| 23/100 | DISCUSSION: Items for the next Agenda   | 8.45 |

# MINUTES OF A LYMPSTONE PARISH COUNCIL MEETING HELD IN THE VILLAGE HALL AT 7.30PM ON MONDAY 2<sup>ND</sup> OCTOBER 2023.

| PRESENT:             |   |
|----------------------|---|
| Councillors          | D Atkins, S Culhane, S Francis, K Hill, N Linfoot (Chairman), A Minter, M |
|                      | Moffatt, J Payne and L Staddon  |
| Clerk                | Miss L Tyrrell  |
| County Councillors   | J Trail   |
| District Councillors | B Ingham and G Jung   |
| Public               | 6 members   |

#### **Public session**

The Chairman welcomed all present and invited members of the public to speak.

A resident thanked the PC for sorting out the hedge trimming in Shepherds Path. However, he highlighted the overgrown vegetation towards the top of the path to Church Road which was growing out of the walls and properties and causing an obstruction. He also highlighted weeds growing from outside of properties around the village and the graffiti along Nutwell Court estate. County Cllr Trail explained that reporting a problem could be easily made to DCC online on their 'Report a Problem' website page. This would send a report to a Highways officer to investigate. He added that members of public should not be working on the road unless they were Chapter 7 trained. Larger work must be carried out by Highways contractors. He explained that there was nothing stopping an individual to clear weeds outside their own properties. Although he added that no one should use any chemical weedkiller or insecticide, only environmentally friendly controlled methods. The resident suggested a gentle reminder to all members of the public could be written in the Lympstone Herald regarding clearing weeds outside their properties.

District Cllr Jung highlighted that any graffiti should be reported to EDDC Streetscene. At this point, the Chairman thanked the kind person who cleaned the graffiti off the notice boards under the railway bridge.

Another resident enquired whether CIL money could be used to implement a 20mph scheme in the Parish. The Chairman explained it could be.

#### 23/82 Apologies

Cllr R Gale-Hasleham and County Cllr R Scott due to other commitments. Cllr Payne proposed to approve the apologies. Cllr Francis seconded. Unan.

RESOLVED that the Apologies were approved by the PC.

#### 23/83 Minutes

Cllr Minter corrected a typo and queried why a resident's name had not been used. The Clerk explained that for privacy reasons, using members of the publics name who were not elected members was a very sensitive subject and as the resident was physically present then they had been witnessed speaking.

Cllr Atkins proposed the minutes of the PC meeting held on the 4<sup>th</sup> September were accurate Cllr Moffatt seconded. Unan.

RESOLVED that the minutes of the PC meeting held on the 4<sup>th</sup> September 2023 be confirmed as a correct record and signed by the Chairman.

#### 23/84 To receive any Declarations of Interest

Cllr Francis and Minter both declared a personal interest with item 23/85.4.

Cllr Payne and Staddon declared a personal interest with planning application 23/1806/FUL.

This was recorded in the book.

#### 23/85 Clerk's Report

#### 23/85.1 Asset Register Policy and Complaints procedure policy

Cllr Linfoot proposed to approve the reviewed Asset Register Policy. Cllr Atkins seconded. Unan.

RESOLVED that the reviewed Asset Register Policy was approved.

Cllr Linfoot proposed to approve the reviewed Complaints Procedure Policy. Cllr Staddon seconded. Unan.

RESOLVED that the reviewed Complaints procedure policy was approved.

#### 23/85.2 Grant request - for Lympstone Advent Trail

Cllr Atkins proposed to support the grant request up to £150. Cllr Linfoot seconded. Unan. RESOLVED that a grant for up to £150 was awarded to Lympstone Advent Trail.

#### 23/85.3 Grant request from Life Education

County Cllr Trail explained that the Primary School's PTFA could apply for a grant from the PC but not a national charity. Cllr Linfoot proposed that the PTFA applied to the PC for their own grant. Cllr Payne seconded. Unan. Cllr Francis abstained.

