**MINUTES OF A MEETING OF LYMPSTONE PARISH COUNCIL HELD AT 7.30PM ON
MONDAY 3rd JULY 2017 IN THE VILLAGE HALL.**

PRESENT:	Councillors:	P Acca	R Hilton
		D Atkins	R Longhurst
		C Carter	M Lyon
		Mrs Clark	Mrs K Rogers
		P Corcos	D Young
		H Dimond	

Apologies: County Councillors Scott & Trail, the Police.

Also Present: District Councillor Ingham and 15 members of the Public

PUBLIC SESSION

Mr Stewart complained that hedges in the Parish were not being cut. He particularly referred to the A376 toward Courtlands Cross.

Cllr Atkins explained that DCC used to cut these hedges but were now leaving this to the Landowner but had not told the Landowner.

Mr Dixon expressed opposition to the entry in the Channel 4 Village of the Year competition as this would bring unwelcome publicity for the village which would drive up house prices and give rise to more second homes.

Mr Tyrrell referred to the letter sent to riparian owners of the Wotton Brook where it flows through the village. He felt that some of the information was wrong in that the Environment Agency should be the owners of the Brook where it became a main river. He also made reference to some sections of the leaflet that accompanied the letter explaining that whilst owners were under a duty to maintain the bed and the banks of the Brook, anyone who wanted to improve the brook needed a licence at a fee of £50.00 and possible planning permission at a cost plus the cost of drawing up plans.

42 Minutes

RESOLVED: that subject to the addition of the words: 'Cllr Dimond was in the Chair. Decided upon the cast vote of Cllr Dimond. The Chairman did not take part in the discussion or vote and the Vice Chairman abstained.', the minutes of the meeting held on 5th June 2017 be confirmed as a correct record and signed by the Chairman.

43 Declarations of Interest

Cllr Clark reminded the meeting that she would not take part in discussion or vote on planning applications.

Cllr Longhurst declared a personal interest in plan no 17/1247

Cllr Corcos declared a personal interest no 17/1168

44 Planning Applications

17/1297/TRE T1, Ash: Fell - Sowden Cottage, Sowden Lane. Mr Tyrrell, Tree Warden, informed the meeting that this tree had a cavity at the bottom which was showing signs of decay. – SUPPORT

17/1015/FUL [Construction of first floor extension and associated balcony to rear, and construction of second floor balcony to rear - 6A Dawlish Park Terrace](#). Approval with conditions.

46 Chairman's report

The Chairman gave details of the Channel 4 visit for the Village of the Year competition. Cllr Longhurst had submitted the application before going on holiday. The Village had been shortlisted and so she had taken on coordination of arrangements. Representatives of 14 Groups had met the researchers. Further filming had taken place last week. The film crew would also come to film the furry dance. There had been some expenses in providing refreshments for the visitors. RESOLVED: that these be met from the Miscellaneous budget

Cllr Lyon felt this had been an occasion for those who gave their time freely to support some of the active groups could show pride in their community.

The Chairman had circulated a list of points raised at the open meeting at the Youth Club. A project team was needed to take this forward.

47 Police report

There was no police report

48 County Councillor's report

Cty Cllr Scott had arranged an open meeting with the Police and Crime Commissioner to be held on 5th July at the Telfer Centre, Exmouth.

Cty Cllr Trail had submitted a written report which was read out.

49 District Councillors' reports

Cllr Ingham reported that the potential developer for Queens Drive, Exmouth had been given permission to carry out some exploratory works.

Two members of the NEW Devon NHS Commissioning Group had attended a meeting of the Scrutiny Committee and met some challenging questions. The Committee felt that their strategy of closing facilities was wrong and could lead to great expense if they were re-opened.

Mr Tyrrell asked Cllr Ingham what DDC were doing to protect the seafront at Exmouth now that the sands had been dredged.

Cllr Longhurst confirmed that the work was being done on the basis of Consultants reports rather than local consultation.

He also reported that the Strategic Planning Committee would be meeting again soon to discuss the GESP and that the Village Submission was going to the Assessor.

