.
10.30. W.I. open for a full day of serving coffee, ploughman's lunches followed by tea and cakes in the Methodist Hall.

10.45 Boney Stone's Memorial Football Match kicks off on the Cliff Field.

11.00 Pannier Market opens.

11.30 Fun Dog Show on the slipway at the Boat Shelter.

13.00 The Band plays on The Green.

13.45 Fancy Dress judging on the Cliff Field with the introduction of a new class for group entries of four or more.

15.30 Furry Dance starts from the end of the Strand, between Quay Lane and Pump Lane. Dancers line up on the hill in sets of four, behind the Band. Road closure set in place from the Saddlers Arms to Highcliff Close junction. W.I. finish serving tea and cakes at the Methodist Hall. After the dance has passed through, the stalls, music and entertainment for all ages, will continue in the heart of the village. At The Saddlers Arms the garden BBQ will be serving those awaiting the arrival of the

dance and will continue into the evening.

16.30 The dance will make a circuit of the Saddlers car park where the final selection of the best fancy dress dancing set of two or four, will be announced before setting off on the return journey.

17.00 Dancers return to the village centre and the Band leads the dance along the Strand, terminating where it began. Drawing the raffle concludes proceedings

18.00 Road closure ends. Details of the Fancy Dress competition and Dog Show classes will be publicised in our full programme leaflet to be circulated through local village outlets very soon. Food and refreshments will be available throughout the day from the village pubs, café and Jason's sea food.
