## PARISH COUNCIL Draft Exmouth Sports Pitch Strategy

The Village Hall was full at the Public Meeting, 29th June, 7.00 pm when this Strategy of EDDC was discussed. Charlie Plowden and Graeme Thompson of EDDC explained the strategy in detail and suggested that two sites in Lymington, at Courtlands Lane and Hulham Road were the best sites available to meet the growing need for sports pitches for Exmouth. The Parish Council did not agree with this suggestion and their view was wholeheartedly supported by residents on the night. A full response with other suggestions has now been sent to EDDC. The full response can be found on the website.

**The Parishes Together Fund** was set up by DCC and EDDC to provide funds equivalent to £1.10p per elector for projects to be carried out by two or more Parish Councils. In the past this has provided funds for improvements in Cliff Field and the route between the

School and Candy's Field. Last year the scope of the fund was widened to include works to improve land drainage. Lymington Parish Council was successful in a bid for funds to raise the bridge over the Wotton Brook at Pretty Corner. All approvals are now in place and so we are ready for the contractor for the works, Dave Tyrrell, to say when he will be doing it.

This year, the Parish Council are investigating the installation of another screen higher up the Brook to trap some of the larger items that block the screen at the Bridge in Chapel Road.

There are regular meetings of the Chairman and Clerks of the nearby Parish Councils. At the last meeting a couple of weeks ago this Fund was the main item for discussion when it was suggested that the purchase of marquees and a mobile PA system could also be considered. This equipment would be available for several Parishes to use. Exmouth Town Council will investigate.

## **The Parish Cemetery**

The Parish Council has been considering ways of dealing with the waste at the Cemetery. This is a mix of compostable and non-recyclable waste. The bins are not emptied regularly and have become an eyesore in what should be an area of peace and tranquillity. This has been discussed informally with members of the VPMC and it has been agreed that:-

The existing wheelie bins and the compost area are removed from the cemetery and the area is tidied and planted with shrubs.

Outside the cemetery, it is proposed that the hedge and trees are cut back to the original boundary right down to ground level.

A new compound is created to contain the Village Hall waste bins and one wheelie bin for all cemetery waste.

A contract is set up with EDDC to empty this along with the other waste bins at the Village Hall.

The above should bring about an improvement of the cemetery and the Village Hall. The work will be carried out by the Parish Council Handyman so the direct cost will be low. By clearing the overgrown hedge and trees, there will be no loss of parking spaces once the work is finished.

### **EXMOUTH LAND GRAB**

Last week's open meeting indicated how little the Lypstone Neighbourhood Plan has been noted by East Devon District Council. After surveying the diminishing space left in Exmouth for playing fields EDDC officers have decided that the Green Wedge between us and Exmouth was ideal for a series of games pitches. They suggested that they might use a Compulsory Purchase Order if necessary and that if the land is not made into playing fields it would end up being built on. This offended me as it ignored how we have defended our land in the past.

The full hall politely listened and questioned the EDDC presentation, followed by Lypstone Football Club saying how much they needed space. But it was pointed out that Lypstone needed other spaces like a cricket ground. Cllr Ingham showed a good defence of our Green Wedge and Cllr Longhurst expressed regret at the possible loss of the Green Belt he fought so hard for three years ago although he saw the need for pitches.

## HEATHFIELD ALLOTMENTS

There was a lot of  
 interest, at the Queen's celebrations,  
 in the attractive display of fruit and  
 vegetables produced from our  
 allotments, but no-one took an  
 application form for a plot. There is  
 currently only one person waiting for  
 an allotment so if you live in the  
 village and would like 'to have a go' at  
 growing your own produce, then now  
 is the time to apply. No experience  
 necessary!

Application forms are available from  
 me. Tel: 274099 or email:

## DOGS ON LEADS

Having erected  
 warning notices at each entrance to

Candy's Field and a couple of weeks delay for all to read them, the Dog Warden started regular visits this week. She spoke to three people on her first visit warning them that on future occasions she will be handing out fine notices to those with free roaming dogs.

