## PARISH COUNCIL NEWS

LPC held their monthly public meeting on Monday 1st November in the Committee Room of the Village Hall. A new Chairman and Vice Chairman was voted for the remaining municipal year. Congratulations to Cllr Keith Hill for the position of Chairman and to Cllr Di Beatty for the position of Vice Chairman.

**Clerks Report** – The Clerk presented LPC policies and a 5-year plan which were all agreed and approved. The 5-year plan would be a fluid, working document to guide focus and clarity for the PC. The PC unanimously supported a grant application from the History Society to continue the sterling work they do to preserve and protect the rich history Lympstone has. Thank you to all the members who continue this work to keep the past alive in our Parish! It was agreed that Cllr Beatty would represent the PC and lay a poppy wreath on Remembrance Sunday. The Clerk shared a letter of thanks to LPC from Andrew Patterson, private secretary to HM The Queen for the thoughtful letter of condolence on the sad passing of The Duke of Edinburgh. LPC now have a casual vacancy position and if anyone would be interested in joining the PC then please write to myself, the Clerk, for more information – we have a lovely team who would be most welcoming and supportive to have you on board!

### **Reports from EDDC and DCC Cllrs**

– EDDC Cllr Jung explained that the recently felled trees on Woodbury Common were part of the forestry work by Devon Clinton Estates. Cllr Beatty added that all up to date information regarding ongoing work on the Common could be found on the Devon Clinton Estates website. DCC Cllr Scott explained that Cllr Trail would be laying a poppy wreath in Exeter, and he would be laying a wreath in Exmouth for the Remembrance services on behalf of Devon County Council.

**Lympstone Football Club** – Cllr Hill reported that the PC wanted to see the children playing football but as safely as possible on the pitches in Candy's Field. He explained that negotiations were taking place between the PC and FC to resolve outstanding issues.

### **Community Asset: Methodist Hall**

– Cllr Atkins reported the new guidelines regarding community asset purchases. He explained the PC would need to remain open and transparent with the public and full support of the community was necessary to successfully bid and secure the building as a community asset. It was agreed that there should be a community working party created to generate and maintain the interest for the Parish. Therefore, if anyone would like more information regarding the

creation and/or joining the new group and support the purchase through a donation, crowdfunding, grant, or other funding events then please contact Cllr Atkins, Tel: 01395 264003 or Email: dga.potters@btinternet.com

NB: Full details of the Methodist Hall as community asset can be found in last month's edition of the Herald.

**Communications:** LPC still have a vacancy for a link volunteer to support with the running of the village website, if you are technically minded and could help, please contact me, the Clerk, for further information about this role.

**Community:** Cllr Payne reported that she had submitted a grant application to the Marines Charity for funding towards the play area in Candy's Field. She should be able to report at the next meeting if her application had been approved or not.

**Transport and Parking:** Mr Stratford from the Getting Around Group reported on the recent traffic and parking surveys undertaken in the Parish. He added that the Getting Around Group were very much looking forward to working in conjunction with the Active Travel initiative.

**CTCRM** - It was agreed that Cllr Payne would be the new link Cllr for the PC.

**Police Advocate** – Cllr Hill explained that he would be attending a seminar in due course to meet senior police officers in the County and discuss local issues.

**Gulliford Joint Committee** – Cllr Staddon reported that the open day at Gulliford Burial Ground had been a huge success and the work completed had transformed the burial site. She thanked all the volunteers for their ongoing, committed effort and perseverance with the project. All made possible with the secured funding from the Heritage Lottery Fund. This completed work would now preserve the history and artefacts of the site for many future generations to learn about and enjoy. It was agreed that Cllr Beatty and Cllr Staddon would join and represent LPC on the Gulliford Joint Committee with Woodbury PC.

The next PC meeting will be held in the Meeting Room (was Committee Room) at the Village Hall on Monday 6th December at 7.30pm.

*Clerk to the Council:*

## LYMPSTONE PARISH CHURCH

Advent begins Sunday November 28 with morning prayer at 8 am and Communion service at 9:30.

