

From the Parish Council

The ANNUAL PARISH MEETING took place at 7.30 on Monday 21st May 2012, before the Parish Council meeting. This is a meeting of the electors of the Parish when any matter of concern to the Parish can be discussed. It is a legal requirement to hold this meeting but it is also somewhat pointless as there is always a public session at the start of each meeting and the Chairman usually allows anyone to speak at a Parish Council meeting during discussion on any topic. All of the matters that have been raised have come through the Parish Council at some time. The form of this meeting has been tested in different ways for the last few years and after last year's meeting, it was decided to reduce it to a short session before a parish Council meeting. This seemed to work reasonably well.

Several people raised problems associated with cycling and speeding traffic in the village - . There was a good discussion on all of these but solutions lie with DCC and Officers are adamant that nothing will be done as there are no serious accident statistics to back up the need for action.

Parking is also a major problem as there is a lack of facilities all through the Village. The car park in Underhill is now full on most days and is leading to parking in Underhill Crescent bringing about problems for residents trying to get into and out of their drives safely.

The Parish Council considered making an application to EDDC to take over the car park about 3 years ago. This was resisted at the time. Under the localism Act, the Parish Council can make a formal application which has to be considered. The process for preparing a strong bid will be starting soon with Cllr Jim Bailey, Champion for traffic matters, leading the way.

The Parish Council meeting was attended by a lively group of residents from the Glebelands area, led by Mrs Kath Rogers. They were there mainly to raise their objections to a planning application to develop some land behind the houses, with a vehicle access into Glebelands. The land is outside the development boundary but can be treated as an 'Exception site'. The parish plan suggested that any development should be from the village centre outwards but if there was to be any development outside the Centre then it should be to the north of the Parish rather to the south to avoid coalescence with Exmouth. The land was also identified under the Strategic Housing Land Availability assessment as having potential for development.

The residents thought that the application should be objected to on the grounds of loss of privacy to existing houses, loss of local parking space and increased traffic on a road that already has high traffic movements and on-street parking.

The Parish Council rejected the application on several grounds, including that the application was premature due to work on the Neighbourhood Plan.

The PTFA's summer event will be a fun, family treasure trail through the village, followed by a traditional garden party. After testing your brain power to find the treasure trail clues, come and relax with a cream tea or a refreshing glass of Pimms. Activities will include balloon modeling, face painting, a lucky dip and much more. A hog roast and home-made cakes will be available to satisfy even the biggest appetites!

Join us on Sunday 1st July - the Treasure Trail will begin at the Scout Hut in Cliff Field at 11am; the garden party will begin at 12 noon in Tor Laney-Hubbard's lovely garden, at Leustona, on Longmeadow Road. All proceeds will go to the school.

VILLAGE HALL NEWS

We are now close to reaching our target to fund the work to rebuild the hall's toilet block and so the work is definitely going ahead. £20,000 will come from a loan (repayable over 5

years at the very low interest rate of 1.55%), £13,000 from the hall's own reserves and income and £2000 from a generous donation from the Pre-school, which will benefit from new child-sized toilets. The balance of around £5000 is from events and donations since last autumn – we now need just a further £800 by August. Thanks and well done to everyone involved.

The hall will be affected by the building works during the school summer holidays. The main hall, function room, bar and kitchen will be closed 8am-6pm on weekdays from 23 July until late August, except for events already booked. Bookings can be accepted for weekends and evenings. The committee room will remain available for hire at any time. Temporary toilets will be provided in a trailer and disabled cubicle located in the car park.

Since 2009 we have spent £150,000 improving the hall, with over £45,000 of this coming from donations, events and gift aid. Our next plans are to improve the committee room and repaint the exterior of the main hall.

GARDEN CLUB COACH TRIP

The Garden Club's coach trip this year takes place on Tuesday 10th July and will be to Rosemoor, the popular RHS garden in Great Torrington, North Devon. It's a great centre for gardeners looking for inspiration and for those that enjoy the relaxation of looking at gardens. The site covers 65 acres and includes planted garden walkways and pretty countryside walks through woodland and open spaces. There is a restaurant, shop and plant sales. The coach will leave the Saddlers Car Park at 9am and return at approximately 5pm. Costs are £10 for the coach and £6.50 entry for non-RHS members. This is a specially reduced rate for groups. Please contact Pat Boaden on 272067 or patb@millcombe.com
Everyone extremely welcome!

CAN YOU HELP TO SHAPE THE LYPMPSTONE NEIGHBOURHOOD PLAN?

COULD YOU SPARE A COUPLE OF HOURS TO TAKE PART IN A FOCUS GROUP?

What is a Neighbourhood Plan?

A Neighbourhood Plan is a new way in which the local community can influence planning in the area in which they live and work. Lympstone is now in the process of producing its Neighbourhood Plan.

What has happened so far?

A working party has been established to guide the work. An open meeting on 18th April was attended by around 80 people and generated lots of ideas. We now need to explore these in more detail.

