

## PARISH COUNCIL

**Lymstone pre-school** Phew! What a busy month it has been for Councillors and our Clerk, Tony Le Riche. There have been many meetings including much discussion at the two Council meetings, on 16<sup>th</sup> February and 7<sup>th</sup> March 2017. The Parish Council would like to thank all the residents that came to those meetings to express their views on the options that have been put forward as a site for a new Pre-school building. Thank you also to those residents who could not come to the meetings but wrote to the Parish Council with their views. This kind of involvement is really important when the parish needs to get its message across sometimes against big odds. It is one of the strengths that this community has and I am sure that it will continue. The Parish Council now hopes that DCC have received a very clear message of what the community is

prepared to accept and how much effort the community and the Parish Council are prepared to put in. As Cllr Jenny Clark pointed out: 'Lymstone has a record of community achievement'.

**Welcome** back to Parish Council Chairman, Cllr Chris Carter after his operations to help his knees. Cllr Jenny Clark stepped in as Vice-Chairman and has made sure that work towards the new Pre-school building continued apace and was thanked by the Parish Council for her sterling work. Cllr Chris Carter is now on the mend and able to play a major part again. He has spoken to many of the players in this scenario and has got answers to some of the obstacles that were being highlighted. There is still work to do but the Parish Council hopes that the obstacles are getting fewer and smaller.

### **Greater Exeter Strategic Plan Consultation**

The local authorities of East Devon, Exeter, Mid Devon and Teignbridge in partnership with Devon County Council are working together to prepare a Greater Exeter Strategic Plan (GESP). This formal statutory document will provide the overall spatial strategy and level of housing and employment land to be provided up to 2040. Please visit [www.gesp.org.uk](http://www.gesp.org.uk) for more information. . When adopted, it will sit above Local Plans for each area which will continue to be prepared to consider local level issues. It will also sit above Neighbourhood Plans.

Engagement with stakeholders and communities will be critical to the success of the new Plan. At this first stage, the authorities are consulting on an initial ‘issues document’ which, after setting out some background information, looks to explain the scope and content of the plan as well as describing the key issues facing the Greater Exeter area. This early stage of consultation is designed to stimulate debate and the local planning authorities are seeking your views on the scope and content of the plan as well as the key issues facing your area. A number of other associated documents are also being consulted on including. Statement of Community Involvement (SCI) This sets out the approach for consultation in the GESP setting out the way in which communities and other interested parties will be engaged throughout the process.

The consultation runs from 27 February 2017 until 10 April 2017. To view the consultation material and to make your comments please visit [www.gesp.org.uk/consultations/issues](http://www.gesp.org.uk/consultations/issues) A ‘call for sites’ has also been arranged to run alongside the consultation. This allows interested parties to submit potential sites for development to the Local Authorities. The sites are then assessed to consider whether they are suitable for possible inclusion in the plan. Further information is <http://gesp.org.uk/call-for-sites/>.

A site can be suggested for housing development if it is capable of accommodating at least 5 dwellings or measures at least 0.15 hectares. A site can be suggested for economic development if it measures at least 0.25 hectares or is capable of providing at least 500m<sup>2</sup> of floor space.

This new Plan and the call for sites could affect the contents of the Lymptstone Neighbourhood Plan. The Parish Council will need to keep a close eye on this and if necessary will have to consider starting a review of the Lymptstone Neighbourhood Plan.

## THE PARISH CHURCH

**New Curate** - a message from James Hutchings. I am delighted to announce that the Bishop of Exeter has offered Huw Riden the position of stipendiary curate in this mission community. He and his wife Kate and two boys will move here in late June. Huw will be ordained as deacon at the cathedral on Sunday 10 September. There will be an article in the next Net with further details about Huw and family, and his role as curate.

**Lent Lunches:** A simple lunch of soup, bread and cheese will be served

at the back of church from 12:30-1:30pm on Mondays 6th March, 20th March and 3rd April. Cost £3.50. All proceeds to be split between Open Door and St Petrocks. We need volunteers each week to make soup, serve and/or wash-up - please sign the sheet at the back of church! Thank you, Demelza

**Mothering Sunday** is 26th March this year. At the 10:00am Family Eucharist service posies will be distributed to all to take to their Mother or in loving remembrance of her.

