## FROM THE EDITOR

This issue of the Lymestone Herald is unusual in that it does not follow immediately after a Parish Council meeting which has been delayed until the 16<sup>th</sup> of January.

## COURTLANDS

Overleaf is Cllr Rob Longhurst's summary of what should happen at the Public Enquiry. Please show your support by attending the enquiry in

**Exmouth Town Hall on the 24<sup>th</sup> of January if you can.**

## FLOWER BEDS

Volunteers from the Sailing Club have already started on tidying up flower beds on Burgmanns Hill – could you volunteer to help? Choose YOUR flower bed and give us a call.

## COURTLANDS

As you are aware the application to develop the land to the North West of Courtlands Cross by Strategic Land Partnerships (SLP) has been sent to be heard at a Public Enquiry. This will begin on Tuesday 24<sup>th</sup> January in the Council Chamber of Exmouth Town Hall. This is a very formal, legal process and over the last three months East Devon District Council (EDDC) and SLP have been putting their papers together and making their written submissions to the Inspector. These make up two large boxes of documents. During this time I have been gathering our own group of experts together to represent the Lypstone Community. We had our first meeting with the Case Officer for EDDC on Tuesday 3<sup>rd</sup> January and our own internal meeting the following evening.

The Appeal will start at 10.00am sharp on the 24<sup>th</sup>, when the Inspector will speak to both parties to see who will be representing them and speaking for them. He will then ask if any third party wishes to present evidence. David Atkins will step straight in and introduce himself and then pass over to me. I will introduce myself and our additional four witnesses: Cllr Richard Eastley, Mark Robertson (on behalf of Courtlands Lane), Don Mildenhall and Helen Dimond.

The issues are few and it is important that we do not repeat ourselves. To this end we have been advised to restrict our witnesses to five and be very clear

on their topics. They will be carefully scripted so it is important that we keep to these numbers.

The Appeal will then get started with EDDC presenting their case first. After each witness (4) has spoken SLP's (The Appellant) Lawyer may cross-examine. The roles are then reversed and the Appellant's witnesses (3) will give their statements and face cross-examination from the EDDC lawyer. We would then expect David Atkins and our five witnesses to present their cases. This order cannot be guaranteed as the Inspector may have his own ideas!

The witness statements are currently being prepared – these will be available on the Lypstone web site [www.lypstone.org](http://www.lypstone.org) the evening of the day they have been delivered at the enquiry.

At the end of the appeal the Inspector will sum up and may inspect the site. He then writes up his decision which is posted on the Inspectorate's web site <http://www.planning-inspectorate.gov.uk>

ref:- APP/U1105/A/2161479/NWF – a notice will be put up on the Lypstone web site and in the Post Office so it may be easier to look there.

This is a public enquiry and anyone is welcome to attend, but be warned there is seating for only about 120 people. I would like to see the gallery full but not overfull.

### Notes to spectators:-

There is only one person who counts in the enquiry room **THE INSPECTOR**

– he is king of his domain. How the inspector views “The Lympstone Community” is very important, I will be making a point of saying in my introduction that we are treating the proceedings with utmost gravity and respect so please ...

- No barracking or shouting out from the public gallery and no protest banners inside the room.
- A quiet hand clap is acceptable if you agree with a statement or presentation or a soft “here, here” even a soft “well said or well done” after each of our team’s statements to show public support.
- No response (deathly silence) or a sharp gasp of breath is far more effective to an appellant’s statement than calling out.

I can assure you that your team will put up a spirited performance and has put in hours of work to get our defence together. In due course I will reveal all but for now let’s keep it tight. See you on the 24<sup>th</sup> January.

*Rob Longhurst*

## VILLAGE CONCERT 2012

Staged as ever by

Lympstone Entertainments, this year's concert, on Saturday 21st January, will feature lots of newcomers and oldies too, found

in different manifestations. Our regular audience will know that the evening will be thoroughly unpredictable - except that it can be relied on to provide music and laughter to warm the cockles of every heart!

The front row will again be reserved for people with hearing difficulties and the less mobile.

Doors and bar open at 7pm, and the show begins at 7.30pm. All tickets have been sold but returns may be available from John Welton (271915)

*John Eaton-Terry*

## THE PLAYERS

The Players would like to thank everyone who came

to support the Pantomime, not only as a wonderful audience, but with all the willing assistance given to helping the Backstage and Front of House teams.

