PARISH COUNCIL NEWS

October's meeting was another busy one with a full agenda! There were lots of items to get through with a variety of topics to discuss.

Public Session – A member of the public read his report on street parking along The Strand. In summary, he is advocating removing the three parking spaces on the left before the railway bridge as they pose a hazard to the disabled, and those with buggies or walking aids. He was concerned with the vehicles parked along the narrow part of the road as road users often park on the pavement edge which causes pedestrians, (especially the vulnerable) to have to walk down the centre of the road and put themselves in unnecessary danger.

Another member of the public expressed a strong concern regarding the back up of traffic that stems from the traffic lights at the Saddlers Arms and down Longmeadow Road. He was concerned that the congestion had become more frequent and the implications this had along the main Exeter/Exmouth Road and Longmeadow Road. He believes it is only a matter of time before an accident will happen. Road users queuing on Longmeadow Road are seemingly not reading the road and overtaking cars which are stationary to wait for the oncoming traffic to pass! County Councillor Scott was present and will report the matter to Highways.

Flood Risk management – The LFRG had compiled a full report which Cllr Dimond presented to the meeting. The group has been exceptional busy throughout September when a second meeting was held with all relevant parties (SWW, EDDC, DCC, Environment Agency). Actions are ongoing.

Casual Vacancy – I am pleased to announce that we have a new face on our Parish Council! Mr Stephen Turner was successfully co-opted as a Parish Councillor at the meeting. Mr Turner gave a presentation explaining his background, family life and passion for Lymptone. It was a unanimous decision from all Councillors to welcome him on board.

We still have one more vacancy for any budding Councillors out there – please do get in touch with me or any of our Councillors if you are interested in joining us!

Chairman's report – The Chairman has had a busy month of meetings. She has been involved with the Youth Club and formalising their accounts with the Youth Group Leader. She has met with Cllr Rogers and Mrs Carter to discuss the Exe Estuary Trail. She has had copious meeting with Mrs Lyon regarding the Armistice Day celebrations (inside this month's Herald article is a flyer of events planned from Friday 9th through to Sunday 11th). This is a full weekend of events for all ages and

interests culminating in a beacon being lit at 1900 on Cliff Field – this will be part of a national network of over 1,000 beacons. **All the events on Saturday and Sunday are free.** The timetable of events can be found on the flyer enclosed and displayed on the village website. The fine details of events will be posted on telegraph poles and on the web site as the date approaches. We do hope as many people as possible can join us and celebrate this momentous occasion. Additionally, if anyone is able to volunteer to help with the events planned please contact our Chairman, Mrs Jenny Clark or me to get involved and ensure the weekend can run as smoothly as possible for us all to enjoy. Thank you.

District council reports – Cllr Ingham responded to the member of the public regarding parking along The Strand. He asked the Parish Council to consider the report written as it had raised valid and thought provoking reasons.

Cllr Longhurst reported that he has challenged EDDC over money spent on consultancy fees involved with the Greater Exeter Strategic Plan and is currently awaiting answers. He is also hoping to get Lymptone involved in a renewable energy scheme regarding electricity supplied to our homes.

Neighbourhood Plan Review – A long discussion took place around the review and update of the Neighbourhood Plan. The Chair proposed that a working group should be established

from people across the Parish. District Cllr Longhurst has taken the first step in leading this group and welcomes support from anyone who wishes to get involved. Please contact Cllr Rob Longhurst if you are interested in joining the working group.

Multi Use Games Area (MUGA) - Cllr Atkins reported that the MUGA in Candy's Field is complete! All Councillors have seen the children use and enjoy it again.

Candy's Field: 18/03648/GNDGBY - Dog fouling and dogs off lead complaints – This is still ongoing and EDDC are currently looking into cameras being used in Candy's Field to monitor irresponsible dog owners. You will be informed if and when these are installed.

Clerk's Action List - It has been a very busy month for me and I am hoping I have managed to keep on top of responding to your phone calls and emails to resolve any issues raised. Thank you to everyone who knows me or has met me through this role for your continued support and thanks. It is all gratefully received. I am thoroughly enjoying my new role and being an active part of the Parish life.

