

THE LYPMPSTONE HERALD

Sheila Stone 2017

LYMPSTONIAN WALKING FOR WILDLIFE

Open studios, the WI's centenary celebrations and a farewell to the village rector are just a few newsworthy items in this month's issue. Volunteers are needed for the traffic survey at the end of

July, don't miss the annual Furry Dance on 3rd August and keep up to date with plans to host a 'Living in Lymington' event scheduled for September.

PARISH COUNCIL NEWS

The Clerk read the proposal for **HATOC 19/20: The Strand**, No Waiting at Any Time shortening of the limited waiting bay to prevent obstructive parking at the pinch point.

A member of the public explained he felt the parking bays should be kept as they acted as a traffic calming strategy. Cllr Connelly-Cole explained the proposal was to only remove one parking bay and reduce the waiting time. The Parish Council agreed to support the proposal of removing one bay with a condition that the waiting time was enforced by traffic wardens. The Getting Around focus group would be seeking further information from DCC and looking into this. If any members of the public wish to comment, then please visit DCC website to submit your own individual response to the public consultation.

The Parish Council supported the request from the scout group to provide them with some solar lights for outside their hut.

Dog fouling – This has caused quite an upset from members of the Council and Public. Irresponsible dog owners are allowing their dogs to foul without clearing up throughout the entire Parish. It is a dirty and disgusting habit that is putting people off exploring our beautiful village. The Parish Council have agreed to investigate CCTV to tackle irresponsible owners who can be caught, identified and fined.

Reports from the Chairman, East Devon District Councillors and Devon County Councillors –

The Vice Chairman announced that the NP Officer, Mr Twamley, from EDDC will be present at the next PC meeting in September to talk about our current NP Plan and give guidance on a review. The Vice Chairman finished his report with congratulations to our own Cllr Eastley who has successfully been appointed to represent our Parish on DALCs (Devon Association to Local Councils) County Committee for 2019-20.

County Cllr Scott reported that he would investigate where the Parish is in the cycle of 3 yearly repainting of yellow lines. He would also investigate further the issue with irresponsible dog owners. He added that soil is due to arrive to complete the levelling of Candy's field. DCC intend to clear streets of weeds on 7th September throughout the village. Cllr Scott added that there is a spotlight review regarding Carers in Devon. DCC are gathering peoples points of views, both positive and negative, and he would like to hear from anyone who is a Carer to share your current situation. Please contact Cllr Scott at richard.scott@devon.gov.uk.

County Cllr Trail reported the proposal of eight possible closures of fire stations and invited the Council and Public to share their views. The consultation is open until the second

week of September. Locally, Topsham and Budleigh Salterton are proposed to close and Exmouth could become an evening only station. Please contact Cllr Trail jeff.trail@devon.gov.uk.

District Cllr Jung explained he was now responsible for the environment; recycling and waste, beaches, flood prevention and dog waste. He explained that EDDC were doing well with now up to 60% of waste being recycled. He also added the new green waste bin scheme was a huge success. He explained that EDDC were aiming to be 100% carbon free but had not yet set a target date.

District Cllr Ingham explained that EDDC had a budget shortfall and over the next four years, savings of 2.7million pounds had to be made. There would be a review of public toilets, street cleaning, car park charges and amenity services to tackle the issue.

Garden Club; Junior Schedule Grant – It was agreed to support the grant request to help provide a full colour brochure to encourage the youth of the Parish to get involved with gardening.

A point of order: If you would like to apply for a grant then please remember to submit the correct grant application form to the Clerk for discussion. These can be found on the village website.

Permission to use Candy's, Cliff and Avenue field – The Cllrs agreed to review the use of the public holding

events on the fields and the parking arrangements. Please remember, if you wish to use one of the PCs fields for an event, permission must be sought first from the PC.

VHMC Legal Status – Mr Mildenhall spoke on behalf of the VHMC and explained proposed changes from the VHMC. There would be more information to follow from Mr Mildenhall for the public to read and enquire.

Facilities and Estates – Cllr Atkins explained that a notice would be displayed on the gates to Avenue Field kindly asking dog walkers to use alternative areas with their dogs as the grass will be cut in a few weeks for hay.

Transport, Parking and Planning – Cllr Hill explained there would be a traffic survey completed around the Parish on the 23rd and 27th July. If you would like to be involved, the Getting Around group could really do with volunteers to help with this survey. Please contact Cllr Hill at KeithLPC@chaquel.com.