We have another production coming up for the Queen’s Diamond Jubilee 24<sup>th</sup> – 26<sup>th</sup> May 2012 and are hoping to audition for our next pantomime this coming July. As well as performers we need help with music, costumes and painting scenery. Please contact me on 01395 265147 if you would like to be involved. Shirley Wilkes, Chairman.

## PARISH CHURCH

**Good News** announced since the last Herald.

The Bishop and Team Rector are pleased to announce that, subject to the completion of the statutory formalities, the Revd Benedict Cambridge has accepted the post of Team Vicar in the Littleham-cum-Exmouth-with-Lympstone Mission Community.

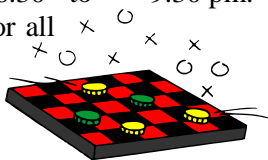

The Revd Benedict Cambridge is currently Senior Chaplin of Staffordshire University.

The date he will be able to take up the appointment will be announced later. He and his young family will live in Littleham, but will spend time here in Lympstone.

Last year, at this time, I wrote that the West End re-ordering was almost finished. Since then we have benefited from using the area, which provides a large flexible space. It has been used for overflow seating, a comfortable place during the service for families with prams and pushchairs, meetings, a quiz night and more (see below).

**Winter Party Games Evening** 28<sup>th</sup> January from 6.30 to 9.30 pm.

A fun evening for all ages including games such as

Scrabble,

Draughts,

Dominoes, Snakes and Ladders, plus a few others. Plan your team strategies early! Names of teams, (six or more if possible) to Richard Bound before 23<sup>rd</sup> January. Come and support your team

if you are not a games participant. There will be a prize for the best winter hat! Refreshments will be available.

### **Alpha Course**

Alpha is a low pressure, fun and informative course. It is a place to relax, share your thoughts and explore the meaning of life through a Christian perspective. If you are interested in participating, helping with the course or know of any interested persons, please see Graham Pearson. The proposed start date will be at the end of January on Mondays running for 10 weeks. (Venue to be confirmed depending on numbers.)

### **Morning Praise.**

The third Sunday of the month is Morning Praise the 'everybody' service so, if you missed it (15<sup>th</sup> January), 19<sup>th</sup> February is the next one. The Service begins at 10am following coffee and croissants from 9.30am.

**The 'Service with no name'** is held at Holy Trinity Church in Exmouth. The worship band from Lympstone will play. After about 20 of these services we have yet to hear the same speaker twice unless you count Bishop Bob. The time is early evening, 7pm on the first Sunday of the month.. There are usually some nibbles after the worship to allow everyone to get to know each other. Make a date for the 5<sup>th</sup> February. For all other church related notices look at boards in church or under the railway arch.

## POLICE

A vehicle parked and unattended in Churchill Court had its window smashed overnight of the 18<sup>th</sup> December. If you witnessed anything, please contact police quoting KE/11/3291.

Between the 9<sup>th</sup> and 13<sup>th</sup> December a bike, which was secured, was stolen from the Railway station. The bike is a black and red Marin mans mountain bike. If anyone has any information regarding this theft, please contact Police quoting KE/11/3245.

I am sure Father Christmas visited Lypstone over the Christmas period and there are lots of lovely new bikes around. The neighbourhood team will be holding a bike marking session in the near future where we will property mark your bike with your postcode. This is good crime prevention and we encourage residents to take up the opportunity and best of all its free! Dates will be released in the future.

I am aware that scooters are very popular at the moment with the young. Can I ask parents just to be mindful that if they are using them on the road the highway code still applies. I have received a few complaints from concerned drivers who have had near misses.

Dog walkers – please can I ask you to ensure that you have proper control over your animal whilst out walking. In the area of Frog Meadow there have been several attacks on chickens. It is

up to the dog owner to maintain proper control at all times and I would advise that the animal be put on a lead. Allowing dogs to worry livestock or cause injury is an offence and can lead to prosecution and in some circumstances the animal being destroyed. Please work with local farmers and landowners to prevent these incidents.

I have had complaints regarding the parking of vehicles on the slip way onto the estuary and the double yellow lines at Sowden end. Vehicles have even been parking on the estuary. I will be making enquiries and speaking to the local Enforcement officers to ask them to attend and ticket offending vehicles. This is a very narrow piece of road and causes congestion as well as blocking the slipway and preventing access to other users.

