

NEWS FROM THE PARISH COUNCIL

Neighbourhood Plan

Cllr Rob Longhurst reported to the Parish Council meeting that the Public Consultation for the Neighbourhood Plan ran for six weeks, in line with Section 14 of the Neighbourhood Planning Regulations 2012. Response forms were available on the village website, with hard copies available at the Exhibition and on request. Respondents were asked to indicate whether they agreed or disagreed with specific Policies, and to suggest alternative wording. They were also asked their opinion about anything missing from the Plan, and their overall impression of the document. In the event not all feedback was made on the form, and not all respondents were as specific as requested. Nonetheless all the written feedback received during

the consultation period has been carefully studied and considered.

A total of 127 responses were received:

- ☐ 110 from private individuals
- ☐ 17 from agents, organisations, groups and representative bodies.

The members of the Working Party are delighted with the level and overall quality of responses. They indicate an assertive community, in touch with its values, that wishes to embrace controlled development whilst preserving the character and traditions of the Parish.

The Working Party is concerned about the absence of responses from some bodies, in particular Exmouth Town Council, the National Trust, CTCRM, Harefield Estate, The Church, Farming interests.

All responses are summarised in two documents along with the comments of the WP and appropriate action taken. The summaries of each response are brief, in order to produce a manageable document that can be used to identify the key themes. Full copies of all responses are available on the village website.

Summary of the main themes arising from consultation.

1. The Exe Estuary Trail (EET).

There were 49 objections to CAP 8. For many this was the only issue of concern in the entire Plan. We were impressed by the weight of argument and the striking personal anecdotes about the dangers of the EET, for both pedestrians and cyclists. A number of the objections were from cyclists themselves, and the objectors included the author of the Draft Plan! The overwhelming view was that the EET should be re-routed, away from the village roads, along the railway line. ALRUG object to this since this land could be key for future enhanced rail service, although Network Rail has no current plans for this. A technical solution can be found.

2. Goodmores Farm development.

Thirty seven responses were related to this issue. Most (but not all) from residents on the

Hulham Road side of the A376 who will be most directly affected by the development. Many of these respondents supported the plan in principle but disagreed with a number of the Objectives because of this issue. There was widespread opposition to the proposed development, and anger at the way in which the Parish Council and EDDC have handled the matter. A new section of the Plan has been drafted to reflect these views along with some very positive contributions to new ideas re footpaths, bridle ways and road improvements

3. Concerns that the Plan will not have any teeth

Delivery and Monitoring has been reviewed and improved.

4. Failure to consult with local Landowners/long established residents

The Lymestone Landowners and Employers Association responded that they had not been consulted and 6 individual responses also made this comment. This is refuted by the WP and we would refer to the Consultation Statement (Appendix I) which has been updated since the Consultation Exercise.

5. Concerns about traffic speed in the centre of the village

Nine respondents suggested a 20mph limit. The DCC response

suggested there was no justification for 20mph.

The Working Party have reviewed CAP 6 and feel that it adequately reflects opinion and does not rule out a 20mph limit in the future if circumstances or DCC attitude changes.

6. Improvements to the train station/train service

Despite the response from ALRUG there is no evidence of widespread community support for a 15 minute train service from the feedback. This is still part of the DCC Transport Policy. No Change.

7. Comments about the layout of the Plan/detailed comments about the text

Many respondents (both individuals and organisations) were highly complementary about the professionalism of the Plan – particularly Planning Aid and EDDC. Six respondents raised concerns about the length and difficulty of accessing essential information in the plan, and these included a number of comments about the maps.

I would remind you that this was only a draft plan and the final version will be proof read by two independent reviewers and the Plain English Group at EDDC.

8. EDDC & DCC Input

Input was received from EDDC and DCC. The EDDC input was accepted in almost its entirety.

There were concerns over some of the DCC input as we felt there was a lack of understanding of what DCC understood was the function of a Neighbourhood Plan.

All of these comments will be considered at a Special meeting of the Parish Council at 7.30pm on 9th September, 2013.

The meeting will consider the Neighbourhood Plan again page by page to identify changes to the Plan and to consider the comments that have been made.

The Parish Council will also consider how the Delivery and Monitoring Statement and Consultation Statement within the Plan will be operated in the future to make sure that all the policies are followed up and adopted, in practice, by other public bodies.