**Lent** may originally have followed Epiphany, just as Jesus's sojourn in the wilderness followed immediately on his baptism, but it soon became firmly attached to Easter, as the principal occasion for baptism and for the reconciliation of those who had been excluded from the Church's fellowship. This history explains the characteristic notes of Lent – self-examination, penitence, self-denial, study, and preparation for Easter, to which almsgiving has traditionally been added.

The calculation of the forty days has varied considerably in Christian history. It is now usual in the West to count them continuously to the end of Holy Week (not including Sundays), so beginning Lent on the sixth Wednesday before Easter, Ash Wednesday.

## **Concerts in Church**

On Saturday 11th March starting at 7:30pm there is a return visit by a cappella choir Con Spirito. They promise a varied programme including songs with a nautical theme or inspiration as well as contrasting Russian and Slavonic church music. The charge will be £7.50 including a glass of wine/soft drink. Children £3. The event is run by Friends of the Church, raising money for upkeep of our building.

Lympstone Entertainments will bring multi award winning folk singer Steve Knightley and the Exmouth Shanty Men to the church for a concert on Saturday 25th March. A raffle will be held in support of the Church Funds. Tickets are £18 and with over 150 sold at the start of the month there are only a few left. See posters on the poles.

**Reading Together.** We next meet on this Wednesday 8 March, 2 15pm by kind invitation of Brian and Daphne Ridge at 9 Underhill Crescent. GJW

**PCC and Deanery Synod** - another message from James! A number of places need to be filled at the forthcoming annual meetings of the parish. Many dismiss the idea of standing because they don't want "to be on a committee". Can I encourage you to think again? If you are someone with a passion for the good news of Jesus Christ and how we as a church can play our part in this, that is the best qualification! Our PCC does

not meet often and is not long either. It does important work in leading our common life and we need a full range of ages and personalities represented. Similarly the Deanery Synod only meets 3 times a year but always has a focus on an important topic, often with a stimulating speaker. Please speak to an existing PCC/synod member or to one of the clergy if you would like to know more.

**Men's Breakfast** The next men's breakfast will be on 18th March, at The Toby Inn (was Nutwell Lodge). Start time is 08.30 am. Our speaker is Keith Moore and he will be talking about 'Lady be Good'. A

true and interesting story of a plane, the desert and some brave men. The charge for the breakfast is £5.00 - pay on the day. Book with Dick Bishop, 01395 271792 or Martin Holman (01395 567255)

**Growing in Prayer Event** Saturday 25th March in Holy Trinity hall Growing in prayer is one of the three priorities in Bishop Robert's vision for our diocese, and therefore a key part of our mission action plan here. We can all do with help with growing in prayer, wherever we are in our journey of faith. The event will start with coffee at 9:30 for a 10:00am start. We will bring our own packed lunch and finish by 3:00pm.

**Flower Festival** Make a note in your diary as, for the first time in over a decade Lympstone will have a Flower festival on 8th to 11th September

featuring flower displays over four days with a Grand Concert on Saturday evening with organ, training band, harpsichord, piano and violin.

## **FRIENDS OF THE CHURCH LOTTERY**

Our winner of the £25 prize in the February draw is Rosy Rigg. The Lottery helps to maintain the fabric of the Parish Church, our grandest and oldest building, used not only for regular weekly services but also for weddings, christenings and funerals, great civic occasions such as our celebrations of the Queen's Jubilee, and increasingly for concerts such as the forthcoming season of Beethoven String Quartet performances. The building has helped to create and sustain our village community over generations going back over six centuries. The Lottery is there to help ensure that it continues to do so

Many Herald readers already support us by buying a ticket, raising over £1800 last year. If you'd like to do so and no-one knocks on your door to sell you one in the next month please let me know and I will happily do so - £6 gives you a chance of a prize every month for a year -- and the certainty that you are helping to keep our fine Church in good repair.