## **FURRY DANCE NEWS**

Thank you to our supporters and the Lympstone Training Band for making our recent coffee morning a great success. As Furry Dance day draws nearer, Sat 6th August, we need to remind you of the road closures for that day. 09.30hrs road closed between the hairdressers and Chapel Road to set up the Pannier Market. 14.00hrs road closed from the Saddlers Arms to Highcliffe, no access to Underhill car park. Remember there is alternative parking at Avenue Field, entrance from Bergmanns Hill. 18.00hrs road closures end.

This year's format is similar to last year with all the usual events plus a magic show. The details will be published in our flyers to be distributed through various village outlets nearer the day. Requests for Pannier Market pitches should be made to Pauline Stewart as soon as possible phone 01395 263097 or

email [hollywell@hotmail.co.uk](mailto:hollywell@hotmail.co.uk) Brush down your dog, prepare your fancy dress and keep your fingers crossed for fine weather.

## **TOILETS**

The poor condition of our public lavatories has been noted and those committing vandalism and writing graffiti will be prosecuted. In the meanwhile alternative arrangements are being considered including unisex toilets and conversion of the urinals, WC and sinks in the gents to a single unit. Redecoration is obviously required.

With the growth in social media including sexual meetings it is surprising that assignment messages are still being written on the walls.

## BEATING THE BOUNDS

Every 4 years we organise a walk around the Parish Boundary. It falls this year on Saturday 3rd September, commencing at 9.30am at Parsonage Style. However if you have access to a boat and would like to follow the boundary on the river-meet at the Boat shelter at 8.45am. Please bring a packed lunch, stout footwear, long trousers and plenty of stamina for this 6.5 mile walk, which involves climbing through hedges and across the common! Well behaved dogs strictly on a lead are welcome-bearing in mind there will be livestock at various points on the walk. We aim to return to the Swan Inn at approximately 3.00pm for refreshment and hopefully a barbecue.

## VILLAGE HALL CARPARK CLOSED 1<sup>st</sup> to 11<sup>th</sup> AUGUST

The hall is having building works completed between Monday, August 1 and Thursday August 11th 2016.

This means that during these dates the hall's main car park and the side path between the hall and the tennis courts will be closed to the public and only available for access to the tennis courts or the burial ground. This is for health and safety reasons. The hall's management committee apologises for any inconvenience caused.

**LYMPSTONE**  
**ENTERTAINMENTS**  
***A WINTER'S TALE IN A***  
***SUMMER GARDEN***

One of the highlights of last summer in Lymptone was the visit of Exeter's Cygnet Theatre to perform an 18<sup>th</sup> century French comedy in the wonderful tree-lined glade of Robin and Judith Telfer's garden. They return in July, with William Shakespeare's much-loved romance *The Winter's Tale*, and once again the audience is invited to bring picnics (and chairs). This is a company of young actors who are shortly to enter the profession – come and spot the stars of the future.

*The Winter's Tale* is one of Shakespeare's most magical plays, and certainly has his most astonishing ending (please keep it a secret if you already know it – no spoilers!), in an evening of tragedy averted and love redeemed. This is the only time that he deliberately deceives his audience. In a playful and accessible production, we shall enjoy high drama and low comedy, a sheep-shearing festival, song and dance, young lovers, a cantankerous king, and the most famous stage direction in all theatre: *Exit, pursued by a bear*. The King's Men (Shakespeare's company) would have borrowed a bear from the

nearby Bear Pit. Where will Cygnet find theirs?

The entertainment starts at 6pm on Saturday 16<sup>th</sup> July, but if you would like to eat your picnic first you are most welcome to come from 5pm, and enjoy the sylvan setting, before it is transformed in your imagination into the kingdoms of Sicily and Bohemia. "*If this be magic,*" says Leontes at the end of the play, "*let it be an art lawful as eating.*"

Tickets from Demelza, at 2 Brookfield Cottages, or on the answerphone at 272243. £10, £5 under 18/NUS, £30 family.

