

Proposed site location (highlighted with a red line)

Have your say on proposals to deliver much needed homes for Lympstone

We are 3West Group, housebuilders based in Woodbury and we are proposing to build 42 new homes, including 14 affordable homes, on land that adjoins the northern edge of the village.

The land abuts Glebelands and Gulliford Close on the southern edge and is contained on its other sides by Meeting Lane and Strawberry Hill (see map to the left).

Our proposals are still at an early stage and we are keen to understand what local people think of our plans, before they are finalised and we submit a planning application to East Devon District Council.

We are inviting local residents to review and comment on our proposals and let us know what they think by visiting our project website:

www.lympstoneconsultation.co.uk

The deadline for feedback on our plans is **19th May at 5pm**.
