## LYMPSTONIAN WALKING FOR WILDLIFE

There are many events in this month's Herald to look forward to again from woodland garden theatre productions, burial ground tours to the amazing adventures of Mary Truell. Mary (91) is hosting at a coffee morning to raise

awareness about the Devon Wildlife Trust; she intends to walk 91 miles of nature reserve this summer in a bid to raise much needed funds for this worthy charity. Don't forget to put 3rd August in your diaries for this year's Furry Dance.

# PARISH COUNCIL NEWS

**Public Session** – A resident expressed his concern of a plant that looked suspiciously familiar to Japanese Knotweed growing in the Brook. Any resident who has land leading to the Brook has a duty to check the Brook for this invasive plant. If the plant is identified, then contact the Environmental Agency immediately to tackle the removal and safe disposal of the plant. Please do not attempt to dispose of it yourself.

**Clerks Report** – The Internal Auditor concluded ‘...the Council’s financial procedures and controls are sound and effective’ and signed off the accounts for 2018/2019. From the 17th June the accounts will be available for the public to view in their entirety. The Chairman signed the AGAR Annual Audit 2018/19 Governance Statement and Annual Audit 2018/19 Accounting statements in preparation for the External Audit.

The Clerk read out correspondence received from a concerned resident regarding overhanging nettles. It was agreed that the Parish Council would start identifying overgrown nettles and brambles that pose a nuisance to pedestrians and contact the owner. If a letter from the Parish Council is not acted upon then District Cllr Scott reminded the Council that DCC have enforcement officers to back up the Parish Council. Please could all Parishioners check their boundaries for

overhanging nettles and brambles and cut them back. It is important to note that any hedgerows/trees do not have to be cut until the Autumn due to bird nesting season.

The Clerk referred to the damaged door on the traditional red telephone box at Trafalgar Road. The door is beyond repair and it was agreed to purchase a new one to preserve this British icon.

The Clerk read the Annual CIL Report which was agreed and will be displayed on the notice boards and on the website to view. There will also be an upcoming meeting with EDDC Officers to discuss the way forward to spend the CIL money received regarding the toddler play area and activity trial in Candy’s Field.

**Reports from the Chairman, East Devon District Councillors and Devon County Councillors** – Due to an incident of someone being locked in the village public conveniences late one evening the fire brigade were called to break the lock on the main door. The door lock is currently undergoing repair. Please be aware that should the main door on the toilets lock then this is only a one-way lock. You should always be able to open them from the inside.

The Youth Club had been closed on some occasions this month due to the lack of volunteers to support the running of the club. If you can help and volunteer your time on a Friday evening then please contact the Youth Club

leader, Mrs Susan Briggs or the Clerk of the Council.

**County Councillor Scott** would like to organise a beach clean-up in Lympstone and continue this for the next 6 to 12 months. The Parish Council fully supported this initiative.

**County Cllr Trail** explained that the new Toucan crossing on the A376 for the Exe Estuary Trail would be in use by the end of June. He explained the delay had been due to electric connections.

**District Cllr Ingham** had attended EDDC Annual Council meeting on 22nd May 19 and had been successfully elected as Chairman. Cllr Ingham explained he had appointed a new and independent cabinet to the Council.

**Exe Estuary Trail** – There were three members of the Exe Estuary Trail Group present and Mrs Davis updated and reported on the progress of the group to date. The group are working incredibly hard with DCC and Network Rail to run the Trail as smoothly as possible through the village. They need funding and are currently investigating different avenues to support their projects.

**Getting Around** – There was also a report from the Getting Around Group where parking in the village was a main concern. They have begun parking surveys and will be monitoring the use of the roads in and around the Parish. They have spoken with Exeter University and will be getting

students from the university involved in their investigations. All results from their findings will be taken to DCC for future support. The group was agreed to be established formally by the Parish Council.

**The Public Conveniences** – Cllr Ducker suggested that as the lease from EDDC has now expired, it is necessary to have it in writing that the lease continues as it is not presently clearly documented. Cllr Atkins explained that the lease was taken on by the Parish Council as EDDC were going to decommission the toilets. The Chair explained that the toilets needed updating. Cllr Eastley proposed a site meeting with EDDC Officers to discuss the toilets in their entirety. This was unanimously agreed.

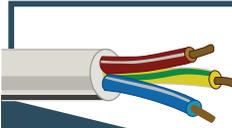

**Heritage and Structure** – Cllr Rogers reported on Gulliford burial ground. She explained how time consuming it was to rebuild the listed wall, but it is slowly progressing. She also added that there would be an open day later in June for visitors to attend and learn more about the historical background of the burial ground.

