

Friends of

Gulliford Burial Ground

Sat 24th June 2pm

Local entomologist Kim Leavers,
who will once again guide us around
Gulliford Burial Ground at Meeting Lane to
find out what bugs and creepy crawlies live in our
beautiful dissenters burial ground,
how they impact on our lives, and why we should
appreciate these fascinating creatures.

The talk is aimed towards adults but children
welcomed when accompanied by a responsible adult.

To become a friend go to - www.fogbg.org.uk