Throughout the season, celebrating the birth of Jesus Christ, we'll be hosting a carol service, carols around the village, Christingle, the Churchyard Nativity scene and other services, Keep an eye on the noticeboard or join 95 others by requesting the weekly news by email. Send a request to 'Pete' on [lympstonechurchweekly@gmail.com](mailto:lympstonechurchweekly@gmail.com).

Regular Services on Sundays are:

1st & 3rd Sunday ALL AGES Worship  
9.30 am

2nd & 4th Sunday Parish Communion  
9.30 am

1st, 2nd, 4th & 5th Sunday Morning  
Prayer 8.am

3rd Sunday Holy Communion 8.am

The ALL-AGES services are part of The Journey, "A Fresh Church Experience" Each are theme based & informal and have been a great success in reaching a wider range of people from retired, singles, parents & kids to babies. The final one in this series is CHRISTMAS CAFÉ CHURCH on December 5th at 9:30. Church with a DIFFERENCE! Music, songs, and fun for Kids. A creche, coffee, tea, croissants and... "Bacon Sandwiches". The theme is: "Why was God in a manger?"

Also on Sunday December 5 at 7 pm there'll be a SERVICE OF LIGHT. Where the congregation remembers people or opportunities or wellbeing they lost during COVID. A chance to remember, seek God's comfort & healing, and move into Christmas with fresh hope.

UPDATE: The new state-of-the-art AUDIO VISUAL system is fully operational and works extremely well in augmenting services and events – with live streaming, text, film, images

It had its first major test – when the church hosted a charity fun BIG QUIZ NIGHT OUT last Friday Nov 19. In aid of TEAR FUND – A Christian charity partnering with 50+ churches in the world's poorest countries. The questions came visually from Tear Fund Hosts in London. Attendees in groups of four, strained to answer questions ranging from sports to history, art, etc – as they sipped wine while arguing over answers. Peter Walsham organized & ran this very successful inaugural event. Donations accepted by the new card reading machine.

These great new facilities are available for any village group, club or society.

Charities: The church helps locally by volunteering and giving gifts of £4,000 a

year to charities like the Exmouth Food Bank and Open Door. We help beyond to USPG plus a separate collection and events for Christian Aid and Tear Fund.

Quiet Prayer Time with Demelza at 11.30 on every Wednesday on the 1st, 2nd and 4th Wednesdays.

TICK TOCK for toddlers, babies and parents/carers who may have tea or coffee. Every Friday in term time from 9.30

LYMPSTONE UNLOCKED. 5 to 6 pm on Sundays, monthly. 7 to 11 year olds.

## **LYMPSTONE PRIMARY SCHOOL READING SPINE**

To ensure our children receive a rich and varied diet of fabulous reading material during their time at Lymptone Primary School, we have put together a 'Reading Spine' for each year group. These stories will be read to and enjoyed by the children over the year.

We have some of the books we need but we are missing quite a few so we need your help!

Please help to purchase these fantastic texts for our children by donating as much as you feel you would like to. We suggest £5 would allow us to purchase one book on average.

For info phone Fiona 0793 594 030

Need to Talk? for a sympathetic ear, a prayer, advice or some peace in your life phone Demelza on 272 243.

**PRAYER NETWORK** A caring band of Christians ready to pray for ANYONE in need. Call Vanessa t: 224 734 or Demelza 272 243.

*Brian Mather/Pete Simpson*

In return, we will place a special insert into the front cover of the book(s) with your family name on so that future generations of children will know who provided the gifts that let them "Dream with their eyes open".

Please let me know if you would like further information. The best way to donate would be by contacting the office on 01395 266580 or [admin@lympstone-primary.devon.sch.uk](mailto:admin@lympstone-primary.devon.sch.uk)

# FURRY DANCE CHRISTMAS EVENT

**Santa and Mulled Wine : Sat Dec 11th 2021**

Plans are well underway for this year's event. If you haven't joined in with these festivities before, this is the year to come along, especially after last year's enforced absence. The Village Hall is the venue, and Roger Riggs and the band will use the stage to provide the festive music.