## **FROM THE EDITOR**

March is the end of our financial year when most adverts come up for renewal. If you have an advertisement which you pay for annually then please save us the job of chasing the money by letting us have your annual payment now. Remember that this is a good cause as the Herald is compiled, edited and delivered free to all properties in Lymptone. Only the printing is paid for and all the clerical work and deliveries are done by some 30 volunteers. By paying promptly you are helping to provide the oil in the machine on which everything runs – money.

## **THE LYMPSTONE EMERGENCY PLAN: REQUEST FOR VOLUNTEERS, INLAND FLOODING**

The Parish Council Emergency Group is revising the Lymptone Emergency Plan. The PCEG recognises the two major flood risks are from the Estuary, and from inland flooding, primarily caused by the Wotton Brook

flooding in times of heavy and sustained rainfall, usually combined with a high tide. Estuary flood prevention measures are already in place with a team of wardens led by Alan Burton. They are a well organised and effective group, utilising good resources and equipment. The same however, cannot be said of Inland Flooding, and a significant number of properties remain at risk, with no coordinated approach to the risk.

Although there was an Information Session held last month on Inland Flooding, we are still looking for volunteers to act as Inland Flood Wardens, and to work under the guidance of a Leader. Wardens would be involved in both preventative and maintenance work along the Brook, and also in response to emergency flood situations. In total, we would not expect the time required to exceed one or two days per year, but it is certainly the case that many hands will make light work!

If you are interested in working as part of the **TEAM** Inland Flood prevention team for our village, or would like to know more, please contact Phil Corcos on 01395 272973 or philcorcos@gmail.com

## **LYMPSTONE ART GROUP**

On Tuesday 28<sup>th</sup> March we have a talk by Ray Balkwill about his paintings of the Exe Estuary. This will be held in the Methodist Hall, Chapel Road from 7.30 to 9.30 pm. All welcome, charge of £3 on the door for non members. Our next workshop will be on Chinese Painting by Linda Longmuir and will be held at Lympstone Sailing Club on 12th April between 10am and 4pm. Cost is £30. To book a place contact Mai Targett Tel 01395 271915 - maitargett@btinternet.com

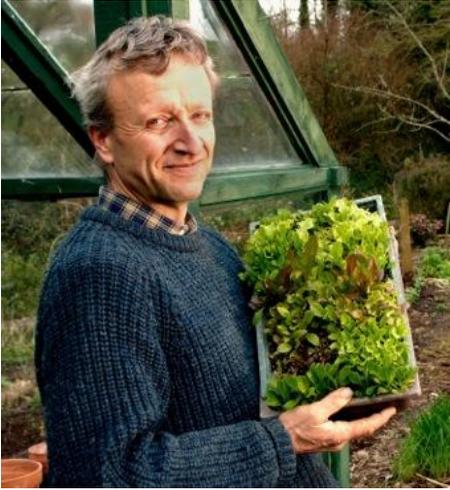

*Judith Carter*

## **NEW COIN**

There will be no mistaking or faking the new £1 coin. A new 12-sided £1 coin comes into circulation next month to make it harder for counterfeiters to reproduce. Councils are bracing themselves for a costly transition which will have a knock-on effect on other services. An LGA spokesman said: "Councils have experienced substantial budget reductions, and adapting parking meters is likely to be a further cost burden.

## LYMPSTONE GARDEN CLUB

Following our special spring talks with Toby Buckland and Mark Diacono, this March we're delighted to have gardening guru Charles Dowding with us. He'll be giving an illustrated talk about 'Growing abundant veg the no-dig way – from all-year salads to less weeding and healthier plants'.

The talk is on Saturday 18 March at 2.30pm in Lympstone Village Hall. Afterwards Charles will sign copies of his books and chat with the audience. There'll be afternoon tea and homemade cakes, as well as plants and produce for sale. It's £6 on the door, but booking is advised. For tickets and further information, please contact Suki on (01395) 269989. For more than 30 years, Charles has been perfecting his organic growing

methods here in the South West, and sharing his passion for 'no dig'. To him it's all about healthier soil, healthier plants and less effort!