RESOLVED that the PTFA of Lympstone Primary School complete their own grant application form.

#### 23/85.4 Annual grant request from Lympstone History Society

The Clerk explained that this was an annual request for the insurance cost of £225 which was necessary to preserve the archived records of the Lympstone History Society. Cllr Atkins proposed to award the grant. Cllr Staddon seconded. Unan.

RESOLVED that the Clerk inform the History Society that their annual grant request was awarded in full.

#### 23/85.5 Finance

The Clerk highlighted that she had found another way to present the finances from the new package and asked for feedback on the look and information provided. It was agreed that the Clerk would meet with the Finance committee to go through the finances to assist next year's budget planning and to explore the new financial package.

Cllr Linfoot proposed to approve the payments and receipts. He noted the financial summary and budget report. Cllr Atkins seconded. Unan. Cllr Minter abstained.

RESOLVED that the following payments be approved:

#### 23/85.6 Clerk's Action List

RESOLVED that the Council received and noted the Clerk's action list.

# 23/86 Reports from the Chairman, East Devon District Councillors and Devon County Councillors

The Chairman read his report:

Over the weekend Councillor Lewis informed the clerk he was resigning from the Council. During his time with us, his knowledge and expertise on trees and fauna was a great help and guide to the Council, and we will his advice. I would like to thank him for the time, effort and commitment and wish him well for the future.

Councillors are volunteers who dedicate their time to problems that arise within the village and make decisions based on a number of factors and financial restraints.

The commitment and dedication of the Councillors is impressive, with anything from 5 to 20 hours per week required, whilst balancing work and family commitments.

I find that people are slow to praise, but quick to complain, perhaps they should bear this in mind before they make comments that criticise and seek to undermine the work of Councillors. Sadly, over the weekend a moron decided to graffiti the notice boards under the railway arches. The matter will be reported to the Police. I would like to thank the kind person, who obviously worked very hard to clean the boards. Great job.

If anyone knows who the culprit is, please inform the PC or the police.

County Cllr Trail reported that he had been out with the Highways Officer, he had visited Sowden House and observed the traffic. He had made a recommendation for parking restrictions, this would take 18months – 2 years to be fully implemented. He explained that any owners of trailers on a public highway must be attached to a vehicle, or they would be removed and impounded. A broken pavement alongside Churchill Court would be repaired. Higher Hulham Road regarding gully emptying was due to be discussed soon. The Mill fields public footpath has been reinstated by DCC and was now with their legal team. Lympstone's 20mph application was in process.

#### District Cllr Jung read his report:

At the moment in planning terms our Local Plan is out of date, as we cannot demonstrate a 5-year land supply. Therefore, Planning Applications brought forward from developers that are not local plan compliant will probably be to agreed.

In relation to the Housing Land Supply, I had a question from a local resident last week. Is a tally being kept at the East Devon level?

Where is it currently at?

To this end, will the application just approved in Honiton will be subtracted from this shortfall?

#### My explanation

I wish it was that easy to explain!!

To work out if we have enough housing coming forward in the next 5 years is a complicated formula that is dictated to by Government.

The basic rules are you cannot count "Outline Planning Applications" but only "Full Planning Applications". However, some large full applications such as Goodmores Farm in Exmouth with 350 houses will take over 5 years to build out from the date they start building. You also have 3 years to start on the build before the planning application permission runs out. Therefore, it's not a straight addition on to the total of the five-year land supply. The amount is reduced by a percentage of non-delivery, using previous years build out figures which are reviewed and considered as a guide, plus developers are asked on the likelihood on their build out figures for their large estates which gives you at best a "guestimate" of what's coming forward.

So yes, to your question, any planning application that is approved will improve the total, but it would be a percentage spread over a period of years.

The problem is the percentage figure has gone down from last year to this year's calculation of only 4.25 years.

