PARISH COUNCIL NEWS

The PC meeting was held on the 21st June. The date was later than usual due to the Covid19 restrictions.

Clerk's Report – AGAR 2020/21: The Clerk presented all the necessary AGAR certificates and statements which were agreed by the PC. The Clerk would publicise the Notice of Public Rights from 24th June in all noticeboards and on the website. All documents would have to be sent to the external auditor by 30th June. **LPC Financial Regulations Policy:** The Clerk explained that LPC financial regulations needed updating. She had reviewed the regulations and had previously sent out amendments to all Cllrs. The new financial regulations were agreed and would be added to the website. **Friends of Lymptstone Open Spaces (FLOS):** The Clerk updated all members on the progress of the play area refurbishment. She explained how hard the FLOS group was working to present visuals to the community and raise funds. The Clerk requested additional funding from the PC towards the project and a further £10,000 was kindly allocated and ringfenced by the Council. This now means the PC have a total of £20,000 reserved towards the play areas in Candy's Field. The Chair also proposed that the S106 money from EDDC was allocated in its entirety to the play area refurbishment. This was unanimously

agreed. This is a promising start to the funds necessary but at least a further £50,000 will still be required. Please do get in touch with either myself, the Clerk: lympstonepc@gmail.com or Mr and Mrs Sissons: robsissons@outlook.com lauraksissons@outlook.com to share any further fundraising ideas! The PC would like to say a massive thank you to a local child, Andrew, who has worked tirelessly holding a weekly cake sale and raising £200 towards the play area refurbishment. Thank you, Andrew!

S106 Funding: Lymptstone Parish Council and East Devon District Council are working together to improve Candy's Field play area.

What do children aged under 5, and young people aged 11 to 14 want Lymptstone's play area to have in it? Children and young people that live in Lymptstone can find out more and have their say using this anonymous questionnaire: <https://wh1.snapsurveys.com/s.asp?k=162488433175>

If you're the parent or carer of a young person aged under 5, please fill it in with them.

NB: All children aged 5 to 11 that go to Lymptstone Primary School have already had their say at school. They don't need to fill in this form. Anyone aged 5 to 11 that lives in Lymptstone

but doesn't go to Lymington Primary School can use this questionnaire to have their say.

Have your say on how £27,000 is spent on facilities for young people in Lymington! We are asking for your help. If you're aged 11 to 18 and live in Lymington, please fill in this short questionnaire: <https://wh1.snapsurveys.com/s.asp?k=162497877161>

Both surveys must be completed by 5pm on Friday 23rd July 2021. We, and the parish council, would be very grateful for any help you could give. Thanks, Jamie Buckley, Community Engagement and Funding Officer, EDDC jbuckley@eastdevon.gov.uk

Clerk appraisal - The Chair proposed that the Clerk was sent on CILCA training, which was agreed, and a date would be set for a full appraisal.

Reports from the Chairman, East Devon District Councillors and Devon County Councillors -

The Chairman congratulated both Devon County Cllr Trail and Scott on being elected to represent the area for another four years. County Cllr Scott congratulated Cllr Trail on being voted as Chairman for Devon County Council. Cllr Scott reminded all members of LPC that both he and Cllr Trail had asked for a four-year plan of issues

and aspirations for the Parish and they would look into them. Cllr Scott explained that many roads were being reclassified as quieter green roads. He also added that any ideas for road changes in the Parish could go to him directly for further discussion. District Cllr Ingham told LPC that EDDC had a new Chairman, Cllr Ian Morris. He explained that there was currently an investigation into bullying issues at EDDC where officers had received 'added stress through intimidation from senior figures'. Cllr Ingham added that this was totally unacceptable behaviour and would be reporting to LPC again once fully investigated.

Environment: Exe Estuary: Cllr Staddon reported that the Marine Management Organisation was investigating the dredged sludge from the boat store in the Harbour.

Lymington Primary School Sports Day – On Wednesday 23rd June, the sun shone, and the local primary school held their sports day on Candys Field. It was a glorious day and parents were allowed to attend activities with their child's class during the morning. At lunchtime, there was a socially distanced picnic for the children and their parents. It was a view to behold, there was a real positive, community spirit and a much-needed boost for everyone.

Gordon Messenger Centre – On the 24th June, the Chair and Clerk of Lympstone Parish Council were invited to a 'meet and greet' with the Commanding Officer, Lt Col Chris Samuel RM, at the new Gordon Messenger Centre at CTCRM. The new building is open to military families both old and new with a variety of facilities on offer including a kitchen, outdoor play area, large event/activity space, meeting and conference rooms and all disabled accessible. There was a friendly, welcoming atmosphere and it is hoped that the new centre provides the necessary access and support to groups, including welfare and mental health. Amongst the regular activities planned are coffee mornings, playgroups, cadet meetings and training sessions. It is estimated that more than 50,000 serving personnel and their families will benefit from the centre over the next 30 years, and it will also serve as a focal point for many thousands of veterans and their families.

