PARISH COUNCIL

Lympstone Pre-school continues to dominate the Parish Council agenda. This month we heard from Fran Butler, Early Years officer that a bid had been made for Government funding for a turn-key project for a new pre-school building. We are all hopeful of success. Meanwhile local fundraising continues and if you feel that you can give money or time to help with a fundraising event please contact Cllr Rob Longhurst on 01395 263495. The new building will be in Candy's Field by the Youth Club. It was suggested that it would be sensible if the new building could be on the site of the Youth Club as it would link in easily to the Pre-school outside space in the Village Hall 'garden'. This has been taken up by the Parish Council and so Cllr

Longhurst is now actively putting together a bid for a new Youth Club building at the same time. The present Youth Club building has been with us for nearly 40 years and was a 'cast-off' portable building then. It is not really fit for purpose and our young people deserve something better that can offer more activities and opportunities.

The Youth Club run by Eddie and Lauren Mingo, ably supported by a Management Committee, is the envy of many communities across Devon. We will be working hard to give them the facility that they deserve. Again, fundraising is needed for this so if you feel you can help, again, contact Cllr Longhurst.

Hedges – By the end of the month it will be time to start looking at trimming hedges around the parish to keep footpaths and walkways clear. This includes all of the rural areas as well as the Village. In years gone by, Devon County Council used to cut some road side hedges but they no longer do this. They have not informed Farmers and landowners that they are no longer cutting but it is still the landowners' responsibility to maintain their hedges. If you have a hedge that grows outside your property please have a look at it and try to keep it tidy. Many areas of the Village have narrow or no pavements for pedestrians and so it is important to keep hedges trimmed right back. Please also make sure that you, or your contractor, clear up after hedge trimming to keep the roads tidy. Devon County Council can take enforcement action and I have no doubt that this would be far more expensive than if you do the work yourself.

Drainage Brooks We have had a good summer with little in the way of heavy rain so the Village has avoided any risk of flooding. Damming brooks is great fun during the school holidays, especially with some of the fantastic weather that we have had this summer. However, there is a dark side to damming, in that if dams and building materials are left in place, they could lead to blocking the

brooks and this could lead to flooding later on. If your children have been playing in the brooks please make sure that they move any dams before they go home

Dinan Way Extension Your Chairman and Vice-Chairman have met Devon Cllr Leadbetter, portfolio holder for the Economy and DCC Officers to discuss their plans for the Dinan Way extension. This road has been talked about for nearly 40 years but DCC are now making it more of a priority. The Parish Council has objected to their ideas as it is felt that the road will be built in the Parish but won't bring any benefit to our residents. In the latest meeting, Cllr Jenny Clark made the point very clearly that by far the biggest area of concern was how DCC plan to deal with the surface water flow that such a road will generate. They have said that they could not build a road without flood prevention works but the Parish Council is very keen to ensure that they fully understand the position from a local point of view. Flooding from heavy rainfall is already a problem for the Village and a new length of tarmac sloping down towards the Village is seen as a great threat. DCC have undertaken to produce a solution that could actually improve the current position by holding some of the existing run-off as well as new run-off from the road. A planning application is to be submitted in the New Year and we

hope to see details of their scheme for this before then.

Parking on School Hill is becoming a problem again. During the last few weeks we have heard that the School refuse has not been taken away and a Fire Engine could not get up School Hill to respond the Fire Alarm, all due to parking. DCC are processing and Order to prohibit parking and Double yellow lines should be put down before the end of March 2017. The Parish Council has built a new car park by the Tennis Courts and this is being managed by the Village Hall. The Parish Council has asked the Chairman to look at a scheme of licences whereby School staff use the car park during the day in term time and residents without off-street parking can use the car park outside of school hours.

Working Together for East Devon, This year the annual Working Together Event for voluntary and community groups from throughout East Devon will take place at EDDC offices in Sidmouth on Friday 7 October. It's from 9.30am to 2.30pm. We are invited to send a representative along to this free event, as part of the event there will be a free buffet lunch. They usually have delegates from around 120 voluntary and community organisations, including town and parish councils from throughout East Devon and the event is always extremely well received. Cllr Jill Elson, who hosts

the event, has decided this year's topic will be health and wellbeing. We can tell you that the afternoon will be mostly about general funding and grants. Amongst various other speakers we have invited both MP's with constituencies that cover East Devon - Hugo Swire and Neil Parish, who usually do come along at some point during the day. In return for this free event they ask that all attendees bring along at least one item of non-perishable food for a local foodbank such as a tin or packet, a local Foodbank will be coming along to accept the donation on the day.