The drop is affected by mainly the downturn in the housing market with higher mortgages and the high cost of finding a deposit for a first-time buyer, and difficulty in building housing in the rental market. (The biggest factor in the rental market is Council Housing "right to buy" which requires local authorities to sell at a discount to the sitting tenant and the proceeds go directly to Government with around one third being returned to the Authority to provide funding to build or buy another rental property)

The other issue is why has East Devon got a higher housing target than most other local authorities in the Southwest. This is because the figure is based on historical figures so as we had built more housing than others since the 1960s then it is expected that trend will continue.

I do not agree to the way the target figures are calculated, and I don't believe that the way we have to calculate the 5-year land supply is fare or accurate.

From the performance table over a 10-year period, there has been an average of 935 dwellings a year built, which is higher than the target figure East Devon is required to hit this financial year of 910.

For the Government to require us to use a guestimate to decide if our local plan is in or out of date seems nonsensical. I would prefer to look at what has been built in previous years which is 100% accurate rather than rely on a developer's best guess!

Cllr Jung reiterated that due to EDDC not having a five year land supply, developments are able to be passed. The Chairman added that after two years of a local NP it can be overridden.

District Cllr Ingham questioned whether national decisions regarding development were ethically correct for future generations. He would continue to support sustainable development in East Devon with a focus on job development and green issues. He felt agricultural land must be protected and not built on to enable a sustainable community in 2050. He added that requirements from a development can be negotiated between the developer, the PC and EDDC.

The Chairman raised the 3West development application and the EDDC landscape officer's update. He proposed a working group from the planning committee to meet with 3West to negotiate what the Parish would like from a development. Cllr Francis seconded. Unan. Cllr Atkins declared an interest and abstained.

RESOLVED that 3West would be contacted to meet and discuss a wish list of requirements.

#### 23/87 Planning applications

**23/1913/FUL** - Construction of rear single storey infill extension and first floor balcony at Trelissa Courtlands Lane.

Cllr Linfoot proposed to support the application. Cllr Atkins seconded. Unan.

RESOLVED that the Clerk send the recommendation of support from LPC to EDDC.

**23/1904/FUL** - Proposed new roof, incorporating dormer windows to North and South elevations. Insertion of a new double hung sash window in proposed West elevation at 12 Harefield Cottages, The Strand.

Cllr Linfoot proposed to object due to the proposed application being in the conservation area. It was overdevelopment and would affect the visual impact and character of the street scene. Cllr Atkins seconded. Unan.

RESOLVED that the Clerk send the recommendation of object from LPC to EDDC.

**23/1944/FUL** - Demolition of part of the boundary wall and construction of a new vehicular access with driveway and entrance gate at Limestones, Wotton Lane.

Cllr Linfoot proposed to support the application as long as the stinger device was retained, repaired or replaced if it was damaged. Cllr Atkins seconded. Unan. Cllr Minter abstained.

RESOLVED that the Clerk send the recommendation of support from LPC to EDDC.

**23/1806/FUL** - Rear flat roof dormer and front velux roof balcony at 2 Hillside Cottages, Underhill. Cllr Linfoot proposed to object to the proposed application due to the negative visual impact and character of the street scene. It was overdevelopment and overlooked neighbouring properties. Cllr Francis seconded. Unan.

RESOLVED that the Clerk send the recommendation of object from LPC to EDDC.

#### 23/88 Planning decisions

RESOLVED that the EDDC decisions were noted.

#### 23/89 Reports of Committees

#### 23/89.1 Committee members

The Chairman read the members of the committees and announced the Chair and Vice Chair of each committee. Unan.

RESOLVED That the following committees, Chair and Vice Chair were approved:

| Finance and Advisory Committee                        | Assets and<br>Amenities<br>committee                     | Environment committee                                 | Planning and<br>Transport<br>committee                                   | Community committee  |
|---|--|---|--|--|
| Cllr Hill (C) Cllr Atkins (VC) Cllr Minter Cllr Payne | Cllr Atkins (C) Cllr Staddon (VC) Cllr Francis Cllr Hill | Cllr Culhane (C)<br>Cllr Staddon (VC)<br>Cllr Moffatt | Cllr Linfoot (C) Cllr Francis (VC) Cllr Culhane Cllr Minter Cllr Moffatt | Cllr Staddon (C) Cllr Payne (VC) Cllr Culhane Cllr Francis Cllr Linfoot Cllr Minter Cllr Moffatt |

NB: Lympstone Parish Council Chair and Vice Chair were ex-officio of all committees.

