

## ITEMS OF NOTE from the Parish Council Oct Meeting

### Parish Council Meetings

You never know what is going to be discussed at a Parish Council meeting and that is some of the fun of being part of it.

This month's Parish Council took a strange turn. The Agenda was shorter than usual and our Speaker, John Scott, the Rural Housing Enabler was not available to talk about the results of the Housing Needs Survey. The Executive Summary is on the website if you want to have a look at it. Briefly it concludes that 11 affordable homes are needed in the short-term. It does not conclude that hundreds of houses are needed anywhere near the Parish. The meeting still managed to go on beyond 9.30pm. The Young Officer Training Officer did come along and gave a brief description of the Village Exercise, which will take

place later this month. There is more about this in this issue.

### Planning

The main item of business turned out to be planning matters. Three of the four applications involved PV panels on the roofs of buildings in the Conservation Area, including the Church. The view was given that these represent one way forward to generating more 'green' electricity and can reduce household bills. As there is a balance between the Conservation Area and the need to generate electricity in this way, the Parish Council has asked for guidance from the Planning Department on this. Anything that is received will be published if that is allowed.

## **Cont**

Cllr Rob Longhurst also reported that there was another LDF Panel meeting at EDDC on Tuesday, when submissions made by the towns in the District would be given further consideration. It had been noticed that, in the submission made by Exmouth Town Council, they had proposed a significant area of land for housing development at Goodmores Farm, Higher Hulham Road and this is not in Exmouth, but in Lympstone Parish. The submission also suggests that one of the results of this development could be the funds to pay for the completion of the Dinan Way link to the A376. The Parish Council will be submitting a further response to this in time for it to be considered by the LDF Panel next week.

## **Village Hall**

Don Mildenhall outlined the Village Hall Management Committee's proposals for building works next summer. These include completing all outside maintenance and re-pointing the south and west walls (opposite the tennis courts and car park) and refurbishing the toilets. This will be paid for by more fundraising, Village hall existing funds and a loan which has yet to be negotiated.

It is good to see that the Management Committee are vigorously pursuing these works which will keep the building in good condition for many years. If you would like to help in any

way, please contact Don or Brian Cotton.

## **Exe Estuary Cycle / Walk Way**

The Police have had information, but no official reports about an accident when a local woman was hit by a bicycle and broke her arm. This is not the only accident involving cyclists who do not appear to be aware that when they leave the cycle path, they are joining public roads, which are narrow, have sharp bends with restricted visibility and they are likely to meet other vehicles and people of all ages.

There is to be more discussion about this at the next meeting on 17th October, 2011. The Parish Council would like to hear the details of any accident or near miss involving cyclists so that the case can be made to intransigent DCC Officers that action is needed to control the speed and behaviour of cyclists coming through the Village

## **Dogs**

Behaviour of dogs and their owners particularly on Cliff Field and Candy's Field has been the subject of more angry discussion in recent weeks. It is clear that there are many irresponsible dog owners in the Village who are willing to ignore their dogs while they run around and mess anywhere. This is becoming an appalling situation. Both fields are used by footballers with the new Junior teams playing on Candy's Field. This is clearly a disgraceful situation especially in a strong community such as ours. Those who do

not look after their pets are not doing their bit to keep Lympstone a pleasant place to live and play. If this means YOU, then please think a bit more about what your dog is up to when he is out. If your children or friends take your dog out ask them to clean up after it and give them a plastic bag for this purpose.

If this is not you but you see others acting in this way, please let the Parish Council or the Police know who the offender is so that they can keep a look out. The Dog Warden is also making more random visits and will issue on the spot fines of £80 to offenders. You have been warned (WPCSO Sarah Trayhurn is often in the village and is quite approachable).

