## LOTS OF LYPMPSTONE SUMMER FUN AHEAD

There is certainly plenty going on in the village over the coming months. The annual cricket match is just around the corner on 13th June. Before that there is the Lymptstone Art Exhibition running from Sunday 26th May to Sunday 2nd June. There is also plenty of entertainment with Lymptstone

Vignettes, The Dante Quartet, Return of the Nightingale, Lymptstone Players - Summertime Madness and Shakespeare in the Gardens all running over the next few months. It is also Lymptstone Sailing Club's turn to host the Exe Regatts on the 8th and 9th June so don't miss out on all the sailing activities at the club.

# PARISH COUNCIL NEWS

At last night's meeting we welcomed a new Parish and District Council for a new Term of Office. Cllr Kathy Rogers was successfully elected as our new Chairman and Cllr David Young as our new Vice Chairman.

Your new Parish Council are:

**Cllr Kathy Rogers** (Chairman) lead Councillor for Community (CTCRM) and Heritage and Structure (Gulliford Burial Ground).

**Cllr David Young** (Vice Chairman) lead Councillor for Communications (Website), Heritage and Structure (Gulliford Burial Ground) and Environment (LFRG).

**Cllr David Atkins** lead Councillor for Facilities and Estates, Community (Youth Club) and Environment (Allotments).

**Cllr Angela Connelly-Cole** lead Councillor for Heritage and Structure (Exe Estuary Trail).

**Cllr Charlotte Ducker** lead Councillor for Finance, Grants, Funding and Compliance.

**Cllr Keith Hill** lead Councillor for Transport and Parking.

**Cllr Richard Eastley**

All Councillors will be members of the Planning Group and Finance, Grants, Funding and Compliance Group.

New District Councillors:

**Cllr Ben Ingham** and **Cllr Geoff Yung**.

**Public Session** - Residents highlighted the following:

- Lympstone Community Hub would like a new Cllr representative.
- Exe Estuary Trail would also like a lead Councillor and invited someone to attend their next meeting.
- Proposed a motion of thanks to Mrs Jenny Clark who had worked hard and done a sterling job of being the previous Chairman to the Council.

**Vacancies** – The Chairman explained that Mr Richard Eastley had expressed an interest in joining the council. He was unanimously supported and co-opted on to the Council.

We now have seven Councillors but there are still vacancies. If you are interested in joining our new team, please get in touch for an informal chat about serving your community.

**Reports from the Chairman, District Councillors and County Councillors**

**Cllr Rogers** explained that a most enjoyable and exciting afternoon had been held with the recent landing of the Merlin helicopter from RNAS Yeovilton on Cliff Field. The Pre-school and Primary School Children attended and were able to go on board and be shown around. Many local people also got to experience this exciting event. A huge thank you went to all involved in the organisation and co-ordination of this from the Royal Navy and Royal Marines.

Cllr Rogers explained that Friends of Gulliford had met and had begun clearing and tidying the burial ground. It had been decided that a wild meadow at the far end of the ground would be kept for the nature that resided there.

**County Cllr Scott** congratulated Cllr Rogers on her appointment of Chairman, he also congratulated Cllr Ingham and Cllr Yung on their appointments of District Councillors. He reiterated the sincere thanks to the Royal Navy and Royal Marines for the helicopter landing and the wonderful opportunity it provided for the community. He also reminded all members to support the military wives fund raising event for The Royal Marines Charity. County Cllr Trail was not present but had sent congratulations to the new Parish and District Council.

**District Cllr Ingham** congratulated the Chair, Vice Chair, new and reappointments of the Parish Council. He added that he and Cllr Yung were delighted to represent both Lympstone and Woodbury Parish. Cllr Ingham explained how the Nurseries site that was recently approved at the DMC, all members on the board were impressed with all speakers and the strength of the Parish. He added that the Neighbourhood plan review was important to revisit, and he would be happy to continue to support the group. He also explained how many residents

are very concerned about dogs and their mess in the fields and suggested additional signage was needed.