Cllr Minter reported on meeting structures. He proposed that at least one formal meeting of each committee was arranged in each municipal year (May – April). Cllr Linfoot seconded. Unan.

RESOLVED that the Chair of each committee would arrange an initial meeting with their members.

Cllr Minter added that action lists were incepted immediately, as soon as a template was agreed. Cllr Minter suggested that committee meetings were signposted on the notice boards to the website for dates and agendas. He wanted to see more involvement of the public in working groups to enhance the PCs visibility and transparency.

#### 23/89.2 Assets and amenities committee

Cllr Atkins reported that tenders had been received for the pathways in the burial ground. Cllr Atkins proposed Halcyon Landscapes was chosen due to the specialist work involved. Cllr Linfoot seconded. Unan.

RESOLVED that the Clerk contact Halcyon Landscapes to confirm the contract and start date.

Cllr Culhane reported on the provision of a business notice board under the railway arch and felt this was not feasible. Cllr Atkins proposed that the Clerk direct any businesses to advertise on the website or in the Herald. Cllr Linfoot seconded. Unan.

RESOLVED that any business would have the option to advertise on the website or in the Lympstone Herald.

Cllr Culhane reported on the planting of a replacement TPO Oak tree in Candys field. She recommended a new tree to be planted in the location of the old tree. The Clerk highlighted the fact that the old tree failed due to Honey Fugus. Cllr Culhane added that this location would not be possible, and the Assets committee would need to discuss another location. Cllr Culhane reported that the replacement tree for the Queens jubilee should be planted in sight line of the other failing tree on Candys field near the play area.

Cllr Culhane explained that costs for work to the next pollarding phase of the Avenue trees, the Beech tree in the cemetery hedge and the Cherry trees along the tennis courts had been circulated. Cllr Atkins felt the Beech tree could be dealt with by the PCs grounds maintenance contractor as he was also a qualified tree surgeon. Cllr Culhane added that the work to the trees needed to be done as soon as possible apart from the pruning of the Cherry trees which would have to wait until the summer. Cllr Linfoot asked the costs to be recirculated and agreed by email.

#### 23/89.4 Environment Committee

Cllr Staddon read her report:

I was fortunate to attend the Exe Management Forum in September set within the beautiful backdrop of Powderham Castle. The main item for this Forum was Sedimentation, levels, build up and patterns. Along with Lidar information teams can help workout erosion and changes in levels. The EA spoke again about Dawlish Warren and their involvement in helping find a happy medium to beach defences and the reserve. This will include taking certain groynes out as they erode and not replacing it. There is still uncertainty as to whether the spit will naturally weather and slowly rotate to still provide the wave defence against both the Estuary and Dawlish. There was also talk about a roll out of CSI projects for the Estuary to help create a log of water quality along with the continuous growth of Pacific oysters, which have in some parts formed solid foreshore reefs, not very tactile to the foot!

The next Forum will be on Water Quality and the audience were reminded that we all leave a footprint in the Estuary.

#### 23/89.5 Community Committee

Cllr Hill had attended the Police and Crime commission meeting; he reported that the police were having a focus on violence and systemic violence studies. There were presentations on victim support and crime stoppers. The Crime Commissioner Officer reported on Operation Scorpion and investigating cannabis in the community. There was also a new initiative implemented on rural crime, this would involve an increase in communication between police and local councils. The police were working on gathering data from the rise in shop lifting offences. He added that the allegations made about the chief constable had been cleared and he would be reinstated soon.

Cllr Hill had attended the VHCIO AGM and reported that they were looking at improving and upgrading their kitchen facilities. There had been a change in some trustees. Cllr Atkins highlighted the original agreed cost between the PC and the VHCIO for the

resurfacing of the car park should be amended now they were a CIO. Cllr Hill explained that he would get something in writing regarding this from the VHCIO.

