

ADDITIONAL PROGRAMME OF ROLLING ACTIVITIES

(Suitable for all ages, but children under 12 must be accompanied by an adult.

Participate at your own risk.

Book corner

Join Gary Abrahams and his display of our much loved and precious nature and wildlife books. A chance to sit and read and find out why these have become firm favourites amongst local folk.

Wildlife film and speaker's corner

A chance to take a peek at some extraordinary footage of wild Lympstone caught on camera by some of our local residents, and hear some fascinating talks.

10am	Lockdown Lympstone wildlife (Photographs by Mary Turner)
11.30am	Lympstone in the past (Films compiled by Brian Mather)
12pm	Bee Talk with Basil Strickland (15m)
12.15pm	Wildlife cam footage (Badgers by Andrew Minter; Beavers by Brian Carroll)
12.45pm	Bee Talk (repeat) with Basil Strickland (15m)
1.35pm	Bee Talk (repeat) with Basil Strickland (15m)
2-2.30pm	Swift Talk with Stuart McFazdean

Nature-inspired arts and crafts

- Join Wendy Reynolds and various talented members of Lympstone's Art Group for a chance to explore a variety of local nature-inspired art and get hands-on with some of your own creations
- Have a go at some nature inspired art using recycled materials with Katie Parsons.
- Visit Charlotte Ellis at her Seaglass Gallery in the village centre, where Samantha Frances will be demonstrating her art techniques for capturing wildlife images – all day from 11am.

Nature health and wellbeing

Join Rebecca Abrahams to find out about what the latest science says about how nature benefits our health and wellbeing. Discover some simple ways of boosting your connection to, and benefits from, nature and read some of the beautiful personal stories shared by locals, young and old, about their own experience of healing and inspiration in nature.

Lympstone's Wotton Brook and water testing

Join Lisa Staddon, Justin Smallwood and Lympstone Village School as they showcase the wonderful posters and letters created by the children as part of their citizen science project investigating the quality of water in the brook and the potential impact of this on local wildlife. Justin will have his water testing kit for you to have a go.

Butterfly hunt

A chance for children to take part in Mary Turner's butterfly picture hunt. Take a sheet and discover eight locally found butterflies hidden in the church for a chance to win a small prize!

Local flowers

Join Cory, who runs Broombys flowers, for a chance to get hands on with some of her stunning pollinator-friendly flowers.