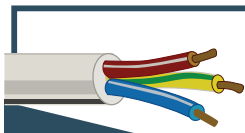

Environment - Cllr Young explained that the LFRG Wotton Brook Catchment Survey Report was now completed, and this would be added to the website for the public to read the document in full.

PARISH CHURCH

James Hutchings farewell words.

Alice and I are overwhelmed by the wonderful goodbyes we have received as we leave the Mission Community and prepare for moving to Barnes. Thank you for the wonderful generosity we have experienced in your expressions of love and prayer, and also in the very generous leaving present. We will miss this place and everyone here hugely, but are sustained by God's words to Joshua which apply to the journeys ahead for all of us: 'be strong and courageous; do not be frightened or dismayed, for the Lord your God is with you wherever you go'.

Best Wishes James.

Recruitment of new Rector. The PCC and Fiona Upchurch recently met with the Archdeacon together with the PCC from Holy Trinity/Littleham. This meeting began drafting the vision and effectively the job specification for the new Rector.

Recruitment of Parish Community Worker Lymptone Church is now seeking a committed Christian with a professional background in community nursing, social work or community work. 12 month paid post (fte up to £24500 dep on qualifications) for 7.5 hrs /week. The post will seek:

- a. To develop creative and sustainable responses to the identified needs of support for isolated older people.
- b. To develop creative and sustainable

responses to the identified needs of support for military wives/partners mental health needs.

- c. To develop creative and sustainable responses to the identified needs of support for children with mental health needs.

Stall under the arch. The new season for the Stall Under the Arch begins on Saturday 6 July, and continues until 7 September. This is an important element in our parish fund-raising, but of course it depends on people signing up to run the stall. There are some slots left on the list at the back of the church.

Happy Hour in church from 3pm on 11th July.

Annual 'Ride and Stride' - Saturday 14th September. The 'Ride & Stride' event is a walk or cycle ride around the countryside to visit local churches – for as short or as long a distance as you prefer. Maps will be available in the Parish Church so that you can define your preferred route around Exmouth, Budleigh Salterton or Topsham and many churches have refreshments available to welcome the travellers! As well as enjoying a day out in our beautiful countryside, an objective is to raise money for the preservation of church buildings throughout Devon by persuading family and friends to provide some sponsorship – no matter how small. This is an enjoyable day out for families of all ages whilst hopefully enjoying an Indian Summer - combined with as much, or as little, exercise as

you choose!

Contact Basil Strickland on 266935 or Basil.Strickland@gmail.com if you want more information in the meantime.

The Curate, Huw , will be in Lymptstone on Thursdays at 14.30-15:30 and then at the school gate fo3 15:30 if I'm not talking to anyone then.

ONE GIANT LEAP & A FISH SUPPER

The New Film Society Season

Watching the moon landing in The Dish

This year marks the 50th anniversary of man landing on the Moon. Lympstone Film Society has discovered a brilliant and nail-biting comedy called *The Dish*, about the telescope located on a remote Australian sheep farm which relayed to the world the live television pictures of man's first steps on the Moon in 1969.

This is just one of several true stories in the new Film Society season. Rudolph Nureyev's sensational leap to the West in the early 60s is told in Ralph Fienne's 2019 film, *The White Crow*. The Canadian folk artist, Maudie Lewis, wonderfully played by Sally Hawkins, falls in love with a fishmonger in the breathtaking landscape of Newfoundland, and Cornwall's

shantymen, Fisherman's Friends, sing up a storm in a feelgood film that mixes fact and fiction as it tells the story of the rise to fame of the Port Isaac fishermen/singers. No wonder a fish supper is the popular feature meal open to members of the Film Society this year. And we hope that the Lympstone members of the Exmouth Shantymen will entertain us in the first half.

A very different true story is told by *American Animals*, the attempt by three teenagers to steal Audubon's Book of American Birds worth \$12 million, one of the most audacious art heists in US history. The real thieves are interviewed alongside the actors who portray them.

Olivia Colman won the Oscar for her performance as Queen Anne in *The Favourite*, a period drama with lashings of lust, intrigue and deceit that also stars Rachel Weisz and Emma Stone as the Queen's very close friends.

Membership of the Film Society, now in its 13th year, brings 9 Friday night films and 3 Sunday matinees, which this season are *Rebel Without a Cause*, starring James Dean, *The Best Years of Our Lives*, and Carol Reed's *Odd Man Out*, three classic movies selected and introduced by Martin Fisher.

