PARISH COUNCIL NEWS

LPC held their monthly public meeting on Monday 6th December in the Meeting Room of the Village Hall. Midway through the meeting, the Chairman invited all members of the Parish Council and the public to join him for festive Christmas drinks and nibbles.

Clerks Report – The Clerk highlighted the fact that the quote for the play area refurbishments would cease at the end of Dec and had concerns of the current material and labour costs increasing. It was unanimously agreed by the PC to proceed with the order and works. The Clerk presented the CIL report to the PC which showed £55,126.87 received from new developments in the Parish. The Clerk was currently trying to find out from EDDC what this money was ringfenced and allocated for. The Clerk reported that the PC had received one interest from a member of the public regarding the PC vacancy. The candidate was present and co-opted on with immediate effect. I am really pleased to welcome Cllr Sue Francis to the team, and I will update the website with more information.

Report from the Chairman - The Chairman reported that he had been to watch the Pantomime ‘Aladdin’ produced by the Lymestone Players. He highly commended the Lymestone Players for such a professional performance.

He added there were some real stars and upcoming talent on the stage. Well done to all the cast and crew for all their hard work and dedication to produce such an uplifting and amazing panto! (Oh yes they did...!)

Report and update from LFRG - Mr Corcos and Mr Brewer were present to lead a presentation and report on the work of LFRG. The group began in 2017 and their main objective was to work with a collaborative and strategic approach to flooding in the Parish. The group was proactive with members of the public and a variety of agencies. The maps presented showed the flooding hotspots and the work undertaken to tackle these. There was computer generated predictions viewed to support the group make informed decisions to prevent future flooding. The Chairman thanked the group for their tireless and continued efforts to protect and keep the community safe.

Lymestone Football Club – Cllr Hill believed the PC and FC was finally able to approve the two new agreements for the use of Candys and Cliff Fields. Both the PC and FC have improved communications and respect to maintain and implement the agreements to allow the youth to continue play on Candy’s Field.

Community Asset: Methodist Hall –

Cllr Atkins explained that the Methodist Hall as a community asset had been publicly highlighted in the Lymptone Herald for the last two months. He reiterated that the PC wanted to try and acquire the building as a community asset. He added there was an open public meeting to be held on the 15th Dec to discuss this in full with interested Parishioners. The PC unanimously supported locally listing the building with EDDC to protect its future.

Communications: The Clerk reported that both herself and the Chairman met up with David Young to view how documents were added to the website. Mr Young explained that once a month he met with Mary Turner to discuss issues to resolve and improve the site. He was currently producing a user manual. Cllr Francis kindly volunteered to be the link Cllr with Mr Young.

Community: FLOS: Cllr Payne was happy to report that the grant application from the Marines Charity had been successful in securing £15,000 towards the play area refurbishment. She also thanked the three ladies who had successfully raised £1409 and the tennis club who had raised and donated £500 towards the project. Cllr Payne updated all members that the Marines had begun updating their

own equipment of the playpark on the Marine estate.

Youth Club: Cllr Payne reported that the Youth Club was in a dilapidated state and felt it needed a refurbishment. She had begun receiving quotes to upgrade the building. She would report at the next meeting the costs involved for this. Cllr Beatty felt the building should offer much more to the community and was concerned that the youth club had not begun again for the youth.

Neighbourhood Plan: Cllr C Eastley reported that the NP working group had met and had drafted a letter to the community. The letter would be requesting comments from members of the public regarding the current Neighbourhood Plan and the closing date for comments would be 17th Jan.

Environment: Exe Estuary: it was agreed to donate £250 towards fuel costs of the boat patrol along the Exe Estuary from Exeter Port Authority.

Wotton Brook: Cllr Staddon reported on the recent water testing if the Brook. The PC have now obtained a baseline assessment of the water quality to measure future water testing. Please note that the PC as a whole are concerned with the water quality throughout the Parish and it is paramount that members of the public continue to report any pollution concerns using the Environment

Agency's (EA) 24/7 pollution incident number: 0800 870060 and any health concerns should be reported to EDDC Environmental Health department (as displayed and informed on the public notices along the Brook from LPC).