There will be ample space for more tables and chairs to accommodate those who like to sit and listen whilst enjoying their refreshments with friends. Santa is looking forward to driving through the village, so give him a wave as he passes in his chauffeur driven car.

His route will take him from outside the Swan at 9am, up Burgmann's Hill and Greenhill Avenue, before starting again on Trafalgar Road around 9:20, heading

around the houses before heading down Strawberry Hill around 9:50, along Church Road and up School Hill for arrival at the Hall at 10:15am. The timings are all approximate.

The band will welcome him, and we look forward to a festive atmosphere with our usual old favourites - Santa's grotto, a Christmas draw, mulled wine/coffee and mince pies.

All Welcome: - 10:15 to 12:30 (Santa arrives 10:30)

Entry £3.50 per adult, to include mulled wine or coffee and a mince pie and children are £1.50, which includes a drink of squash, a biscuit and a visit to Santa's grotto, including a small gift. Look out for the posters, and we hope to see you there.

\*T's & C's apply. Cannot be used in conjunction with any other offer. Only available on properties that have completed by 31st December 2021. Stamp Duty will be paid on selected properties up to the value of £500,000.

## THE HERALD HISTORY SPOT

Lympstone Church Organs

**produced by Lympstone History Society**

Music has long been part of the Church of England service, often produced by a church organ with towering pipes soaring to the ceiling. This was the case in Lympstone. In 1852, the Exeter Flying Post newspaper recorded that 'a new organ has been presented to the parish by Col. Lee of Ebford.' The organ was built by Mr Dicker of Exeter and the organist was Mr Russell. It was hoped that such a generous gift would encourage other members of the gentry to come forward with funds for the church building itself. At the time, the pillars of the north aisle that supported the spread of the roof were thrown many inches out of perpendicular. In addition there was a need to increase the size of the vestry. Previously, for want of seats schoolchildren were forced to huddle into the belfry behind the organ. There was success. In June 1863 there was a report that 'the new church at Lympstone from the design of Mr Ashworth, progresses rapidly.' And that 'Traces of St Christopher were found painted as a mural, behind the north aisle.' By 1864 a new font, pulpit and stained glass windows had been gifted plus many other donations. The organ was at the end of the north aisle with a warming apparatus underneath. In 1886, a bazaar in aid of a fund for the erection of an organ chamber and

vestry was held. The cost was to be £360.

But so to the more recent present. In 2004 Mr Lupton & myself listened to the organ built by Norman Bros & Bread of Norwich being played for the very last time by the gentleman who had been employed to remove the organ to enable increase of the size of the vestry and the addition of toilets. Gone now are the different size pipes, double keyboard, wooden foot pedals and musical knobs with names such as 'Open Diapason' and 'Swell to Pedal'. Tucked away is a stained glass window of an angel playing the organ dedicated to Mr Samuel Sheppard, organist & choirmaster. The church still has its music now accompanied by a modern keyboard. Times move on.

*Angela Coles*

# A BIG THANK YOU!

We extend a huge thank you to all our clients and buyers for a record-breaking year of sales. We look forward to helping many more people with their move in 2022.

## NEW LYMPSTONE ARTIST WINS AWARD

Lympstone Art Group's AGM was held on 19th October at Lympstone Sailing Club. It was so good to meet members and have a drink and socialise again.

Our membership is around 70 and we run Art Workshops throughout the year and hold an Exhibition in the Village Hall in May. We also hold Art and Craft sessions on Monday and Tuesday mornings and if there was enough interest, we would also run a further morning on a Thursday. If anyone would like to join the Art Group, please get in touch – the subscription is only £10 a year -contact [judith\\_carter@hotmail.com](mailto:judith_carter@hotmail.com). We are also looking for anyone who would like to be actively involved in helping organise events or

trips or helping with general admin. We welcome new members and all abilities- we are a very informal fun group.

At the AGM we run a competition for those present to choose their favourite piece of Art brought along and displayed at the meeting. We had about 20 entries and the winner this year was our newest member Adam Webber for his water colour. Adam was very pleased to win the trophy and voucher presented to him and explained he had only recently taken up painting, so it was a great boost to his confidence to win this award.