A popular feature is the pre-film drinks and nibbles in the Function Room, which gives members an opportunity to meet and socialise every month.

This feast of films and entertainment is available to members for an annual fee of only £20 for the season. You can join by contacting membership secretary Helen Dimond on 01395 223 433, or by joining at the first film at the Village Hall on Friday, 13th September. Lucky for some!

Buying, selling or letting in Exeter and East Devon?

Another

review on **feefo**, the industry's independent customer feedback forum

'Switch to Wilkinson Grant!'

My decision to switch agents to Wilkinson Grant was a brilliant one! I had previously been in the market for six months, with very few viewers. WG's advice was spot on and customer service excellent. They arranged an open house shortly after I switched agencies, from which the house sold!

I have been nothing but impressed by WG, both as a seller and a buyer. Whereas most people complain about estate agents, in my case WG have earned every bit of their fee.

'They found us a good tenant, paying a good rent'

Very professional, friendly and helpful.

LYMPSTONE VILLAGE HALL - CHANGES AFOOT!

Probably most of us use the village hall at sometime - and not just to vote! It's where so many village activities and events take place and it's hard to imagine village life without it. But do you know who owns and manages it and how they do it? How does it get paid for?

Like most village halls, ours is managed by a charity on behalf of the community. The trustees of the charity are mainly nominated by village organisations though there are also some co-opted trustees. The trustees form the hall's management committee.

The hall is financially independent and has no subsidies. Its turnover has grown in recent years and is now in excess of £40,000 a year. Day-to-day operation is managed by volunteers and our part-time premises manager (Miles Freeman).

Why am I telling you all this? Because after nearly 90 years, the trustees have decided it's now right for a change. They want to take advantage of a development in charity law which makes it easier for charities to become incorporated bodies - like most commercial companies. At present our village hall charity is unincorporated - which means that, amongst other

things, the individual trustees have a personal, uncapped financial liability.

This new type of charity is called a Charitable Incorporated Organisation, or CIO for short. To get CIO status we need to set up a new charity and then dissolve our present charity and transfer its assets to the CIO. All these steps will require Charity Commission approvals. The change also gives us the opportunity to equip ourselves with a new governing document - more up to date and fit for purpose than our present one dating back to 1930 (which we cannot change without Charity Commission approval).

This change need not affect the way organisations or individuals use the hall or the rights of village organisations to nominate trustees. But the hall is run on behalf of all of us for the benefit of the village and it's right that everyone should know of what's proposed. We are providing more information and some FAQs on our website (www.lympstonevillagehall.co.uk) and can provide paper copies on request.

We would welcome any comments or questions you may have.

Clive Wilson (trustee and Secretary to the hall management committee)

LYMPSTONE WI

Meeting July 3rd

There was a slight change of format for our meeting to allow time for our speaker, Janet Williams, to explain and demonstrate the skill of hat making. Janet who has travelled and lived all over the world delighted us with her stories of developing from a bored housewife to a hat designer and maker, studying pattern cutting and fashion on the way. She described and showed the raw materials and tools required, and made a beautiful hat of 'sinimay' (banana fibre) before our very eyes.

The 100th Birthday Garden Party was a huge success and blessed with fine weather.

The Summer Supper, Furry Dance teas and Tiverton Canal trip are all approaching. More cakes are needed for the Furry Dance.

A skittles team has been proposed.

One of our members gave a report of the WI Annual Meeting in Bournemouth where Maggie Philbean was the speaker.

The resolutions adopted nationally were those requesting the continuation of rural bus services and breaking down fear and stigma associated with cervical smear testing.

The Lymptone Community Hub is planning an event in September targeting newcomers to the village when the WI will be represented.

Centenary Committee

We are hoping to plant 100 bulbs in a public space, also to raise sufficient funds for a bench and or another defibrillator. Members were invited to give 100 items to the Exmouth Community Larder.

Lymptone WI welcomes new members. We meet on the first Wednesday of the month in the Methodist Hall at 2.30pm. Further details are available on the village website.

There will be no meeting in August, next meeting 4th September, Christine Meakin, *Memories of an Adopted Child*.
Terri Scott

SAVE THE DATE

It will be the 75th Anniversary of VE Day on Friday 8 May 2020.

The Government has already moved the May Bank Holiday to that Friday instead of the Monday and the Community Hub will be organising a weekend of remembrance and celebration, similar to the one organised for the Armistice Centenary Celebration held last November. As the event will be in May, we are anticipating better weather!

