PRESENT:	
Councillors	D Atkins, D Beatty, C Eastley, R Eastley, K Hill, J Payne, K Rogers and L Staddon
Clerk	Miss L Tyrrell
County Councillors	R Scott
District Councillors	B Ingham
Public	10 members

NB. The Clerk had provided the Councillors and members of the public present with a sign in sheet for track and traces purposes (all details would be destroyed after two weeks) and hand sanitiser on entry. All present sat socially distanced in the Function Room of the Village Hall. It was a paperless meeting.

Public session

The Chairman welcomed everyone present and invited the public to speak. Several members of the public wanted to speak on planning applications and were asked to wait until the planning application item was raised.

21/60 Apologies

Cllr Linfoot and Cllr Tyrrell
District Cllr Jung
County Cllr Trail

21/61 Minutes

Cllr Atkins proposed the APM and PC minutes of meetings held on the 7th May and the PC Part B minutes held 21st May and 1st June accurate. Cllr C Eastley seconded. Unanimous.

RESOLVED that the APM and PC minutes of the meetings held on 7th May and the PC Part B minutes of the meeting held on the 21st May and 1st June 2021 be confirmed as a correct record and signed by the Chairman.

21/62 To receive any Declarations of Interest

Cllr R Eastley and Cllr C Eastley declared an interest with 21/1587/FUL and 21/1560/FUL.
Cllr Atkins declared an interest with 21/1587/FUL and 21/1560/FUL.

21/63 Clerk's Report

21/63.1 Annual Audit 2020/21 Internal Auditor's certificate

The Clerk presented the AGAR certificate from the Internal auditor. Unan.

RESOLVED that the PC agreed the Internal Auditors certificate.

21/63.2 Annual Audit 2020/21 Governance Statement.

Cllr Atkins proposed that items 1 - 8 were satisfactory. Cllr R Eastley seconded. Unan.

RESOLVED that the governance statement was agreed, signed and dated by the Chairman and Clerk/RFO.

21/63.3 Annual Audit 2020/21 Accounting Statements.

Cllr Atkins proposed that the accounting statements were satisfactory. Cllr R Eastley seconded. Unan.

RESOLVED that the accounting statements was agreed, signed and dated by the Chair and Clerk/RFO.

21/63.4 Notice of public rights.

The Clerk suggested suitable dates to publicise the Notice of public rights. Cllr Atkins proposed the suggested dates. Cllr Rogers seconded. Unan.

RESOLVED that the Clerk put up the public notices and add to the website from 24th June 2021.

21/63.5 LPC Financial Regulations Policy

The Clerk explained that LPC financial regulations needed updating. She had reviewed the regulations and had previously sent out amendments to all Cllrs. Once agreed the new regulations would be added to the website. Cllr Atkins proposed to agree the amendments. Cllr Hill seconded. Unan.

RESOLVED that the Clerks amendments were agreed, and the updated financial regulations could be added to the website.

21/63.6 Correspondence received

Mr C Fayers re: new dwelling and public amenity of a car park at Underhill

A member of the public asked to speak on this item. He queried whether the new Cllrs had read all the previous planning applications. He added that two applications had been submitted 1) One storey dwelling and 2) Two storey dwelling with car park. He explained that the PC had refused the single dwelling but supported the two storey with the car park application. The Chairman explained the PC had supported the application with the car park because it would have benefitted the community. The member of the public understood but added that this car park was not in the right place for the community to use and a traffic count was necessary in the current public car park. Cllr Atkins explained he did a traffic count in the current public car park daily and it was always full. Cllr Hill added that the new car park would be a private car park for the public to secure a full-time space. Cllr Atkins added that the spaces would be named plots and yellow lines could then be added along the road. The member of the public added that yellow lines would only force people off the road to park elsewhere. Cllr Atkins added that on reading the EDDC planning officers report, he had written that additional parking was not necessary in the village, Cllr Atkins felt that he had got confused with the Nurseries site car park and this was categorically not for public use. He added that if there was a benefit to the community then planning was given an exceptional allowance. Cllr Beatty added that a lot of people in the village support a long-term parking amenity. She feared that people would soon start removing their front gardens for parking. Cllr R Eastley explained that other developers who offered public amenities in the past had been turned down because of the green field site and queried why this site was any different when it was also a green field. The member of the public added that the East Devon report had stated it was a green field site. District Cllr Ingham reminded all that this site was in the Green Wedge and a dwelling would contravene policies. Both Mr Fayers planning applications had been refused by EDDC. He asked LPC to wait for 6 months and consider EDDC buying the land for a parking amenity. Cllr Hill suggested that LPC comply with EDDC officer's recommendations and not compromise the LNP. Cllr Rogers proposed not to support the

request. Cllr Hill seconded. Cllr Staddon and Cllr Payne supported. Cllr Atkins objected to the motion that no letter would be sent because he had been previously advised that policies could be broken if there were of benefit to the community. Cllr C and R Eastley declared an interest and Cllr Beatty abstained.