(Entrance to Ellenthorpe Garden in Underhill, just beyond the car park.)

**PAUL DOWNES**  
**AND MICK RYAN**

We are delighted to announce a performance by the renowned folk duo in the Village Hall on Saturday, 10<sup>th</sup> September at 8pm. Paul and Mick's latest album will have been recently released so we will be amongst the first people to be able to enjoy this new material. Tickets at £10 will again be available from Demelza. Please put this in your diary *now* whilst the Herald has its summer rest.

*Viv Day*

## AMATEUR RITES

Two evening performances by a virgin village comedy group were supported enthusiastically by local people from the surrounding area. Better than our initial expectations, the audiences were forgiving and appeared to enjoy a totally "amateur" production of a new play by Tim Luscombe.

Cast members were of mixed experience blended into an incohesive "ensemble" that worked their socks off to entertain.

On a steep learning curve, our first effort of a new group, has not deterred us from planning more comedy in its various forms!

Sincere thanks to everyone who helped us, especially our generous audiences for risking buying a ticket!

Please visit our website for future events. [Vatslympstone.org](http://Vatslympstone.org)

## RIVER EXE REGATTA

Lympstone Sailing Club is hosting the River Exe Regatta the weekend of 16th/17th July. This involves all the sailing clubs on the Exe with Cruiser racing off sea, at Exmouth and at Topsham and 3 race courses in the river on Saturday and Sunday starting at 1530 on Saturday and 1600 on Sunday. If you wish to enter all

details of racing can be found on [www.river-exe-regatta.org.uk](http://www.river-exe-regatta.org.uk)

We are very grateful for the support of our main sponsor Tozers and also to Exe Sails and Covers Wilkinson Grant, Stormpress and Hanlons Brewery. Without their support we would not be able to run this event.

On Saturday night, 16th July there is a BBQ from 7pm followed by live music by Carnaby Street at The Harbour. You do not have to be a member to book a ticket for the BBQ but booking must be made by 13th July by going to the Lympstone Sailing Club website [lympstonesailingclub.co.uk](http://lympstonesailingclub.co.uk) and then go to Club Events and Exe Regatta BBQ and book and pay online.

On Sunday 17th July after racing there is Prize Giving at 7.30 pm. Over the weekend there will be a Marquee on the slipway at the Harbour and also one in the dinghy park.

We apologise for any inconvenience and will get things back to normal as quickly as possible after the event. It should be a wonderful weekend, just hoping for fair weather.

## **LYMPSTONE GARDEN CLUB**

The highlight of Lymptstone's gardening year is fast approaching. Now in it's 70<sup>th</sup> year, the popular Annual Show is on Saturday 20 August in the Village Hall from 2pm.

We're very much looking forward to receiving your Show entries on the evening of Friday 19 August from 6 – 8pm, or on the morning of Saturday 20 August from 8 – 10am.

Do pick up a Show Schedule from our local shops and pubs. This lists all the sections in the Show that you can enter, and contains an entry form at the back. And this year we're also launching an exciting new leaflet calling for entries from under 16s – distributed to every family in the school, and also to be found in the village shop.

As usual, we'd be very pleased to receive any donations of cakes or produce to sell on the day.

To add to the event, the Village Training Band will be

playing so do come and spend the afternoon with us – it's always a lovely event.

Over the summer also look out for our new leaflet outlining next season's

talks and events. News from the Garden Club is sent out regularly by email – if we don't have your details and you'd like to be kept up to date with what's coming up then please send your name and email address to [windygardener@yahoo.co.uk](mailto:windygardener@yahoo.co.uk) You'll also find more information about the club and forthcoming events at [www.lympstone.org](http://www.lympstone.org)

## VILLAGE WEB SITE

We hope you will have noticed that the village website, [lympstone.org](http://lympstone.org) is now up to date again. However, we need your help keeping our news and events current, interesting, and informative, and would ask everyone to keep contributing.