### **Winter is coming!**

The Parish Council is joining the Snow Warden Scheme run by DCC as a means of organising local self-help if we have a winter like we had last year. Snow Wardens are needed to look after various areas of the parish. If you feel that you would like to get involved please contact Tony, the Clerk to the Parish Council, details are on the front page. A Mr Preswell (or Creswell) did volunteer, but Tony was given the wrong telephone number and so he has been unable to get in touch. If this is you and you are still interested could you please contact Cllr David Young on 268816, who will be able to tell him a bit more about the scheme.

The Parish Council can receive three tonnes of bagged salt or five tonnes of loose salt as part of the scheme, but has

nowhere to store it. If you think that you could find room in a dry storage area for some of this, please let Tony the Clerk know. (Contact details are on the front page.) This will help to make sure that the Parish is well prepared for next winter.

### **LYMPSTONE SCHOOL – PTFA**

The PTFA have been hard at work planning fund-raising events for our school during the coming year. Look out for details of upcoming events on the school notice boards, in next month's Herald and on the PTFA page at [www.lympstone.org](http://www.lympstone.org). We are also in negotiation with the Christmas Elves to arrange for Father Christmas to come to Lympstone in December!

## **LYMPSTONE IN THE 1980s, TABLE TOP SALE SLIDES BY MISS URSULA PERRY**

Ursula Perry has kindly donated hundreds of slides to the Lympstone History Society, taken mainly in the 1980s, of which a selection will be shown on Wednesday 19th October, 7.30pm at the Methodist Hall. Admission will be £3, including tea/coffee. The slides, put on to a PowerPoint show, will be a trip down memory lane for some, with images of the likes of Mr John Pidsley, Mr Walter Hawkings, the game keeper, and Mrs Ethel Stevens. Some photos were taken inside Hodges, during bread baking, the Roman Catholic Chapel and some of Norman Mitchell working in his boat shed. If you were living here in the 1980s please come and help identify a few of the unknown characters, if you were not living in Lympstone then the evening will show a Lympstone never to be repeated.

## **CHURCH LOTTERY**

In August the Church Lottery was won by Margaret Green with ticket No.667. In September the winner was S.Perryman of Harefield Drive with ticket No 790.

*Joyce Malster*

Do you have anything you would like to sell but don't relish the idea of being outside for a car boot sale? If you do, then why not book a table at the village hall for £5 on the morning of Saturday 12th November? Ring Jan on 270157 for more details.

*Jan Hardy*

## **QUILTS4LONDON 2012**

All over the UK quilted pennants are being made to give as a sign of friendship to athletes competing in the Olympics/Para Games.

We would like to send a contribution from Lympstone. A workshop will be held on November 12th at Lympstone Sailing Club. Only 12 places are available. For those interested, over 9-years old and keen to design and make a pennant using textiles, please contact Jenny Charles on 01395 264359 for further details.

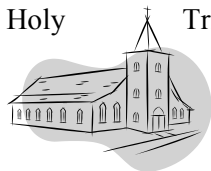

Other help needed includes: making wooden rods and braids from which to hang the pennants and; an hour or so to help with catering. All pennants will be labelled, so a 'made in Lympstone' could go anywhere in the world!

*Jenny Charles*

## PARISH CHURCH

We hope many of you managed to see the church over the Harvest weekend looking as beautiful as ever thanks to our team of flower arrangers. Although written before the event, I am sure the produce will be well received in the village, at the Open Door in Exmouth and at St Petrock's in Exeter.

Regular church services include some which take place outside Lymptstone. On the first Sunday of each month at Holy Trinity, Exmouth from

7pm is the 'Service with no name.' The Lymptstone Worship Band plays and there

is a different speaker each month followed by refreshments and a time to socialise.

On the second Sunday, at Woodbury, there is a service of Evensong, a much neglected service in recent times. Rev. Geoffrey Wrayford is leading the service there at 6.30pm.

Lymptstone's own Morning Worship service is on the third Sunday of the month and begins at 10am (9.30am for coffee, croissants and a chat before the service.)