NEIGHBOURHOOD PLAN UPDATE

"A short while ago (I thought) I got the news that the Lymptstone Neighbourhood Plan had been made - IT WAS FINISHED! Imagine my surprise when I was told the other day that it was 4 years ago and an update was due in 2019!!

In the intervening time your District Councillors, have used the LNP to fight unwanted development, support regeneration and gain financial support for our Community - it has been priceless! If we are to maintain the strength of the plan then the time is coming to revisit it and update it. I have accordingly volunteered to lead a small independent group to A) review the existing plan B) recommend the areas for change/renewal C) determine the process and D) deliver and document the changes that the Lymptstone Community wish to see in the New Lymptstone Neighbourhood Plan. This is a document supported by your Parish Council but OWNED by the Lymptstone Community.

Do you have skills you can contribute?
Do you have any publishing skills?
Do you have strong views on our Community? I need some members of the core team and also possibly some members for support teams to gather and validate input from the community. Interested? Contact me at rlonghurst@eastdevon.gov.uk and we can arrange a meeting for you to learn more.

As usual, the spiciest cooks in Lympstone are seeking out old colonial recipes, and will serve up a selection of meat and vegetable curries, delicious dal, crispy poppadums, a variety of accompaniments, basmati rice, and cooling desserts.

CRICKETERS ON TOUR

Lympstone's cricketers ended a reasonably successful season (won 9, lost 6) with an enjoyable September weekend tour on the fringes of Dartmoor. On the Saturday a depleted team of 9 including three press ganged men almost beat their old friends Erratics in a low scoring 35 over match at Ashburton, only to lose oh so narrowly on the last ball of the game.

Batting first only Ben Abrahams and Burton got much into double figures and a total of 121 wasn't a lot to show from 27 overs. Man of the match McGregor (who bowled unchanged for 11 overs) and Creighton were soon taking wickets aplenty though and with good support from Burton and 6 catches being taken, they reduced Erratics to 70 for 8. The ninth wicket pair then put on almost enough to win before Burton separated them and gave Lympstone sight of victory. Sadly it was not to be, the last ball clinching it for the home team.

Saturday night saw the lads tucked up in hotel beds with their cocoa not much after 10 o'clock, whilst porkers flew overhead.

On Sunday Lympstone visited the delightful slopes of Marldon, which even their ancient road roller, driven lovingly by the wicket keeper, could not flatten entirely. A pre-match coffee was sought in the adjacent and equally delightful Church House Inn, where a jovial landlord exclaimed "You're the Lympstone team? We were expecting

a bunch of marines – my bar staff will be very disappointed".

A younger and nimbler Marldon team, who had clearly not overdosed on cocoa, executed a proper drubbing – amassing over 230 for the loss of not many, though new Villager Archer got his first wicket thanks to a fine one handed catch by Ben Abrahams. Burton (who had bowled well) was man of the match for his 66 in Lympstone's reply, but Creighton and Carr also delayed the inevitable by a few overs with their best knocks of the season.

LYMPSTONE VILLAGE ARMISTICE EVENTS

ARMISTICE CENTENARY WEEKEND 9 – 11 November

To mark the Centenary of the ending of WW 1 on Sunday 11 November, the Village is hosting a number of events. Please refer to the 4 page pull-out in the centre of this month's Herald for more details and which you can keep for future reference.

Activities over the weekend will include : A French film set during about WW1 (entry £5, Wreath making and setting them adrift on the Estuary, Flower display in Parish church, historic trail around the village, activity hunt and story-telling for kids, refreshments and a WW1 exhibition and a film about Lymptstone in the Village Hall.

On Sunday there will be the normal service in the Parish Church, followed by the 2 minute silence at the War Memorial. In the evening there will be entertainment and refreshments on Cliff Field, before lighting the Beacon.

Everyone is invited and all the events except the Friday film are free.

If anyone has any War stories we would love to have them included in the exhibition in the Village Hall.

We also need more volunteers, even if just for an hour or so, to help provide this memorable weekend for the village.