*Clean pots please!* At our Coffee Morning on Saturday 6 May we'll be selling bedding plants and veg at very favourable prices. To do this we need lots of clean pots – at least 4 inches (10cm) in diameter and depth. If you have any pots (larger ones also needed) please donate them to us at this March talk, or call Linda Lyon on 07786 332529 to collect. Also, when you sow your flower and veg seeds this spring, could you possibly pop in a few more that we can sell at the Coffee Morning? For more information do talk to Linda or Suki at the next event. Many thanks!

Our events leaflet for 2016-17 is available – outside the village hall and at various other local outlets – and also online on the Garden Club page of the village website [www.lympstone.org](http://www.lympstone.org)

## **PV SOLAR PANELS**

I have previously reported about Solar Energy in the Herald. Recently many solar panel owners have been contacted by a firm from Bristol with HQ in S Wales about 'Solar Edge' technology developed in the USA.

In simple terms solar panels work like old Christmas tree lights, if one goes out they all go out. If one panel is in shadow then all panels behave as if they are in shadow too. This system wires the panels in parallel and all panels work independently so shadow on one makes no difference to the others. The system also reports back via WiFi to tell the performance of each panel so you know when one fails and needs replacing. They are also supposed to give better performance in low light.

I decided to consult Chris Rudge, the local supplier, from whom I bought a panel in 2010. (I am NOT on commission unfortunately) He quoted a price which was two thirds of the other firm for almost the same service (they promised to monitor the panels.) So far it is early days but I asked a friend how the winter performance had gone and was told it was not a sunny winter. I was surprised because for us it was as good a result as I have ever had so maybe they do work. The other point is that, because they are in parallel they are lower voltage and safer.

Happy to answer questions on 01395 278594.

## **ROYAL MARINES LIFT**

Royal Marines from Lima Company 42 Cdo, currently deployed on HMS Ocean in the Gulf, are taking part in a humongous challenge which will see them 'Lift' the 21473 tonne weight of the ship and 'Shift' it the 10,000km distance it will travel from deployment to home port in Plymouth. This mammoth challenge will be completed by just 100 men in 24 days!

The 'Lift & Shift' challenge is kick starting the 'Royal Marines 1664 Global Challenge' which will see 100 challenges completed in 100 days to raise much needed funds for the Royal Marines Charity. This challenge is particularly poignant for the men of 42 Cdo RM as the charity is currently supporting their friend, colleague and local Lymptstone resident Matt Drake in his long rehabilitation for life changing injuries sustained after an accident on deployment. Please support this challenge by texting the word GLOB17 £2 or GLOB17 £5 to 70070 to make a donation or by following <https://www.justgiving.com/fundraising/RMGlobalChallenge>.

## EXE ESTUARY TRAIL

In response to Lympstone's residents concerns regarding safety on the route which links the Exe Estuary Trail using Sowden Lane and The Strand. DCC have finally confirmed that, "they will be making carriageway improvements over Monday 27<sup>th</sup> and Tuesday 28<sup>th</sup> of March. These improvements will allow for the speed of cyclists to be reduced to safer communal use, along with encouraging cyclists to maintain their lane of travel. The works will include a bolt-down rubber road hump, minor road marking alterations, along with cobble rows using an innovative resin surfacing, to emphasise this community environment and to better guide cyclists. Access to properties will be maintained at all time, though brief road closures may be require." These improvements were agreed with the Parish Council over 18 months ago. The planned work includes the bolt down rubber ramp at the bottom of Station Hill on the left as you go up. This is to encourage cyclists to keep to the left as they come down the hill to the junction with The Strand; 3 rows of stick on cobbles across The Strand before the junction with Chapel Road; 3 bands of cobbles on Cox's Hill, Sowden Lane before the corner at Quay Lane; a line of cobbles in the centre of the road around the bend by the Estuary

on Sowden Lane; and junction markings where the trail from Exmouth meets Sowden Lane. We hope that these measures will improve safety along the route as numbers using the trail are now at 500,000 a year and predicted to increase. However these measures do not reduce the need for an alternative safe route through

Lympstone.

