

NEWS FROM THE PARISH COUNCIL

Lymington Parish Council Chairman's
New Year message:

I am proud to be the Chairman of your
Parish Council this year. The Parish
Council continues to meet twice each
month except August and our meetings
are always attended by some residents
of the Parish. All are welcome and
everyone is given an opportunity to air
their views if they wish.

We have regular reports from our
District Councillors and County
Councillor and we keep up the pressure
on them to make improvements in
Lymington. It is not easy as their
budgets are being cut by central
government in its attempt to balance
the national budget.

Unfortunately, during the year, Mrs
Terri Scott left the Parish Council to

work with her husband in Malawi for a
year. We wish her well in this exciting
venture and give our wholehearted
thanks for the hard work that she put in
as a Parish Councillor, including
gaining an impressive result in the Best
Kept Village competition.

Terri has been replaced by Cllr David
Young who served on the Parish
Council a few years ago. We are glad
to have him back. David lives in
Marley drive and it is good to have a
local representative at the top end of the
Parish whilst we are under threat from
development on land off Marley Road
and at Goodmores Farm.

David's contact details, together with details of all the Parish Councillors, can be found on each of the six Parish notice boards and on the village website. Please don't hesitate to contact anyone of them if you have any questions about what is happening or might happen in Lympstone.

During the year we have achieved many good things for the Parish.

We have surfaced the new path from the School to Candy's Field. We are about to order two lights for the car park and hope to find funds to surface the car park in the coming financial year.

We put a new surface at the entrance to Cliff Field so that it can stand the occasional use by vehicles without causing damage. Thanks go to parents of Scouts and footballers for their help in laying this. We hope to finish the job by completing the concrete apron around the scout hut in the near future.

We are actively supporting Lympstone Pre-School in their quest for a new building of their own on part of the Village Hall site. This will give them a permanent home and help them to achieve greater things for the young children of the Parish. I am sure there can be no better investment than this.

We have continued to support local groups by offering grants, paying for works or equipment. We put aside money for this each year and occasionally we are able to find larger sums for bigger projects. This is an important way in which we can help to keep Lympstone a vibrant community with a wide range of activities.

We have supported Lucinda Telfer in her quest to put a public access defibrillator in the village. We are grateful for this initiative and for the help of the new owners of the village shop and the friends of Lympstone Surgery.

At the request of Cllr Mrs Kathy Rogers, the bus stop on Meeting Lane has been refurbished and a new litter bin has been provided.

We arranged for the War memorial to be cleaned and repaired in time for the special service in August, for the commemoration of the start of World War I.

Finally, the Lympstone Neighbourhood Plan has been approved by the Planning Inspector and is now with EDDC to arrange a Parish Referendum. The value of this has already been seen in that it encouraged SLP to withdraw their appeal against refusal of planning permission for houses on land off Courtlands Lane and they were ordered to pay part of EDDC's costs. There are still some concerns about

the Neighbourhood Plan but on balance, the Parish Council as a whole feels that the Parish is better protected from unwelcome development by having it in place. It also sets out a number of community projects which will be taken forward. If you have some concerns and would like to do something about it, why not contact Cllr Jenny Clark and see whether you might join the Neighbourhood Plan working group. The Neighbourhood Plan will be reviewed regularly to make sure that it is kept up to date with feelings amongst residents. The first step though is for a resounding vote from the community.

All in all, these achievements are considerable for a small parish such as ours. They could not be achieved without hard work and dedication of your Parish Councillors and many people in the Parish who give their time willingly to make Lymptone a great place to live.

I wish you all a Happy New Year.

*Cllr Richard Eastley, Chairman,
Lymptone Parish Council*

THE PARISH CHURCH

Epiphany is the celebration of the visit of the wise men to the child Jesus. The season of joyful celebration that began at Christmas now continues through the successive

Sundays of Epiphany, and the festal cycle ends only with the Feast of the Presentation of Christ in the Temple (Candlemas) which we celebrate on 1st February.

Epiphany-tide is an apt season to pray for the worldwide mission of the Church. The Week of Prayer for Christian Unity falls in this period. (See below). In the Eastern churches, the Epiphany is, rather, the celebration of Christ's baptism at the hands of John, when the Heavens were opened and a voice from Heaven declared Jesus to be God's beloved Son. The miracle of Cana in Galilee, where Jesus 'first manifested his glory'.