Once the Parish Council have adopted the Plan there will be an exhibition of the contents and changes, in the Village Hall on 20th & 21st September 2013, before the Plan is submitted to EDDC for their part of the adoption process.

POSSIBLE DEVELOPMENT AT COURTLANDS LANE/ A376

SLP have informed the Parish Council that they are intending to re-submit a much smaller outline planning application for 33 new homes on the land fronting the A376 Exmouth Road. The new proposal addresses the key matters previously raised in connection with development at Courtlands.

SLP say that an information leaflet, has been distributed to residents immediately adjoining the site in Courtlands Lane. The link to the dedicated project web site is www.courtlands-cross.co.uk

This will be considered at a meeting of the Parish Council on 16th September 2013 and as usual, the meeting will be open to the Public.

Lympstone FC

George Webster has asked if it would be possible for the Parish Council to purchase land which could be developed for sport & recreation, using lottery/sports grants.

The Parish Council has been aware of the success of the Football Club and the difficulties it has been facing in providing adequate facilities. Those who live in the area will know of the parking problems on Burgmanns Hill when the youth team are playing at home. A new sports facility for Lympstone would remove this problem and could provide excellent facilities for our young

Councillors have been asked to think about where such a facility might be provided and will discuss this again in a month's time. At this stage, no site has been identified. The Parish Council and the Football Club would welcome ideas for this including possible offers of a site.

Flooding

This is a recurring topic at Parish Council meetings. At the last meeting the talk was more about the poor state and size of the sewerage network particularly along Longmeadow Road as this takes most of the sewage for the Village. Most of the older houses in the area will have combined drains which means that rainwater from the roof will drain into the public sewer rather than into a surface water drain. This puts even greater pressure on the capacity on the already 'overcrowded' drains.

Dave Tyrrell has put in a great effort by contacting every public body that might have a role to play in making sure that the sewers are adequate to cope with the needs of an expanding community but so far no answer has been given and no works are proposed.

The Parish Council will now follow this up with a different line to see if any response or progress can be made. To support this it is vital that evidence is gathered to clearly demonstrate that there has been sewage flowing down the public roads and paths and that householders are suffering from toilets that won't flush. Please contact Tony the Clerk or a Parish **Councillor to communicate** your experiences.

Grants from the Parish Council

Each year, the Parish Council has funds to help Groups in the Village. County Councillor Bernard Hughes also has an

allocation of funds to help with local schemes and organisations.

So far, a few applications have been received and these will be considered at the meeting on 16th September. An organisation does not have to be desperate for funds to qualify for help and funds can be used for any purpose. The Parish Council can pay for equipment, training or works by local contractors. There is a form on the website but you can also contact Tony, the Clerk for details.

FROM THE EDITOR

GOOD NEWS

The Saddlers has reopened and will have food from Friday the 6th of September. The new licensees are Darren and Tessa Notman and their (temporary) telephone No. is 260445. We all wish them well.

A special meeting of the Parish Council will review the responses received and the comments made on the Neighbourhood Plan next Monday, the 9th of September.

Cllr Longhurst has suggested that we might have our Neighbourhood Plan accepted before EDDC submit their plans .

BAD NEWS

Our elected Parish Council Chairman, Richard Eastley is still not fit so I remain as Chairman for the next few meetings at least.

BT BROADBAND SPEED

When can I use fibre optic BT Infinity? Sorry, fibre optic BT Infinity isn't currently available at your property.

Fibre optic broadband is estimated to be in your area between October 2013 and March 2014. Please note that these dates have been provided by our supplier and are estimates. Dates may be subject to change due to factors outside our control such as; delays agreeing cabinet locations with your local council or unforeseen issues encountered during the construction of your street cabinet.

Installing BT Infinity at your property depends on a number of factors including whether or not your telephone exchange currently supports BT Infinity and whether your street cabinet and line have been enabled. To find out more you can look up your telephone exchange on the Openreach website. Your property is connected to EXMOUTH telephone exchange.

BT's response to me, August 2013. Openreach says that the Exmouth exchange is 'accepting orders' with no dates provided.