Any profits from the sale of refreshments will be shared by the Royal British Legion, the Royal Marines Association, Lymptstone Scouts and Lymptstone

School PTFA.

Please contact Jenny Clark (merryfield@etcpm.com) or Linda Lyon (malcandlinda@aol.com) with offers of support or more information.

2018 POPPY APPEAL

The 2018 Royal British Legion Poppy Appeal House to House Collection will take place in Lymptstone between Saturday 27th October and Saturday 10th November.

Every year I am so grateful to the band of willing volunteers who continue to give their time to assist with the collection as without them it would not be possible. However, as people move away from the village or aren't able to volunteer for personal reasons there are always opportunities to get involved. If you feel that you could spare just an hour of your time to volunteer as a House to House Collector during the two week period of the Poppy Appeal or man the static collection point outside the shop on Friday 9th or Saturday 10th November for an hour then please do contact me on 07968 494093 or email me at beckspearson@me.com

As there is to be a whole weekend of Armistice celebrations in the village this year there will not be a Coffee Morning as in previous years but there will be ample opportunity to support the Poppy Appeal throughout the weekend.

Please give generously and wear your Poppy with pride as I know you always do - thank you.

Becks Pearson

ARMISTICE POPPIES

Everyone in the village is invited to make a poppy and display it in their window or garden in the week leading up to Armistice Sunday on 11 November. These can be made of any material and be of any size. Let your imagination run wild!

On the Sunday afternoon (11 Nov) everyone can bring their poppy down to Cliff Field where it will be displayed in one of the tents. Refreshments and entertainment will be provided from 4pm until the event closes.

We are also asking for donations now of knitted, crocheted and sewn poppies to decorate the inside of the tents. Free patterns may be found on the internet or Linda Lyon will be attending a number of village events in October and November (including the WI 'Soup & Pud' in the Methodist Hall on Saturday 3 November) to give guidance.

Horses also played an integral part in World War 1 and purple poppies would be most welcome too.

Further information will be available by mid-October on the Lymptone website and on the Notice Board under the Railway Arch and telegraph poles.

Meanwhile, if you have any queries or wish to offer support, please contact *Linda Lyon on malcandlinda@aol.com*

FROM AMIENS TO THE ARMISTICE

The 'Great War' of 1914 - 18 now seems to us a conflict on an unimaginable scale and tragedy -- four years of unremitting trench combat in which millions of lives were lost for a few yards of mud. Then seemingly miraculously the hundred days from the Battle of Amiens in August 1918 to the Armistice in November saw the British army advance further in three months than it had done in four years and the Allies achieve total victory. Why?

This is the central question in the illustrated talk Colonel Graeme Wheeler is giving at 7.30pm on Friday 2 November in the Village Hall. Graeme says "How and why it came to an end is not widely understood and often misreported in an age in which the reasons for the war seem obscure and the losses unjustifiable."

Graeme is a highly informative and entertaining speaker - as some of us can recall from the talks he gave to mark the bicentenaries of the battles of Trafalgar and Waterloo - so a memorable evening is in prospect!

Tickets are £3 - pay on the door, opening from 7.00pm - as will the bar!

The proceeds from the evening, after expenses, will go the Royal British Legion Poppy Appeal and the Friends of the Church, who fundraise to help maintain the church building.

BANNERS, POM POMS AND RUFFLES

A banner proclaiming 'VOTES FOR WOMEN – Welcome Sylvia Pankhurst' has been created by Sally Harradine in the purple, white and green colours of the Suffragettes. It can be seen in the Players' production of Oh What a Lovely War in the last week of November.

This is just one of the many props being made. John Merritt is building a mobile Sarajevan beer stall and some circus tubs, amongst other wooden constructions, and Hen Wilkinson is gathering together a large and varied collection of hats, military and civilian, which the cast will use to change character instantaneously. The costume team led by Pat Boaden and Anna Streather, are busy making bespoke white Pierrot costumes with pom poms and ruffles which will be worn by all members of the 16 strong cast.

