

THE LYPMPSTONE HERALD

ANNUAL CRICKET MATCH & EXE REGATTA

Highlights this month are sure to be the Annual Cricket Match at St Peter's Lymptstone. Make sure you don't miss the game at 6pm on Thursday 14th. More details are available on page 9. Later in the month is the River Exe Regatta, hosted by Topsham Sailing

Club this year but with all the clubs on the river joining in the fun it is always a highlight of the boating calendar. Well done to all who exhibited their work or helped out at the Lymptstone Art Group Exhibition which is reported to have been a great success.

PARISH COUNCIL NEWS

Dog fouling and dog walkers not picking up after their pets has become a major issue yet again. Several Parish Councillors have received complaints about the amount of droppings in many areas of the parish but in particular, in the Fields where children play. Cliff Field is used by Lympstone FC and Lympstone Scouts. Candy's Field is the Community Field for all sorts of activities. The Parish Council was deeply concerned that some people were spoiling these places by not picking up after their pets. The Parish Council is clear that this has to stop. It is much better if everyone takes notice and clears up after their pets and if you see anyone who doesn't, please be bold and remind them of where they are and the responsibilities that they have. Candy's Field already has a requirement for dogs to be kept on leads. There are signs at each entrance to the Field to let people know this and of the fines that can be imposed for not keeping your dog on its lead. This will be enforced over the coming weeks by regular visits by Parish Councillors and the EDDC Dog Warden, who has the power to issue instant fines. If the problem continues, the Parish Council has made it clear that it is willing to introduce a complete dog ban on Candy's Field. So, Dog Walkers, it is up to you to act responsibly and be a proper Lympstone Resident.

A Catchment Area Study for the upper reaches of the Wotton Brook has been commissioned by the Parish Council. The aim of this is to study the flow of surface water before it reaches the Village and to assess what measures might be taken to hold water back in times of heavy or persistent rain to prevent flooding. It was seen quite clearly that whilst the works that have been carried out in the Village will help, the only real solution to the flood risk is to hold water back well before it poses a risk to properties. The Environment Agency have put forward suggestions for minor works to achieve this and the study will show where the rainfall accumulates and starts to present a threat. All this work is funded by the Parishes Together fund and so there is no cost to the Parish Council.

Changes in Health and Social Care were highlighted by County Councillor Richard Scott. He told the Parish Council that there was 17k available for grants to voluntary sector groups that were providing Health or Social Care in this area. Anyone who is interested in applying for some of this money should contact Cllr Scott.

Goodmore's Farm development is coming back to the agenda, so Cllr Rob Longhurst reported. The original plan was for 350 houses and other development. It seems that there may be a battle to be done in order

to ensure that only houses are built on the area that lies within the Parish. There is pressure for a new Primary School although the logic of this has not been proven and there is pressure for commercial development in order to release more land in Exmouth. Please keep your eye on this as the Parish Council will need full community support for its arguments. This will be on the Parish Council agenda for the next meeting which is on 2nd July 2018.

The Village Hall will benefit from a new bin store at the right-hand end of the car park. This will hide the bins that are already there and will have room for the Youth Club and Lympstone Pre-school to keep their bins there too. The Parish Council has been setting money aside for the last 5 years to meet its legal commitment to re-surface the Village Hall car park and there will be enough money left over to pay for the bin store too.

Car parking in the Village is a well known problem but it seems that the temporary car park that was provided at Underhill close whilst the main car park was closed is not the answer. Parish Councillors and neighbours have been monitoring the use of the car park and found that it was rarely more than half full even though more than half of the main car park was closed. In view of this the Parish Council have taken the view that this temporary car park should now be removed and reinstated as a green area. EDDC had put a hold on

this in order to seek opinions. They will now be told that there is no need for this anymore.

Cllr Phil Corcos requested the Parish Council's permission to be absent for the next few meetings as he is going on an epic motorcycle ride along the pan American Highway from Anchorage in Alaska to Ushuaia in Patagonia. The total distance is about 20,000 miles. Phil is raising funds for Hospiscare as well as enjoying this great ride. More details and the opportunity to offer sponsorship for Hospiscare are on the website at <http://www.lympstone.org/general-news/a-pensioners-travels>

The Parish Council wished him well for his journey and looks forward to Phil resuming his duties at the end of the year.

