

PARISH COUNCIL MEETING

A **Community defibrillator** has now been installed on the wall outside the Village Stores to the left of the entrance.

The Parish Council would like to thank Lucinda Telfer for her initiative in bringing this to the Parish Council and for her efforts in securing the defibrillator from the British Heart Foundation at about half the normal cost. This cost was supported by the Friends of Lymestone Surgery and so our

thanks go to them as well.

The Parish Council would also like to thank the Village Stores for their

assistance in providing a location, power supply and CCTV monitoring of this vital equipment.

The Parish Council will be arranging a one-day first aid course, primarily for businesses located near to the equipment and this training will include a module on use of the Defibrillator. If there are any spare places, these will be advertised on the website.

Please respect this equipment but don't be afraid to use it if you think that someone has had a heart attack, just follow the simple instructions issued by the machine.

Public Access Defibrillation and AEDs: Frequently Asked Questions

What is an AED? An AED (Automated External Defibrillator) is a device that analyses and looks for shockable heart rhythms, advises the rescuer of the need for defibrillation, and delivers a shock if needed.

Will I hurt the victim by using an AED? When used on people who are unresponsive and not breathing, the AED is extremely safe. The AED makes shock delivery decisions based upon the victim's heart rhythm, and will only defibrillate a shockable rhythm.

What if I forget the steps for using an AED? The steps for shocking an SCA victim are simple and straightforward. The ZOLL® AED Plus® provides visual and audio prompts to guide you through the entire resuscitation process. The most difficult part is recognising the need for defibrillation.

Should I perform CPR first or apply electrode pads from the AED? Start CPR immediately. Once the AED is present, apply the electrode pads to the victim's bare chest and follow the AED's voice prompts and messages. It will tell you when to resume CPR.

If defibrillation is so important, why should I do CPR? CPR provides some circulation of oxygen-rich blood to the victim's heart and brain. This circulation delays both brain death

and the death of heart muscle. CPR also makes the heart more likely to respond to defibrillation.

Can I be sued using an AED? To date there has never been a case where someone was held liable for using an AED, but as you know, anyone can be sued. However, most states have passed "Good Samaritan" legislation **protecting** the lay rescuer from lawsuits.

Can I accidentally shock another rescuer or myself? AEDs are extremely safe when used properly. The electric shock is programmed to go from one electrode pad to another through the victim's chest. Basic precautions, such as verbally warning others to stand clear and visually checking the area before and during the shock, can ensure the safety of rescuers.

Should I use the AED if the victim has a pacemaker or is pregnant? Yes, never withhold AED use from a person in Severe Cardiac Arrest (SCA).

Can I defibrillate on a wet surface? Yes, as long as the usual safety rules are observed. Be sure the victim's chest is wiped dry. Keep the electrode pads away from a damp or conductive surface.

Is it okay to place the electrode pads directly on a hairy chest? Electrode pads must come in direct contact with the skin. If the chest hair is so excessive as to prevent good adhesion

of the electrode pad, the hair must be removed quickly.

What if I have a child victim? You should use paediatric electrode pads, which carry a lower charge to the child in SCA

What if I don't perform all the steps of CPR and defibrillation perfectly?

Treating SCA is a high stress situation. Even experienced health care providers do not do everything perfectly. During SCA, performing CPR and using an AED can only help the victim.

What if I'm not certain whether or not I need to use an AED?

Remember this rule: Only use an AED on someone you would do CPR on—unresponsive and not breathing.

The Parishes Together Fund has run for several years. Each Town and Parish Council in Devon has an allocation of £1.10p per elector. In Lympstone's case this is about £1,600. This can be increased by contributions from the fund, from the allocation of another local council. The money can only be spent on a project involving two or more local councils. So far, in Lympstone we have provided a new path to Candy's Field and a new surface at the entrance to Cliff Field. Solar lights are to be put on the Exe Estuary Trail and along the path leading to the Village Hall.

The Parish Council is always looking for projects to spend this money on

but we have to have the support of other local councils. We can ask for this if a project will provide something that may be used by people who live outside of Lympstone. As in the case of the Scouts and the Primary School.

If your

group has members who live outside the Parish and you have an idea for a small project, please contact Tony, the Clerk or another Parish Councillor with your ideas.

Grants awarded. Each year, the Parish Council also sets aside some of its own money to support local Groups. This year the following have been supported:

Lympstone Pre-school – purchase of equipment, kindly supported by Rotary Club.

Lympstone History Society – Purchase of audio/visual equipment.