Spaces are limited, will be allocated on a first come first served basis and must be booked in advance. If you would like to book a place for your town or parish council please send me your delegates name, the name of the town or parish council they will be representing, and their direct e-mail address and phone number by Wednesday 28 September at the latest.

All are Welcome to our Services

Guild Altar Area For a number of years we have been working with families of The Royal Marines at CTC Lympstone. As a Ministry Team and working with the P.C.C. we would like to acknowledge our working relationship by creating a prayer space. Through much discussion with Revd Adam Webber RN, the current Chaplain, we have created a prayer space for all ages with a theme of an outdoor space indoors. We hope you will feel comfortable and make use of the area as a place of prayer and reflection.

Choir – Our small choir provides a vital lead to the music in our worship – if you love singing and would like to join our choir, Philip White, our organist, will be pleased to discuss your involvement over a cup of coffee after any service.

This year the annual Ride & Stride event is sharing the day with the Tower Tours on Saturday 10th September – 2 events on the same day, what a bargain! This is a great

day out for people and families of all ages and can be made as relaxed or energetic as you prefer. If you miss it, check the second Saturday of September in your diary for next year.

Live Simply Sunday. Please leave suggestion slips for 'Living simply' in the box at the back of the church. Your ideas will form part of our Harvest thanksgiving.

Wednesday Lunches are moving from the Methodist Hall to the Globe Inn from Wednesday 7th September at 12:30 pm. 2 course set lunch with instant coffee £5.50. Please book as before with Diana Winterford-Young - 260307

Morning Worship the service for all ages, with the Worship Band, is on the third Sunday of every month. That's the 18th September, everyone welcome.

Harvest Supper is on Saturday 1st October, 6 for 6:30 pm, in the village hall. Tickets are available from Diana Winterforde-Young - 260307. Price:

Adult £6,

Children £3,

Family ticket

(maximum 2

adults and 2 children under the age of 16) £12. Do come and enjoy an evening of good food and entertainment. Any queries: Jill Wilson - 264753

TREASURE FOUND!

Thank you to everyone who supported our Exmouth & Lymestone Hospiscare stall in the Pannier Market on Furry Dance day - hope you all enjoyed the games, which made £112 for the Charity.

The lady who found the Treasure in Lymestone was Ann Briers, Longmeadow Road, who dug deep and found it at The Mill! We hope she and her family enjoy the very generous prize donated by Ange, The Globe Inn's landlady, of their special 'Seafood Platter for Two'...as we said, a very tasty treat! Huge thanks to not only Ange, but all the people who took part in the Hunt....at the end of the day 41 squares of the 48 on our board were filled. Great support, thank you.

LYMPSTONE ENTERTAINMENTS

Lymestone Entertainments are thrilled that renowned folk duo, Paul Downes and Mick

Ryan, have decided to use their forthcoming concert at Lymestone Village Hall to launch their fourth album together. In the past they have delighted audiences with performances of Mick Ryan's folk operas The Navvy's Wife, The Pauper's Path and A Day's Work. There is every reason to suppose that The Passing Hour will be as warmly received.

The concert, in Lymestone Village Hall, is on Saturday 10th September, starting at 8pm with doors opening at 7.30pm. Tickets are £10. Contact Lymestone Entertainments Box Office on 01395 272243 (answerphone), or by email at lympentsboxoffice@gmail.com

BEATING OF THE BOUNDS 4th SEPTEMBER

What a great turn out for this event, 51 hardy souls turned out for the walk despite the forecasted rain! We had to climb gates and fences and push through hedges to keep as close to the boundary as we could. The maize fields presented a challenge, as did the gorse and ferns on the common!

With a picnic lunch stop just beyond the furthest point, we started our downhill trek towards home when the rain started! On we went down through Marley Fields to Goodmores - one wonders what changes will occur here in the next 4 years- down through Courtlands and the foreshore, back to the village and a drink at The Swan, who kindly put on some nibbles for us! Thanks to all those

who took part in helping to keep this tradition alive.

SCHOOL HILL

We are looking forward to a productive and exciting year starting on September 1st. We have had to make some significant changes to the school due to education funding cuts but are now looking forward to a prosperous year ahead. Our children are so lucky to have such dedicated staff and to be able to use the wide ranging and beautiful countryside and buildings that Lympstone has to offer, we are never just inside the classroom!

Paramount to everything we do remains the children's safety. Unfortunately, during the summer, whilst I was away, there were some difficulties with the fire alarm. This caused immense distress to our neighbours (for which I am very apologetic) but also highlighted a long standing problem with parking on School Hill. A fire engine was called but could not access the school due to the parked cars. The water hydrant point was also obstructed and unreachable. Thankfully the alarms were due to a technical fault, but had there been a real fire then we would have been in trouble, as would the Village Hall if a fire were to occur there.