How can I get involved in the next stage?

The next stage is to run a series of focus groups. These will involve a small group of local people, from different backgrounds and with different views, meeting for one and a half hours to share their views about key issues that could be included in the Neighbourhood Plan. The focus groups will be facilitated to make sure everyone is able to contribute and the time is used as effectively as possible. Whilst participants are not 'representatives' their contribution needs to be on behalf of the wider community, not just personal or narrow interest.

We are planning to run three focus groups:

Community: this group will start by identifying what makes our community, and what is missing. Then we will focus on things such as the school, the involvement of older and younger people, communications, and meeting places.

Environment: we will identify the key landscape features (such as open spaces, footpaths, wooded areas) that need to be protected, and the key design issues that will preserve the visual appearance of the village. Then we will explore a variety of 'green' issues, e.g. climate change.

Infrastructure: this group will discuss transport – cars, buses and rail – in the village. We will also consider how we can maximise the benefits and minimise any problems of the cycle track, and what view we should take about the route of the Dinan Way extension, and what we would like done to mitigate its impact on the parish.

The focus groups will meet at the Village Hall from 7.30-9.30 pm on:

Community: Tuesday 26th June

Infrastructure: Tuesday 3rd July

Environment: Wednesday 4th July

We need about 10 people for each group - as wide a range of people as possible. Please contact the facilitator Mark Robertson at diamondfacilitation@yahoo.co.uk or ring him on 268905 or 07827 413963 if you can help, indicating which focus group you would like to contribute to.

Later in the year there will be an additional focus group to consider housing and development. There will be further information about this on the website and in the Herald.

What else is happening?

Alongside the focus groups we will be consulting with a range of people with a particular interest. For example, local businesses, children and young people, and local landowners.

How can I find out more?

You can keep in touch with what is happening via the Herald, or the village website

<http://www.lympstone.org/general-news/lympstone-neighbourhood-plan/> .

You can send your views to NPcomment@lympstone.org or contact Cllr. Rob Longhurst who is the Planning Champion.

LYMPSTONE ARTS AND CRAFTS SHOWCASE

Debs Mitchell and Lin Holdridge are hosting a month of arts and crafts made by local people in Debs' studio/workshop at Brook End, Harefield Cottages, Lympstone, during August 2012. There will be different artists showing their work every week. Tea, coffee and home made cake/biscuits will be available and cream teas at the weekends, all of which are incredibly good value! Entry will be free, but we are having a Donation Box on the door for 'Walking

for Connie' to help raise money for an operation for Connie McCance. 'Tis all home-grown! Please make a note in your diaries. More info next month!

IT'S FIESTA TIME AGAIN!

Exmouth & Lympstone Hospiscare are holding their 3rd Seafront Fiesta on Sunday 8th July - with this year's being particularly special marking their 25th Anniversary of care in the local community. The event is at the Elizabeth Hall from 10am - 4pm.

A day of family fun is planned at reasonable prices including carousel, World of Country Life animals, bouncy castle, old fashioned organ music, Shanty Men, fire engine, stalls and games outside with craft stalls and cream teas in the Hall. We are also hoping that *Street Heat*, the Samba band, will be able to join us. BBQ food is kindly being organized by a team from Lympstone Scouts, so please come along and support them whilst helping the charity raise vital funds.

This is a huge event for a small fund-raising team, so if you have any spare time to help on a stall that day it would be so appreciated - many of you in Lympstone have helped at previous Fiestas. If you could manage a couple of hours - phone Frances Longhurst 263495 or Lynne, our Administrator, on 279113.

Walking for Connie Fund – ‘Auction of Promises’ night on Saturday 14th July at 7.30pm, Lympstone Village Hall

Tickets £5 available from the post office or direct from Lucy McCance on 263237 to include a glass of wine, cheese platter, entertainment and the chance to win some wonderful auction lots.

I am starting a fund to try to raise money to pay for an operation and aftercare for my daughter Connie. Connie needs to have this operation within the next year before her legs become deformed. The operation will give her the opportunity to walk. She has been recommended for this by her paediatrician, and the consultant at Frenchay Hospital in Bristol who would be performing the procedure. Here is some more information about it: <http://www.scope.org.uk/help-and-information/z-therapies/selective-dorsal-rhizotomy>

Unfortunately the small window for Connie to have this has clashed with the funding crisis in the NHS and although we are going through the various channels to try and get the powers that be in the NHS to agree to the operation being funded by them, I have decided to raise the money myself before its too late. It costs £37,500, and we have already raised over £20,000.

I have already had overwhelming support from various individuals and companies so that lots include signed sporting memorabilia, local paintings and photos, meals, days out, money-can't-buy experiences and much more.... It should be an unforgettable night and if we can raise money to help Connie walk it will be wonderful!

The fund is part of a registered charity (No. 1043092) and I have a JustGiving account up and running for donations – www.justgiving.com/walkingforConnie If you can donate an auction lot or have links with a company who might, please contact me – I'd really appreciate it.