As agreed in the Neighbourhood Plan we are working with the Parish Council to explore the feasibility and cost of a route alongside the railway line to provide an alternative route in particular for those commuting cyclists just travelling through Lympstone and for parents with young children and babies in trailers. DCC's own Safety Audit recommends that parents with young children should not use the on road sections. However these concerns are not made clear to users. We are currently in discussions with Network Rail and in order to get a survey carried for a route alongside the railway line we are required to raise £5000 to pay to Network Rail in advance for permission to gain supervised access to the track to carry out the survey.

## LYMPSTONE PRESCHOOL PRESENTS....

Lympstone's open air cinema extravaganza to take place on Saturday 2nd September...please save the date!!

We have managed to secure some funding from the big lottery to organise a community event! This is something we have wanted to host for a very long time and we are thrilled to be able to confirm this exciting event!

Please vote for your favourite film choice by following this link;  
<https://www.surveymonkey.com/r/5KHTVJC>

This will be a FREE ticketed community event! So please share with all your local friends and we will update you on how you can get your FREE tickets shortly!!

Here's the plan of the day....

4:00pm CHILDREN'S FILM will be shown in the village hall (sweets/popcorn/crisps will be on sale during the film)

5:30-7:30pm CANDY'S FIELD - we will have DJ music, bouncy castle, face painting, balloon modelling, food, drinks, ice creams etc (so please bring your pennies for those!)

7:45/8pm the huge inflatable screen will be ready to show your choice of film selected from the survey! This is a FREE screening.....Popcorn, candy

floss, sweets, soft drinks and alcoholic drinks will be on sale throughout the performance (please bring along your own picnic blankets/beanbags/cushions)!

(NB please note that the film rating will be advertised once the survey has closed (31st March 2017) and it will then be at parents discretion as to whether they want their children to be present during the screening of the film...if you would rather be child free there's tonnes of notice to get your babysitters sorted for this section of the day!)

10-11pm LIVE music!! (Band tbc)

Please show your support for this event - we are all VERY excited!!

The screenings are all free but will be ticketed so we have an idea of numbers. Tickets will be available from 1st April details of where to collect to be updated ASAP!

**ANY PROFITS MADE ON THE DAY WILL GO TOWARDS GENERAL FUNDRAISING FOR LYMPSTONE PRESCHOOL**

*(We may have raised the money for a new building but we still have other minor cost like moving the MUGA, clearing the site and fitting out the new building. Ed)*

## LYMPSTONE WI

The speaker for this month's meeting was Laura Board, who came to tell us about the work of the Royal National Institute of Blind People (RNIB) and its Talking Books Scheme. This provides a massive and free resource to blind or partially sighted people who, once they have downloaded the free app, can listen to audiobooks, magazines and podcasts on their own computer, smartphone or tablet. They are also available on CD or USB stick. It was inspiring to learn how the Institute are harnessing technology to ensure access to so many aspects of our modern world.

After the break, our President, Diana de la Rue, reminded us about the Italian-themed buffet lunch to be held at the Sailing Club on Wednesday the 15<sup>th</sup> March. April will be a busy month for meetings for local Women's Institutes. Lymptstone WI will hold its Annual Meeting on Wednesday the 5<sup>th</sup> April at the Methodist Hall, followed closely by the Spring Group Meeting, hosted by Lymptstone WI, in Lymptstone Village Hall on Friday the 7<sup>th</sup> April at 2.30 pm. This will include a speaker and entertainment, and Diana asked for volunteers to provide teas at the event. The Spring Council Meeting will be held the following Wednesday, the 12<sup>th</sup> April in Torquay when,

depending on the number of members wishing to attend, a coach will be provided from the Saddlers.