I fully appreciate that School Hill is not currently a double yellow lined area and that residents and visitors have full rights to park there. I would like to thank those residents who do

move their cars for us when requested so that our refuse can be collected; however, I think that the problem over the holidays just confirms that double yellow lines are needed for the safety of our children and the residents of Lympstone Village. I hope you will support this notion when it is raised at various village meetings over the coming weeks.

FURRY DANCE 2016

The friends of the Furry Dance would like to

thank all those who supported this year's event. The weather was fantastic, allowing everyone to enjoy the entertainment on offer in glorious sunshine.

It would be very difficult to run the event without our generous sponsors, donors, hard-working support team, stall holders and the goodwill of the village community. A special mention must go to the SW Comms Band who heroically led the dance, marching and playing, in this year's extreme heat. Well done to them and to the dancers who completed the course.

2016 POPPY APPEAL

The 2016 Royal British Legion Poppy Appeal House to House Collection will take place in Lympstone between Saturday 29th October and Saturday 12th November.

Very sadly, earlier this year we lost our dear friend and valiant supporter of the Poppy Appeal, George Truell. He will be sadly missed by us all but in particular for his ability to stand outside the Village Shop coercing

those not sporting a Poppy to make a donation - lame excuses such as "Sorry George, it's on my other coat" were not acceptable if you recall! He never, ever let the weather or even ill health stand in the way of raising funds for the charity that he so strongly supported and believed in and we cannot thank him enough for his dedication to the Appeal. Every year I am so grateful to the band of willing volunteers who continue to give their time to assist with the collection as without them it would not be possible but this year I am appealing directly to you to help carry on George's work. If you feel that you could spare just an hour of your time to volunteer as a House to House Collector during the 2 week period of the Poppy Appeal or man the static collection point outside the shop on Friday 11th or Saturday 12th November for an hour then please do contact me on 07968 494093 or email

beckspearson@me.com
On the 11th hour of the 11th day of the 11th month we will stand in silence once again to remember those that have fallen. But let us also remember those that are here amongst us now and need our help. Please give generously and wear your Poppy with pride as I know you always do. Thank you.

Lest We Forget.

POLICE

Between the 16th-18th July a burglary and an attempted burglary occurred on Burgmans Hill. A property was entered and money stolen. If anyone has any information regarding this, please contact Police quoting CR/048641/16.

A burglary occurred to the Post Office on Thursday 21st July at 8pm.

Three unknown men entered the store, two distracted a member of staff whilst the other removed / stole cash. All were of Middle Eastern appearance, two wearing white T shirts and jeans in their late 20s - early 30s. The third was in his 30s of

medium to large build with a neat shaven beard, wearing a dark jacket, white t shirt, blue baseball cap, black ribbed glasses and black trainers with red laces. Did you see these males in the village prior to this offence or were you in the shop? Anyone able to offer information regarding this offence, please call Police or crime stoppers 0800 555 111 quoting CR/49746/16. Investigations are continuing,

We have had a spate of car crimes at beauty spots recently around East Devon. If you are visiting the area, please do not leave any property in your vehicle or tucked under seats. Remain vigilant of other vehicles parked in the car parks and report any suspicious behaviour.

Finally:

I am going to be away from work for a period of time from the 12 September as I am having a back operation. We have a new PCSO who will be joining the team in mid September who will be covering in my absence and he will be assisted by PCSO Major and PC Larrett. See you on my return!

DEAR FRIENDS OF THE GARDEN CLUB

Well, the Garden show is over for another year and despite the weather, I think it was one of the busiest shows for a long time. The entries were up on last year with over 100 entrants and 484 entries and was a great success. The people attending the show were phenomenal; I don't think I have seen so many people attending for a long time. Having the wonderful Band playing added to what was a brilliant village event.

Now the biggest vote of thanks I must give goes to all the Committee members and the many volunteers who helped out at the show, there were so many of you, it made putting on the show a lot

easier and without you, impossible.

Amongst the jobs were: Helping set up the hall and/or dismantling again, providing floral decorations for the refreshment room, preparing the table cloths, baking cakes, working in the refreshment area - serving, taking money and washing up. Stewarding - both whilst entries were arriving and when the judging was taking place, collecting, cleaning and generally preparing the prize cups, sorting out the PA system recording results to determine winners. Providing produce for the produce stall, Iris for providing

plants to sell on the stall, Pam for serving on the produce stall, Julie and her team for organising the draw plus advertising work to promote the Show. The Committee will now have a well deserved rest for a few weeks then we shall start in September thinking about next year's show, so once again thank you for all your help and your continued support of the Annual Show and the Garden Club. I have just poured a very large coffee liqueur which a very nice man won in the draw and is unfortunately teetotal and swapped the bottle for 3 beautiful peaches. Happy days.