**Reports of Lead Councillors:**  
Facilities and Estates – Cllr Atkins agreed with District Cllr Ingham and reported that the dogs were becoming an increasing problem. Cllr Atkins read correspondence received from a resident who had approached someone who did not pick up their dog's mess and ignored her concerns. Therefore, the EDDC dog warden will be contacted to become more involved. In the meantime, Councillors will be policing Candy's field and tackling any dog owners who have their dogs off the lead and any who choose not to clear up after their dog will be reported to EDDC and fined. As tempting as it is, Candy's Field is an area where **DOGS MUST BE KEPT ON A LEAD**. Other fields are available to walk and exercise your dog. Children play and picnic in Candy's field, it can pose serious health implications to children if they ingest dog faeces and can cause blindness. Please visit [www.kingdom.co.uk/articles/issues-and-dangers-surrounding-dog-fouling/](http://www.kingdom.co.uk/articles/issues-and-dangers-surrounding-dog-fouling/) for further information.

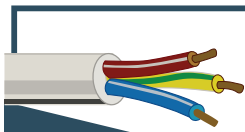

Thank you for your co-operation.

## GULLIFORD BURIAL GROUND WALL REPAIRS AND HERITAGE LOTTERY

Work is now underway at the Dissenters Burial Ground to repair the wall which fell down at the end of last year. The two Parish Councils, the Joint Gulliford Burial Ground Committee and the Friends of Gulliford Burial Ground are working together to do its best to accomplish all the works needed to preserve this lovely site into the future.

One of the ways we are doing this is to create a working group to apply to the Heritage Lottery Fund for a grant to preserve this important history site and to raise awareness that it exists.

We've been working hard already and have created a questionnaire which will soon land through your doors which will give us more information about how many people know where it is, have visited it and about general views on how important you feel local history is. Please look out for this questionnaire and we will be very grateful if you could fill it in and drop it into the Clerk's office or to Londis where there is a box for replies. Alternatively, we have produced

an interactive Google form which is easy to use and can be accessed via the link below ;

[https://docs.google.com/forms/d/e/1FAIpQLScKEIwQnHYjCcEvg21WFeq1bsVUkupcUO4aIW\\_r11UyOwiNXw/viewform](https://docs.google.com/forms/d/e/1FAIpQLScKEIwQnHYjCcEvg21WFeq1bsVUkupcUO4aIW_r11UyOwiNXw/viewform)

It can also be accessed via the Woodbury and Lympstone Parish websites or via the Friends of Gulliford Burial Ground website at [www.fogbg.org.uk](http://www.fogbg.org.uk)

If anyone has prior experience of applying to the HLF and can volunteer to give us any time to advise us on writing our application, we would be very pleased to hear from you. Feel free to ring Jane Moffatt on 07730877889.

New members and visitors were welcomed and all sang Jerusalem.

The new Committee was introduced to members and the current programme circulated.

Sue Metcalfe's talk, An Accidental Author, travelled through her upbringing and the hatching of children's stories written for her family who have influenced her heavily. Resolutions to be put forward to the National Annual Meeting,

- 'Call against the decline of local bus services'.
- 'Don't fear the smear', to raise awareness of the importance of cervical screening.

Some members had attended the Spring Council Meeting.

Upcoming Events:

- 15th June Centenary Garden Party, Federation Chair to attend.
- 16th July Summer Supper.
- 3rd August Furry Dance, help with refreshments required.
- 18th September Tiverton Canal trip

A sub Committee will be set up to suggest further ideas for our Centenary.

A reminder that the Garden Club have a coffee morning and plant sale on May 4th and their Annual Show in August.

## PROPOSED FOOTPATH ALTERATIONS

My mother, Mrs Susan Goddard, now in her 90th year, lives in The Mill. The field in front of The Mill, also owned by her, once belonged to the Ware family, who farmed this land.

Currently, there are four footpaths that cross this field: one starts from the ford and runs down the drive a short distance to The Mill before bearing right and into the field which it crosses to the bridge over Watton Brook. This path was opened by my parents primarily to encourage walkers to use it instead of the second path, which begins further down the same drive and very close to The Mill's garden. It too crosses the field to the bridge and a branch crosses the field to what is called Mill Lane. Finally, if you're not already confused, there is a footpath that crosses the field from the bridge to Mill Lane.