Another goodbye was given but this one is permanent as this was **Tony Le Riche's last meeting** after over 14 years in post as Clerk to the Parish Council. Tony is now looking forward to travelling far and wide including a round the UK tour in his caravan starting in Mid-July. The Parish Council is holding a farewell dinner for Tony on 29th June 2018 in The Redwing. Anyone who would like to join in should contact Cllr Jenny Clark to reserve a place.

STATION GARDENS

Viv and Tony Day would like to thank the volunteers who turned up to help prepare the station and the embankment for the summer months. In addition to several loyal members from the team who regularly plant and water the floral display on the platform, several villagers also willingly joined in our efforts to tidy the community gardens on Station Hill. Thanks to everyone.

EXMOUTH LIBRARY BOOK EVENTS

We have teamed up with the Exeter Authors Association to bring you a fantastic free literary event every month. Each takes place in the Library at 7pm, with refreshments provided by the Library Friends Group.

June 21st The Cornish beach read with author Jenny Kane

July 19th Exploring Nature with Mark Norman writer and researcher, and Michelle Werrett writer for Exmoor Magazine

August 16th An Introduction to Steampunk with author Richard Dee

September 20th An Evening of Self-Discovery with Trina J. Stacey, poet, author and spiritual entrepreneur coach
For more information please pick up a Book Events leaflet in the Library or visit Exmouth Library's website

Sally Burton

ALRUG WANTS TO HEAR FROM YOU

The Avocet Line Rail Users Group speaks for passengers on the Exmouth to Exeter railway line. With over 200 members, an award winning quarterly newsletter and contacts with the rail industry at the highest level, ALRUG is in a strong position to work with others for a better rail service. Improvements achieved over the past ten years include better station facilities and many more Sunday trains. Lympstone Village has more seats, better lighting, a bigger shelter – and now timetables that can be read in the dark.

ALRUG is currently working hard to ensure major timetable changes next December do not adversely affect our services – or connections to and from London. The more members we have, the stronger we are, so if you value your railway why not join for just £5 a year. If you use the line regularly and have something to say, you might even want to join our committee! See our website www.avocetline.org.uk or give me a call on 268653.

Tony Day (President, ALRUG)

FRIENDS OF THE CHURCH

Our Lottery winner of the £25 prize for May is Philip White.

Thank you to all who came to Harland's talk in May on the six towers visible from Lymestone. A great turnout of nearly ninety people who were rewarded with a most enjoyable and entertaining evening.

Our next event is the Cricket Match at St Peter's - 6.00pm on Thursday 14 June - see separate article. Updates on weather affecting play will be posted on the village website and facebook page.

Clive Wilson

LYMPSTONE HISTORY SOCIETY

Following our brief AGM in May, we had a very entertaining talk from Michael Downes, who is involved in arranging a number of events commemorating Sir Walter Raleigh, who died 400 years ago, in 1618. His entertaining talk ended with audience participation in a sing-along (definitely a new experience for the History Society audience). We now take a summer break, but we will be back in September with Tony Burge who will be talking to us about 'The Jurassic Coast and its Hinterland'.

The full programme of talks for 2018 is on the village website calendar and on our notice-board under the railway arch.

PARISH CHURCH

Friends of Lympstone Church Annual Cricket Match

This year the match will be played on Thursday, 14th June at St Peter's School playing field - 6:00 pm start. With Lympstone Training Band – refreshments - barbecue – raffles. See posters for full details.

From the PCC i) Children and Young people Agreement has been given to draft a children and young person's strategy--- how do we provide a support and encouragement as a church for those aged 0-18?(or should it be to 25?) -what should we do more of? what should we do less of?-how should/ can we resource new initiatives. ii) Parish Nursing Discussions are being held with the local surgery on how the church might reflect its mission through the provision of local welfare services. If you have a view on either of these do please talk with Jeff Russell who will be establishing small working groups to develop proposals.

Joint Service at the Methodist Church

We join the Methodist congregation for a joint service at 10am Sunday 17 June.

The Rector will be at the Swan on the 6th @ noon and again on the 12th @ noon.