Week of Prayer for Christian Unity - 18th to 25th January 2015 - Prayer meetings are held in host Churches at 12.30 p.m. throughout the week and are followed by Fellowship with serving of Soup and Bread by the host church. Monday 19th at the Baptist Church, Victoria Road; Tuesday 20th at the Methodist Church, Tower St; Wednesday 21st at Holy Trinity Church of England, Rolle Street; Thursday 22nd at Glenorchy U R C, Exeter Rd and Friday 24th at Holy Ghost Catholic Church, Raddenstile Lane.

There is a United Service at Holy Ghost Catholic Church on Sunday 26th January at 6.00 pm.

Quiet Prayer Time - Come and join our time of quiet, reflective prayer

from 9.30-10am on Monday, 12th Jan. Sessions tend to include a short passage of Scripture, an extract from a meditative writing or a poem, occasionally some music, and 15-20 minutes of silence; we close with a Collect and the Lord's Prayer. Jesus tells us that when two or three are gathered together in God's name, He will be there in our midst. The opportunity to spend regular 'quality time' with God is invaluable in our busy lives - we do hope you can join us! All are welcome! For more information, or just a chat, please ring Demelza on 272243. The time of quiet prayer is on the second Monday every month the next being the 9th February.

Stairway to Heaven - There will be a Mission Community party to celebrate the completion of the new staircase at Holy Trinity. Refreshments will be served and then we can use the new staircase to go into the church for a special performance of old-time Music Hall songs, performed by the Exeter Cathedral Players. This was a great hit when performed recently at the cathedral and there will be opportunities to join in with the songs! Tickets will be available early in January at each church and from the office.

Lent When the Herald next comes to print we will be on the eve of Lent with Shrove Tuesday (Pancake Day) and Ash Wednesday to remember

before the preparation for Easter with reflection on Jesus' time in the wilderness.

That is for next month. Church notices are displayed on the church board under the railway arch or in the church porch.

FURRY DANCE SANTA AND MULLED WINE EVENT

The Furry Dance Committee would like to thank all those who came and supported another successful Mulled Wine Christmas event. As usual a warm and welcoming festive atmosphere was provided by our generous hosts Angie and Mike at The Globe. Santa's arrival was made extra special by his chauffeur driven vintage transport sporting antlers and a red nose, which delighted adults and children alike. The snow fell and "Here comes Santa" played by the SW Comms Training Band, set the mood for a morning of seasonal fun and enjoyment. Thanks once again to all our helpers and sponsors. We wish you all a Happy New Year.

GARDEN WASTE COLLECTION

After trying relentlessly to find someone to take over the garden waste collection scheme, I've had no luck whatsoever and with advice of

doctors, sadly have decided to shut the scheme down.

Thanks to everyone for their support over the years. With much sadness it is a decision I just have to take.

LETTER FROM NORMA EXELBY

May I use the Herald to express my and my family's gratitude for the overwhelming support and kindness following Keith's sudden death. From the first day, forty years ago, Keith loved Lypstone and judging by the many, many cards and letters expressing affection and respect and attendance at the funeral, the village took him to its heart. The contributions to the Diabetic & Vascular Research Unit at the RD & E Exeter are presently nearing £500, an amazing tribute. Thank you Lypstone

ART TALK AND WORKSHOP

Lypstone Art Group will be holding a talk, "Plein Air or Not?", by Phil Creek on Thursday 5th February at 7.30pm in the Methodist Hall, Chapel Road. Plein Air, or painting directly from your subject, as a painting methodology, has become

increasingly popular in recent times. Is it important to paint from direct observation, often outside, or is working from photographs or drawings just as successful? Phil will discuss his own work and compare different ways of working and how different methods can impact upon the qualities you can achieve. All are welcome. Members free, others £3 on the night.

On Wednesday 4th March we will be holding a Workshop on Building a Sketch Book, run by Naomi Hart from 10am to 4pm at Lypstone Sailing Club

Naomi will provide examples of Travel Journal Sketch Books, hers and other artists' using different media. She will give examples of forms of sketchbooks and their construction, show materials she carries with her and experiment with mark making, drawing collage, subject matter composition and themes. Cost £30. If you are interested in attending please contact Mai Targett on 271915 email maitargett@btinternet.com

ESTUARY FLOOD DEFENCE WORK COMPLETED.