Heritage and Structure: Gulliford Joint Committee and Friends of Gulliford Burial Ground: Cllr Beatty reported that the Gulliford meeting on 29th Nov went well and the evaluation of the project was discussed. Cllr Staddon reported that the GJC meeting on the 1st Dec discussed the Heritage Lottery Fund (HLF) online final report had to be completed by 31st Dec. All the volunteers have worked so hard on completing this project and a massive thank you to the HLF for the necessary grant funding of £66,500 to complete the work.

The next PC meeting will be held in the Youth Club on Monday 10th January 2022 at 7.30pm.

Finally, all Lympstone Councillors would like to take this opportunity to thank you for your continued support. May you all have a very Merry Christmas and Happy, Healthy New Year!

Clerk to the Council:

Lucy Tyrrell c/o Minnows, Longmeadow Road, Lympstone EX8 5LF

NEIGHBOURHOOD PLAN REVIEW

Lympstone Parish Council have been asked by East Devon District Council to review the Neighbourhood Plan.

The Council have set up a small committee of Councillors and the Community who are looking into the review and will report back to Lympstone Council each month on their progress.

So that everyone has an opportunity to add any comments, we are sending this letter to all the local businesses, also the local schools who will be asked to forward it to the parents.

If anyone would like to look at the present Lympstone Neighbourhood plan, please click here:

[LNP-Final-Post-Inspection1.pdf](#)
(lympstone.org)

Also attached to this letter is a Neighbourhood Plan progress Report – January 2019 which identifies changes, achievements and targets met and missed up to January 2019. Since the Plan was originally published in March 2015. (Or please visit Lympstone Website to view the letter and entire progress report).

To assist in updating The Plan to 2022 we would now appreciate any comments in this regard from Lympstone residents.

We would be very grateful if you will contact The Clerk Lympstone Parish Council with your comments by the 17th January 2022 these will be forwarded to the Committee to be taken in account when drawing up the final review.

Your sincerely,

Cllr Carol Eastley and Cllr Richard Eastley

PARISH CHURCH

Regular Updates

If you would like to be updated every week about 'what's on' in the church please subscribe to Pete Simpson's pew sheet news which is already sent to 90+ subscribers. Just email vpetsimpson@gmail.com

NO TIME TO DIE

We thought it would be good for us all to have a community event to look forward to after Christmas, and so we have booked the latest blockbuster for your entertainment.

No Time to Die (classified: 12) will be shown in the Village Hall on Saturday 12th February, starting at 5.30pm. The film runs for 2hrs 45mins and our licence requires us to show the film straight through, without an interval. Doors will open at 5pm and refreshments will be available both before and after the film. It is a great opportunity to see our new cinema grade projector and audio system in operation, and our state-of-the-art UV air sanitisation system will be in use to keep us all safe.

Tickets: adults (£5), children under 16 (£2.50)

Tickets can be purchased under the railway arch from 10am-12 noon on both Saturday 29th January and 5th February (contactless payments preferred). To reserve tickets in advance please email boxoffice@lympstonevillagehall.org.uk with your name, number of tickets required and a contact telephone number (tickets can be collected and paid for on both Saturday's).

Tickets will not be available until late January because of the evolving COVID situation and the event will be subject to any COVID restrictions in place at the time.

LVH would like to thank Lymphstone Film

Society for their support, the Garden Club for their donation of £75 towards the cost of the electric screen in Committee Room and Lesley Pace for the donation of a second dehumidifier for the Hall.

Finally, the hall is always on the lookout for more volunteers so if you think you can help in any way, please contact one of our current team or Carrie on 07710 779756.

Thank you

Lympstone Village Hall Trustee & Management Team

Your *best* Christmas?

*T's & C's apply. Cannot be used in conjunction with any other offer. Only available on properties that have completed by 31st December 2021. Stamp Duty will be paid on selected properties up to the value of £500,000.

