CARE FOR CARS

We have received a letter from Graham Martin whose car has been hit on several occasions in the village car park. Please take responsibility for your actions and be aware of careless drivers damaging other cars without leaving notes. If you would like to read the full letter, it will be available on the village website.

PARISH COUNCIL NEWS

Parish Clerk calls it a day! Tony, the Clerk to the Parish Council has decided that it is time to retire having been Clerk for fourteen years and guided the Council through many exciting times. However, Tony has said that at the end of June he will be switching off the laptop for the last time. The Council now needs to recruit a new Clerk to take his place. The Council would prefer this to be someone from the Parish and so if you think that you would like to take on the job then please get in touch with Tony (lympstonepc@gmail.com 01395 279665 or 07866 535580) he will be happy to tell you about the work. Don't be daunted. It is not as difficult as you might think and Tony will be here for another five months to lead you through it. The Clerk currently works from home so the hours can fit around other things. The only commitment is to attend the Parish Council meeting on the first Monday of the month and then to get the job done in your own time. Full details will be on the website (www.lympstone.org) by the time that you read this.

Lympstone Pre-school building is finished. The new building, which sits well next to Lympstone Youth Club, in Candy's Field should be handed over on 6th February 2018. DCC will be responsible for reinstating the grass at Candy's Field by the time it is ready for its first proper cut. There is some spare soil which might make new humps for cyclists and the kick-about area has yet to be re-surfaced so it is not very usable at the moment. All that is in hand and by the Spring, all should be back to normal.

Hedge cutting is still a thorny subject. There are still some garden hedges that are hanging over the road or pavement. All hedge cutting should be done by the end of February so that nesting birds are not disturbed. DCC is looking at enforcing this work and if they have

to do it for you it will probably cost you a lot more than if a local contractor did it. So please have a look at the outside of your garden and see what needs doing.

Devon Air Ambulance Service is looking to set up night landing sites. They are keen to set up such a site in Candy's Field in the top corner between the Youth Club and the Tennis Courts. They will need a new light which the pilot can switch on to help with landing and to help ground staff deal with their patients. The Parish Council feels that this is an excellent addition to the facilities of the Parish and is keen to help. There is a cost involved. The Devon Air Ambulance has some Government funding which will meet about half of the cost so the Parish Council needs to find the rest. We have some ideas and we hope that eventually, this will not cost the Parish Council anything to set up. The Parish Council will meet the running and maintenance costs but these are expected to be very small.

Car Parking is always an issue in an estuary village. EDDC are now considering increasing the charges for parking at the car park in Underhill and removing the Lympstone residents permit. EDDC Cabinet is going to consider this on Wednesday 7th February and if approved at this stage, there will then be a consultation before any final decisions are made. The Parish Council did enquire about taking over the temporary car park at Underhill Close but was not able to agree a deal on this. EDDC have expressed an interest and so they are now looking to see if they can take it over. We will have to wait and see.

The Annual Parish Dinner will be held at The Swan Inn at 7.30 on Thursday 1st March 2018. This is not just for Parish Councillors but for anyone who volunteers for the Parish Council and anyone else who is interested. If you would like to come along, please contact Cllr Jenny Clark, Parish Council Chairman on 274292 or contact Tony, the Clerk (details above). It is usually a jolly occasion and not involving any Parish Council business!

The main **Village Hall car park** is now in need of re-surfacing. The Parish Council has most of the responsibility for this under a formal agreement for access to the cemetery. The Parish Council started to set money aside for this annually, five years ago and so the cost of this will not be a drain on Parish Council finance. The work will be carried out in August when the Village Hall will be closed for other maintenance. Adequate notice will be given for all users. This will make the approach to the Hall much smarter and will be a great improvement for all users.

A big thank you to those who supported the PTFA Quiz on Friday 27th Jan. The event was a great success and a huge thank you goes out to Tor Laney-Hubbard and Fiona Whilding for organising it. The event raised over £1,200 and this, together with the successful fundraising events last term, mean in total we have raised over £7,000 towards the much needed new Trim Trail for the School's playground. A fantastic result but the fundraising must continue so please see the 'What's On' page for a list of upcoming events and dates for your diary!

The ashes used are from the burning of the palms from last year’s Palm Sunday. Please do try to attend the Said Eucharist at 11:00am on 14th February which will include the Imposition of Ashes.

Vicki loves Lymptone and is really looking forward to opening her door to everyone and learning more about the village first hand from those who live here and says, "from my late teens I have always dreamt of running my own hairdressing salon in Lymptone and here I am living the dream! I am lucky to share the salon with Chloe. I have passed on my knowledge and all I have learned in the last 26 years to my team mate, we work so well together and we live 5 doors away from one another too! When I'm not in the salon I love to spend my free time walking in the glorious Devonshire countryside and love to be surrounded by my family!"

Chloe is a 22-year-old Stylist who has been hairdressing for 7 years and is qualified to NVQ Level 3. Chloe says, "I love doing all aspects of hair, but I thoroughly enjoy shaping men's hair, restyles, colouring, perms, ombré and advising clients on hair care. In my spare time I enjoy spending time with my boyfriend and family. I enjoy socialising with friends over dinner and going shopping or to the theatre. When I am not doing hair I love to focus my time mainly on the business side of the salon. Being local, I am looking forward to meeting new people and welcoming you into the salon. I particularly love being in the buzzing salon environment meeting and greeting familiar faces so please support us to support your every hair need! Hairdressing is something that I've always had an interest in, and I enjoy being creative with my own hair and appearance. I have been lucky to have such a wonderful mentor in Vicki."

LYMPSTONE WI

At our February meeting we welcomed a new member, Sarah, and 2 visitors.

Alan Pewsey from Dartmoor Search and Rescue, with the help of audio visual, gave a stimulating account of his work. Nationwide there are 57 Search and Rescue teams with an average of 50 members in each from the age of 18, covering 1600 incidents per annum, at a cost of £3.5 million, funded by public donation. Searches are normally instigated by the Police however the teams also work with other Emergency Services. Specialist technical equipment in addition to trained rescue dogs are essential tools. Surprisingly Alan mentioned an amount of their work is carried out in urban areas.

We were reminded of the many activities organised by the Devon Federation currently including Beauty Days at Exeter College, Spring Gardening, plus various Craft and Cookery workshops. The annual Devon Federation Spring Council meeting in Torquay will be held on 18th April a, popular event with excellent speakers. Suki Comin gave us details of the planned visit to Antony Gardens in Plymouth on 16th May for which we are combining with the Garden Club.

To lighten January we enjoyed an evening meal at the Redwing; our next gastro event is the annual lunch in the Sailing Club on Wednesday 21st February.

The next meeting will be March 7th speaker Dr Todd Gray on Remarkable Women of Devon, Methodist Hall, 2.30pm. Find us on the Village website for more details.