*Judith Carter*

## POLLUTION OF WOTTON BROOK

Following the erection of signs relating to pollution of the Wotton Brook a member of the public has asked us to publish the following emails from the Environment Agency to provide further information and advice to other members of the public who are concerned about this issue.

*Further to your email regarding [a] complaint about pollution to the Wotton brook in Lymestone from 'The Workshop' I can confirm that a visit has now been made by myself and Environment Officer Doug Parker.*

*We have checked the brook and there are no signs of pollution from the sewage treatment package. The treatment package is a high spec unit which will treat the sewage to a level which it is acceptable to discharge to a watercourse without there being any detrimental environmental impact. We have examined the outlet pipe and there is no sewage fungus in the pipe or other indicators of pollution. The package plant is suitable for installation where there is a risk of flooding – it has a non-return valve and the treated water is pumped out rather than gravity fed. As the package plant is not causing any detrimental environmental impact no further action will be taken by the Environment Management Team.*

*We have been informed that an officer from East Devon District Council's Technical Officer (Private Housing) that he has visited the property/brook and has no issues with the package plant from a nuisance/health aspect.*

*At the time of our visit two local dog walkers approached us and expressed concern about the detergents being discharged to the watercourse – they pointed out the bubbles in the water when the discharge was pumped out which they thought were evidence of detergent discharge. We were able to allay their concerns by explaining to them that the package plant aerates the effluent and this is the reason for the bubbles – which quickly disappeared upon entry to the water. We also were able to advise them that no solids are discharged. They agreed that there was no evidence of any discharge of any solids.*

*We understand that there has been consultation with the local authority's building control and that the owner will take the necessary steps to obtain a Building Regulations regularisation certificate for the treatment package plant. East Devon District Council may wish to consider whether they wish to take any steps with regards to any breach of planning consent/any need to apply for retrospective consent if necessary.*

*I hope this clarifies the situation. Please feel free to forward this email [...] regarding the outcome of the investigation carried out by the Environment Agency.*

*Regards*

*Nicola Rumsey  
Environment Officer  
Land & Water Team, Devon, Cornwall  
and the Isles of Scilly  
Environment Agency, Manley House,  
Kestrel Way, Exeter, EX2 7LQ*

*Further to this I was more concerned over the amount of dog faeces that has been left by irresponsible dog owner along this area of the footpath and the river bank opposite the discharge pipe, if the local children do play in this area of the Brook during the warmer months then this dog mess issue would be a major concern for me if I lived in the local area. I would suggest that you ask your local dog warden about if it was possible to install a CCTV for a week or so, just to cover this stretch of footpath, you might get lucky.*

*Kind regards*

*Doug Parker  
Environment Officer  
Land & Water Team, East Devon,  
Cornwall and the Isles of Scilly  
Environment Agency, Manley House,  
Kestrel Way, Exeter, EX2 7LQ*

## LYMPSTONE GARDEN CLUB

We are having some very warm days for November and I am pleased to report that our large strawberry tree's tiny white bell-shaped flowers are attracting not only masses of bumble bees but also lots of butterflies. I hope they hibernate successfully and increase their numbers next year. I notice frogs and toads are still active. So are the slugs which are a major part of a frog's diet (so eat up please), whereas toads prefer flies, spiders and grubs. Don't forget to clean out bird boxes so that birds can shelter in them over winter, and continue to give us pleasure as they visit bird feeders and baths.

It is now the time of year for major leaf gathering in order to make that wonderful soil improver, leaf mould. It is easy to make a container with four pieces of narrow wood or poles and some chicken wire, or failing that, some bin bags with a few holes near the bottom. Good exercise and something the children can help with as well.

Other jobs in the garden include pruning apple and pear trees (winter pruning for improving vigour and summer pruning for increasing fruiting), applying grease bands to prevent pests, especially earwigs, crawling up the trunks, and checking ties to ensure they are not rubbing; keeping on top of weeds which are still growing strongly (annual weeds

just need hoeing); taking hardwood cuttings, and if you still have time, cleaning pots and seed trays ready for next spring!

