

Appendix B

To make a meaningful comparison of responses, figures were calculated using the data from replies given. Therefore, all figures are a percentage of 62 replies submitted. The percentages will not total 100 for each site as some of the 62 people who responded did not express a preference in the Yes/No categories.

Site	Yes	No	Maybe	Last resort
GH/ED/73 South of Meeting Lane	18%	65%	–	2%