## **LYMPSTONE HISTORY SOCIETY**

At our AGM in May our chairman Gary McNulty was elected for a further 2 year term, and Jenny Moon was elected a vice-chair. The formalities were followed by an engaging and entertaining series of short films from Brian Mather - his 'Lymptone Vignettes' were a new compilation of local films and there were several 'oohs' and 'aaahs' as old familiar sites came into view.

We take a summer break now, but will return in the Autumn with a talk in the Methodist Hall on Thursday 19th September when Tony Venning will be telling us about the Life and Loves of Samuel Pepys. Meanwhile, if you are going to the Lymptone Fete on 7th July, we will be opening the archive, which is located via the door closest to Candy's Field. Do come along and see us in the village hall - you may even be able to help us identify some of the unknown faces in our photographs!

## **THANK YOU**

We would like to thank our Glebelands Postman for finding and returning our young Grandsons mobile on June 1st. This saved him from a very miserable day out and a real telling off from his Mum. We do not know his name but are sure some of the readers will. Thank you.

## **FREE PHOTO DISPLAY & TOURS**

On Sunday August 11th at 10.30am & 2.30pm the Friends of Gulliford Burial Ground are conducting free tours of the burial ground, revealing some of its hidden stories of the chapels long demolished, where around 300 people would attend Sunday services, to the personal stories of the people buried there from Whaler to Turn Broacher and explaining the construction of the tombs & headstones. This year we have new chapters untold and alongside the free tours held throughout the day is a photographic display entitled "Our Beautiful East Devon" showing photos not just of Lymptone but the whole area at a very high standard. We would also like to take this chance to thank everyone who filled in our questionnaire.

*My decision to switch agents to Wilkinson Grant was a brilliant one! I had previously been in the market for six months, with very few viewers. WG's advice was spot on and customer service excellent. They arranged an open house shortly after I switched agencies, from which the house sold! I have been nothing but impressed by WG, both as a seller and a buyer. Whereas most people complain about estate agents, in my case WG have earned every bit of their fee.*

# MERLIN HELICOPTER COMES TO LYPMPSTONE

On Thursday 9th May, Lypmpstone pupils went into a Merlin Helicopter, it was about 26 metres long and was a Navy helicopter from Somerset (England).

The pupils of the school were excited. Most hadn't even gone on a helicopter. It was a great experience for all of them. Some lined up to sit in the front of the helicopter. One of the pilots showed them what does what. The pupils said "There are so many buttons and switches, even the pilot doesn't know all

of them!" There were also 5 or 7 maps to show them where they are and where they are going.

There were lots of chairs with huge seatbelts. They were huge because the soldiers wear so much heavy armour. The helicopter could hold between 20 and 30 people.

When it took off lots of kids fell and people could barely stand.

## CHALLENGE FOR DEVON WILDLIFE TRUST - COFFEE MORNING

I am sure you are as concerned as I am about the desecration and disappearance of so much of our unique wildlife.

However, all is not lost! Our wonderful Devon Wildlife Trust and other such visionary groups have worked with tireless dedication for many years to protect our precious wildlife and help us all to enjoy it in its natural habitats.

To continue this crucial work the Trust urgently needs our help, both financially and in finding new members. For this reason I have set myself the sponsored challenge to visit and explore all 50 of the Nature Reserves managed by Devon Wildlife Trust in our county, and whilst in the Reserves to clock up walking 91 miles, to match my age, during the 2019 Summer months.

To tell a little more about some of these lively Reserves I am having a Coffee/Soft Drinks morning on Thursday 18th July at 10:30am in the Social Area of our beautiful Church, (which has a lovely play corner for children). I would be delighted to see you. Come and share your wildlife stories or just enjoy a chat or browsing through some books and magazines.

Should you wish to sponsor me, (NO obligation), please donate via Virgin Money Giving: <https://uk.virginmoneygiving.com/MaryTruell> - or by cheque to Devon Wildlife Trust via Mary Truell at Netherex, The Strand, Lypmpstone, EX8 5EY

# FALSTAFF IN LOVE

*with The Merry Wives of Windsor by William Shakespeare*

Queen Elizabeth I enjoyed the character of Falstaff in the Henry IV plays so much that she asked Shakespeare for a comedy showing Falstaff in love. The fat knight chooses to seduce the wives of two wealthy gentlemen living at Windsor, because they have control of their husband's purses. When the husbands are warned of the plot, Falstaff hides in a laundry basket...