Tick Tock – continues for preschool children and their parents/carers on Fridays from 9:00-to 11.

Open Door needs Volunteers

Could you help in our Community Café kitchen? We are looking for pot washers and kitchen assistants so whether you have plenty of previous experience or have never worked in a kitchen but are willing to learn, we would love to hear from you! Also, we often need emergency cover for illness or holiday so if you can't help on a regular basis but would be happy to be contacted for the occasional shift, we'd love to hear from you too! Full training and supervision provided.

We are looking for people with a heart for those who find themselves vulnerable on a Saturday night: the homeless, the young girls, the lonely. We need prayer walkers, people who are good at making conversation and listening, people who can hand out flip flops, bottles of water and cups of tea. If you can stay awake between 9:30pm and 1am, and are happy to walk the streets of Exmouth with a team once a month on a Saturday night, then Nightshift needs you!

Brian Mather

SHIPWRECKS AND PICNICS

The Open Air Theatre presentations by Lymptone Entertainments have become popular annual events. Two years ago, Cygnet Theatre charmed their audience with a production of Pierre Marivaux's 18th century comedy, *Triumph of Love*. On Saturday, 14th July (Bastille Day!) the student actors return to Robin and Judith Telfer's garden with *Isle of Slaves*, a classic role-reversal comedy by the same witty French dramatist.

Four people, the sole survivors of a shipwreck, crawl out of the sea. Two of them are masters, and two are servants - and all four are about to discover what life feels like when the boot is on the other foot. Marivaux's mixture of laughter, emotion and theatrical game-playing makes him one of the most surprising and modern of all classic playwrights. Neil Bartlett's adaptation of this brilliant one-act comedy had its premiere at The Lyric Theatre, Hammersmith in 2002. Cygnet's production is touring East Devon, with its last night at Lymptone.

The costume drama is played against a background of trees and bushes, as a glade in Ellenthorpe Garden stands in for a Greek island. The entrance to this natural open air theatre is from Underhill (next to the village car park) and the audience is invited to bring picnics and chairs to this wonderful setting from

5pm. The play begins at 6pm.

Tickets £10, Family £30, U18s/NUS £5 will be available, as usual, from Demelza on 01395 272243 or via boxoffice@lymptone-entertainments.net.

Harland Walshaw

LYMPSTONE FURRY DANCE Update 2018

Plans are well underway for this year's Furry Dance. The programme and timetable will be similar to last year however due to tidal restrictions we will be unable to use the Boat Shelter slipway for the dog show this year and we intend to hold this on the Cliff Field above the harbour. Timings and more details will be in next months Herald and on posters and flyers.

Please be reminded that pitches at the Pannier Market are limited and bookings should be made through Pauline Stewart as soon as possible on 01395 263097 or email hollywell@hotmail.co.uk.

Fingers crossed for fine weather at our forthcoming Cream Tea event on Sunday 24th June

LYMPSTONE CRICKET NEWS

STARS, BARS & VILLAGE CRICKET

After the excitement of last year's match, we are expecting more great cricket in the idyllic setting of St Peter's School, when the Lymptstone XI takes on the Gentlemen (and Ladies?) of St Peter's. It is a game that attracts the stars, and once again England Rugby International Tom Johnson has promised to perform, and to score even more runs than he did last year.

The other stars are the Lymptstone Training Band, a most popular accompaniment to many village events, who will help to create a festive atmosphere. There is a Barbecue and a Licensed Bar, Sue Goddard's legendary Ice Cream stall, the chance to bet on the total number of runs scored, and, of course, the incomparable view over the estuary, bathed in the evening sunshine of a midsummer's day.

Most of these we can guarantee, and we hope to see the usual happy crowd of spectators, as the Friends of Lymptstone Church raise money for the upkeep of our 600 year old building. Bring your chairs or rugs, your families and your sunshades, and enjoy a scene of traditional village life. Stumps are pitched at St Peter's School at 6pm on Thursday, 14th June. Entrance is free, and parking available.

RECENT RESULTS

Dunsford v Lymptstone 24th May

The promised rain having stayed away, and Lymptstone's cricketers having located Dunsford's ground, what looked to be a tough new fixture got off to a disastrous start with a run out on the fourth ball of the innings.