Junior Church continues at all 9.30am services and there is a service every Sunday at 8am – everybody is welcome to come to any or all.

A Christian discipleship course began on 28<sup>th</sup> September, on Wednesday evenings from 7.30pm to 9.15pm

in the Youth Hut on Candy's Field. If you would like to join or express an interest in any future course please phone 01395 225153.

The church now has a new library of books to borrow. June Dingle has also bought a number of Bibles which may be found in the church pews. A range of different translations of the Bible and a large print copy are to be found on the library shelves.

The coffee morning for October will be from 10am until noon on Tuesday 25<sup>th</sup> at Burleigh, Longmeadow Road, the home of Barbara Neason.

Full information on all the above may be found in church or on the noticeboard under the railway arch.

## JAZZ BRUNCH 2011

Lymptstone Twinning Association once again brings you the unique attraction of listening to the music of The Gittisham Hall Jazz Band, whilst enjoying a full English breakfast! This event will take place in the Village Hall, on Sunday 20<sup>th</sup> November, 11 for 11.30am. Application Forms to reserve places are now available from Ian Scott, Church Cottage, Church Road, Lymptstone EX8 5JU or from <http://sites.google.com/site/lympstonetwinning>. It's usually a sell out, so don't delay.

## LYMPSTONE SCHOOL

As term  
started we  
welcomed  
over 30  
new

children and several new members of staff. We now have 187 children and 33 members of staff (the majority of whom are part-time staff supporting the inclusion of 11 delightful children with complex special needs). A very busy little organisation!

Regular readers will know that we are a school committed to giving our children the richest of experiences and already this term an appropriate nautical theme is to the fore with trips to Portsmouth, HMS Victory and the Golden Hind in Brixham. Year Six children are now almost half way through a series of sailing lessons too.

Our sporty theme continues with athletics clubs being 'run' by Mrs Jones and Mr Musgrove and the netball club organised by Miss Norton. For the first (and probably only) time we have a pursuit cycling team that finished third in the primary school Tour of Britain races in Exmouth. A big 'well done' to Ben Daffin, Fern Acheson, Max Batson and Joel Hayes who represented the school.

*Tony Priest - Headteacher*

## GARDEN CLUB

We had a fantastic Garden and Produce Show, which was the culmination of our year. Thank you to the many people who helped to make it such a successful and happy occasion.

The first event of the Autumn will be our AGM on Wednesday 26th October at 7.30pm. It has a decidedly French flavour. We are fortunate in having in Lymptone art historian, Lin Holdridge. After a very short meeting, Lin will give an illustrated talk entitled 'Monet's Garden'. Naturally, we will be having wine and cheese.

The rest of our programme includes:  
16th November - The Winter Garden by Mike Stevens

14<sup>th</sup> December - Christmas Workshop with Rosemary Bethell

15th February - Digital Photography for Gardeners by Bryan Webb

21<sup>st</sup> March – 'Where Have All The Sparrows Gone?' by John Allen, RSPB.

18th April – 'Killerton Past, Present and Future' by Head Gardener, Kate Tuke.

Our Coffee Morning and Plant Sale will be on Saturday 12th May. We are also planning a coach trip and, of course, next year's Garden and Produce Show. So the seasons change and the gardening cycle continues.

*Sheila Stone*

## LYMPSTONE ENTERTAINMENTS VILLAGE CONCERT 2012

Yet again the season of mists and mellow fruitfulness approaches so it is time to think about ways of combating the dark days of winter and what better way than starting to plan the next Village Concert! Yes, there are only 18 weeks left to plan ways in which you may be able to contribute.

The date of the concert will be Saturday 21st January, with a rehearsal on Friday 20th January.

Once again we are looking for your inspiration. Just think about how you can delight and surprise the village... maybe as dancers, actors, story tellers, jugglers, magicians, tumblers and musicians of all shapes and disguises....