THE HERALD HISTORY SPOT

This portrait is based on a talk given by Ralph Rochester to the Devon History Society in Lympstone Village Hall on 23 April 2016. They are reproduced here with kind permission of the author.

produced by Lympstone History Society

MR. WAKELYN WELCH 1763? - 1818

Mr Wakelyn Welch was a worthy man of business who came to this village towards the end of the eighteenth century and who died here exactly 198 years ago, on St George's Day, 1818. Him, and his wife, Elizabeth, let us associate with public-spiritedness, a virtue that has never been lacking here. Not only did Wakelyn have a wonderful name, worth remembering, but he was a wonderful man worth remembering. He lived with his wife in the house now called Merrylands on Parsonage Hill, now called Burgmann's Hill, and he came here in middle life and soon befriended the Regency Rector here, John Prestwood Gidoin, and attended all the Vestry meetings and undertook every kind of parish office and duty as can be seen from the Lympstone Vestry records, including that, in 1813, of parish champion and legal adviser in our famous Battle of the Pews when the newly arrived resident at Nutwell tried to claim rights to seats in the church for himself and his family, his tenants and his servants. Wakelyn was busy in the parish's behalf and prevailed and the parish on that occasion formally thanked him for 'the unwearied exertions and the steady perseverance by which he

had asserted the rights of the parish.' When Wakelyn died in 1818 he gave the parish, as can be read in the church porch, £200 pounds for the purchase of blankets each Christmas as loans to poor cottagers, plus £100 for the instruction of poor children, in Sunday School or otherwise, a very generous but conventional enough bequest, but when his widow, Elizabeth died in 1823 she left funds to the parish to build the National School, now the Lympstone Primary School near the church in his memory: a momentous gift which should never be forgotten.

What's fun about Wakelyn Welch is that he would seem to be the same man who was the London agent of George Washington and Thomas Jefferson. His father, another Wakelyn Welch, had been dealing with these two Founding Fathers before the American Revolution, and young Wakelyn joined his father's firm after the war in 1783 to find himself dealing with the one man soon to be the first President of the United States and the other in course of time to be the third. Because of this connection one only need to google the name Wakelyn Welch to be able to read fascinating letters to and from these Founding Fathers.

A BIG THANK YOU!

We extend a huge thank you to all our clients and buyers for a record-breaking year of sales. We look forward to helping many more people with their move in 2022.

UPDATE ON LYMPSTONE COMMUNITY HUB

Community Lunches

At the time of writing in mid December, the new covid variant is spreading in the UK. We had intended to start holding the community lunches in the Village Hall on the last Sunday of the month but have made the decision to continue with home deliveries in January 2022 until we have more information.

1pm Sunday 30 January -
Beef casserole and fruit crumble

If you would like to be included in this delivery, please contact Linda Lyon on 01395 278166 or email malcandlinda@aol.com. Current recipients are already on our list.

Queens Platinum Jubilee Thursday 2 June – Sunday 5 June 2022

The Hub will start detailed planning for this in February 2022. If any individual or group would like to participate in any way, please contact Linda.

We intend holding some community meetings in the Village Hall in February/March to finalise what we would like to do. Outline plans so far are :-

Thursday 2 June (Bank Holiday) -
Party on Cliffe Field with Beacon Lighting
Saturday 4 June - Party on Candys Field
Sunday 5 June - World's biggest Cream Tea on Candys Field

POLLUTION OF WOTTON BROOK

I feel that I must reply to all readers from an article in last month's Lymington Herald to omit any misunderstanding. My response is from the article 'Pollution of Wotton Brook' sent by a member of the public.

The article quotes a report by the Environment Agency which is nearly two years old (the EA has confirmed this) and was sent out by the EA as some sort of reassurance that the sewage from the Workshop, at that time, was satisfactory.

I can only state that I have witnessed the Brook deplete of wildlife since the 1950s. Currently our authority's and developers take advantage and although a machine can dig a sewer pipe in faster than by hand it is considered still acceptable to dump huge amount of foul water into our water courses. Of course, the chemical additive to the foul water kills 99% of all germs, but also kills 99% of all fauna and flora of the water course.

The Parish Council have been so concerned over the pollution in the Brook that they have produced public notices to raise awareness. Being proactive, the Parish Council have invested in water testing kits to monitor the situation. I am very concerned for future generations both locally and nationally.

If any member of the parish wishes to take up any points with me then I would

be only too happy to have a chat.

*'Only when the last tree is cut down,
The last fish eaten, and
The last stream poisoned
You will realise that you cannot live on
money alone.'*

*Thank you all,
David Tyrrell.*

APOLOGY

We would like to apologise to David Tyrrell that his name was published in an article last month and not redacted as would have been appropriate. Thank you for being so understanding.

Rob Hilton

SIMPLE PLEASURES...