Evening Services

Further to some requests for an exploration into the possibility of a monthly evening service. There will be a six month trial of evening services on the last Sunday of the month at 5.00 p.m. starting on the last Sunday of September (29th). Demelza will lead a Reflective Taize Style of Service. Last Sunday in October (27th) Revd Sid (who will be ordained by then) will lead a Wholeness and Healing Service (incorporating compline). The last Sunday in November (24th), Revd Geoffrey will lead Sung Evensong. This pattern will then be repeated for the next three months.

Please try this style of worship,- until people try them and give us feed-back we will not know if this is something that can add to our growing awareness of God in our lives.

Any further information please ring Sid 274512 or Demelza 272243

A message from (soon to be) Revd Sid Humphries

A small group has met with David Ley, who works with Tearfund, exploring the ways in which our worshipping lives affect everything that we do. We are all already involved in village life, but how can we, as members of Christ's risen body, be reaching out to those very people we meet and engage with daily?

David Ley has been invited to preach/talk about his role on Sunday 29th September, and, under his guidance, we hope to continue to explore ways in which our lives as members of the church congregation can enrich the communities with which we work and socialise. Please pray for us and let us know your thoughts via Sid 274512, sid75@hotmail.co.uk or Demelza 272243, demelzahenderson@gmail.com

DEBBIE FOXON

Lympstone Preschool is very sad to be saying goodbye to Debbie Foxon who has been our playleader for the last 9 years! Debbie is leaving us to spend more time with her family. All the staff, families past and present and the committee of Lympstone Preschool would like to say a huge thank you to Debbie for all her hard work and dedication to making preschool so successful over the last 9 years! Debbie you will be missed!!

WEDDINGS AT THE VILLAGE HALL

Our Village Hall is now licensed as a venue for marriages and civil partnerships. This is in addition to the longstanding use of the hall as a venue for receptions. So, if you are looking for a local non-religious venue, contact Pete Hardy (270157) to discuss what the Hall can offer. We have some Saturdays available in 2014, and could

also offer mid-week bookings in the school summer holiday at a discounted price. Our wedding package offers exclusive use of the hall's two main rooms, kitchen and bar from 5pm on a Friday to 10am on a Sunday, allowing plenty of time to prepare and decorate, as well as clear away afterwards. You can use our furniture, crockery and cutlery, or hire in whatever you choose, bring your own food or we can recommend excellent local caterers and suppliers of decorations.

FILM SOCIETY

The *new season's films* start with *Midnight in Paris* at the Village Hall on Friday 13th September. The film starts at 7.30pm; doors and bar open at 6.45pm. It's the first of monthly screenings running to April. New members can join for the season and see 9 films for £25, or pay £5 per film at the door. To join come to the first film or call Helen Dimond on 223433. The full programme is on display under the railway bridge.

Also restarting this month are *Matinee screenings* – with the first being *Kiss Me Kate* on Tuesday 17th September at 2pm for 2.15pm in the Methodist Hall. All welcome; £3.50 including refreshments.

CTCRM EXERCISE

The exercise will run from Sat 28 Sep 13 and finish on either Tue 01 Oct or Wed 02 Oct 13.

It will involve the Young Officers patrolling from a base location either on Cliff Field or in the field opposite it. Patrols will look to engage with the locals in the village. The situation is one in which the population are largely suppressed by an insurgent grouping so villagers should give little to the young officers. We will have approx 50 people who will play key members of the population in the village that will give the young officers the necessary information as required. A number of tightly controlled incidents will take place throughout the 3-4 days, some will run through the night but these will be in areas away from the village centre. These will be planned to cause minimal disruption to the residents. There may be some packages discreetly placed around the village, these will be obviously marked but will not be put in locations that will cause inconvenience to residents.

The consent of the village is greatly appreciated and allows for some truly unique training benefits. The opportunity to conduct training in a real village is something only done at Commando Training Centre and adds complexity to their training that greatly increases realism. Having to deal with a genuine population and have their

concerns, interests and property at the core of all their activity will ensure the planning and execution the Young Officers undertake will have to be of a high quality. It also strengthens the already excellent bond between the village and the training centre, the like of which does not exist anywhere else. It will also provide valuable training for the local police and fire service who will be involved in some aspects of the exercise.

The village and its residents will be a priority throughout the exercise and any concerns can be raised to a member of CTCRM staff at any time.