RESOLVED that the Clerk would let Mr Fayers know that his request would not be supported by LPC.

21/63.7 FLOS

The Clerk updated all members on the progress of the play area refurbishment. A zoom meeting had been planned with LPC and Jamie Buckley, funding officer at EDDC for the 1st July 2021. She asked if Mr and Mrs Sissons from FLOS could also be present as observers. Unan.

RESOLVED that the Clerk invite Mr and Mrs Sissons as observers to the zoom meeting with LPC and Jamie Buckley at EDDC.

The Clerk also requested that another £5,000 from the PC budget was allocated to the refurbishment due to the fact that no additional funding had been granted for 2021/22. Cllr Rogers proposed £10,000. Cllr C Eastley seconded. Unan. Cllr Atkins abstained.

RESOLVED that an additional £10,000 would be ringfenced for the play area refurbishment.

The Clerk also queried the S106 money from EDDC and where it should be allocated in the community. Cllr Rogers proposed the S106 money was allocated in its entirety to the play area refurbishment. Cllr Hill seconded. Unan.

RESOLVED that all S106 money from EDDC go towards the play area refurbishment.

The Clerk explained the difficulties of LPC extracting the funds from the FLOS GoFundMe page due to regulations of having a business account but not being a registered business. The Clerk explained that the money had to be withdrawn by September or all funds would be returned to donors. The Clerk suggested that Mrs Sissons opened a new bank account and LPC had a contract written that the money was consecutively transferred to LPC. Cllr Atkins suggested that the Clerk contact DALC for advice. Cllr C Eastley proposed that in the short term, Mrs Sissons opened the bank account and Cllr Hill could write an agreement to transfer funds. Cllr Hill seconded. Unan.

RESOLVED that Mrs Sissons open a bank account and sign LPCs agreement to immediately transfer all funds raised to LPC.

21/63.8 Finance

Cllr Atkins proposed to approve the payments and receipts. He noted the financial summary and budget report. Cllr C Eastley seconded. Unan.

21/64 Clerk appraisal.

Cllr Rogers proposed that the Clerk was sent on CILCA training, and her pay was reviewed and upgraded after. Cllr Hill seconded. Unan.

RESOLVED that the Clerk find out about CILCA training from DALC.

Cllr Beatty, Cllr Rogers, Cllr Atkins and Cllr Hill agreed to complete the Clerks full appraisal with her via zoom.

RESOLVED that the Clerk arrange a date for her appraisal.

21/65 Footpath No.7

Cllr Atkins explained that the house at the top of the drive adjoining the footpath was built in 1935 and the footpath had always been alongside the house in the field and never up the driveway. There was a stile at the bottom of the field for the public to use and the stile at the top was for use of the house only. This footpath issue was a private matter between the landowner and DCC footpath officer.

A member of the public added that the public had been diverted several years ago by the landowner. He also added that the gates to the field had been recently locked to prevent people walking all over the agricultural land. He added that if the footpath appeared too

wet and muddy then people should use the road instead. Cllr Atkins explained that the fences had been added along the set paths to stop members of the public walking across the fields. Cllr Ingham added that now the pathway had become dangerous especially in wet weather. He reminded everyone that this was the East Devon Way. The Chairman asked the Clerk to bring it to DCC's attention. The Clerk queried that she would have to clarify the rules and expectations when using public footpaths before reporting the issue. Devon County Cllr Scott interjected and explained he would ring the Clerk to discuss this issue in more detail with her. He would also discuss this with Mr Sam Jeffcoat, DCC public rights of way officer.

21/66 Reports from the Chairman, East Devon District Councillors and Devon County Councillors.

The Chairman congratulated both Devon County Cllr Trail and Scott on being elected to represent the area for another four years.

County Cllr Scott congratulated Cllr Trail on being voted as Chairman for Devon County Council. Cllr Scott reminded all members of LPC that both he and Cllr Trail had asked for a four-year plan of issues and aspirations for the Parish and they would look into them. Cllr Scott asked LPC to advise where LPC would like yellow lines added and removed to ease the parking issues in the Parish. He added that electric cars would be on the increase and as Lympstone already had many parking issues, charging points would also need to be considered. Lympstone had a lot of homes with no drives so LPC would need to suggest where charging sites could be allocated for the future. A member of the public asked how charging points would be policed. Cllr Scott explained that enforcement officers would do this.

Cllr Atkins asked on behalf of Cllr Tyrrell why there were 'slippery road' signs leading to the A376 but not on the A376. He also added that when the A376 was resurfaced there was still temporary road signs left behind. Cllr Scott agreed to get these removed. Another member of the public queried if DCC had been reclassifying roads and quiet lanes. Cllr Scott explained that many roads were being reclassified on quieter green roads. He also added that any ideas for road changes in the Parish could go to him directly for further discussion.

District Cllr Ingham told LPC that EDDC had a new Chairman, Cllr Ian Morris and he was looking forward to working with him. He explained that there was an investigation into bullying issues at EDDC where officers had received 'added stress through intimidation from senior figures'. Cllr Ingham added that this was totally unacceptable behaviour and would be reporting to LPC again once fully investigated.