More details will be available at the 'Living in Lymptone' event on 22 September and detailed planning will start after then.

Linda Lyon

FURRY DANCE NEWS

A very special thank you to all our supporters and helpers who turned out on a less than auspicious Sunday for our Cream Tea event. We were quite overwhelmed by the response that ensured a jolly atmosphere despite the gloomy weather. Also thank you to the Lymptone Training Band who braved the conditions, led by their fearless Captain, Roger Riggs.

As Furry Dance day approaches, Saturday 3rd August, we need to remind you of road closures for that day. 09:30hrs road closed between the Hairdressers on the Strand and Chapel Road to set up the Street Market. 14:00hrs road closed from the Saddlers Arms to Highcliffe, no access to Underhill car park. There will be alternative free parking at Avenue Field, entrance from the top of Burgmanns Hill. 18:00hrs road closures end.

This years format will be similar to last year with the Dog Show as well as the Fancy Dress Competition on the Cliff Field. The programme with details will be published in our flyers to be distributed through various village outlets nearer the day. Requests for Street Market pitches should be made as soon as possible to Adrian and Pauline Walters on 07866716478 or email adrian.walters@travelcounsellors.com. As usual priority will be given to local stall holders and regular supporters. Keep your fingers crossed for fine weather.

Chris Doak

LYMPSTONE W.I. CENTENARY GARDEN PARTY

Lymptone W.I. has started the celebrations of our centenary in November with a summer Garden Party in our president's beautiful garden on June 15. It was a celebration of past and present, with 60 new, long standing and past members present, including visitors from other WI's and the President of the Devon Federation.

As it was a very special time, our members had not been required to cook and bake, but were treated to a variety of delicious canapes, provided and served ably by a local caterer and staff. Of course the occasion called for prosecco and above all sunshine, which luckily we got both of in abundance. The atmosphere was enhanced by gentle background music played on a harp.

After the speeches and a wonderful poem by a past member, a splendid cake, decorated in the W.I. colours of purple and green, was cut by 6 past presidents. The eldest was 93 years old, but still remembered fondly by present members.

We all toasted W.I. Lymptone, and a group photo (see back cover) was taken for posterity.

We are looking forward to sharing other special events with the village during the rest of this year.

Elly Cordwell

LIVING IN LYMPSTONE'

Free Event Sunday 22 September

The Lymptone Community Hub and Parish Church are holding a social event in the Village Hall in the afternoon and evening of Sunday 22 September to which everyone in the parish is invited. Entry will be free.

Families are invited to attend during the late afternoon (potentially 4pm – 6pm) where free refreshments will be provided (tea/coffee/cakes etc). Also, a free ice cream for every child. There will be entertainment for all and activities for children. During the evening (6pm – 8pm and mainly intended for adults) there will be a free drink and nibbles (with further drinks available at a small cost) and more entertainment.

Local clubs and societies will also be there to showcase what they do and to attract new members – a bit like a 'Freshers Week'. The clubs and societies listed on the Lymptone website have already been contacted by email, but if your club is not listed there, or if the contact details have changed or if you wish to promote a 'new' club, please get in touch with Jenny or Linda. We also need many volunteers to welcome guests, help serve refreshments and to set up and take down tables & chairs. If you could spare an hour between 2pm and 10pm on Sunday 22 September, please contact us.

This invite is being sent out now as there is no Herald during August. Full

details will be in the September Herald and on the Lymptone website by late August.

Linda Lyon (malcandlinda@aol.com)

Jenny Clark (merryfield@etcpm.com)

LYMPSTONE FOLK SUMMER PLANS

Lymptone's monthly folk nights at The Saddlers have ceased for the summer months. However, on Wednesday 24th July there will be a folk evening upstairs at The Redwing, starting at 8.30. Most of the regular Lymptone Folk will be there – and will be glad to be joined by friends old or new. If you want to sing, play or perform, anything acoustic is in order, or please just come along and listen. The regular monthly evenings will resume on September 25th.

NO CALL OUT CHARGE—FREE ESTIMATES

DEVON OPEN STUDIO COMES TO LYMPSTONE AGAIN

Lympstone, and how the past meets the present, is the focus for two local artists, Louise Banks and Sheila Stone in their joint exhibition in September. Louise is particularly interested in the waterfront, Jason's fish shed, and boats, and Sheila in the countryside and domestic life. In these settings they both recognise the transformative effect of light.