Shortly before Christmas the Environment Agency team led by Howard & Mel completed months of essential work to the Estuary flood defences.

The wall at Quay Lane has been substantially rebuilt and strengthened with a new more effective alignment for the floodgate and additional run-off opportunity for spray topping-over the wall. Gate 5 also at Quay Lane now has replacement steps to make it safer, and Gate 3 has a new threshold height to reduce beach incursion from waves running up the slipway. Our emergency flood-board store has been reconstructed and a considerable length of wall at Harefield Cottages has been re-mortared.

This project has resulted from the effective partnership between the Flood Gate Warden team and the Environment Agency and is a demonstration of the excellent quality of work delivered by their in-house resources. Lymptone is very fortunate indeed to have benefited from this costly work in these straitened times.

As in 2014 very high tides are forecast for the first months of 2015, and householders in the lower village are advised to remain vigilant.

SOMETHING FISHY’S BEEN GOING ON

Lympstone Film Society is delighted to announce two screenings of a new film about fishing from Lympstone. Some of the film makers that the society supports are currently hard at work editing this, their second major documentary.

The team followed the *Compass Rose* out to sea (and back again!) in the

summer of 2014 and filmed subsequent fishy events on shore.

We will be showing their film *Tied to the Tide: A Lympstone Livelihood* on Friday 20th and Saturday 21st March in the Village Hall. Tickets will cost £10, to include a light fish supper or vegetarian option, and will be available from Monday 16th February.

YOU DID IT!

When Shears Cafe decided with the help of their many customers to try and raise £1,000 for Exmouth & Lypstone Hospiscare by Christmas, it seemed an impossible dream.. Sarah Jane's determined enthusiasm, however, along with huge generosity from so many of their customers.....resulted in Pam Warren, our Fund Raising Chairman, and I being presented with the final part of the £1,000 about a week before Christmas. This wonderful donation to our local Charity came from customers popping £1 coins into a tube in the Cafe....and what a lot of coins you popped in!!

A huge thank you to the Cafe, to Sarah Jane and to everyone who helped raise the £1,000 - it is local patients and their families who will benefit. Thank you all.

We performed also in Exmouth and Topsham and altogether collected just short of £450.

POPPY APPEAL

The 2014 Poppy Appeal has so far raised £5496.23 and I am still waiting for some cheques to arrive for wreaths so I anticipate the final total to be just under £6000 which is a fabulous achievement. An enormous thank you to everyone in Lypstone Village and CTCRM for their generosity once again. I must of course also thank my very willing band of House to House Collectors and the Money Counters in Lypstone and at CTCRM who make it all possible and without whom I could not do it. Thank you one and all.

A GOVERNMENT DECISION means developers will no longer have to provide affordable housing on many smaller rural sites.

Communities minister Brandon Lewis announced the removal of Section 106 agreements from sites of fewer than 10 homes in a written statement to parliament.

It means developers will no longer have to provide affordable housing when building homes on smaller sites. Mr Lewis said: "Due to the disproportionate burden of developer contributions on small-scale developers, for sites of 10-units or less, and which have a maximum combined gross floor space of 1,000 square metres, affordable housing and tariff style contributions should not be sought.

"This will also apply to all residential annexes and extensions."

For designated rural areas under section 157 of the Housing Act 1985, which includes National Parks and Areas of Outstanding Natural Beauty, authorities may choose to implement a lower threshold of 5-units or less, beneath which affordable housing and tariff style contributions should not be sought.

This will also apply to all residential annexes and extensions.

Mr Lewis said: "Within these designated areas, if the 5-unit

threshold is implemented then payment of affordable housing and tariff style contributions on developments of between 6 to 10 units should also be sought as a cash payment only and be commuted until after completion of units within the development.

"These changes in national planning policy will not apply to rural exception sites which, subject to the local area demonstrating sufficient need, remain available to support the delivery of affordable homes for local people." However, affordable housing and tariff style contributions should not be sought in relation to residential annexes and extensions."

The Rural Services Network said abandoning the requirement for developers to include affordable housing when building homes on smaller development sites was ill-thought through.