Our few guidelines are as follows:

**Planning:** We recommend that a ‘one-off’ event is posted up to one month before its actual date. Please always include date, time, location, and price (where relevant) and a contact name and phone number or email. A calendar of multiple events for the same group can be posted at any time.

**Reporting:** Our ‘village news’ items are really dependent on you for their currency and newsworthiness. Articles, reports of events, your views, an interesting story, poetry, can be sent to us. Accompanying photos/images are particularly welcome.

Sending items for posting on [lympstone.org](http://lympstone.org): Please email your item to us using the [webmaster@lympstone.org](mailto:webmaster@lympstone.org) address, and attach any images you may have. Documents may be in Word or PDF;. If you are attaching one or more photos, please try and make them in jpeg format, or PDF's of posters.

Single documents (including images) should not exceed 6Mb in size.

**Acknowledging receipt:** We will acknowledge receipt and the posting of your item on [lympstone.org](http://lympstone.org) as soon as possible, and no later than 48 hours after receipt. If you mark an item ‘urgent’, we will do our best to post it the same day.

**Telephone contact and email contact:** I am available on 01395 272973 in case you need to contact me to add, amend or withdraw an item. A message can be left on my answer phone if I am not in. You can email about anything to [philcorcos@gmail.com](mailto:philcorcos@gmail.com)

## GOLF

Seems that some people have been knocking golf balls over the hedges into people's gardens adjacent to Candy's Field. Do us all a favour and either move your target/hole or at least keep your shots low so they don't clear the hedges. I currently have a collection of four balls that have been retrieved from gardens. Come and collect them from me if you want them back. Golf as a dangerous sport and children will not respond to the call of “fore”.

**LYMPSTONE !!**

**and contributed to a very**  
**special weekend!**

The villagers of Lymstone came together on the weekend of 10 – 12<sup>th</sup> June to celebrate the 90th birthday of Queen Elizabeth II.

The Royal Marines set up marquees in preparation for the main event on Sat 12<sup>th</sup> preceded by the Film Club's showing of 'A Royal Night Out' on Friday evening.

The sun shone and the village assembled to enjoy a beautifully organised event in the Church the Village Hall and Candy's Field. There was refreshment for all, from teas to prosecco, not forgetting Divine Ice Creams, plus a huge range of activities from face painting for the very young to some serious tug o' war.

Entertainment was on- going with the Lymstone Bake Off in the Village Hall, judged by Michael Caines followed by a selection of live local music for all tastes.

We had the honour of two very special guests, Pat Dearsly and Peter Schaessens, who have also reached their 90th birthdays this year and were presented with commemorative mementos. They were treated to a

rendition of Happy Birthday by our own local Military Wives Choir, who then led everyone in singing Happy Birthday to Her Majesty. A third special guest, Bobby Eyres was unfortunately not well enough to attend but was later presented with her own mementos.

There has been some fantastic feedback received about the Party; the Organisers are pulling together a portfolio of the Weekend Events to be displayed on the village website. Any individual or organisation with material that could be included, could you please contact Linda Lyon at [malcandlinda@aol.com](mailto:malcandlinda@aol.com) or on 07786 332529 . A small profit from food and drink sales will be donated to the Pre School Build Fund.

The evening finale was a fantastic firework display after which the revellers were reluctant to go home! On Sunday, to round off the celebrations, there was a family service in Lymestone Church to commemorate 'Queen and Country'

the flower arrangers provided stunning decoration and the bellringers resonated with 90 ringing changes. A fitting end to a wonderful weekend for Lymestone.

Thank you to Jenny Clark, Linda Lyon, Vicki Drinkwater and Susan Briggs and the many others who helped.