9.15pm Cllr Ingham and Cllr Scott left the meeting.

21/67 Planning applications

21/1512/FUL - Erection of a sustainable zero carbon live/work development to include creation of a productive landscape rich in biodiversity at Land North East Of Atlantis Courtlands Lane

The applicant spoke and had produced a presentation of his planning proposal. This covered the sustainability of the new one storey, timber frame construction, with raised floor, solar energy, waste composting, rainfall harvesting, drainage, wildlife and habitats. He highlighted the relevant LNP, East Devon Local Plan, East Devon Climate Change policies, the characteristics of local buildings, affordability, the minimal impact on the skyline and images to support his vision.

Issues raised from other members of the public:

- What was the life expectancy of the wood?
- How would you access the site to build?
- It would set a precedent to other applicants.
- It contravened LNP, local plans and NPPF.

- It would not be an affordable home.
- The site is a green field site.
- The site was already full of wildlife.
- The access lane was too narrow for emergency vehicles and refuse collectors.
- Must protect the Green wedge.

Another member of the public added that she knew the site well and the piece of land was currently unusable for growing crops or grazing animals. She felt this application in design and sustainability was the future and should be supported. Another member of the public believed if a project was sustainable it was permitted.

Cllr Atkins felt the idea was brilliant but in the wrong place. Cllr C Eastley felt the proposal was innovative and should be the way forward. Cllr Hill felt it was a project better equipped with future global warming than other new builds. Cllr C Eastley proposed a site visit. Cllr Rogers seconded. Unan.

RESOLVED that the Clerk arrange a site meeting with the applicant.

The Chairman requested permission to extend the meeting. Cllr Atkins seconded. Unan.

RESOLVED that the meeting would continue until 10pm.

7/7/21

Dear Mr Trail and Mr Scott,

I write to protest on behalf of my mother, Mrs Susan Goddard, on whose land person or persons employed by Devon County Council have decided, without warning and without her permission, to cut the grass on a public footpath running across her land. In doing this they have not only destroyed a number of whips, which were planted to make a hedge, they have trespassed on land that does not belong to the Council.

We believe that DCC's PROW employee, Sam Jeffcoat, may have been responsible for this. This is not acceptable and we expect DCC to apologise and to pay for making good the damage caused.

A great deal of time and money has been expended by my mother and others to improve the public footpath that runs over her land. Apart from the planting of 500 whips, the entire route taken by the footpath, from near Longbrook Lane to Underhill has been tidied up, fenced and greatly improved by the laying of hardcore on the path itself. All this has been done at minimal expense to DCC.

In financial terms, the cost of undoing the damage caused will be considerable. The ruined whips will have to be replaced this winter; they will have to be that much bigger to match those that have survived; we will not be able to benefit from the volume discounts, and the labour costs for replanting will add significantly to the cost.

In terms of the correct procedure, Mr Jeffcoat is to be reminded that he should, at the very least, contact the landowner, over whose land the footpath runs, first and then offer the services of DCC. He should also take the trouble to inform Lympstone Parish Council of his plans. Neither Mr Jeffcoat nor anyone else from DCC contacted my mother and we are not aware that he or anyone else informed the Parish Council of what was about to happen.

I would add that in all the time my mother has lived at The Mill, from 1963, she has looked after the public footpath over her land at her expense. In all that time, with the exception of the installation of a kissing gate and an occasional sign, the Council has done nothing in respect of maintenance and she wishes to keep it that way.

I am sorry to bother you with this but we are very upset and will not be happy until we have both an apology and an agreement to pay for making good.

I look forward to hearing from you.

Yours sincerely,
Stephen Goddard

iv) S106 Update - Lympstone Sports Projects - £3,798.18

	Project	Cost if given	Maintenance and site ownership	Comments
1	A ground level/built in trampoline	Not affordable within the money but could be used to match fund one.	Would be PC land. PC agree to take on maintenance for a minimum of 10 years and agree to sign a grant agreement for a minimum of 10 years.	Lympstone Parish Council PC was hoping to put a ground level trampoline into the play area design. Match funding would be available.

2	Convert the big old dead tree into a climbing frame.	<i>Unknown costs – could be included as part of the match funding the PC are trying to get together for the play area. PC to look into costs.</i>	Will need maintenance as the tree deteriorates to keep it safe, for example the Luccombe Oak in Phear Park. Would be PC land, PC would agree to take on maintenance for a minimum of 10 years and agree to sign a grant agreement for a minimum of 10 years.	Lympstone Parish Council <i>Would be eligible as long as it's insured and lasts for a minimum of 10 years. Parish council as landowner would need to investigate costs, consider ongoing maintenance and check it would last 10 years and be insurable.</i>
3	A trim trail	A very small one would be affordable. Match funding could be found by the PC to put in a bigger one as part of the play area project.	Would be PC land. PC agree to take on maintenance for a minimum of 10 years and agree to sign a grant agreement for a minimum of 10 years.	Lympstone Parish Council