We had an excellent talk on 'plants that excite' from Peter Cantrill, a nurseryman and plant enthusiast. His van was full of plants, large and small, and when set out in the Community Room of the village hall, they were a sight to behold. All were for sale and we were delighted that new people to the garden club as well as the regulars were given the opportunity to buy many unusual plants not always readily available. We have invited Peter to come back in September next year when he will have a good collection of herbaceous plants.

We are now looking forward to our next talk on 'Bulbs for Winter, and not just snowdrops' which will be given by Christine Skelmersdale on 18th January 2022.

Now the dark evenings are here, it is a good time to enjoy browsing through seed and plant catalogues, and maybe coming up with new ideas for spring planting.

Meantime, the committee wishes you all a happy and peaceful Christmas.

Jill Wilson

# Ride On

Cycling for All

## Donate a bike!

Help us get more people cycling.

Ride On is a bike recycling charity in Exeter. Our vision is for a cleaner, healthier, and more active city. We refurbish second-hand bikes – *since 2011 we have put over 3800 bicycles back into use in Exeter and Devon.*

### If you have a bike you no longer need, why not donate it?

If you can deliver it to the Ride On workshop that's great (see address below). If not, we have bike drop-off points at the following locations:

- Briar Crescent, Wonford
- Lewis Crescent, Digby (St Loyes)
- Lymptstone
- Exmouth

Lymptstone Drop Off Point – 8 Grange  
Close, Lymptston, EX8 5DL.

## LYMPSTONE LIVING ADVENT 2021

Thanks to another tremendous response from the community, there will be even more advent windows sparkling around the village during December. Two windows in one day!

Visit one of our local businesses to pick up your free map and guide. They are available now from:

Seaglass Gallery in the Strand

Susannah's Tearoom, the Strand

Redwing Bar and Dining in Church Road

The Globe Inn on the Strand (re-opening 2nd Dec)

Central Stores, the Strand

Lympstone Parish Church (box in porch)

*Doreen Murray*

## A WASTE OF PLASTIC?

It is November and the COP summit is on. As I walk round the village, I feel we are a bit awash with laminated notices on the lamp posts and maybe we should or could have a think about reducing this particular load of plastic. I certainly plead guilty to posting notices sometimes. Has anyone got any suggestions for solving this matter while retaining the village sociability that the notices facilitate?

*Jenny Moon (Jennyamoon@gmail.com)*

## BOXING DAY SWIM

Sunday 26th December 10.30 am.

Come down to the Harbour to join the traditional festive dip. If you do not feel brave enough to take plunge, come and cheer on the participants. Changing facilities will be available in the Sailing Club and hot drinks will be on sale. There will be a CASH collection for our local RNLI. A great village event not to be missed!

*Judith Carter*

## FRIENDS OF THE CHURCH

As explained in the August Herald, our Lottery round had to start from October this year with 2 prizes every month from this October to March next year. The draw for October has now been done and the winners of the £25 prizes are Mrs Netherton and David Mountain.

*Clive Wilson*

*PS thank you to all who supported the Friends by coming to our Curry Lunch which was, as usual, a very enjoyable occasion and a welcome return to the Village Hall for this event.*

## UV AIR SANITISER INSTALLED AT LYMPSTONE VILLAGE HALL

During the last few months, the village hall has seen a huge number of improvements to its facilities. We have now installed a “state of the art” UV air sanitiser, incorporated into each of the 5 air conditioning units and covering the entire building. It will continually sanitise the air throughout your time in the hall by sucking air up into the units, where it is exposed to intense UV light and cleaned of bacteria, virus, moulds and odours. It will continually sanitise the air throughout your time in the hall. We felt this was a vital improvement, allowing the hall to be a much safer place for the whole community. We are the first village hall in the country to adopt this system.

We have recently installed a projector in the Committee Room, so we now have projectors and electric screens in the Main Hall, Function Room and Committee Room, and we have new energy efficient LED lighting in the Function Room. We hope Herald readers will also like our new sign at the top of School Hill, at the entrance to our car park.

