

The search begins for 2022's Best Young Landscape Artist and we need your help to spread the word.

We are inviting budding young artists to showcase their creativity by capturing Devon's unique and precious landscapes in the medium of their choice. There are two entry categories – one for teenagers (aged 12-18) and one for younger children (age 7-11) – with cash prizes for the winners.

We held the competition for the first time last year and were really impressed with the quality and quantity of entries from across the county, and would like to get the word out again that we are looking for more budding artists.

Could you print off the attached poster and pin to your parish or town notice board, or maybe include details in your parish/town newsletter?