And finally... I would like to wish everyone a happy and healthy New Year and look forward to working with you in 2012. If you have any issues or concerns that you would like to discuss, please contact me on the details below or stop me whilst on patrol and say hello!

## LYMPSTONE COMPOST

The final AGM / Special General Meeting to dissolve LC will be held on

Wednesday 22<sup>nd</sup> February at 7.30pm in the village hall function room. All are welcome to attend.

*Roger Howell – Secretary LC*

## 1ST LYMPSTONE SEA SCOUTS

Beavers have been busy over Christmas helping to raise money for their group.

The Scout Christmas Post saw Beavers and their parents delivering mail from Exeter and district all over the village.

Leaders also arranged deliveries in Exton, Ebford, Woodbury, Exmouth, Budleigh Salterton and as far as Newton Poppleford. The post raised just over £60 for group funds.

On New Year's Day the Beaver parents organised a warm mulled wine and mince pie stall at the boat shelter for swimmers to warm their cockles.

Visitors and swimmers were very generous and the event raised £100.

The group wishes to thank all those who gave and all those Beaver parents who have helped out over the Christmas holiday.

The Group AGM is being held on Wednesday, January 11 at 7pm in the Scout HQ. The group is hoping to start a Cub Pack shortly.

## ROBINSON CRUSOE MEETS THE VEGGIE CANNIBALS

This year's village panto, *The Adventures of Robinson Crusoe and the Pirates*, performed for our delight by the Lympstone Players, was very much in the tradition of village pantos, with a script peppered with references to local worthies and locations. Written by local trio Barnacle, Teague and Ellis, apparently in village hostelrys, this panto romped cheerfully to the Caribbean and back. There was excellent ensemble playing by the strong cast: several tried and trusty veterans in roles clearly written with them in mind, were joined by a number of new, not necessarily young, players who made an impressive debut. Lympstone certainly finds dames from the most unlikely sources!

As ever, it was good to see so many young people displaying theatrical skills and developing confidence on the stage. It was good, too, to see and hear a group of young musicians joining the Players for the first time and adding verve to the production.

The backstage team, many of them new to their task, produced excellent scenery and props and the wardrobe mistresses rose to the challenge of coaxing some actors into outfits they might not have chosen for themselves. The choreography was well thought-out and lively, and made best use of the limited space on the stage.

Some scenes stood out: the longer scene in the tavern, where the elements of scenery, props, music and cast all worked together to produce a real feeling of place, and the short storm scene in which lighting, sound and choreography combined to induce a remarkably queasy effect.

Overall, it was a memorable and fun production, a real team effort, but also a great credit to new director, Chris Barnacle –who even managed a Hitchcockian appearance on stage! This panto was clearly relished by both cast and audience. It continued the run of successful children's productions and pantomimes over a number of years and I await with great anticipation news of next year's winter show.

## LYMPSTONE SCHOOL

The theme for our school this term is 'Time Detectives'. Different classes will focus on archaeology, Egyptology and dinosaurs. It promises to be a wonderfully exciting topic developing and practising skills in Science, Art, Design, History and Geography and will include trips to the recently reopened museum in Exeter.

We are also signed up this term to take part in area dance festivals, swimming galas and aqua skills sessions. We will be entering teams in the area tag rugby festival, the cross country festival and the indoor athletics tournament too. Looks like being a very sporty term! Towards the end of this term our older children will also be participating in our annual residential week on Dartmoor.

Many families and friends of the school rightly commented on the high standard of singing in the church at the end of last term. Thank you. We plan to build upon our music this term and perform a recital in the church next month featuring our choirs, individual performances on guitar, clarinet and piano together with an ensemble of 28 nine-year olds playing the flute!

.....We'll try to fit in a bit of Reading, Writing and Maths as well!

*Tony Priest*

## **LYMPSTONE ART GROUP**

Come along to a talk on the narrative in paintings by Paul Cartwright exploring how to unlock the stories encapsulated in a variety of paintings. This will be held on Thursday 19th January in the Function Room at Lymptstone Village Hall at 7.30pm.

There is a further talk by Keith Nichols, a clinical psychologist, who will give a presentation that questions the psychology behind various types of paintings explaining "why painters paint what they paint". This will be held on Thursday 23rd February in the Function Room at Lymptstone Village Hall at 7.30pm. Both talks are free for Members, £3 for visitors -all welcome.