Our sincere thanks to all of the village groups, and the Parish Council, whose donations enabled us to obtain and match EDDC funding for the planned improvements. Thanks also to Devon County Council whose ‘Reconnect Rebuild Recover’ grant funded the UV air sanitiser in full; Lympstone Art Group, who funded the Committee Room projector; and Mark Grabke for donating the dehumidifier to control humidity levels in the history archive.

It’s lovely to see our local community groups begin to hold film nights, creative classes and rehearsals for various productions again. It makes all the work and improvements worthwhile as people relax and enjoy the bright new spaces.

*Lympstone Village Hall Trustee & Management Team*

## GULLIFORD BURIAL GROUND 26TH OCTOBER

Tuesday 26th October event marked the end of major work to Gulliford Burial Ground's main structures, funded by the Heritage Lottery Fund. At the start, Justin Smallwood announced the winners of the sealed bids, Lelsey Weeks and Jane Moffatt for two paintings kindly donated by artists Doug Gilding and Marieangela Williams. The ceremony's ribbon cutting was performed by Prof Todd Gray MBE, a well-known Devon Historian, with words & blessing from Mr Robert Crick of the Sidmouth Unitarian Chapel, accompanied with music from Graham Banks & Friends, playing dance tunes from the 16th and 17th century. The burial ground, located on Meeting Lane in Lymptone is jointly owned by Woodbury and Lymptone Parish Councils, supported by The Friends of Gulliford Burial

Ground, whose role includes promoting and supporting the burial ground. The site celebrates the stories of the lost chapels, to the personal stories of the congregation buried there from Charles Baring, recently mentioned on BBC 1's *Who Do You Think You Are?* to a successful ship-builder / whaler trading off the River Exe, to an up and coming artist whose career was cut short. A new book produced by The Friends of Gulliford Burial Ground "Gulliford: A Burial Ground of Stories" is available through Amazon for £10. One of the roles of the Friends of Gulliford Burial Ground is to give free guided tours to groups and schools, for anyone interested contact through [www.fogbg.org.uk](http://www.fogbg.org.uk) for arrangements.

## LYMPSTONE HISTORY SOCIETY

Our next event is on Tuesday 7th December at 2.30pm (Function Room) when Angela Coles will be telling us about Gulliford Burial Ground in a talk entitled Gulliford: A Burial Ground of Stories, which is also the title of a new book that has just been produced. Some of you may have attended the official opening of Gulliford following the completion of the works to preserve this important historical site. To be on the safe side we decided not to hold a Christmas social event, so we are very grateful to Angela for stepping in to offer us this fascinating talk. We will continue to observe Covid precautions at our events, and we are delighted that the Village Hall's new UV air sanitising system will provide additional protection for us all.

We will have a bit of a break over Christmas and New Year, and when we come back in February we will return to evening sessions which will run on Wednesdays at 7pm. Our first talk in 2022 will be from Robert Hesketh 'Surnames in Devon and Beyond' on Wednesday 16th February at 7pm.

*Mary Turner*

*Secretary, Lymptone History Society.*

## LYMPSTONE LADIES

New monthly evening get-together!!

The first few 'Lymptone Ladies' afternoon get-togethers have been enjoyed by many and we feel in addition to these, it would be great to now start an early evening gathering too.

This will be a regular slot – 2nd Wednesday in the month 6-8pm and aims to be very informal – just pop in and enjoy some chat and drinks with other Lymptone ladies.

The first evening will be on:

Wednesday 8th December 6 - 8pm at the newly re-opened village pub, The Globe.

Hope to see you there!!

*Fiona Archer*

## CO-CARS FOR LYMPSTONE?

We hope that some villagers have found their car dependency has reduced since the various Covid lockdowns or perhaps in an effort to reduce fossil fuel dependency in the light of COP26. Perhaps you are considering becoming a 'one car' or even a 'no car' household? Could a car club be an option to help alleviate parking issues and traffic congestion? If you'd be interested to find out more please contact the editors. [lympstoneherald@hotmail.com](mailto:lympstoneherald@hotmail.com)