Lympstone PCC – contribution towards the cost of painting the railings on School Hill

Lympstone FC – contribution to cost of goal posts

Lympstone Scouts – purchase of camping equipment

Gully emptying. The Parish Council is now starting to prepare for winter weather. As we all know, DCC is cutting back on the local services that they provide and so the Parish Council has set aside funds to cover small areas of gully emptying and

pipe jetting, where there is a particular problem. Four areas have been highlighted for this work: Outside 'Candys' on Burgmann's Hill, outside Sowden Farm, part of Glebe Close and part of Trafalgar Road. These are known to be troublesome spots and so they will be investigated by Councillors before work is ordered.

www.lympstone.org is the village website, provided by the Parish Council. It is intended to be a source of local information for most of the activities in our community, not just Parish Council business. It has been in place for five years and so the Parish Council's Communications Group has started to take a close look at how the website works, updating content and making it more attractive. The Parish Council would like the website to be the first port of call for any information about what is going on. It is designed for residents but is also used by visitors, with the main activity being from those looking for accommodation.

The home page has changed including the calendar being replaced by a list of 'What's On'. There are also direct links to websites of other village groups.

If you have any thoughts on which parts of the website need updating or changing or don't like any of the changes, please contact Tony, the Clerk with your ideas.

THE PARISH CHURCH

Quiet Prayer Time: Monday 12th October and 9th November, at 9.30 am. Come and join our time of quiet and reflective prayer in Lympstone Church. The opportunity to spend regular 'quality time' with God is invaluable in our busy lives - we do hope you can join us. Everyone is welcome! For more information, or just a chat, please ring Demelza on 272243.

Library S.O.S. Calling all book lovers. We need someone to take on the Church Library now that June Dingle has stepped down. This is not a difficult task as the library can run with just a little supervision. All information available from June. The Library is well used and this can be a very satisfying job to be involved with.

Confirmation – On Wednesday 21st October at 7.30 pm the Sacrament of Confirmation will be celebrated at Holy Trinity by Bishop Robert Atwell during a Sung Eucharist.

Choir – We are now entering a busy period with practice of special music for the Annual Carol Service on Monday 21st December. New

members are always welcome to join us especially to augment the choir for the carol service. We need extra singers in all parts and in particular altos, tenors and basses. If you are interested in joining us please speak to me in church after any service. Thank you.

CYCLING INJURIES SOAR BY A THIRD WHILE OTHER ROAD ACCIDENTS FALL

The number of cyclists seriously hurt or killed in Britain has soared by more than a third in five years amid claims that concerns over safety are preventing many people taking to the road. The study, by the RAC Foundation and the Parliamentary Advisory Council for Transport Safety, found the scale of accidents outstripped the rise in the number of people taking up cycling. It suggests this may be down to a rise in general traffic levels combined with a decline in funding for road safety measures.

NEIGHBOURHOOD PLAN

The Lymestone Neighbourhood Plan was accepted by the Parish in a Referendum earlier this year and is now a legal document, covering the period 2014 to 2026. It is consulted and referenced for all Housing and Planning applications in the Parish.

However, the Plan is not just about Housing. It also provides a vision for the future of our Community and sets out clear planning policies and objectives to realise this vision. These are, on the whole, the responsibility of the Parish Council but they will only be achieved with the support of our Community and Local Action Groups. During the Referendum period earlier this year, a number of Parishioners expressed an interest in volunteering to participate more in what happens in our Parish.

At the Parish Council Meeting on Monday 5th October, the Parish Council endorsed the setting up of a Neighbourhood Plan Delivery Group. The main focus of this Group would

be to co-ordinate, enable and assist volunteers who are delivering our Plan Objectives while liaising with the Parish Council and other social and volunteer Groups within the Village. It would not directly manage any group or project. Volunteers can be involved in as much or as little as they wish.

So if you have any skills or experience in chairing meetings, designing information leaflets, marketing, proof reading, taking minutes, organising projects, desktop publishing, have legal skills, ideas on how to raise or spend funds, delivering leaflets or just wish to be kept informed then please get in touch. There may be many other ways to help that we have not thought of yet!! Linda Lyon is currently leading the drive to establish the Neighbourhood Plan Delivery Group. Please get in touch with her on 01395 278166 or at lindalyonclark@aol.com to ask for further information or to register your interest in doing more for our Community. Copies of the Neighbourhood Plan can be obtained at the Parish Council Meetings or direct from Linda.