For this is a show by a troupe of seaside Pierrots, acting out the First World War, and singing songs written by the soldiers who fought in it. They use popular tunes of the time, taken from musical hall, cabaret and hymns ancient and modern. The fun on stage is counteracted by the slides of photographs from the war, projected onto a screen that is flown in and out of the action, and by a running newspanel which keeps us up to date on the battles and their outcome, and the casualty figures that each yard of progress costs.

This extraordinary musical entertainment was created by Joan Littlewood 55 years ago, and remains as fresh as ever. It is being performed by The Lymptone Players as a vibrant tribute to the satirical humour, comradeship and resilience of the soldiers who fought and died. The programme will carry the list of names on Lymptone War Memorial, commemorating those who died in a war that ended just 100 years ago.

The director of the show, Harland Walshaw, has assembled a team which includes a professional Musical Director, Sandra Jepps, a band of six professional instrumentalists, a professional Movement Director, Caterina Lau, a Voice Coach, Opera Singer Mary Burman, as well as a large backstage team of Lymptone Players working on lighting, projection, calling, make up, and of course Deb Mitchell in charge of set design.

Two stages are being used, and the back two rows of the audience will be raised. Tickets at £12.50 for adults and £8 for under 16s are available from Demelza, 2 Brookfield Cottages, Lymptone EX8 5ES, email: lymptone-entertainments.net, tel. 01395 272 243, or by posting money through her door. Unusually, all seats will be numbered.

LYMPSTONE LIVES - SUSAN BRIGGS

Susan Briggs is a local supermum, the Youth Leader in the village, a pre-school chair-person and Lympstone Primary School's PTFA chair-person. She is currently in the process of registering to be a home childminder. Susan is married to Phil, a Mountain Leader in the Royal Marines and they have three children: Harry 10, Amelia 8, and Jimbo 5.

How did you come to live in Lympstone?

My family and I moved here six years ago from Arbroath when my husband took a draft to the Commando Training Centre. At the time we had two young children and were very unsure of what Lympstone would be like. It turns out that it is a great place to live and we are very proud to call Lympstone our home.

What do you consider your greatest achievement?

My greatest achievement is being a Mum to three amazing children. Being married to a man in the armed forces can often make life uncertain. I am very proud of how I have been able to cope with the long periods of separation and the way in which I have brought up my children. Family life is at the centre of everything I do and my children make me proud every single day.

I am also very proud to say that I was involved in the re-opening of the Lympstone youth club. A small team of us worked tirelessly to decorate and remodel the hut and have been running youth club sessions for over a year. I would like to say a huge thank you to all of the parents who regularly donate their time to enable the sessions to take place.

What is the best thing about living in the village?

Lympstone is a safe, friendly environment where we are surrounded by good friends, and our children are having a great time growing up. The amount of clubs and activities for the children is wonderful, and as all parents know there is never a moment to rest.

What three things have made you who you are?

My family has been a big influence on my life. My Mum has taught me that you should never give up and always stand up for what you believe.

Losing my dad was one of the hardest things I've ever had to go through. We had a really close relationship when I was younger and unfortunately he passed away when I was twelve. I have taken forward with me his values of hard work, determination and the ability to have fun: even when times are hard.

My husband has been around for longer than I care to remember. We met each other fourteen years ago, have been married for eleven, and I like to think that we make a pretty good team. I know I can talk to him after a hard day and that he will know just what to say. Unless he's watching British bake-off and then I might as well forget it!

FRIENDS OF UNDERHILL SURGERY

The Friends of Underhill Surgery group – providing transport to and from the surgery and local hospitals and delivering medicines – has been busier than ever this year. While that is good news for our customers in the village, it also means our volunteer drivers are being kept very busy. In fact, we would welcome with open arms anyone who might wish to join the driver group. You can specify just the sort of journeys you could perform and even the days when you would be available. A part of the normal passenger fare is retained by the drivers so you would not be out of pocket. If you are interested, please contact our Co-ordinator Gillian Hipkins on 01395-224442.

