Hospiscare

Caring in the heart of Devon

This April is all about coffee and the various ways it can be used to raise vital funds for Hospiscare. There are lots of alternatives to the traditional Coffee Morning and here are just a few ideas, it really is as easy as ABC...

The “Not quite a Coffee Morning” Coffee Morning

It is said that adversity is the mother of invention, so maybe it's time to get creative

- A) Why not fill up a flask and meet friends for a socially distanced walk, stop midway for a lovely slice of cake and a cuppa.
- B) Doorstep deliveries are a lovely way to delight friends and neighbours. Maybe take orders from those wishing to surprise a loved one with a cake – what a treat.
- C) Coffee cake, coffee fudge or coffee fragranced candles - whatever you make could be sold on social media or at the end of your driveway.

Virtually a Coffee Morning

From the comfort of your own living room sit back and enjoy a natter with friends and family who can't be with you in person. Zoom, Skype or FaceTime are all easy to set up but if you need some help you only have to ask. Going virtual means you can invite friends and family from around the world! Of course virtual might also mean it is you and your best friend having a catch up over a slice of cake.

- A) Sign up and choose a date and time
- B) Decide which platform you are going to use and maybe have a practice
- C) Send the link to your friends and family and ask them to RSVP

Your safety is our top priority. If you would like any advice please contact us on 01392 688020 or fundraising@hospiscare.co.uk