We will be organising a drop-in information and chat session in the Village Hall sometime in November or December. More information will be advertised in next month's Herald and on the Village website.

SOME LIKE IT HOT!

No, this is not an entry for the Film Society!

There may be a downturn in temperature as October bows out and November blows in but a warm - not to say hot - welcome awaits at the now traditional Curry Lunch on Sunday 1st November in the Village Hall. The choices will include lamb, beef and chicken curries, a vegetarian option, and tarka dhal, raita, poppadums and chutney accompaniments, rounded off by exotic fruit salad.

A licensed bar will also be available from 12.30pm and throughout the meal starting at 1.00pm. Prices have been held again at £10 and are available from Demelza Henderson, 2 Brookfield Cottages, The Strand; 01395 272243 or 07516 322853. Numbers are strictly limited to 60 and tickets are not available on the door so make sure you avoid being left out in the cold by buying in good time. The net proceeds of the Lunch will go towards the upkeep of the church building - our oldest and finest building.

GARDEN CLUB

The new season of events is now underway, with our first talk and demonstration about 'Making

good compost' with Nicky Scott on Tuesday 20 October at 7.30pm in the Village Hall Function Room. Everyone is welcome, and it's £3 on the door, with no membership fee. Nicky Scott has an unrivalled knowledge of, and passion for, compost. As well as demonstrating what makes perfect compost (for free) and advising on the best composters, he'll also touch on his work across Devon and how he creates seed compost from 'found' ingredients.

Nicky has written many accessible books on composting, and is coordinator of the Devon Community Composting Network – helping set up community composting groups and advising schools and businesses on composting kitchen waste.

Refreshments will be served, and plants and preserves will be on sale. News from the Garden Club is sent out regularly by email. If we don't have your details and you'd like to be kept up to date with what's coming up then please do send your name and email address to suki.commin@googlemail.com. You'll also find more information about the club and forthcoming events at www.lympstone.org

EXE ESTUARY TRAIL

A couple of incidents to report this month. The first when a cyclist overtaking another at speed on the blind bend on Sowden Lane at the bottom of Cox's Hill lost control of his bike and collided with wall of Stafford Cottages coming off his bike. The other was at the junction of Chapel Road and The Strand where a cyclist travelling at excessive speed from the direction of the station nearly ploughed into a pedestrian coming out of Chapel Road. The cyclist used abusive language saying "Get out of the f**king road you f**king C**t! As there is no pavement this is impossible. Please remember to write accidents in the book at Central Stores or either text me details on 07895908785 or email me judith_carter@hotmail.com

I am attending the EDDC Development Management Committee on Tuesday 6th October to voice objection to the proposed Trail from Exeter Road through Halsdon Farm as linking Exeter Road and housing developments beyond will mean more cycle traffic through the village. Stuart Hughes from DCC has recently said that between 2011 and 2014 there has been a 42% increase in usage of the route with cycle counters in 2014 recording annual trips of 257,189 and he estimated that usage of the EET this year will reach 500,000. New links to the EET will obviously increase this number. The DCC target for achieving cyclist commuting to work is 25% of commuters— this is currently 2.6% so is a long way off target. My objection is based on the need for a safe off road through Lympstone to be built before any further trails are linked to the EET as this will just result in more cyclist traffic in Lympstone. Therefore, DCC need to make it a priority to invest in an off road route to facilitate commuters and provide a safe route for all through Lympstone. DCC have now written to us after a 15 month delay to say they now have samples of the stick on cobbles proposed for The Strand and Sowden Lane for the Parish Council to view and consider whether these will help slow down cyclists.

**CLARION CLARINET
QUARTET CONCERT**

Lympstone Entertainments is delighted to present Lympstone's own Clarion Clarinet Quartet in their first full concert performance in the village for a number of years. The Quartet - Richard de la Rue, John Walthew, Tim Whiter and John Welton - will be performing in Lympstone Parish Church at 3pm on Sunday 1st November. The concert will feature four members of the clarinet family: the most common B flat instrument, the piccolo E Flat clarinet and the E flat alto clarinet, underpinned by the large bass clarinet. The programme will cater for a wide range of tastes from classical to swing, including works written specially for clarinet quartet and some skilfully adapted

and arranged from other formats and featuring composers including Mozart, Debussy, Sondheim and Gershwin. The Quartet will also feature at the concert for National Trust members at Sidmouth on Wednesday 4th November.