Lympstone Football Club – As the club grows in popularity, LFC are looking for additional space to play matches and train on. If there are any landowners who would be interested in helping, please contact George Webster at: JgeorgeWebster@aol.com

Gentle reminder – Another gentle reminder to dog owners. Please pick up after your dog when walking through

and around the Parish and please keep dogs on leads where signage requests.

The next PC meeting has been postponed to the 19th of July, at 7.30pm in the Village Hall, when all Government lockdown restrictions are due to be completely lifted.

THE HERALD HISTORY SPOT

The Great Lympstone Fire

produced by Lympstone History Society

On June 12th 1833 a lighterman by the name of Lyddon, living in Quay Lane, rose early to catch the ebb tide. He lit a fire to cook his breakfast and left his cottage at 3 a.m. with the fire still burning. At about 6 a.m. his thatch caught fire, presumably from sparks from his chimney. The fire quickly spread to other roofs in that densely populated area.

The first fire engine – from Nutwell – did not arrive until after 8 a.m. and was followed shortly by engines from Exmouth and Topsham. By mid-morning three more engines arrived from Exeter and by midday the fire was extinguished. By that time most of the houses in Quay Lane had burnt down and the fire had spread to the other side of the Strand as far as the workhouse, at the corner of Underhill where The Haven now stands.

58 houses were destroyed and 248 people were left homeless, with nearly 100 completely destitute. Donations for the relief of the homeless started in the village that afternoon and were followed by collections in Exmouth and Topsham as well as further afield, including a national appeal.

The Quay Lane area was quickly rebuilt, as the Tithe Map of 1839 shows. The rebuilding was carried out in brick and stone with slate or tile roofs since

the traditional combination of cob and thatch was held responsible for the rapid spread of the fire. This is why those common Devon materials are not to be found in this part of the village.

This is an enjoyable day out for families of all ages - combined with as much, or as little, exercise as you choose! This year's event will be on Saturday 11th September, please book the date in your diaries now! Contact Basil Strickland on 266935 or Basil.Strickland@gmail.com if you want more information in the meantime.

LYMPSTONE GARDEN CLUB

The Annual Show organised by Lympstone Garden Club has been cancelled, the uncertainty surrounding the pandemic has left insufficient time to prepare. However, we can offer a full season of talks through the winter starting on 26th October with Peter Cantrill speaking on Plants that Excite followed by our short AGM on 16th November and a talk by Lesley Weekes, Handy Hints for the Thrifty Gardener, more details to follow.

We are fortunate in Lympstone to enjoy the full spectrum of both wild and garden flowers; many houses are adorned with climbing and shrub roses and the hedgerows with dog roses plus the abundance of annual and perennial garden blooms. The footpaths and green spaces are well populated with our English native plants from buttercups and clover to valerian and yarrow, not forgetting fragrant honeysuckle and many grass varieties catching the wind. The garden escapees tiny pink daisies (Erigeron) and blue campanula soften hard landscape features colonising

our walls and paved areas, both easy to grow! British wild (and garden) flowers have wonderful exotic botanical names, for example *Bellis perennis* and *Taraxacum officinale* translate to daisies and dandelions.

Now is the time to enjoy our summer colour and feast on the fruits of our labours.

LYMPSTONE BROWNIE PACK

Very sadly, Lympstone Brownie pack will be closing at the end of this term, as Guiding rules mean there must be two qualified guiders present. However Lympstone Brownies have been invited to join Brixington Brownies from September, which is lovely as they meet on zoom every week. Brown Owl (Rosie Jones) has been running the Lympstone Brownie pack for 18 years, and we are so sorry to say goodbye to her and the Brownie Pack, which has brought so much joy to so many people. We will be celebrating and saying thank you and farewell to Brown Owl for so many years of amazing work, on Wednesday 21st July at 6pm on Candy's Field at a Family Picnic - if you are a current Brownie, or a past Brownie or family, please do come along to celebrate!

A LITTLE GRATITUDE TO TWO VILLAGE LIFELINES DURING LOCKDOWN

A kind lady there is named Susannah
For whom we should carry a banner
'Cos the cakes that she bakes
And the pies that she makes
Are ALL in the Cordon Bleu manner.

As nice visitors come more and more
By the trail that leads down by the shore
She warms body and heart
As they queue yards apart,
With the goodies she serves at her door.

Anonymous

Another Lifeline.

Another kind word may I drop
At the door of our good village shop.
For the lonely and old
The faint hearted and cold
The Staff's Happy cheer never stopped.

When there's no one to speak to like
that
'Cept the flowers or the dog or the cat,
To bury such grief
With a sigh of relief
We go down to the shop for a chat.

Assistants will cease in their task
Just to talk to the sad one in mask.
With words of good cheer
And lending an ear.
What a wonderful gesture to ask.

So Good Luck to our kind village store
Who has helped our good health to
restore.
When Lockdown has ceased
Prepare a fine Feast
With our thanks from the heart to
outpour!

THE RESTORATION OF COMEDY

Restoring theatre to Lympstone

Seventeen months after the last Village Concert (on Leap Year Day 2020), Lympstone Entertainments has returned, to entertain us with a play to restore our spirits!