If residents do have any questions or concerns please call Capt Simon Broomfield on 07824 080054.

DEAR FRIENDS OF THE COMMUNITY

Having been formed in 1906, we have a long history of football in our village. Over the last five years, our club has developed significantly. We now have three adult teams and five youth teams (U8's to U11's) and with the kind permission of the Parish Council and the National Trust, we are still using Candys & Cliff Fields. However, the pitch will not sustain the 60 home matches we have to play this season. It is with regret that we are moving our adult home matches to CTCRM. This will allow us to continue playing our youth matches at home in the village on Saturday mornings. If we are going to develop as a club and as a village, we need to bring the sporting facilities into the 21st century. We are in desperate need of a purpose built sports facility for football and cricket. I know that land is of a premium and that we need to protect the green spaces within our boundaries, however, playing fields are a permanent way of keeping these.

If you know of any local businesses or landowners that would be willing to help please contact us.

ALL CHANGE AT LYMPSTONE PRE-SCHOOL.....

September 2013 will mark a big change at Lympstone Pre-School. After a hugely successful 9 years we say a sad farewell and a huge thank you to our outgoing play-leader Debbie Foxon - we will be very sad to see you go! We are happy to announce and welcome our incoming play leader Emma Winter - Emma has previously worked at our pre-school and at Lympstone Primary and is very excited about rejoining the pre-school team!

Emma is keen to meet all our current and new families and with this in mind would like to invite you all to our 'relaunched' where she and the team can show you the new look room, uniforms etc and show you the exciting topics and plans for the forthcoming term! Please join us on Wednesday 11th September between 5.30pm-7.30pm for our open evening (children welcome!) to have refreshments and a chat with our team and find out what your local preschool can offer you and your family! We look forward to seeing you there!

TO THE PEOPLE OF LYMPSTONE

As Poppy Time draws nearer, to which you so generously contribute, we wonder how many of you are aware of what our Lymptone Branch of The Royal British Legion comprises and what it does?

You do NOT need to have served in the Armed Forces to be a MEMBER and everyone is welcome. Our main AIMS are:

A. To provide help and a point of contact for ex-members of the Forces and their families.

B To assist the Village "Poppy Organiser" and to work with other organisations in arranging the Service on Remembrance Sunday.

C. To organise a few social functions for our members.

Now to the BULL POINT! We have a very small Committee comprising of an exceedingly hard working Chairman, a most competent Treasurer and a few "ancients" in support. Very sadly we lack someone to fill the VITAL post of SECRETARY!

Our RBL has run for many years but will probably have to close unless we can find a SECRETARY. This would be a DISASTER. Our Village benefits from its close links with the Royal Marines to whom we owe so much. Remember also that next year will be the Centenary of the start of WW1 the end of which led to the founding of the

RBL and the Poppy Appeal. Will YOU please volunteer to be our RBL SECRETARY? It is not an onerous task with a short bi-monthly Committee meeting. If you wish to apply or, indeed, just to become a member, please ring DON JELLARD (01395 273704) or, for further information, ring GEORGE TRUELL (01395 276793).

PLEASE DO NOT ALLOW THIS
VITALLY IMPORTANT
LYMPSTONE CHARITY TO CLOSE.

POLICE REPORT

Between the 27th and 31st July a property on Meeting Lane had a window smashed by unknown means. If anyone has any information regarding this criminal damage, please contact me on the details below.

Overnight of the 10th August a vehicle which was parked on a private driveway on Burgmanns Hill was entered and property stolen. Various items were stolen from the vehicle. KE/13/1853 refers.

Overnight of the 24th July a red fold up pedal cycle was stolen from a property on Burgmanns Hill.

On the 20th August a purse was accidentally dropped in the area of Trafalgar Road/Glebe Close. The purse was kindly returned to the owner but unfortunately the £150 cash was missing. The purse was located on the bend of Glebe Close.

It was a large rectangle purse red in colour and could have been lying on the pavement for awhile. If anyone has any information regarding this theft, please contact Police quoting KE/13/1940. If anyone would like to hand this money in anonymously it can be left in the post office, where I can collect it. The owner is understandably upset due to the amount of money.