A FESTIVAL PERFORMANCE IN LYMPSTONE

For the first time, Lympstone Entertainments is able to bring a major event from Budleigh Music Festival to the village. Benjamin Britten's short comic opera for children and adults, *The Little Sweep*, is being produced under the musical direction of Nicky Marshall, conductor of the Devon Bach Choir, who last year presented his own opera for children at the Festival. The production will be directed by Harland Walshaw, and will have its opening night in Lympstone Village Hall on

Thursday, 12th July, before moving to Budleigh for two further performances. This is among Benjamin Britten's most popular and delightful works, appealing to young and not-so young alike! Full of songs and action-packed, it tells the story of a boy chimney sweep visiting a country house in Regency times, and being rescued from his cruel masters by the children of the house.

It will be performed by professional musicians and singers from the area, and by children from Exeter, Budleigh, Lympstone and Topsham. The audience is invited to sing the choruses, after appropriate rehearsal!

The Lympstone performance will take place in The Village Hall on Thursday, 12th July at 7.30 pm.

The Little Sweep is great fun, with tuneful, exciting music, and a brilliant cast of both adults and children. There is sure to be a rush on the tickets, which are now available from Lympstone Post Office, or by phoning 274 356. Don't miss out!

PARISH CHURCH

The early 'press day' for the Herald has possibly caught out more than just my report but the reason is entirely understandable and welcome. Whether royalist or not nobody could fault Her Majesty on carrying out the duties asked of her both dutifully and well. She is, as we

are reminded on the coins, defender of the faith and this too is something she has continued to do unstintingly. We are privileged to be living a moment of history which may never occur again, that a monarch should reign for 60 years.

The role of the church in the village continues through the summer months in the routine way. I remind everyone that services and notices are listed under the railway arch, in the church and on weekly notes given out at services with extra copies at the back of church during the week. A group of the congregation cleans the church, another decorates with flowers and another unlocks every morning and relocks in the evening. Everyone may use the building to seek peace, look at the flowers, admire the stained glass or attend a school service with the children. You are welcome to use and enjoy this fine building.

The Jubilee Service at 10.30am on Sunday will be led by Rev'd Geoffrey Wrayford. We have decided to show a ten minute film before the service which shows highlights of the Coronation of Queen Elizabeth II. The film is in full colour and with sound and 1953 commentary may be found in seven parts on 'You Tube.' Following the service we proceed to Candy's Field for the Big Picnic. As always all are welcome.

The Jubilee Family Treasure Hunt organised for the weekend has had to be postponed, we are sorry but hope to run the event at a later date.

Geoffrey Wrayford will also lead the Sea Sunday service on Sunday 8th July at 11.30 am on the slipway. Then it will be square eyes for the Olympics.

LYMPSTONE PLAYERS

All are welcome - £1 will get you admission *and* a coffee and biscuits! There should be cakes, plants, white elephant and book stalls, and some board games to play if you are so inclined. Its always a good social event blessed – for many years now – by good weather. So please do come along. Anytime between 10.30am and noon. We shall as usual have a raffle and this year will be donating the money raised to the Connie McCance appeal.

THE QUILT AND ARTS SHOW

Lympstone Village Hall, Friday 8th, Saturday 9th, Sunday 10th June, 11 am - 4 pm Entry £1.

As the country is in a celebratory mood we would like to give you an opportunity to see the artistic talent in our village through a variety of media.

There is the opportunity to view the - 'How we were - How we are' project depicting Lympstone from 1952 - 2012. This has been a collaborative effort of picture-making, with individuals interpreting in fabric a variety of aspects of life in the village during the Queen's reign. There will be stewards on hand to discuss the various techniques used. Relax and enjoy lunch or tea with homemade fare.

We hope you might be tempted to buy some of the works for sale.

LYMPSTONE SWT BAND

Another win for Lympstone SWT Band!

It was another fantastic day at office for the Lympstone

the

South West Telecoms Band! 1st place in the 2nd Section of the Weston-Super-Mare 'Own Choice' Contest on Sunday 20th May 2012. We played Kenneth Downie's superb 'Purcell Variations' – a test for any band – the band made it's 16th visit to these championships and against stiff, albeit slightly depleted opposition, the players gave a strong and very musical performance under the direction of Charlie Fleming. It was the first contest for new additions Andy Pearce, Debbie Cheeseman and Ian Huxham, special mention should go to Ian who stepped up to Solo Cornet during the last week of rehearsals. Well done Band! next time you can listen to us will be at Manor Gardens in Exmouth for Exmouth Festival on Thursday 31st May at 7.30pm. We will also be providing music at the Saddlers Arms throughout the summer season. Get these dates in your diary – Thursday 12th July, Thursday 26th July, Thursday 9th August and Thursday 23rd August from 7.30pm. We would be delighted to see you there.