A Leather Collage Workshop, which demonstrates and allows you to create pictures from scrap pieces of leather glued to card or board, to create fantastic 3D effects, will be held by Jenny Moon from 10am to 4pm on Thursday 9<sup>th</sup> February -.cost £15. To book a place contact Mai Targett by 2nd February mai.targett@talktalk.net Tel :271915

*Judith Carter*

## **LYMPSTONE FISHERY & HARBOUR ASSOCIATION'S AGM**

This will take place from 8pm in Lymptstone Sailing Club on Friday 10<sup>th</sup> February 2012. The Board invites members to receive reports from the

Chairman and Treasurer on matters arising during the concluding year and to vote on proposals for the year in prospect. On conclusion of the formal part of the meeting Members are welcome to ask questions on any matter relating to the Association. Doors open 7.30pm as usual, the bar will be closed during the AGM, note!

*Richard Crisp*

## **WI**

Anne Frampton, President, warmly welcomed three new members to the meeting. After a decline in numbers it's good to see we are picking up again and hope even more ladies will join the WI. Although we do still sing Jerusalem, the WI is so much more than that and jam, and senior politicians maintain the WI is a force to be reckoned with! We have an interesting, varied list of speakers for 2012 and there are opportunities to join in wide-ranging County and National events.

Mrs Marian Scott gave us an insight into the life of a British housewife in Sierra Leone, saying her time there taught her several things - compassion, consideration and to appreciate freedom, democracy and our material assets, such as electricity and clean water. Sierra Leone still remains one of the poorest countries in the world despite its fertile land, plentiful supply of fish and a wealth of natural resources due largely to corruption. Mrs Scott donates her fees to Medicine Sans

Frontieres who are invaluable in the fight against the many diseases in that country.

Diary dates:

Tues. 31st Jan - Committee meeting at 13 Underhill Crescent at 2.15pm.

Tues. 14th February - WI Lunch in the VH Function room, 12 for 12.30pm.

(No litter pick this month.)

Our next meeting is on Wednesday 1st February at 2.30pm when Carol McFadzean will speak on "Mrs Treadwin, her lace shop and the local connections". Any members not present this month are reminded to bring their subs. (£31.50) to this meeting.

*Diana de la Rue*

## **ENJOYING FLOWERS ALL YEAR ROUND THROUGH DIGITAL PHOTOGRAPHY**

Wednesday 15th February 7.30pm in the Function Room: 'A thing of beauty could be a joy for ever if you were to catch it on camera'. Using illustrations from local gardens Bryan Webb will be giving a talk on photographing plants and flowers. He will explain how these images can be digitally enhanced. He is even happy for you to bring your cameras along. Do come if you would like to learn how, or would merely enjoy looking at beautiful photographs.

*Sheila Stone*

## **CHILDREN IN NEED – VILLAGE CAKE SALE**

Thank you to everyone that either donated cakes for us to sell or who bought cakes at our table under the railway arches. We raised an incredible £118.60 and really appreciated your support in making a big difference for Children in Need.

*Ava Wojcik-Pope & Hebe McCance*

## **CYCLE TRACK NEAR MISSES**

I have been told of several near misses between cyclists pedestrians and cars over the Christmas period. There is some concern about the safety risks caused by the number of cyclists travelling through the village streets between Sowden End and Station Hill. Often cyclists are travelling too fast around blind corners or children are all over the road. In order to be able to monitor the situation and to make a case for greater safety measures, or re-routing the cycle track to continue along the railway line as originally proposed, we need to ensure that all dangerous incidents are recorded. A book is kept in the Post Office for people to log any incidents which they have witnessed. Please also <mailto:cycle@lympstone.org>

## HM THE QUEEN'S DIAMOND JUBILEE TEXTILE PROJECT

The Parish Council is keen to support a textile project that will commemorate the Queen's Jubilee in June this year. The aim is to produce an item such as a quilt or illustrations in fabric that can be exhibited in the Village Hall during the week 3 – 10 June, which is the school half term.

Quilters, embroiderers, and anyone interested in textile crafts are all invited to contact Pat or Jenny (details below). You will then be invited to attend a meeting in early February.

In addition we would like to hear from individuals or societies within the village that have a 'then & now' story that could be included in the project. Ideas can include details and visual changes to business premises, housing developments such as Underhill and personal stories of changes over the past 60 years from fishermen, farmers and anyone with a story to tell. This is your chance, so do make contact!