A delightful new fixture beside the River Teign, that produced a tight game of cricket against a strong looking Dunsford. Although Lymptstone contrived to lose with just one ball left it was not a bad performance and both teams will look forward to meeting again.

Result: Lymptstone 103-8 (20overs)

Dunsford 104-7 (19 overs and 5 balls)

Man of the Match: James McGregor, for a forceful bowling spell.

Tipton St John v Lymptstone 9th May

Lymptstone won the toss and batted first. Gibbons and Cook put on 50 for the second wicket, with Scoble, Mullen and Burton helping the Lymptstone total to 125 – usually enough at Tipton.

Burton and Creighton made sure by keeping the Tipton score down to 16 off the first six overs, with Ollie claiming the wickets of both openers. Gibbons also bowled well and at 59-5 after 15 overs the hosts had no chance of winning.

Result: Lymptstone 125-6 - Tipton 91-5

Man of the Match: James Gibbons.

Hilton Barnfield Architects

Lympstone v Erratics 31st May

The first “home” game of the season was played at St Peter’s School, Harefield against old friends Erratics, who won the toss and chose to bat on a dank and dreary evening. Erratics’ top order failed dismally to live up to their name and the Lympstone fielders spent much of their time hunting for balls sprayed mercilessly into hedges, the field next door and the school tennis court. Main victim of the onslaught was David Hall, taken for 23 in his first over and even more in his last; he was far from the only bowler to suffer, though Ben Hayes did well to keep the runs down for a while. The visitors’ total of 145 should have been far from safe on the small Harefield ground, but neither Cook nor Scoble were allowed to capitalise fully and even Rob Hayes, playing his first Lympstone knock since an 85 three years ago, was undone cheaply. When the fourth wicket fell in the seventh over with only 45 on the board, the visitors’ total looked ever more adequate. A wicket maiden by the Erratics’ young captain didn’t help the cause – and two run outs later the Lympstone last pair found themselves needing 19 off the final over, with fog rolling rapidly up from the river. David Hall gave it his best – hitting his first ever six for the Village, but time ran out and the two teams retired to the Saddlers for a veritable mountain of well earned sausages. An entertaining game and another close result, played on the ground that in

two weeks will host the Annual Cricket Match between Village and School. Let’s hope the cricket is just as good – but we could do with some much nicer weather!

Result : Erratics 156-6

Lympstone 150-7

Man of the Match: Ben Abrahams, a good all round performance.

Scorer Day

LYMPSTONE WI

The Lympstone WI is busy as ever. At the June meeting Lucia Ellis spoke of her volunteering experience in Nigeria; members had attended a ‘Church Crawl’ with Todd Gray and the Crediton Flower Festival.

Coming up on 10th June is the Summer Supper and on 7th September, a Jurassic Coast trip with Stuart Lines.

Our main fund raiser of the year will be the sale of refreshments at the Furry Dance on 4th August. From the Methodist Hall we will serve teas, coffees, cakes and ploughman’s lunches plus a cake stall on the Strand. We are looking for great support from locals and visitors alike.

Anyone who may be interested in Lympstone WI will always be welcomed. For more information find us on the village website or come along to one of our meetings on the first Wednesday of the month at the Methodist Hall, next meeting Wednesday July 4th when Wendy Richards Wood will speak on ‘Hearing Dogs for the Deaf’

Terri Scott

A PENSIONER'S TRAVELS

On Monday 11th June I will pick up my 400cc motorbike from Anchorage airport in Alaska and head south. The bike is old and slow, like its owner. But a few months later, with a little luck and a following wind, I should be in Ushuaia, the southernmost town in Tierra del Fuego, Argentina.

By the time I reach Buenos Aires to ship the bike back to the UK, I will have covered nearly 20,000 miles through fourteen countries in north, central and south America. There will be no fixed itinerary, no major highways and no luxury hotels. Most of the journey will be solo and unsupported. The 27kgs of luggage I will be carrying on the bike, including camping equipment, will allow me to live basically but independently, and my only luxury is a small folding camping chair.