Rural Services Network housing spokesman Andy Dean said: "This decision is huge blow for rural communities. It is very, very disappointing news.

"Affordable housing is key to retaining young people in rural communities and in smaller rural settlements, this is how most new affordable homes are delivered."

The Rural Services Network is calling on the government to reverse the decision which exempts developers on sites with 10 or fewer homes from requirements to include affordable

housing - at least, in relation to all rural settlements.

In some rural areas, the exemption will apply to sites with five or fewer homes.

But Mr Dean said: "This is a small concession and the policy could still decimate the provision of rural affordable housing because most sites in villages are small.

"These planning requirements are the mechanism which delivers most of the new affordable homes in our villages. Without them, families will be priced out of the countryside.

"There is scant evidence that such planning agreements undermine development site viability and, where local authorities conclude it would, they can already reduce the burden.

"We have to find a better way to balance the government's desire to encourage small scale builders with the over-riding need to provide affordable homes in rural communities."

LITTER

Ah. Beautiful Lympstone! No wonder people want to visit, and live here. I have, however, noticed a lot of litter around the village. Mostly it seems to be food or drink related, possibly thrown from cars, bikes or walkers, sometimes washed up on the tide. Whenever I walk out from my house, I take a bag and fill it with rubbish. Could we all take an interest in this modern problem? Please pick up any litter you see, remind others to use the bins and enjoy our beautiful surroundings.

LYMPSTONE GARDEN CLUB

Just before Christmas, our workshop with Frances Hurrell proved really popular. Nearly thirty of us gathered round as Frances demonstrated with great skill how to make a Christmas table centrepiece using a wonderful variety of foliage, candles and tasteful baubles. We learnt new skills and endless tips on how to wire everything from fir cones and twigs to walnuts!

Then we were let loose on our own creations, with some hands-on help from Frances. Very soon, seasonal displays were taking shape around the hall, and we celebrated our achievements with mulled wine and Christmas nibbles.

Many thanks to Frances for a really enjoyable and instructive afternoon, and to Sheila and Suki for raiding their wonderful gardens for all the fine greenery.

There's no Garden Club talk in January, but we're back on Tuesday 10 February with a talk on orchids by Sarah Rittershausen, at 7.30pm in the Village Hall Function Room - £3 on the door. On the night, we'll also be selling tickets for the Toby Buckland event on Saturday 7 March, when he'll be looking forwards to spring in the flower and vegetable garden. There'll be afternoon tea, a raffle and book signing.

News from the Garden Club is sent out regularly by email. If we don't have your details and you'd like to be kept up to date with what's coming up then please do send your name and email address to suki.commin@googlemail.com You'll also find more information about the club and forthcoming events at www.lympstone.org

LYMPSTONE WI

“CHAOS” and “ORDER” proclaimed the notices that had sprung up on the telegraph poles of Lympstone during the first week of 2015. As well as prompting some of us to ponder existential questions, the posters were also inviting us to this month's very topical WI talk by Mrs Jasmine Sleigh on the benefits of putting those New Year resolutions into practice and decluttering your home or, as she prefers to call it, changing your space.

Following on from the talk, there was some essential WI housekeeping to attend to. Members' subscriptions

taken for various extra activities that members had signed up to. We then discussed the seven resolutions that had been short listed last autumn for action by the WI in 2015. The resolution to encourage awareness and the appropriate use of antibiotics in the face of increased microbial resistance was carried.

Members were reminded that our New Year evening meal is being held this year at the Redwing on Tuesday the 13th January at 6.30 for 7. They were also asked to make a date in their diaries for the Members' lunch at the Sailing Club on Tuesday the 24th February. Other activities suggested for the coming months include visits to the Honiton Lace Museum and Torre Abbey, and – following the success of our trip up the Exe River and Canal – an excursion on the River Dart.

Our next scheduled meeting is on Wednesday the 4th February at 2.30 in the Committee Room of the Village Hall, when Mrs Mary Bengner will talk about the ongoing development of Burrow Farm Gardens, which she and her family have created over a period of fifty years.

We are very pleased to welcome anyone who thinks she might be interested in finding out about the Lympstone WI. For more information please phone Diana de la Rue on 01395 274099 or find us on the village website.