Cygnets Theatre, Exeter's Drama School for training young actors, makes an annual visit to perform in Robin and Judith Telfer's garden. Last year, of course, their tour was cancelled. But now they are back, appropriately with a Restoration Comedy, on Sunday afternoon, 18th July.

The play they are presenting, *She Ventures & He Wins*, was written in 1696 by the mysterious "Ariadne", an unknown young woman. Full of high spirits and low tricks, cross-dressing, confusion and deceit, this is a delightfully playful comedy, with women resolutely on top.

For advance notice of all future Lympstone Entertainments performances, please visit the website on www.lympstone-entertainments.net. And you can sign up to the newsletter Drumbeat, free of charge, to receive the very latest information directly to your inbox, by sending your email address to contact@lympstone-entertainments.net.

FRIENDS OF THE CHURCH

Rain threatened, but in the end failed to stop our annual cricket match at St Peter's last month and a good crowd enabled over £220 to be raised for the Friends. Thank you to all who came along. Next year I hope to be able to report a Lympstone win too!

The sole purpose of the Friends' charity is to raise money to help keep our ancient church building in good repair. Our major fund raising activity is the Lottery which has a monthly draw through the year. Usually this starts in April but, as explained in the April Herald, we had to postpone ticket selling because of Covid-19 restrictions. So we put off ticket sales until the autumn and will then have 2 winners each month from October through to March next year. One £6 ticket gives 12 chances of winning one of the monthly £25 prizes. Ticket selling will begin in August. Sales are made door to door but not everywhere in the village. So if no-one calls on you and you would to buy a ticket please do contact me (as below).

BACK TO THE FUTURE - The Return of Cinema to Lymptone

Lymptone Film Society's 2019/20 season was cut short. We could not show our March and April films. And we had to abandon the whole of the following season. BUT NOW WE ARE BACK, and are happy to announce that a new programme begins in September, with no fewer than NINE films, including the two that were lost to the pandemic.

The season opens with *Knives Out*, the entertaining American murder-mystery starring Daniel Craig, and ends in May with *The Constant Gardener*, based on one of John le Carré's own favourite novels.

Membership is only £20. Join now by contacting Helen Dimond: dimond@hdimond.plus.com (There is a bonus film for members at the AGM next month, 20th August) Further information from www.lymptone-entertainments.net

LYMPSTONE VILLAGE HALL - ANNUAL MEETING AND CELEBRATION

We feel like celebrating! We thought we should gather together (as long as regulations permit) to celebrate our first AGM as a CIO (a Charitable Incorporated Organisation). The AGM is being held in the Village Hall (main hall) on 28th July at 7.30pm, and we hope some of you will be able to stay on for a glass of wine with us. We aim to keep

the meeting brief, with a report from our outgoing chairman Don Mildenhall; a financial report from our treasurer Steve Morgan; an introduction to your Trustees and a welcome from our new Chair, Carrie Darby. All those living in the parish are welcome to attend. We hope to see you there!

HATS OFF TO SOUTH WEST WATER!

Heathfield Allotment Trust (HAT) are celebrating the arrival of 30 new Water Butts courtesy of South West Water. The grant which was applied for and awarded in April, is worth nearly £1,000 and will help the Trust reduce the use and cost of 'town' water. And rainwater is so much better for the plants too!

Trustees Mandy, Carrie & Sue, pictured here unpacking the delivery, along with the other Trustees are so grateful for the support the team at South West Water

have given them – especially Holly Corns. The Water Butts have been allocated to plot holders who have a shed or greenhouse without an existing rainwater harvesting system or to run in series with an existing one. All they need is a bit of guttering or connections to get these water butts filling up fast.

You may not want the rain but the HAT team do!

FLOS - CANDYS FIELD UPDATE

The FLOS group have had an exciting month! We now have three companies exploring schemes to refurbish Candys Field Park, if we can get enough funding, there is the potential to make this happen before the end of the year...

As set out in the last Herald, there is a gap between the money we have and the money we need, so to help reach the target, we have been applying for grants and looking for support from local businesses and individuals. There are opportunities to sponsor individual pieces of equipment with a personalised plaque, have your branding or name on signage or to simply remain anonymous.

It's a tough challenge raising money, but fortunately we've had some help from some of the younger members of the community!

"My name is Andrew and I'm 8. I started doing my cake sale because I go to Lympstone Primary School and we all use the playground a lot. Currently all the playground has is a train, playhouse, one swing and a tower which used to have a slide that got taken away because it was broken.

I really wanted to get a new playground as soon as possible, so I thought I could do a cake sale. My mum thought it wouldn't work because of covid-19 but I was confident, so with the help of my sister Erin (who is 3) I set to work. Lots of people helped by making cakes or buying things. In less than one month we raised a whopping £182.36! We are going to do two more cake sales on the 14th of July and the 28th of July from 4-5pm opposite The Globe, so we hope to see you there!

Wait until the next herald to find out how much we have raised! I hope lots of other children will raise money too so we can have a nice playground to play on soon!"