50 Lympstone Youth Club

The Chairman had circulated notes of the open meeting held on 19th June 2017.

It was suggested that there should be a low-cost facelift for the building immediately and any equipment etc. that was purchased should be suitable for transfer to a new building.

The Fire Extinguishers would be serviced this week.

The Council discussed the position of Leader and that of 'manager' for the building which was separate but could be handled by the same person. It was proposed that this should be a paid post but there some opposition to a paid post following on from volunteer Leaders.

RESOLVED: 1 that the post of Leader be advertised in the Lympstone Herald and the website on a voluntary basis.

2 that the Clerk be authorised to set up a new telephone and broadband system at an estimated cost of £800 for a two-year contract.

51 Lympstone Herald

The 'Meet the Team' event included a thank you to Cllr Carter for running the Lympstone herald for the last 15 years had been held in The Globe and had been very successful.

The Chairman had received several expressions of interest and was meeting one of these later in the week.

52 Parish Cemetery

The following comment had been received:

My son and daughter with their partners recently travelled a long way to pay a visit to their uncle's grave. (John Cottrell of Birch Close) They were regarded with obvious suspicion, and, rather shockingly, informed that they were not allowed to use the rubbish bins either in the churchyard or outside the village hall. "Bins for local people only "apparently. This seems to me to be small minded and upsetting for those concerned after their long journey to pay their respects. Are visitors actively discouraged? The Council's views were requested.

The Clerk reported someone who had been walking through the Village Hall car park had intended to put a sandwich wrapper in the cemetery bin but was discouraged for putting there or in the Village Hall bin but this was a separate occasion.

There was a scheme in place to remove the bins from the cemetery and create a new bin area for the Village Hall which would also have a bin for cemetery waste. Work had begun but was progressing slowly.

The Clerk was request to obtain a quote for a new litter bin and the cost of emptying by EDDC.

53 Cliff Field

Lympstone FC had requested permission to site a modular building next to the Scout Hut, which would contain two WC's.

The Scout Group had considered this recently but had some reservations.

RESOLVED: that the Scouts and Football Club discuss this and any other proposals together and submit a joint report to the Parish Council for consideration.

54 Lympstone Pre-school

The Planning application had not yet been submitted. Cllr Atkins reported that the foul sewer was to go across Candy's Field down to meet the public sewer at the top of School Hill.

Don Mildenhall reported that the VHMC had reached agreement with the Pre-school over rent for the period from September until the new building was ready.

There had been no discussion regarding the existing outdoor play area. He suggested that the Parish Council, Pre-school and Lympstone Learning Alliance should discuss this and then discuss with the VHMC.

Cllr Longhurst reported on the MUGA, which would need to be moved. He had made enquiries about a replacement. This could be either replacing the existing or creating a new 5-a-side football pitch. This had some support and funding could be available. Steve Perriman, Director of football at Exeter City Fc was helping with this. Formal support of Lympstone FC and Lympstone primary School would be needed.

RESOLVED: that Cllr Longhurst be authorised to continue with these investigations.

55 Map for the Village

The Council received a request from Sue Waddams for a large scale village map to help visitors find their way to specific locations.

The Council supported this idea.

RESOLVED: that the idea be publicised in the Lymestone Herald with a request for artists who might wish to be involved in the production of a map to come forward.

56 Finance – Payments

RESOLVED: that the following payments be approved:

58 **Budget report**

The Council received and noted a budget report for June 2017

59 **National Pay Claim**

NALC / SLCC were consulting local councils on the viability of submitting a 5% pay increase claim, which included removing some of the lower points.

The Council made no comment.

60 **Clerk's Action List**

The Council received the Clerk's action list.

126 Toilets – The Clerk had received three quotes for installing sensor on the lights and time clocks on the locks:

Bagwells, Sidmouth - £955.00 + VAT

Sealey Electrics - £1059 (no VAT)

P Tate: £1009.00 +VAT

RESOLVED that the quote submitted by Bagwells be accepted and the work be put in hand.