## ANOTHER 'WEEKS' TRAVEL ADVENTURE

An evening of fun and adventure as

Lesley Weeks reveals the exploits and escapades she endured whilst trekking the Ladakh region of the Himalayas to raise funds for Hospiscare. The event will take place on Tuesday 17th January at 7.15 pm, Lymptstone Village Hall. Tickets £4 per person to include refreshments, available from tel: 01395 275058

## THE WEST GALLERY QUIRE

In the days before church organs, the music was provided by musicians who performed in the galleries at the west end of churches. They could be rowdy and disruptive during the services, and many churches tried to get rid of them, but they developed a vigorous style of singing and playing which still appeals today. There has been a recent revival of the music they played, and a group of Devon musicians, The West Gallery Quire, will be performing their music, in costume of the 19<sup>th</sup> century, in Lymptstone Parish Church on Saturday, 11<sup>th</sup> February at 7.30 pm.

It is just such a choir that goes out carol singing in Thomas Hardy's comic novel *Under the Greenwood Tree*.

West Gallery music was eventually abolished because it was not considered solemn enough. For the first time in 150 years it can be heard again in Lymptstone Church. Come and hear for yourselves The West Gallery Quire's

concert of sacred and secular music. Tickets are £7 from Jill Wilson at Orchard Cottage, Longmeadow Road, 01395 264753.

*Harland Walshaw*

## **LYMPSTONE TWINNING ASSOCIATION**

Twenty eight members plus guests attended the Après Noël lunch party followed by the AGM. After an informative discussion it was agreed to wind-up the Association at an Extraordinary General Meeting to be held following the hosting of our Biéville-Beuville friends in April. Twinning will continue, but without an Association Committee to fundraise and organise. Thanks were expressed to all past and present organisers who had brought about so much joy, friendship and entertainment over the 33 years. Lymptone continues to be twinned with Biéville-Beuville and the Parish Council has been informed that as signatories to the Charter, the duty to uphold the Charter resides with them.

*Richard Crisp*

## **FILM SOCIETY**

The Film Society's next films are:

Tuesday matinee, 24<sup>th</sup> January at 2.15pm in

Methodist Hall – James dean in *Rebel without a Cause*

Friday screening, 10<sup>th</sup> February at 7.45pm in Village Hall – *Potiche* – an hilarious French comedy. There will be an optional French supper before at 6pm – by ticket only.

The Tuesday matinee in February will be *The Man in the White Suit* on 21<sup>st</sup> February

*Don Mildenhall*

## **VILLAGE HALL NEWS**

2011 was the hall's busiest year ever. We attracted many new bookings, partly because of the splendid facilities in our all-new kitchen.

We're now planning the next stage of improvements at the hall. Our next project, will be upgrading the toilets. During the summer of 2012 we expect to remove all of the existing toilet block, so that we can install fresh, modern toilets. We will be adding toilets for the pre-school children too.

The main hall and function room will be closed during weekday daytimes from late July to late August, but available evenings and weekends. We hope also to undertake some repointing of exterior walls.

We still need to raise money to pay for these important improvements and we need people to organise fundraising events, to help at the events, and to attend the events. Donations would be more than welcome, too!

*Don Mildenhall*

## WE CAME A WASSAILING

More than 80  
people  
assembled in  
Sowden  
House  
orchard on

Twelfth Night, many of them family groups, to wassail the apple trees. The ancient custom of wassailing would have been common in the village 100 years ago, when orchards were everywhere, and apples were made into cider that helped pay the wages of the farm workers. But it was new to most of those who had come to quench their curiosity.

It was an atmospheric event. The children of the house performed a charming little play, the wassail choir sang wassailing songs, one from Whimble, children were sent up the trees which were beaten with sticks and blessed with much noise: "Hatfuls, capfuls, bushel bushel bagfuls! Huzzah!" And then all walked with lanterns and torches to another orchard, appropriately at Orchard Cottage, where more families joined in, mulled cider was served, hot soup, apple cake and wassail biscuits. More singing, more wassailing, and this time the Lympstone Mummers' play, which enthralled all the children, who presumably hadn't seen it when it toured the pubs before Christmas.

Sheila Stone and Suki Commin have revived a wonderful tradition, which marks the end of the Christmas holiday, and is a true family event. The atmosphere was relaxed, convivial, and just a little magical. And the apple trees are now guaranteed to provide a rich harvest.

And money was raised for the Apple Day which is being planned for the 20<sup>th</sup> October. Huzzah!