We are always looking for new ideas, including grouping our more experienced entertainers in different ways, or with new and perhaps not so confident contributors. Please help us to identify new talent, including newcomers to the village who may be just waiting to be asked to join in.

One of our successes has been the contribution of village groups...the Floodgate Wardens, the Station Adopters, the Sailing Club, the Calendar Girls and of course the extraordinary 'Wheelies' in 2011. Are you a member of a group which might like to join in the fun and at the same time draw attention to its work? This is

a way of persuading many people on to the stage who had never suspected they had such talent! Do you belong to a group that might be persuaded to perform in 2012?

There is so much talent in the village that we find it best if most acts are between three and five minutes. We need to build up a balanced programme and will be glad to discuss the way you may like to contribute and how it will fit in. Once again we do not plan to use amplification but rely on your natural talent!

*John Welton*

## RAILWAY ENGINEERING WORK

From 30<sup>th</sup> October, for six weekends, the railway line will be closed on Sundays only, between Exeter St David's and Exmouth for engineering work in the Topsham area. A bus replacement service will operate as usual with a bus coming into the village and turning at the Swan every hour in each direction. The timetable is on the village website. There will be some overnight work in the coming weeks, which is likely to mean the last train of the day is a bus. Look out for timetables at the station.

*Tony Day*

*(See middle pages for bus schedule)*

## LYMPSTONE.ORG

Many of you will be familiar with the village campaign to prevent development at the Courtlands site, which was supported and reported on by Lymptstone.org. The next issue we will be providing support and information for, is the cycle path and the safety problems that have arisen. Due to lack of appropriate signage in the area next to the station, where cyclists come off the cycle path and into the village centre, several accidents have happened – at least one of them causing serious injury to a villager. There will be an opportunity to find out more and to put your point of view at the next Parish Council meeting on 17<sup>th</sup> October at the village hall. COME AND HAVE YOUR SAY. Further information about the meeting and the cycle path can be found at Lymptstone.org.

## WI Report for October 2011

At the Meeting held on Wednesday 5<sup>th</sup> Oct. President Anne Frampton opened the meeting and welcomed 3 prospective new members, Jerusalem was sung. The President then introduced our Speaker Mr Bob Spencer ex Devon and Cornwall Policeman, his talk entitled The Policing of the MSC Napoli. The Napoli and many other Container Ships

have now been replaced by Ships eight times bigger and heavier, but supposedly safer! Divers were flown in from Alaska to seal off the oil tanks, to avert an even bigger disaster, although we saw many pictures of Sea Birds covered in oil, thankfully no more than one hundred actually perished. Many looters came from all over the country causing massive traffic jams in the area, taking whatever they could, much of it was ruined by sea water, all items such as the BMW Motor Bikes were eventually recovered. Many Looters were even seen to be Abseiling down the cliffs to get to the beach. The cost to Devon and Cornwall Police was £ 400,000.

Mr Spencer kindly waived his fee but said he would give a Donation to The Alzheimer's Association. The vote of thanks was given by Mrs Diana De La Rue. The Treasurer reported that she had received a payment from Gift Aid, we had been able to give a donation to the Furry Dance Committee.

Jill Hearne who has ably run our Drama Club for many years has decided to retire from WI.

There is to be a Litter Pick on Tues Oct 25<sup>th</sup> at 3.00pm, and members were reminded of the Coffee Morning at the Methodist Hall on Sat Oct 15<sup>th</sup>, and to please bring items for sale and cakes for the Cake Stall. There is also to be a Road Safety talk on Tues Oct 11<sup>th</sup> and a Silk Painting Workshop on Tues Nov 1<sup>st</sup>.

The next Committee Meeting is on Wed 26<sup>th</sup> Oct. Our next Meeting will be the Annual Meeting on Wed 2<sup>nd</sup> Nov. All visitors welcome, contact Mrs A Frampton on 276464.