Why am I doing this? I am sixty seven years old and happily retired, but have always enjoyed long distance motorcycle travel, and the time just seems right to embark on another adventure.

I have also decided I would like to support the local Hospiscare. This important charity raises funds to meet the cost of supporting people in Exmouth and Lympstone who have been diagnosed with a progressive life limiting condition. Lympstone Hospiscare have always been very active in the village, and I would like to help if I can. Please contribute whatever you can; just go on line to Virgin Money Giving, search for my name, Philip Corcos, and select 'donate'. Or you can use this link <https://uk.virginmoneygiving.com/PhilipCorcos>

I will do my best to provide short updates on my travels via the Lympstone Village website.

Thank you.
Phil Corcos

'Everyone at Exmouth & Lympstone Hospiscare would like to say a huge thank you to Phil Corcos for choosing to support us as he starts his incredible journey - and wish him a safe and successful trip.' - Frances Longhurst, Trustee.

RIVER EXE REGATTA

River Exe Regatta prepares to host hundreds of sailors for Devon's annual celebration of sailing.

Sailing clubs along the River Exe are preparing for this year's River Exe Regatta, taking place Saturday 23rd and Sunday 24th June 2018.

Registration to race is now open and helmsmen of monohulls, multihulls and cruisers are now being invited to enter and put their sailing skills to the test.

Hosted by Topsham Sailing Club this year, the Exe and Lympstone Sailing Clubs, Starcross Yacht Club and Starcross Fishing and Cruising Club will once again join forces for the well-established annual celebration of sailing on the waters of the Exe Estuary.

The two-day event saw more than 70 vessels take to the water in 2017 and this year is shaping up to be an even bigger sailing spectacle.

Peter Williams, Commodore of Topsham Sailing Club, said: "The River Exe offers an exciting variety of opportunities to get out on the water, whether you're a seasoned sailor or are just looking for a leisurely weekend kayak. The Regatta celebrates all that sailing encompasses as a fantastically social sport that people of all ages and abilities can enjoy."

The first event of the weekend will challenge multihull vessels to race in the water between the 'Exe Safe Water Mark' just off Exmouth beach and

Langstone Point. Following this, there will be a series of 18 races up and down the river to challenge competitors and entertain spectators.

As well as the activities on the water, there will be plenty for those who haven't quite found their sea legs to enjoy, including a Caribbean themed party night at Topsham Sailing Club on Saturday 23rd June.

Peter added: "The River Exe Regatta is the highlight in the calendar of many competitive sailors in the area, but it's not all about the racing. We're encouraging junior sailors to develop their skills in a 'Swallows and Amazons' adventure up the river, as well as holding a dinghy cruise for non-racing sailors too."

The regatta is open to all monohull dinghies with a PY handicap between 790 and 1390, multihulls (Hurricanes and Darts), and cruisers that comply with Category 4 Offshore Racing Councils Special Regulations.

New members are welcome to at all of the River Exe sailing clubs. Please visit their websites for details.

To find out more, to register to race and for full terms and conditions, visit www.river-exe-regatta.org.uk. Follow River Exe Regatta on Twitter @RiverExeRegatta or Facebook/RiverExeRegatta for updates.

CANAPES ON THE QUAY

Exmouth & Lympstone Hospiscare would love you to join us on Wednesday 27th June at The Point, Exmouth Quay for a wonderful evening of canapes, drinks and live music from Just Misbehavin'. (7 - 9pm)

This very popular annual event is held at Exmouth Marina but the money raised is so important to help cover the cost of the services provided by our Specialist Nurses and the Hospiscare @ Home team in both Lympstone and Exmouth. Tickets are only £8.50pp to include a glass of wine and a huge choice of delicious canapes - and are available at Central Stores, Lympstone.

For more information see our website: www.exmouthhospiscare.org

THE NEW LOOK OLD DAIRY

Over recent weeks The Old Dairy B&B has been given a complete external facelift to match the refurbished interior. New doors and windows and a complete repaint have transformed the 18th century building. New signs have completed the look and you will notice as you come down the hill towards us that the landscape has been changed. The mock tudor timber has gone and a new sign sits proudly on the gable end helping guests to locate us. Read our latest reviews from delighted guests on our website, Booking.com or Google Reviews.