In Louise's watercolours you will see soft colours, broad brush strokes and fine lines merging, conveying a sense

of the ebb and flow of time.

There is depth and tone in Sheila's etchings, achieved by the amount of time the plate is exposed to the acid. Her work also has a timeless quality.

The exhibition, part of Devon Open Studios, will be at Louise's house: Clays, The Strand, EX8 507
September 12th 13th 14th 15th and 18th 19th 20th 21st.

LYMPSTONE HISTORICAL ARCHIVE

The Lymptone Historical archive is looked after by the History Society, and our regular talks help us raise funds to maintain this facility for the village. If you want to research local history and to find out more about the village and its past, you will find lots of information from photographs like the one on the following page, to old maps and documents, family trees, paintings and books... and it is free to access for our members. If you have

some local history you would like to research, or if you are involved in one of our projects then the archive is a really useful resource. To find out more email lympstonehistorysociety@gmail.com

We are working steadily to organise and digitise the archive to make it easier for people to access. If you want to come along and see us, we will be open on the day of the village fete on 7th July.

BIG THANK YOU

Firstly I would like to thank Central Stores for letting us have our Exmouth & Lympstone Hospiscare collection tin on their counter as they are in the heart of the village.

We used to collect wonderfully full tins about every 3 months, but with your support for our charity it is now often full monthly - so a big thank you to everyone who puts their loose change, and sometimes more, into the collection tin. from April to the beginning of June, you raised £51.12 for our very local Charity. Over a year you are now helping raise hundreds of pounds for us. We rely on local support so your

kindness is very much appreciated.

Hopefully when you are reading this, I will have had a chance to thank many of you personally for your support at the Village Fete - we are most grateful to David Atkins for choosing us as one of the charities to benefit from his celebrations.

Frances Longhurst, Trustee

PRIMARY SCHOOL SIAMS SUCCESS

Congratulations to Lympstone Primary School who have recently achieved a very pleasing SIAMS inspection to reflect all the fantastic work they do in supporting the young people of the village.

LYMPSTONE GARDEN CLUB

The highlight of Lymptstone's gardening year is fast approaching, with the Annual Show on Saturday 17 August in the Village Hall from 2pm.

We're very much looking forward to receiving your show entries on the evening of Friday 16 August from 6 – 8pm, or on the morning of Saturday 17 August from 8 – 10am.

Pick up a Show Schedule from our village shop, cafe or pubs. This lists all the classes you can enter, and has an entry form at the back. As we also want to encourage young people to garden there's a separate booklet calling for entries from under 16s.

As usual, we'd be very pleased to receive any donations of cakes or produce to sell on the day. To add to the event, the Village Training Band will be playing so do come and spend the afternoon with us – it's always a lovely event.

Over the summer also look out for our new leaflet outlining next season's talks and events. News from the Garden Club is sent out regularly by email – if we don't have your details and you'd like to be kept up to date with what's coming up then please send your name and email address to windygardener@yahoo.co.uk

BUILDING PLOT WANTED IN THIS AREA

We are a mature, professional couple seeking a plot of land large enough for a 4 bedroomed house with garden. We would like to build a new family home in this area and will consider all types of locations and structures.

Our proposed design would be sensitive to the surrounding landscape and environmentally friendly.

jkennedy2727@yahoo.com
07809624490

We are cash buyers living in rented accommodation locally. If you know of a possible plot or could help us in our search, please get in touch.

JAMES' CROSSWORD BREAK

You may have noticed there is no crossword this month as James is taking a break but the good news is it will be back as we now have a team of three 'setters' who will be taking it in turns through the year. Correct answers last month were from: John Brewer, Jon & Emily Perry, Bex & Nigel, Gail McKenzie, Jane & David Lees, The Burtons, Frances and Laurence Pearce, Dave Mountain, Harriet Yeates, Alice Henderson, Tor Laney-Hubbard and Carolyn. Winners of the two prizes for this month are John Brewer and Harriet Yeates.

Big thanks to James for all his efforts over the last couple of years.

ONE YEAR ON!

You may remember the story from last year of a baby girl being born outside my house in June.

Daisy-Mae is now one year old and is pictured on the back cover with big sister Lilly. She has recently been to re-visit some of those who helped in her delivery.

Mother and baby have been doing well.
Jenny Clark

Top: WI Centenary Garden Party.
 Left: Baby Daisy-Mae - one year on.
 Right: Louise Banks' Grey Boats.