Cygnets Theatre's production of this rollicking tale of marriage, fidelity, trickery and love reaches Lymington on Saturday 13th July, after a tour beginning at the Palace Theatre, Paignton and including some of the finest garden theatres in East Devon.

The performance will take place as usual in the Telfers' wonderful woodland garden (entrance from Underhill, next to the car park), and members of the audience are again invited to bring their picnics, chairs or rugs from 5pm, and the play will begin at 6pm.

## LYMPSTONE WI

### Meeting June 5th

Several visitors and one new member joined us for the June meeting when we were entertained by Basil Strickland and Colin Hoskins, two of our local beekeepers. Basil fed us many thought provoking facts including the healing power of honey and bees, the essential need for communication and community spirit among bees also the value of bees to the economy. We were able to taste honey and look at the structure of a modern hive. The enthusiasm and passion of beekeepers is both infectious and informative. A hive is a female preserve and runs on oiled wheels!

Some members had attended the Estuary Group meeting.

Orders are being taken for **2020 diaries and calendars.**

### Upcoming events:

Lympstone WI celebrates its **100th birthday** in 2019, a number of events have been suggested for the year until February 2020, the first being a Garden Party at the home of our President on Saturday 15th June where there will be light refreshment and entertainment. Cake cutting and Prosecco will take place 3.30pm (There will be a marquee!). A Centenary Committee has been formed, it is asking for further ideas to mark our 100th birthday.

- 16th July Summer Supper, Sailing Club.
- 3rd August, Furry Dance. WI to provide coffee, lunch and tea at the Methodist Hall, volunteers required to provide cakes. This is our main fund raising event!
- 18th September Tiverton Canal trip.
- TAP are organising a coach trip to Dartington Hall on 11th July, spaces are available.

**Friends of Lympstone Surgery** who provide affordable transport to medical appointments are very short of drivers. Please contact Norma Exelby 01395266116.

Next meeting will be **3rd July** the speaker Janet Williams on Hats Ahead, which will include a demonstration.

Lympstone WI welcomes new members. We meet on the first Wednesday of the month in the Methodist Hall at 2.30pm. Further details available on the village website.

## **NIGHTINGALE ANNIVERSARIES**

It is exactly 200 years since John Keats wrote the Ode to a Nightingale, 95 years since the BBC's first outside broadcast (a cellist playing a duet with a nightingale), 80 years since A Nightingale Sang in Berkeley Square, 5 years since a nightingale was last heard in Devon (not far from Lympstone), and 4 years since Harland Walshaw first gave the talk that told the story behind all these events, And a Nightingale Sang...

Flock to Lympstone Village Hall by 7.30pm on Friday 21st June, and you can hear again the historic recordings, see the pictures, thrill to the gruesome story of Philomel and Tereus, and marvel at the song of the nightingale.

All this for only £3 on the door, in aid of the Friends of Lympstone Church.

There will be magic abroad in the air.

## **LYMPSTONE GARDEN CLUB**

Last month was a very sociable one for Lympstone Garden Club. At the beginning of May we had a very busy coffee morning and plant sale in the Methodist Hall – over 100 people came along, picked up plants for their gardens and allotments, and also very kindly donated their own spare plants for sale.

Then on 10 May a coach-load of us headed over to the RHS Malvern Spring Festival. The weather held, and everyone seemed to have a great time – encountering Monty Don, Carol Klein and Francis Tophill, and enjoying the splendid show gardens and floral marquee. The coach came back nicely packed with plants and other garden purchases. Thanks go especially to Sue Wadhams for organising the day.

The next event in our gardening calendar is the Annual Show on Saturday 17 August in the Village Hall. More details on this in the next Herald.

## CHILDRENS ART COMPETITION

We had 43 entrants and a wonderful range of Art from children ages 12 years to 21 months. The winners pictures are shown. In the age 11 to 12 the winners were 1st Fearn with a collage of Lymptone Common, and second Bonnie Purchal with people on a bench looking at the sunset. In the ages 9 to 10 the 1st was Mae Millington with Peters Tower and 2nd Chloe Marsh with her Lobster. In the age 7 to 8 the 1st was Charlie with his Nature picture and 2nd Edith with her Cat. The winner for age 5 to 6 was Finlay with his Surfer and finally our youngest entrant, Lenny with his pink abstract watercolour.

This was the first time we had had a Childrens Competition during the exhibition week. It was very popular and we will definitely run it again next year.