## **POLICE**

There have been several reports around Devon of boat engines being stolen in the last few weeks. It is believed to be a group of males who use a blow up kayak to get out to the boats. In the crimes recorded the kayak was seen hidden in the area before the thefts took place. Can I ask all residents to be vigilant around the harbour and the slipways and report any suspicious behaviour or vehicles to the Police.

A concern has been raised regarding residents playing Golf in Candys field. Please can I ask anybody playing golf in the field to be mindful about safety and make sure that the balls do not go into residents private properties and gardens. Not only

could this smash a window but could hit an unsuspecting resident in the garden! Parents: if your children play golf in the park, can you please speak to them regarding this. Thank you in advance.

Remember: if you are going away on holiday be mindful that your property is properly secured. Time sensors, a trusted neighbour or relative checking on the property are recommended. We continue to have burglaries in the East Devon area where jewellery and watches are being stolen. Perhaps think about where you store your valuables and keep them out of view of windows. We recommend taking photographs of pieces and noting serial numbers. Remain vigilant.

Finally: You may have noticed I have not been on patrol in the village recently. Unfortunately I have injured my back and am awaiting surgery, so I am currently restricted to working in the office. I am still monitoring the patch and I am being supported by my colleagues PCSO Major and PCSO Maguire. I can still be contacted by telephone and email if you have any concerns and hope to be back patrolling the streets in the near future.

## **FROM THE KNOWLEDGE**

Ø E-cigarettes could damage immune system A University of North Carolina study has found that vaping increases the risk of infection because it damages genes in the immune system. Vapers have a greater chance of bacterial infections, viruses and inflammation as cells in the throat, mouth, nose and sinuses are hit, according to the study. More than two million Brits use e-cigarettes.

Ø Toll of sugary ‘sports’ drinks on teen health Research by Cardiff University has found that 68% of children drink sports drinks at least once a week, risking obesity, heart disease and type 2 diabetes due to the high sugar levels and acidic content. Researchers found that few children consumed the drinks to improve sporting performance, and instead drank them for “social reasons”, and were attracted to the sweet taste, low price and availability.

## **LYMPSTONE WI**

For our last meeting before the summer break, we welcomed ghostwriter Jane Smith, who told us about her career turning fascinating, real-life stories into books. Jane is much in demand by publishers for her ability to empathise with the person

whose life story she is telling and skilfully shape his or her story into a gripping read.

After the talk, we heard from our president, Diana de la Rue, that the teas we had provided in the Function Room of the Village Hall for the Queen's 90<sup>th</sup> birthday had been so successful that – despite the large number of cakes provided – we ran out

completely before the end. It had been all hands to the pump, and Diana once again thanked everyone who had been involved for their hard work. She also gave a vote of thanks to Adrienne Hebdige and Suki Commin for the enormous amount of work they had put in to their exhibition of the Queen's links to the WI throughout her reign.

Although there will be no WI meeting in August, we still have the Summer Supper at the Sailing Club to look forward to on Thursday 21st July at 6.30 for 7. Those going on the River Exe and Exeter Canal trip were reminded that this was their last opportunity to pay the £10 for their ticket, as the September meeting would be too close to the date for

payment to be taken then. Sailing is on Sunday the 11th September at 10 am from Exmouth Docks.

The WI will once again be providing teas and ploughman's lunches during the Furry Dance on Saturday the 6<sup>th</sup> August. We have enough volunteer cake bakers, but are still looking for helpers on the day. Those who wish to volunteer and haven't yet put their names forward should speak to Diana at the Summer Supper.

Our next meeting will be held on Wednesday the 7<sup>th</sup> September at 2.30 pm in the Committee Room of the Village Hall, when a representative from the Dame Hannah Rogers Trust will tell us about the history and work of the charity. This talk has been re-scheduled from last February, when it unfortunately had to be cancelled at short notice.

We are very pleased to welcome anyone who thinks she might be interested in finding out about the Lymestone WI. For more information please phone Diana de la Rue on 01395 274099 or find us on the village website.