PARENTS WARNED OF THE DANGERS

Parents are being warned of the dangers of children mistaking liquid or gel laundry tablets for sweets. Ahead of Child Safety Week, the LGA says parents should ensure the tablets are kept well out of reach of children, after figures showed at least one case requiring medical attention every day. Councils across the country have been working with the Royal Society for Prevention of Accidents to raise awareness of the risks. LGA Community Wellbeing spokeswoman, Cllr Izzi Seccombe, said: "Councils with their responsibility for public health have concerns over the growing number of

incidents involving a child and laundry capsules.

Their brightly coloured appearance

and small size mean a lot of children mistake them for sweets. If they bite into the capsule it will cause a cocktail of harmful chemicals to dissolve in their mouth and be ingested, causing serious harm. Keeping these tablets in a place where children can't access them, either locked away or in a cupboard where they can't reach, would significantly reduce the chances of a young child getting hold of them. The frequency with which these incidents are happening – at least once a day – is deeply alarming and yet they can be easily prevented with a few simple steps of caution." Community Wellbeing spokesman Cllr Jonathan McShane has been interviewed by ITV News, BBC Radio 5 Live and Sky News Radio.

38 SHERRY MORNINGS AND MORE TO COME

The Annual Summer Party, (38th Sherry Morning) and Grand Summer Draw in aid of Anti-Slavery International held on 31st July at The Globe, Lypmstone raised £1,672.13.

Thanks go to Ange and Mike for hosting the event and providing magnificent food at no charge! What also is good news is that from 2017 Ange and Mike are taking on the “Sherry Morning” for a different charity or cause but still on the last weekend of July. I thought readers might like to know the history of the Sherry Morning so far. Soon after moving to Lymptstone in May 1979 renting Melody Cottage for 2 years the late Heather Portman asked me if I would like to do a fund raiser in Christian Aid Week and suggested holding a Sherry Morning. This was a success so a second one took place in 1980. In 1981 moving to Morend (now called Eleanors) in Church Road, beer and wine were added and it went on during the afternoon- still starting at 11.45am. From 1982 to 2010 it was held at Willand, Church Path with music. From 1979 until 1988 the money raised went to a different charity or cause each year including the renovation of Lymptstone Church Bells in one year. In 1989 I visited an Exhibition marking 150 years of The Anti-Slavery Society and decided that the money should go to this cause- which it has done from 1989 to 2016. During the 1990’s the Anti-Slavery Society was changed to Anti Slavery International. The last Sherry Morning held at Willand was in 2010 and since then after the Exeter Anti-Slavery was formed in 2009, it was decided to move away from Willand

and it was held in the garden of The Saddlers, then from 2013 to 2016 in The Globe, Lymptstone. Sherry was finally dropped from the drinks menu 10 years ago! Thanks go to all those who attended over the years and the musicians who performed as well as those who donated prizes for the Grand Summer Draw that started in 2013 and held each year since. I hope the regulars will continue with the “New Look Sherry Morning” and give it their support

LYMPSTONE WI

WI members re-convened after the summer break on Wednesday the 7th September to hear Emily van Vliet, a representative from the Dame Hannah Rogers Trust, tell us about the work

of this charity, which is dedicated to empowering children and young adults with profound physical and learning disabilities. Emily explained that the number of people with disabilities is rising, and yet budgets are being cut, with little recognition of the urgent need for social change in this area.

Our president, Diana de la Rue, then gave her report, in which Heathfield Allotments featured prominently. Diana has made a contribution from the sale of allotment produce to the Save Denman fund, and the Allotments and four WI members will appear in a three-page spread in next month's *WI Life* magazine. We were also able to make a donation to the Furry Dance Committee after our busy day providing cakes, teas, and ploughman's lunches at the Methodist Hall during the Furry Dance.

Our annual Summer Supper at the Sailing Club on the 21st July was an enormous success, giving us the opportunity to enjoy an abundance of delicious food, provided by members of the Committee, combined with a sublime view, provided by the sun setting over the estuary.

Sadly there was plenty of litter to be collected by the team at the end of August –especially around the Rag. The next litter pick is scheduled for the 18th October.

Our next meeting will be held on Wednesday the 5th October at 2.30 pm in the Committee Room of the Village

Hall, when Diana Brand will tell us about her experiences as a mature VSO volunteer.

We are very pleased to welcome anyone who thinks she might be interested in finding out about the Lymptstone WI. For more information please phone Diana de la Rue on 01395 274099 or find us on the village website.