There has been a number of hoax calls made to Police from the telephone

kiosk in Trafalgar Road. Children can be heard laughing in the background. This is not only an offence and a waste of Police time, but could stop someone who has a genuine emergency getting through to our communication system. Please can I ask parents/carers to discuss this with children.

There are two bikes attached to the bike rack outside of the Swan that have been left in situ for over a year, the bikes are rusted with flat tyres but are padlocked

up. I have spoken to Street Scenes regarding these bikes and am hoping we will be able to get them removed. If anybody has any information on who owns these bikes, please contact me.

Dog Fouling – can I remind dog owners to pick up after their pets as I have received

complaints that people are failing to do this, especially in the Strand area. If you see anyone failing to pick up and know who they are, please let me know and the dog warden and I can pay a visit. Tickets can be issued retrospectively if a statement is made by a witness.

LYMPSTONE FURRY DANCE 2013

The friends of Lymptone Furry Dance would like to thank all those who contributed to making this year's event a great success.

The new format and earlier timing seemed to work well and in general we received very positive feedback. We will consider all comments received as part of our review of the event and try and build on what seems to be a good basic formula.

The good weather brought out the crowds and the centre of the village was a hive of activity. We were heartened by the increased number of local organisations that took an active part, giving the event a distinctive community atmosphere that has been much commented on.

It would be difficult to run the event without the generosity of our sponsors and donors and the good will of the village as a whole.

Thank you to the band and all who supported us and made it such a happy and fantastic day.

LYMPSTONE HISTORY SOCIETY

Following our June AGM, the Society is alive and well and is starting a new season with a new Chairman: Gary McNulty, new Treasurer: Mary Turner, Secretary: Julie Horwood, and

Committee members Angela Coles, Diana Letcher, Richard Giles and Jenny Moon.

We are looking forward to autumn events, the first of which will be on SATURDAY SEPTEMBER 21.

This will be a GUIDED TOUR OF TOTNES TOWN, starting from the 'Bay Horse' pub at 2pm, with the option of meeting for lunch at the Bay Horse at 12.45pm.

Travel independently to Totnes in the morning, by car or by train at a time to suit. The cost for the tour will be £5 per person and bookings must be made in advance, by Wednesday September 18 to Julie Horwood on 227044. Or

drop a note through the door of Seaview Cottage, Quay Lane, stating also if you will be having lunch at the Bay Horse. Full further details will be given to those who book.

We very much want to attract some new, younger members to the Society and we hope that this event being held on a Saturday will enable anyone interested, including children, to take part.

The next event will be on Wednesday October 30 and will be a talk on the Roman Army in Devon. Further details about the Society from Julie Horwood, as above.

THE 35TH SHERRY MORNING

This village owes a big thank you to Ange and Mike for transforming "The Globe" back into a friendly enlarged local - something that should have been done decades ago! Ange and Mike kindly hosted the 35th Sherry Morning on Sunday 28th July and provided mouth wateringly superb gourmet eats. Thanks to them and the musicians we have made £2000 through the Grand Summer Draw and donations in aid of Anti-Slavery International. Thank you to all who attended, bought draw tickets or made a donation. The 2014 Sherry Morning will be the usual formula- last Sunday in July at its new home "The Globe".

ONE FLUTE, MANY VOICES

After the success of the Sunday afternoon music series in the Parish Church, Lympstone Entertainments have arranged a short Autumnal series of three concerts. They are led by the gifted young flautist Ruth Molins, with other local musicians.

The first concert, on Sunday 22nd September at 4pm is of Baroque music by Bach, Telemann and Boismortier, played by Emma Welton (violin), Hilary Boxer (cello) and Susie Hodder-Williams and Ruth Molins (flutes).

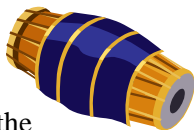

On Sunday, 20th October Ruth plays bird music on flute and piccolo, as well as a Bach Partita, and on 10th November she is joined by guitar and cello for a festive evening with tangos by Piazzola and Jet Whistle by Villa Lobos.

All the concerts last for an hour, and you can buy a ticket for the series for £16, or pay £7 for each concert. They can be bought from Shears' Café (except on Weds) or from John Welton at 1 Harefield Cottages (tel. 271 915, email johnwelton68@gmail.com).