*Jo Cotton.*

## LYMPSTONE BOAT CRANING

The craning of boats from the water to their winter lay-up at the harbour will occur during the morning of Saturday 15th October under the auspices of the Lymptstone Fishery & Harbour Board. However, the crane is due to be on site by 6pm on Friday 14<sup>th</sup> October.

The crane will proceed via Nutwell Road, Burgmann's Hill, The Strand, before turning right to the harbour at The Swan Inn, returning in the early afternoon. These arrangements ensure that all crane movements are in daylight. Please contact the Harbour Board if you have any specific concerns. P.O. Box 5, Lymptstone Post Office, or email: [harbour.board@btconnect.com](mailto:harbour.board@btconnect.com).

## LYMPSTONE ENTERTAINMENTS

After another thrilling visit from the Magnets in September, this month we are taking a breather before launching into a very hectic few weeks in November. On Guy Fawkes Night, we have arranged for Devon Baroque, one of the West Country's leading ensembles, specialising in music of the 17th century played on period instruments, to perform a selection from their programme entitled *Birds*,

*Beasts & Battles*. Composers such as Biber, Schmelzer and J S Bach will be featured. Entry is free to the concert, which takes place at the Swan Inn from 9pm to 10pm on Saturday 5th November. Those dining at the Swan that evening will be privileged to hear playing of the highest class. For table reservations, ring 01395 270403.

Less than a week later, on Thursday 10th November, Lymptstone Entertainments, in association with Villages in Action, will present *Ancient Strings* when the Senegalese virtuoso Doudou Cissoko, with accompanying players, performs in the Village Hall. Featuring the music of West Africa played on the 21 string *kora* the programme will be of special appeal to followers of World Music. Now based in France, Cissoko has appeared often in this country in venues large and small, as well as on TV including on the Jools Holland show. Tickets priced £8.50 (£6 for under 16s) are now on sale at the Post Office or by telephoning 01395 263928.

At the end of the month, we shall welcome back Paul Downes and friends in the latest folk opera by Mick Ryan. *The Pauper's Path – to Hope* celebrates the extraordinary resilience of ordinary people as it tells the story in music and song of seven people forced by circumstances to enter the dreaded workhouse, but able, by courage and determination, to escape its clutches. In the Village Hall at 2.30pm on Sunday 27th November. Tickets priced £9 (£7 for under 16s) are now on sale at the

Post Office or by telephoning 01395 263928.

## **ROYAL MARINE YOUNG OFFICER EXERCISE (EXERCISE FINAL NAIL) 24th-26th OCTOBER 2011 - UPDATE**

Royal Marine Young Officer Batch 2010 will be conducting a military exercise in Lymestone village. This will be the same exercise that was conducted in 2010. The Young Officers are two months away from completing their training and this is part of their final test exercise. The aim of using Lymestone Village is to give the Young Officers a new environment to work in and additional complexities such as interacting with a real civilian population and working with the local authorities (Police and Fire Brigade). The outline activities and timings are as follows:

### **Monday 24 Oct**

0730h – Build Operating Base at the Scout Hut on Cliff Field.

This will involve military tents and barbed wire around the base.

1300h – Young Officers start patrolling the village.

1800h – First meeting with village council.

### **Tuesday 25 Oct**

0930h to 1200h – Road Traffic Incident at Gibraltar Road.

The road will be closed from 1030h to 1200h.

2130h – Pub Snatch – Swan Inn.

### **Wednesday 26 Oct**

0100h – 0500h – Searches of Candy's Field and a military house.

0730h – Final meeting with village council.

0830h – 1130h – Dismantle operating base.

There will be a member of staff based at the Scout Hut at all times during the exercise. If anybody does not want to be involved with, or observe the exercise please avoid these areas at the stated times. However, the Young Officers will be patrolling all over the village, so there will be plenty of opportunity to interact with them.

If you have any questions or concerns please contact Major Alex Maclay on 01392 414239, or 07787004300.