**TEN MINUTES' GRACE WHEN
YOUR PARKING
TICKET RUNS OUT**

Motorists will now receive a ten-minute "grace period" to remain in most private car parks. The British Parking Association said that its code of practice was being overhauled after a scam in which attendants apparently cheated motorists out of money. Rules that came into force this week require companies to wait ten minutes after a parking ticket expires before issuing penalties that can be up to £100. The move brings thousands of private operators in line with local authority car parks.

WELLINGTON, WATERLOO AND PAX BRITANNICA

The 200th anniversary of the Battle of Waterloo fell on the 18th of June this year. To commemorate this vital event in British history Colonel Graeme Wheeler is giving an illustrated talk in the Village Hall on Friday evening 23 October at 7.30 pm. Graeme says *'The battle was the greatest of three fought in just three days to decide the fate of Europe. Wellington's victory, the culmination of a military life in which he fought and won 44 battles, was the foundation of the century of peace from 1815 to 1914 that is now known as Pax Britannica. Understanding what happened in the Waterloo Campaign is the best way of illustrating the extraordinary genius of Arthur, Duke of Wellington and the remarkable army he commanded.'*

To find out more, you will have to come to his talk! Those of you who heard his earlier talk about the battle of Trafalgar will recall how entertaining and informative that was. Tickets are £5 on the door, and include a free drink (alcoholic or otherwise) at the bar. Graeme is giving this talk to help raise money for the Friends of the Church - our local charity whose sole object is to maintaining the fabric of the village's oldest and best building.

WI CENTENARY

Whilst in Ypres on 16th September I raised my glass to the WI on the day it celebrated its 100 birthday. Throughout the country thousands of women also raised glasses and teacups and reflected on what this organisation had achieved for women. Started in Canada in 1897, the movement crossed the Atlantic and on Anglesey on 16th September 1915 a meeting was held to encourage countrywomen to get involved in growing and preserving food to help increase the supply of food for a war torn nation. In every decade since then the WI has played a vital role in promoting matters of importance, not only for women. For years the WI has campaigned on a variety of issues and one of special note for Lymptstone was the Resolution which initiated the Great Milk Debate in 2007. One of our very own members, whose son was a dairy farmer, brought to the nation's attention the need for farmers to receive a fair price for producing our milk. This gained the WI national publicity and much admiration.

The WI was the only organisation in the UK to have its own College for women – Denman, near Oxford - where members could attend day or residential courses in cookery, craft and lifestyles but today it is open to non-members of either sex for a great variety of subjects. The recent TV series “Home Fires” highlighted the

WI's activities during WW2 and showed women fought hard to be heard and heeded. Today we are a highly respected organisation, involved in top level decision making. Lympstone is proud to have its own Institute after 96 years of unbroken activities. A dozen new members have joined in the last couple of years and are enjoying a varied programme of local and county events. We look forward to continuing to our centenary in November 2019, having raised our profile in the county magazine and possibly nationally next year.

IMAGES FROM LIFE AND MUSIC TUESDAY 10TH NOV.

Nicholas Eastwood will talk about his work (painting, drawing, collage and ceramics), which are derived from two main sources: music – both classical and flamenco – and secondly from experiences and places abroad. Inspired by hearing Pepe Romero play Flamenco, he spent time in Malaga, Alicante and Andalucía and his paintings and collage are simply painted from informal flamenco evening concerts. He has also worked with many Spanish guitarists and learnt about the influence of Arabic and North Africa music on that of Southern Spain and will talk about how these interpretations have influenced his paintings, drawing and ceramics. This talk will be held at the Methodist Church, Chapel Road Lympstone at 7.30pm. As usual it is free to members and £3 for guests.

PLEASE HELP SAVE OUR PRESCHOOL

Dear Lymestone Residents,
Lymestone Preschool has been an integral part of the village community for over 40 years. We are a charity funded organisation, heavily reliant on fundraising and donations to make ends meet. We have recently fallen foul of the central government cuts, which have meant that all local council funding for Early Years has been dramatically reduced. As things currently stand, even with a reduction in all spending and a focus on fundraising, we cannot financially sustain ourselves beyond 2017.

As you may have seen in previous issues of the Herald the preschool is in process of attempting to secure funding through the Armed Forces Covenant Grant scheme to build a purpose built preschool within the grounds of the village hall. If successful this will allow the preschool to operate rent free which will therefore reduce outgoings in line with the annual income we can raise each year. If the bid is unsuccessful we will be in a position where we need to close and this will have a huge impact on the future generations of our village.

With this in mind, we need your help! If every family in the village could donate just a few pounds to support our campaign we would be able to raise the funds needed to go ahead with our vital preschool saving plans. Can you help us?