THE VILLAGE HALL - TAKING IT FORWARD

We need new blood at the Village Hall to help with its management and day-to-day running. Our long-serving treasurer and bookings manager, Michael Wilkes, will be retiring at our AGM in March 2019 (after 13 years) and we need new, enthusiastic people to take on roles such as customer liaison, social media, marketing, accounting and booking to take the Hall into the 2020s. Most roles can be flexible and fitted to your interests, skills and availability.

If you'd be interested in finding out more about how you can help keep this cherished institution up and running,

please come along to the hall at 7.30pm on Thursday 18 October for a short presentation, guided tour (including behind the scenes), chat and, of course, a glass of wine. Absolutely no commitment.

We're also keen to hear fresh views on how to develop the hall for the benefit of the whole village community. The only thing we cannot do is move the Hall down the Hill!

Don Mildenhall - Chairman

LYMPSTONE HISTORY SOCIETY

Our Autumn programme launched on 20th September with a fascinating story-telling talk from Jenny Moon about what life was like in the 1590's for a 'Devon Boy'.

Some of you may have seen in the press that the summer drought caused some new archaeological sites in Devon to become visible from the air, so our next talk on Thursday October 25th is a timely one as we have Bill Horner telling us about the Archaeological Aerial Surveys with the LIDAL Survey. As usual, we will be in the Methodist Hall, Chapel Road. The doors will open from around 7pm and the talk will start promptly at 7.30pm. Entry £4 (including refreshments), or £3.50 for LHS members.

DRONES

There have been a couple of occasions recently where a drone has been flying over some of the houses and gardens in Lympstone.

There are both safety and privacy issues here.

Certainly I don't want to stop people's fun or enjoyment of these amazing machines, but it's important for anyone flying them to understand the legalities and where you can legally fly them.

All flying machines, model aircraft or otherwise are subject to the CAA Air Navigation Order. This is UK law.

The ANO refers to model aircraft drones as 'small unmanned surveillance aircraft'.

Article 167 of the ANO states: The person in charge of a small unmanned surveillance aircraft must not fly the aircraft within 50 metres of any person, vessel, vehicle or structure.

To be clear about this, if you fly a drone over other people's land or property, you are breaking the law.

I'm sure many people who fly these are unaware of this, as it is not something that most drone suppliers make people aware of.

However the CAA have already

prosecuted, and will actively pursue complaints against, those who operate drones in contravention of the law.

COFFEE MORNING AT HIGHCLIFFE HOUSE

Tracey Spokes would like to thank everybody (around 130) who attended and also those that helped with the Coffee Morning on the 22nd September. The Charity event was in conjunction with her son Brendan's Half Iron Man (1.2 mile Swim, 56 mile Cycle and 13.1 mile Run), who is raising funds for St Petrocks.

Brendan was going to act as a guide for a friend Steven who is partially sighted in the Weymouth Half Iron Man, unfortunately Stephen became ill and under Doctors advice had to pull out of the event, this meant there was no place for Brendan as he was not an official competitor only a guide and under the race rules he was not able to take part in the event.

So on Saturday 22nd September in terrible conditions Brendan started his swim in Budleigh and cycled and ran around East Devon finishing in Lympstone.

The Coffee Morning which included a draw raised over £2,000.00 for St Petrocks. Brendan has also raised to date over £3,500.00.

Due to circumstances beyond our control we are unable to take up a week at a Villa on Vale do Lobo on the Algarve in Portugal.

This Villa is very very exclusive. Three double en-suites (1 x double and 2 x adult twins), large kitchen with all modcons, a very large lounge diner. Patios front and rear with pool to rear and patio to upstairs bedroom.

Vale do Lobo is a top class golf resort with 3 x 9 hole courses that can be mixed to make 18 holes (discounts for residents). The beach runs for miles

in either direction and is wonderful fine sand - and only 20 minutes from Faro Airport. I promise you this is LUXURY!! It usually rents out at around £1,500 pw. I would like my service charge back so only £700 for the week plus any pool heating. Maid service, towels, gas and electricity included.

Saturday 27th October to Saturday 3rd November

Contact me if interested and I will provide fuller details and photos.