## **CRAFT FAIR**

Please put Thursday 24th November in your diaries (6.30 to 8.00pm) for the Lymestone Pre-School's annual Christmas Craft Fair in the Function Room of the Village Hall. This is a very popular event with lots of festive stalls, and a great way to support and raise money for the Pre-School. Also a good opportunity to buy your Christmas presents early! Tickets are £2.50 a head, and include a glass of wine, available on the door or from Suzie Creighton.

*Suzie Creighton*

## **LYMPSTONE VILLAGE HALL SEEKS AN INDEPENDENT EXAMINER**

As a charity, the Village Hall has a legal duty to ensure that its accounts are independently examined each year in accordance with the laws and rules that govern all charities.

Following the resignation of Neil Curtis, the Hall's Management Committee wish to appoint an individual to be the new independent examiner. The hall's financial year ends on 31st December, so we seek to appoint soon to allow for familiarisation before our year end.

As a charity, we seek to minimise our costs (Neil Curtis performed this service on a *pro bono* basis), but may agree a modest annual fee.

The individual should have a suitable professional accounting qualification and knowledge of current charity finance law and procedures.

If you are interested, please contact Don Mildenhall (Chair of the Management Committee) on 01395 260500 for an initial discussion.

*Don Mildenhall*

## **POPPY APPEAL**

A hundred years ago this month the Archduke Franz Ferdinand was still

alive and there was an uneasy peace between the Austro-Hungarian Alliance and the Serbs. Little did anyone realize that, three years later, all hell was to let loose in Europe and “the war to end all wars” would begin.

To end all wars? Every one of us in this village would so love that to have been the case. But the British Tommy – the eternal soldier – is still returning to these shores in coffins or, in many many cases, so often unmentioned, in medivac with torn limbs.

At the Royal British Legion, we do what we can to help them and their families. And we do it because of your generosity and support. The village is remarkable in the way it gives and I am incredibly proud of the money one small community donates to the cause each year.

On the 11<sup>th</sup> hour of the 11<sup>th</sup> day of the 11<sup>th</sup> month of the 11<sup>th</sup> year in the 21<sup>st</sup> Century, we will stand in silence to remember those that have fallen. But let us also remember those that are here amongst us now and need our help.

Our intrepid band of helpers will be knocking on your door soon. Give generously, please. You always do, I know. And if anyone wants to join our ever-growing troop of collectors, do please give me a call on 267858. Thank you!

*Shirley Friend*

## 1<sup>ST</sup> LYMPSTONE SCOUT GROUP

September 14th was a landmark date in the re-opening of the Scout Group, the launch of the Beaver Colony for six to eight year olds. Thanks to the efforts of leader, Catherine Escott, and her assistants, 20 youngsters enjoyed a range of activities. This success has continued over the past weeks. Indeed, so enthusiastic has been the response that we have had to introduce a waiting list. Our search for additional leaders/helpers has attracted a considerable response with a number of applications being processed, which should enable the Cub and, possibly, Scout sections to open in the not too distant future. So, having identified and responded to the demand for Scouting in Lymington, and, hopefully, filling the requirement for leaders what's the next step? Before we can go any further our existing nucleus of a committee needs to grow - we need a new treasurer and secretary, plus a few more friendly souls interested in the development of Scouting in the village. For the immediate future, expect to see the Beavers on parade on Remembrance Sunday and if you can spare the time and a pound or two we would love to see you at our Christmas Bingo evening, which will be at the Village

Hall on November 17th. For information, to join or to offer help please telephone: 270623.

*Mike Hales*

## WHO WOULD LIKE A GARDEN?

If anyone would like to plant – and lovingly look after – a small, easily accessible plot at the foot of the station embankment, please get in touch. Some help with the cost of plants is available if needed. Friends of Lymington Village Station have plans for further work on the embankment this winter, so that the station area can look even better next summer