We have set up a GoFundMe account with the following link:

www.gofundme.com/x65am69z

Please support your village preschool and donate whatever you can afford to our plight...every penny counts! We are very grateful for your support!

If you would like any further details of our current situation and feel that you may be able to offer sponsorship or help in any additional ways we would love to hear from you. Please email vicki.drinkwater@yahoo.com or call 07792846555/01395225345 and speak to Vicki.

THANK YOU

The Preschool are also holding a Christmas Craft Fayre at the Village Hall on November 21st, 5-10pm. Join us for a glass of wine and some fantastic gifts from local crafters.

TWO FILMS IN NOVEMBER

Lympstone Film Society is screening two great films at the Village Hall in November. Our regular Friday evening screening on 13th November is *Topsy Turvy* (12). Directed by Mike Leigh it lovingly recreates the preparations for the first night of Gilbert and Sullivan's famous *Mikado*. At the village hall at 7 for 7.30pm. Free to members; otherwise £5 on the door.

The first of our new series of Sunday matinees of all-time greats is *Casablanca* (U) at 2 for 2.30pm on Sunday 22nd November. Almost everyone has seen this Humphrey Bogart and Ingrid Bergman classic, but it's so worth seeing again – on the big screen with family and friends. Open to all; admission £3 but members can see this first matinee free.

POLICE

There was an attempted burglary to a property on Longmeadow Road which occurred between the 13th

and 18th September. The offender tried to gain entry through a window but was unsuccessful. If anyone has any information regarding this offence, please contact Police quoting CR/065487/15

Criminal damage to a vehicle parked unattended in Underhill car park has occurred. The paint work on the car was damaged using a sharp implement. This took place between the 11th September and 19th September. CR/066805/15 refers.

There has also been a report of criminal damage to a vehicle in which a tyre wall was punctured with a sharp implement in Underhill car park. This occurred between the 1st and 2nd September. CR/066840/15 refers.

I am aware that there has been an amount of ongoing graffiti on the door in the male toilets in Underhill car park. I recently put up a sign advising that Police would be patrolling the area but it was immediately taken down by unknown persons. Please remain vigilant in this area.

We have had a small spate of burglaries in rural areas recently with jewellery and money being stolen. Residents are reminded to secure property appropriately at all times and report any suspicious behaviour. If you are going away on holiday, perhaps a trusted friend or neighbour could keep an eye on your property. Timer lights are always a good idea and be careful when you are talking

about your holiday plans – you never know who is listening!!

Telephone and internet scams are ongoing and I would like to remind residents to never give out personal details or bank details over the phone. More information can be found on the Devon and Cornwall Police website or Trading Standards Website.

LYMPSTONE WI

The speaker at our October meeting was Sarah Roberts, who had come to tell us about the work of the charity CHICKS (Country Holidays for Inner City Kids) and how beneficial it can be to lives of literally hundreds of children. CHICKS started in 1992, opening a centre in Devon for underprivileged city children to enjoy the countryside. They soon opened another centre by the sea in Cornwall, and, with the help of fundraisers and donors, will soon be adding Derbyshire to the list of beautiful venues that they can offer.

Three new members from Lymington signed up with the WI at this meeting, and we were also delighted to welcome four ladies from Topsham, two of whom had been members some years ago and had been able to return now that they had found someone to drive them to Lymington. The WI Centenary celebrations continued locally during the month of September, with a boat cruise with picnic supper from Totnes to

Dartmouth, and peaking over the 15th and 16th September – the actual anniversary – with gatherings all over the country. The Autumn Council Meeting is being held at Plymouth on Wednesday the 14th October, with a coach picking up from the Saddlers at 8.35 am and returning at around 5.30 pm. There will be room on the coach for others who may want to visit Plymouth for the day – at a cost of £10 per person for the return fare. If you would like to take advantage of the coach, please book through Diana de la Rue at the number below.

The next litter pick is scheduled for Wednesday the 21st October at 10 am (rather than Thursday the 1st as was mentioned in last month's report), and our next meeting will be held on the 4th November at 2.30 pm in the Committee Room of the Village Hall, when Roger Hamilton will give an illustrated talk about John Palmer, the man who is credited with instigating an efficient postal delivery service by mail coach in Great Britain during the late 18th century.

We are very pleased to welcome anyone who thinks she might be interested in finding out about the Lymington WI. For more information please phone Diana de la Rue on 01395 274099 or find us on the village website.