BHANGRA MUSIC

World Music comes to Lympstone in the form of RSVP, the exciting Bhangra band, who have thrilled audiences from the massive

stages at Glastonbury for 5 years in a row, as well as at Womad and at concert venues round the country. This is the first Villages in Action event of the season, presented in the Village Hall on Saturday, 12th October at 7.30pm by Lympstone Entertainments. RSVP are spearheading the renaissance of live Bhangra in the UK, helping to introduce it to mainstream audiences for the first time. They're always guaranteed to leave audiences breathless with excitement, with their celebratory Indian music in the Punjabi style.

Tickets at £9 (£7 under 16) can be bought from John Welton, 1 Harefield Cottages (tel 271 915, email johnwelton68@gmail.com)

Highly recommended!

A NEW LYMPSTONE BUSINESS

With new businesses popping up all over the area a new aid to entrepreneurs has arrived and is advertising in the Herald. I asked for a bit of background and Lesley, who runs the company, told me 'We are Lympstone-based, keen, friendly and experienced. We want to help you make your business work better for you. I ran my own print and design business for 11 years so I know the challenges! We can discuss small projects, big projects and regular input into your sales, marketing and PR. Nothing too small or too complicated. We have worked with interior design companies, joiners, NHS, executive coaches and many others. Some wanted market research, others wanted appointments made for them, others wanted a new website they could update themselves. Everyone needs something different and we are flexible enough to meet those requirements. Please contact me on lesley@hedgerowmarketing.co.uk and give your business a boost!'

CRICKET ROUND UP

This summer's better weather allowed Lympstone cricketers to play 14 matches, more than in any year since the club was reformed in 2007. None were lost to the weather or to player shortage – just a few to better

teams! The season started well with a run of four away wins, including some very pleasant new fixtures. By the end the tally was won 7, lost 6, with one tied game (after two 20 overs innings for each side!). Captain Ben Ingham (that's Jason's lad, not our District Councillor) once again took most wickets, setting a new club best at 16, with solid support bowling from ever present Ollie Creighton and our Wright brothers (though they're not related), Duncan and David. There was also a new club best with the bat this season, James Gibbons (one of our recruits from the Camp) scoring 299, at an average of 43. Batsmen Ben Ingham, Ollie Creighton and Vice Captain Robin Tolson also had good seasons, with new player Luke Mander showing good promise – as well as taking most catches. A September end of season team outing will include golf, indoor cricket, a meal and, who knows, maybe a beer.

Although we had no official meeting in August, 22 of us enjoyed a superb Summer Supper - delicious food provided by the Committee, location with glorious views provided by Lympstone Sailing Club! We also provided all-day refreshments for the Furry Dance which were much appreciated by both villagers and visitors. 10 members also met for a Chinese meal in Exmouth in August. Our speaker on 4th September was Freda Jackson talking about "Stanley Long and Lower Halsdon Farm". Freda knew Stanley Long personally from 1965 when she lived next door to the farm. He was a very polite and honest gentleman, whose passion was his farm and the animals on it. In 1988, he turned down an offer of 4 million pounds from a developer, a situation which triggered national media headlines and led to more than 300 letters of gratitude both from the local area and worldwide. Looking to preserve the farm and land in perpetuity he negotiated with the National Trust who eventually took it over in 1996 with residency for Stanley and his wife for life.

A "behind the scenes" tour of the Barnfield Theatre in Exeter has been arranged for Thursday, 10th October at 2.00 p.m. There are 8 places still available on this trip, so we would welcome anyone outside the W.I. to take them up at £2 each. Please

contact Diana de la Rue (see below) if you are interested.

The Autumn Council Meeting will be in Plymouth on 17th October, when the main speaker will be Toya Wilcox.

The next village "litter picking" is on Tuesday, 24th September, at 2.15 p.m. starting at the end of Highcliffe Close.

After discussion it was agreed that the Christmas meeting this year would be organised by the members rather than the Committee.

Our next meeting is on Wednesday, 2nd October, at 2.30 p.m. in the Village Hall, when Mrs M Knight will give a talk entitled "The Heart of Harrow School by its Librarian".

We welcomed 2 prospective new members this month - if you think you might like to join them, please do come along. If you would like any more information please either check out our dedicated website link on www.lympstone.org (Social section) or phone Diana de la Rue on 01395 274099.