Cllr Payne reported that she had met with James Barton from Hilton Barton Architects at The Hub building to discuss the feedback from user groups regarding a rebuild. The next steps would be to discuss the rough costings of a rebuild and formalising detailed plans.

#### 23/94 Clerks Report

**Grant Application** – to consider the request received from Lympstone Village Ladies Choir. APPLICATION FOR A GRANT

Name of organisation:

LYMPSTONE VILLAGE LADIES CHOIR

Contact details:

Judy Stutchbury Fiona Archer

Please tell us about your organisation. We would like to know what area you cover, who uses your facilities and how often and how your group is run.

We currently have 40 ladies signed up to sing in the choir, all of whom live in the Parish of Lympstone. We meet weekly (excluding half terms and holidays) for two hours from 4-6pm on a Thursday.

Please tell us about the support your organization has in the community and any measures you take to ensure all sections of the community are included in your activities.

The inspiration for forming the choir was initially to ensure that the Village Talent Show, which takes place at the village hall in February each year, had some new acts as number of the regulars have now left the village and there is a danger that this popular annual event may not be supported.

We rapidly realised that there was a far greater social need in being able to provide a safe and suitable means for ladies to gather confidently and regularly and avoid social isolation. The choir ranges from ladies who can sight-read and have sung in choirs for decades to those who have not sung since school days. Having now completed half a term of singing we are receiving extremely encouraging feedback with talk of how we may be able to perform in other village events, thus encompassing the wider community.

Please say what you want the money for and how you know there is a need for your activity. If this is to buy equipment, LPC can buy this and donate it to your Group. This is usually more cost effective.

This is a self-help group with our leader, Wendy Reynolds, currently offering her services for free. However, we have had great difficulty obtaining a village pianist despite advertising locally and following up many leads. It is apparent that it is a big ask to expect a pianist to provide weekly services for free. Currently a lady from outside the village has stepped in to get us started but we need to find our own permanent pianist. Our research has shown us that we will need to pay around £20.00 per hour.

Our choir ladies currently pay £3 per session which covers the hire cost of the premises (£35 per session.) This will need to be raised as our expenditure increases to cover the costs of licenses for musical scores, photocopies, folders and any other unknown expenditure.

Neither Fiona or Judy has any previous experience of forming or running a choir but both have a love of singing and have sung in many different choirs over the years and know the importance of wellbeing that a choir can provide.

We wish to avoid the weekly costs running away with us and thus excluding any lady who cannot afford to join.

We have purchased an electric keyboard and covered this cost ourselves.

At present we plan to meet during term time which would be around 40 weeks in the year.

The annual estimated pianist cost is around £1600, but in addition to this, and looking ahead, there is likely to be additional expenditure of the following: hall hire, leaders' expenditures, licenses, car parking fees, musical scores, photocopies, possible props for concerts, additional hall hire cost for concert rehearsals.

We would be extremely grateful for a grant to help towards this new venture which we feel has such potential and although in its early stages, is already providing to be a popular and enjoyed activity by the ladies in the village. We would be grateful if you could consider a grant in the region £200 - £300 which would be of great benefit towards the hiring of the venue

If the grant is for a particular project, what is the total cost and where is the balance coming from.

The balance would come from higher weekly contributions from the ladies.

Do you have a Constitution? If so, please supply a copy.

We do not have a constitution.

Accounts. Please supply a copy of your last set of accounts and give details of your current account balance.

As a newly formed choir we do not have any accounts, but we keep receipts and a payments balance.

#### Policies

If your Organisation deals with people, please list the policies you have in place to ensure that they are protected.

We comply with the hall hiring insurance requirements. We encourage the ladies to bring water to protect their vocal chords and each session the musical director does full vocal warm up with the choir. All lighting levels are kept to a maximum to protect their eyesight and the venue is well ventilated.