When I look back nearly 50 years some of our happiest times cost very little. It was a struggle on 40p an hour but we had just enough to pay the bills and pleasures were simple, free, up-cycled, DIY or 'make do and mend'. The budget was tight but any little windfall, like a £10 prize we received just before one Christmas, felt like a fortune...as did any small prize won at a Whist Drive.

Lympstone Village Hall was the venue for **Whist each week, usually 20 tables of four players and at Christmas, for the

meat and poultry prizes, it was so full we had to spill over onto the stage and into the Committee Room behind.

I remember the sounds...silence when each game was played then chatter about scores followed by the scraping of chairs and shuffling of feet as we moved to the next table. More shuffling...of cards, cut the pack and deal...silence again. Such a simple, pleasant and even exciting, evening. Poor man's Bridge, perhaps?

Because it was 'progressive whist' and after each game the winners would move to the next table. Ladies forward and gents backwards. There were always less men than women so ladies had to play gent.

This way you got to meet many village people. We dreaded being on BH's table because he was SO serious... woe betide you if you trumped his ace! Less frequent but even more exciting, and noisy, we're Beetle Drives...these attracted the younger set.

Happy memories of sociable events that I don't think happen now. I wonder how many Lympstone folk still remember those evenings?

(for youngsters who may not know **Whist, it is a real card game played in 'hands' and each hand is won by the highest card. Player or pair with most 'hands' wins the game...and the Christmas Turkey! Ask your Grandma how to play it.)

Stay safe, Jenny Delahaye

LYMPSTONE PRIMARY FUNDRAISER

As a primary school, we aim to provide an outstanding education in all areas of the curriculum, this includes PE and sport and developing a love for healthy active lifestyles. This could not be more important now as we promote social skills and healthy minds as well as healthy bodies as part of the post Covid recovery programme.

We are looking to add to our outdoor provision by installing improved goal posts and netball posts for both playtimes, sports teaching and competitive games. Please help us!

Resourcing in our school is tough due to restricted budgets, we have a very proactive PTFA who have already raised £4,000 towards this project but we are £7,000 short.

We are wanting to install new and improved goal posts which have target walls behind them and netball posts for all ages onto our bottom playground. This play and sport equipment will help our children to develop social as well as physical skills and will encourage them to play more sport. We currently have moveable goal posts which do not stay in place and the children struggle to use and netball posts which are heavy and rusty. They are difficult to move and store and therefore do not get used enough. The new equipment will

really give the children a lift, after the last two years, we all believe that they very much deserve this. It will breathe life back into our playtimes and help to promote improved ability levels in sport.

METHODIST HALL WHAT FUTURE?

The Methodist Hall is a much valued community facility in the village , used over the years by many varied groups . Earlier this year it was registered as a Community Asset. This gives the community a chance to raise the funds to purchase the hall before it is placed on the open market.

The Community has until the end of March to make an offer for the building.

A Public Meeting was held on the 15 December where there was unanimous support to pursue the purchase of the Hall.

The Parish Council has already taken steps to raise money to buy the Hall but more involvement from the wider parish community is needed.

It was agreed at the public meeting to establish a Friends of the Methodist Hall group. Please contact Helen Dimond at dimond@hdimond.plus.com. if you are interested in helping set up this group. People with experience of crowdfunding would be particularly welcome! Subject to the Covid situation a further meeting is to be held on Wednesday 12 January at 7.30pm in the Village Hall to report on progress.

Helen Dimond

LYMPSTONE GARDEN CLUB

As mentioned last month we are looking forward to Christine Skelmersdale's talk on 'Bulbs for Winter' on Tuesday 18 January - subject, of course to any possible Covid restrictions. More news next month.

LYMPSTONE LIVING ADVENT 2021

Thank you!

I'm sure everyone will agree that the village has been especially bright and beautiful during December this year. The Living Advent Calendar has yet again been a great community event.

My grateful thanks to each and every volunteer who has decorated and lit one of their windows; to those who helped with the artwork; to the local businesses who have promoted the event with maps; to the Parish Church for their moving advent tableau; to the Community Hub for their funding support and finally to you all for your appreciation of everyone's creative artwork as you have walked around the village seeking out the next window on the map.

With best wishes to you all for a happy and healthy New Year in 2022.