61 **Reports of Lead Councillors**

Emergency Planning – Cllr Corcos reported on an offer by Robert Harrison of a second site for flood resilience equipment. RESOLVED That Robert be thanked for his offer and the Clerk be authorised to apply for grant aid for this.

Estates – Cllr Atkins reported that he had cut the grass at Cliff Field and Avenue Field but due to doo mess, it may not be sellable, in which case he would invoice the Parish Council accordingly.

Facilities – Cllr Acca reported that he had made visits to the toilets and the graffiti seemed to be getting less frequent.

Travel and Transport – Cllr Longhurst asked if there was any news about the parking restrictions being implemented. It was AGREED that this should be reported to the County Councillors. Together with the need for hedge cutting.

Cllr Corcos asked if there could be a public announcement of the works that would affect the car park. The Clerk was asked to include an article in the Lymptone Herald.

Village hall – The VHMC were looking into a new management document but this was some years away.

Parish Cemetery – Cllr Atkins was meeting representatives of the VHMC this week. The Chairman asked to be notified.

NP Delivery Group – details of the proposed safety mirror to be erected at Sowden End were submitted and approved.

Website – Cllr Corcos informed the meeting that the new website was now operational. He requested feedback from members.

62 **Matters raised by Councillors**

Cllr Longhurst asked about a policy on the use of drones on Parish Council land.

Several Members and members of the public gave instances of the use of drones for filming,

which was felt to be undesirable.

The Clerk was asked to seek legal advice regarding the use of drones, particularly from Council land.

Cllr Atkins felt that the Station embankment needed cutting back.

Cllr Hilton had circulated an email about poor road safety and concern for others who were walking, riding or driving in the Parish.

The Clerk was asked to include this in an article in the Lympstone Herald.

The Meeting finished at 9.55 pm

63 Declarations of Interest

Cllr Clark reminded the meeting that she would not take part in discussion or vote on planning applications.

64 Planning Applications

17/1571/FUL Construction of new modular classroom with covered soft play area on part of existing MUGA and creation of new foot path. Site Adjacent To Lympstone Youth Centre (Candy's Field) Lympstone – SUPPORT. The Parish Council has some concerns regarding the impact of the 2m high chainlink fence on the ambience and visual aspect of the Field, which is an important and well-used community space.

Cllrs Atkins, Mrs Clark and Lyon declared an interest in this application.

17/1588/LBC Construction of two storey side extension, reinstatement of door in existing window opening, removal of internal wall and opening of existing windows to allow access to proposed extension at Sowden Cottage, Sowden Lane, Lympstone – The Council feels that this extension will spoil the appearance of this cottage but will accept the views of the Conservation Officer on the proposal.

Dear Phil,

Thanks for the photo and info, car parking at that the end of the lane seems to be a long running issue, I don't think we have any notices in our section.

Am I right in my recollection that there are double yellow lines right round the end of the lane? If so could you photograph them? I thought I had a photo but it I can't see the lines, I was concentrating on the signs. If there are double yellow lines I think it would be worth approaching the parking section, who are in County Hall, so let me know about the lines.

Your Parish Council might wish to put up a polite sign that says something like, Please do not obstruct the Public Right of Way.

I had a helpful morning with Helen on Tuesday we looked at some routes together, and there was no cars parked at either FP4 or FP2 but someone was cutting the high hedges on a scaffold tower instead!

Kind regards

Alison

Request for a Skate Park

Hello I'm Benjamin Owens. I'm sending this email asking if you could possibly build a small skatepark in Lympstone village. Preferably candys field. I'm asking you this as I ride a stunt scooter and sometimes a bmx bike. The other day I was out with a bunch of mates and we were playing on our scooters on the streets. We are always careful on out scooters but that other day I almost got hit by a car as it came around the corner of Jackson Meadow. This was frightening as I'm only 14 years old and nearly hit by a car. About 2years before that I was on my bike and I was riding about and I got hit by a car and went over the bonnet of the car (all fine now). Kids my age and younger are at danger because of cars not following the restricted speed limit of 20mph.
