Please confirm that all the parishes listed above agree to the application

Please confirm that the organisation/s or body/ies making the area application is a relevant body for the purposes of section 61G of the 1990 Act.

Please advise what, if any, discussion has taken place with neighbouring Parishes with a view to partnership working? Where applications include sites in adjoining Parishes their agreement should be sought.

We have made adjoining Parishes aware of our intention to and undertaken to consult with them when we have a first draft. There are Exmouth, Woodbury & Exton

Please append a map identifying the area to which the area application relates.

Please explain why this area is considered appropriate to be designated as a neighbourhood area

Lympstone Parish is a discrete community with an easily identifiable boundary. We recognise that we do not exist in isolation and that we depend on Exmouth for many vital services and consider them to be a vital consultee. The CTC-RM is in Woodbury Parish but is a large employer for Lympstone and many staff live in Lympstone. Accordingly we will consult with Woodbury on the relevant sections.