Our next scheduled meeting is in the Methodist Hall at 2.30 pm on Wednesday the 5<sup>th</sup> April, when there will be no speaker, as we will be voting for a new President, Treasurer, and Secretary as well as for one or two new committee members.

We are very pleased to welcome anyone who thinks she might be interested in finding out about the Lymptstone WI. For more information please find us on the village website or come along to one of our meetings.

## **LYMPSTONE HISTORY SOCIETY**

After February's very popular 'A-Z of Exmouth' with Mike Tracey, this month sees another talk in our 'know your neighbours' series. This month's talk is by Jan Betteridge of Topsham Museum, and she will be telling us about the evolution of the town from its days as a busy port to the current day in a talk entitled 'The making of Topsham, from ancient port to tourist destination' which takes place in the Methodist Hall, Chapel Road at 7.30pm on Thursday 23<sup>rd</sup> March - everyone welcome.

We would also like to thank Don Mildenhall and the Village Hall Committee for their help in relocating our historical archive back in the village once more.

*Mary Turner*

## **FRIENDS OF UNDERHILL SURGERY, TRANSPORT**

We would like to welcome any new clients and volunteer drivers to our valuable and friendly service. If you are registered with Underhill Surgery and might need transport for appointments to Underhill Surgery, Exmouth hospital or RDE Exeter we offer transport at very reasonable prices. To join the scheme there is an annual subscription of £3.00, with journey costs being Lypmstone Surgery £3.00 (return),

Exmouth hospital (return) £5.50, RDE (return) £11.00 and car parking charges if applicable. Please contact our committee Chairwoman Norma Exelby, "Old London", The Strand, Lypmstone - telephone 01395-266116. If you would like to volunteer as a driver (you do not need to be a registered patient with Underhill Surgery), please contact our Transport Co-ordinator Gillian Hipkins, "Tidewatch", Burgmanns Hill, Lypmstone-telephone 01395-224442. Also, we now have available two positions on the Committee, one being Treasurer. If you would like to have your name put forward please contact our Chairwoman, Norma Exelby, contact details as above. Information posters soon will be placed around the village.

*Merle Wheeler*

## **LYMPSTONE FILM SOCIETY**

The Society this year celebrates 10 years of entertaining villagers. Our 142<sup>nd</sup> film screening is a gala evening to mark this. So, on Friday 24<sup>th</sup> March we are screening Swing Time, the 1936 classic dance musical starring Fred Astaire and Ginger Rogers. As usual, a 7.30 start at the village hall, with the bar open beforehand from 6.45. A glass of fizz will help us celebrate.

There will be the opportunity for non-members to join at a reduced rate and then take advantage of our low renewal rate for the 2017/18 season.

*Don Mildenhall*

## **LYMPSTONE DAIRIES**

Could you please help in finding, through the readership of The Lymptone Herald, examples of old milk bottles from 3 dairies that retailed milk in the village around the 1940's/1950's. My hobby for 20yrs since retiring from a career in the milk industry is to research and locate the dairies that operated in the west country to find bottles that were used between 1920-1980 for my museum here in Honiton. I am passionate to

preserve this aspect of our social heritage for future generations to enjoy and I will donate my collection to a suitable museum in due course. My focus at present therefore, are the 3 dairies, namely Ware at Town Farm, Bowerman at Brooklands Dairy and Morrish at Lymptone.

*Peter Hayward*

*(Something different – if you can help in anyway then please send me details and I will pass them on to Peter. I have already passed on details of bottles used in the South Hams in the 40s and 50s. Ed)*

## **WEBSITE NEWS**

Now that Spring is here, we thought we would make a special request to

all budding and experienced photographers to share your photos with us. Anything at all that connects us to village life, for example people, places or events would be more than welcome. We will put together a gallery of the photos submitted on the website, and the best will be tweeted under our 'Shades of Lymptstone' tagline. You will always be credited for the photos submitted. Remember to add a line about the photo itself, e.g. location or the name of the event. Please send in jpeg/digital format to the webmaster@lympstone.org or to philcorcos@gmail.com. We look forward to hearing from you!