When the village was much smaller, few people owned a dog, and cattle were in the field more often than not, this didn't matter. Now, in a very different world, this has had two consequences. Some years ago, the farmer who either kept cattle in the field or cut the the grass for feed, was no longer prepared to do so: the grass had become too polluted with dog excrement to make it usable. Secondly, the frequency with which walkers and their dogs, often running ahead of their owners, found

themselves outside the front door to The Mill has become too frequent to ignore. It's too easy for a 'walker' to enter the immediate vicinity of the house, and when apprehended, to say they thought they were following the footpath.

The plan is as follows: a new route will begin near the ford and close to the shed that was once my father's workshop. It will then run alongside the brook to the bridge that crosses the stream. The second footpath, which crosses the field from the bridge to Mill Lane, will remain the same as it is now. The other routes will then be extinguished.

What does this mean for walkers? The proposed new route that follows Watton Brook downstream to the bridge will, where necessary, be strengthened with hardcore. Where we think trees make passage difficult, they will be removed. The intention is to make the walk along the bank of the brook a pleasing experience. As the route across the field to Mill Lane will remain the same, there is no change. Although the business of maintaining footpaths is the responsibility of Devon County Council, we have not been encouraged by them to think they will fund this change.

You may be wondering what the field is to be used for? Ever since my mother bought The Mill in 1963 and many

## RETURN OF THE NIGHTINGALE

centuries prior to that, the field was used for grazing cattle. This was the case until a few years ago, when John Orchard kept cattle there. The intention is, if the field can be kept clear of dog poo, to let the land again for nothing to a farmer looking for grazing. Their animals will help keep the grass down which will relieve my mother of the expense of cutting it. Prior to any animals being in the field, it will be necessary to make sure that there is fencing to prevent escape and to protect walkers.

Last October, members of the Parish Council kindly came to see the field to understand what was being proposed. With their support in principle, we applied for the diversion of a footpath and the extinguishment of another. DCC have yet to issue a formal notice to this effect, but rather than wait we thought everyone who might be interested would like to know what is being proposed.

If anyone has any constructive suggestions to make then would they please talk to my mother!

This is the time of year to hear nightingales, the jazz singers of the bird world.

The last time one was heard in Devon was near the Puffing Billy in Exton. But next month, on Friday, 21st June at 7.30pm, you can hear Harland Walshaw's talk on the bird that has entranced song writers, poets and story tellers over the centuries. It is 95 years since the BBC first broadcast a nightingale singing a duet with a cellist, and four years since Harland first gave this talk. Many people have asked for a repeat performance, including the Friends of Lymptone Church, and with historic sound archives, many illustrations and glorious bird song, all brought to us by Brian Mather's wizardry, you can imagine yourself in a woodland scrub, or even in Berkeley Square. But you'll actually be in Lymptone Village Hall.

Admission £3 on the door. There will be a licensed bar.

# LYMPSTONE ART EXHIBITION

SUNDAY 26TH MAY TO SUNDAY 2nd JUNE

The picture above is the raffle prize drawn by Neville Tarbath, an accomplished local artist and draughtsman. Tickets for the raffle can be bought when visiting the exhibition.

We are delighted to have the well know Exeter based artist, Greg Mason SWAc, who featured on Sky Landscape Artist of the Year, to open the Exhibition and to award the prizes at the preview.

This year we are introducing a Childrens Art Competition. Anyone aged 12 or younger is invited to draw or paint in any medium on a postcard. Postcards and some art materials will be available during the Exhibition, so a card can be painted when you visit, or can be taken away to be painted. The competition is free to enter and there is no charge for the postcard. If you are away over half term or not able to get to the Exhibition then postcards can be collected from 'Susannah's Tea Room, The Strand,

Lympstone, during the week before half term. Completed cards can be put through the letterbox of Lime Kiln House, opposite 'Susannah's', before half term. All postcards must be returned to the Village Hall by Friday May 31st with Name, Age and Contact telephone number written on the back. They will be displayed and judged at 3pm on Saturday, 1st June when Prizes will be awarded to the winners. Unfortunately postcards cannot be returned unless collected from the Hall before 2pm on Sunday 2nd June when the Exhibition closes.

The exhibition is open from 11pm to 5pm in Lympstone Village Hall, School Hill , Lympstone EX8 5BE. On the final day, Sunday 2nd June , the Exhibition will close at 2pm. Entry £1, free for children under 12. Tea coffee and home made cakes available every day.
