PARISH COUNCIL NEWS

MARCH 2024

Lympstone Parish Council held their monthly public meeting on Monday 4th March in the Meeting Room.

Clerk's Report - The Clerk was pleased to report that she had fitted new adult and paediatric pads to the defibrillator at the Saddlers Arms and this was now back in service. Hurrah!

Reports from the Chairman, East Devon District Councillors and Devon County

Councillors – The Chairman thanked: DCC Cllrs Scott and Trail for all their efforts organising the roadworks and necessary diversions in and around Lympstone. He thanked them for some funding to assist with maintaining the toilets in Underhill car park. EDDC Cllrs Jung and Ingham, for their guidance and assistance to respond to the latest EDDC plans to remove many green wedges in Lympstone and East Devon. Parish Cllrs, particularly the Chairs of each committee, dedicating many hours of their time to move matters forward. To Cllr Francis who writes and post Facebook entries at any time. Well done to Col. Wheeler and all that assisted the harbour association in clearing the recent cliff slip behind the sailing club. Our Clerk Lucy, who whilst dealing with the complexity of the new finance system, keeps on top of all the

other myriad matters for Cllrs.

District Cllr Ingham explained that he was disappointed with the way EDDC had delivered their proposed green wedge removal process. He understood that this report had been a long time coming (approx 10 years ago) and had enquired how much this had cost. Previous meeting minutes had always recorded that green wedges should remain or even expanded. He would be working with Cllr Jung to retain green wedges and green belts and was attending a meeting to discuss suggested sites of development. One of these was off Marley Road for up to 1,000 houses. He urged all to write objections to EDDC individually and not as a household.

County Cllr Trail thanked the principal of St. Peters school for supporting Highways throughout the disruption of the A376 road works. He explained that recently he had received a lot of abuse on social media, and this was unacceptable. All Cllrs work hard for their community and should not be subjected to abuse. Cllr Trail was more than happy to support LPC with the public toilets with a locality grant.

The Hub building - The Chairman welcome Mr James Barnfield from Hilton and Barnfield architects and Mr

Malcolm Lyons to talk about the Hub building rebuild. The plans had been redesigned to make the building fit for purpose, mainly for youth services and other group opportunities. The user group analysis was very positive about the potential new build. The PC agreed to submit the plans to EDDC and apply for planning permission.

South West Water - Jay Harris, SWW Regional Operations Manager was present and answered the following previously raised questions from Cllrs: Sewer level monitors – 16 monitors installed and only linked to bathing water. Only five were returning data but SWW were looking at improving this. Tankers 13th Nov at The Green – this was a reactive incident where a pump had failed. SWW provide regular maintenance to all pumping stations and would let the PC know of future planned work. Overflows – EDM monitor in Sowden Lane installed in 2023 and not yet validated. Jay explained that SWW were not consultees with planning applications and had to deal with new builds regardless. SWW were currently lobbying government to change this process.

Wotton Brook Water Quality Group - Clem and Sara Davies were present to report. Sara explained that the water quality monitoring was more than

just Wotton Brook, so the group had changed its name to Lymptstone Water Quality Group (LWQG). She stated the aims of the group; 1. Assess the current water quality situation within the Wotton Brook catchment and Lymptstone Parish boundaries: Sources and pathways of pollution in the Brook and Exe Estuary, Chemical and ecological status of the Wotton Brook, Threats and opportunities. 2. Develop a strategy to protect and improve the water quality: In the short term, raising awareness and influencing decisions, and reporting and investigating pollution incidents. For the longer term, working with partners to develop an overall strategy and secure funding. Sara summarised the progress to date and future planned actions. Cllr Staddon thanked both Clem and Sara for setting up the group and all their hard work so far. The PC agreed to adopt the group as a working party.

Assets and amenities committee – Cllr Linfoot reported that the trees along the Avenue had been pollarded and the wood chippings had been spread along the entrance to Avenue field to allow walkers a firmer ground to walk over.

Environment committee – Cllr Staddon explained that on the 6th February three members of the Parish Council attended the Exe Estuary Management Partnership forum. The

topic for this forum was Water Quality. The EA, SWW, Giles Bristow CEO of 'Surfers Against Sewage' (SAS) and 'End Sewage Convoys and Pollution in Exmouth' (ESCAPE) all spoke at the forum.

Planning and Transport committee – Cllr Linfoot reported that the committee met on 26th Feb regarding EDDC proposed removal of Green wedges, 77% across East Devon and 81% in Lympstone. The committee had drafted an objection, agreed by the PC and sent to EDDC strategic planning committee, unfortunately the letter was not referred to at the meeting. The committee had drafted a letter to MPs, proposed MP candidates, EDDC strategic planning members and every PC in East Devon inviting them to read the letter and raise awareness of proposals. The PC approved the letter to be sent.

Community committee – Cllr Staddon reported that the committee had met on the 20th Feb. Agenda items included: Community payback scheme, D-Day evening celebrations on Front Meadow with music from the Lympstone Ladies Choir, remaining mugs from both the Jubilee and Coronation to be sold off in the next few months, plans for the community party in Candys Field inc. music from Lympstone Academy Band and possibly three other bands, a bar,

food, and some fun with local record attempts.

The next PC meeting and the Annual Parish Meeting will be held on Monday 8th April 2024, the Annual Parish Council meeting will be held on Monday 13th May 2024 in the Meeting Room, Lympstone Village Hall.

Clerk to the Council:

Lucy Tyrrell c/o Minnows, Longmeadow Road, Lympstone EX8 5LF

£1.00 entry:

Annual Village Show

Now is the time to plan growing and creative handicrafts, schedules available from June.

Many trophies to be won!

Terri Scott

HARBOUR NOTICE

The Harbour Board once again plans the annual craning of boats from the Harbour hardstanding to the Wotton Brook outfall on Friday 12th April 2024 from 7.00am until about noon. Public access to the Harbour will be denied during this operation as this is a potentially hazardous operation.

The crane will be arriving during Thursday afternoon and departing Friday afternoon, so those who park on its route along Nutwell Road, Burgmann's Hill, The Strand and the route to the Harbour by the Swan Inn are asked for their co-operation in allowing it clear passage.

Richard Crisp

FRIENDS OF THE CHURCH AGM

The Annual General Meeting of the Friends of Lympstone Parish Church will be held on Sunday 21st April, straight after morning service, starting at about 11 – 11.15am.

The Friends have a committee, but no membership, and so if you are friendly you are invited.

The sole aim of the Friends is to ensure that the oldest and most historic building in the village stays in good repair. As a group we play no part in either the day-to-day running of the church or of paying any of its recurrent expenses.

We hold village events such as the annual Cricket Match, the Curry Lunch, and a varied programme of talks. We also run a Monthly Lottery with a prize of £50 per month, with a volunteer force of village ticket sellers who will soon be knocking on your door. (Be kind to them, and generous...)

Over the past four decades nearly 65,000 has been raised to pay for re-roofing the church, repairing the weathercock, conserving monuments, installing grids to protect the church's superb array of Victorian stained glass windows, repairing stonework on the 15th century tower and repointing

walls. Many smaller projects have been completed. Every 5 years an architectural inspection identifies repairs that need undertaking, and it is then that the Friends are able to help.

Lympstone has been unfailingly generous over the years, and we would like to welcome you to our AGM, and tell you of our activities over the past year.

Our next event is the Annual Cricket Match, Lympstone v St Peter's, which is being held on the beautiful ground of St Peter's School, earlier than usual, on Thursday 16th May at 6pm. A Barbecue and a Bar will help to make it a very enjoyable summer evening..

Ian Scott, Chairman

FRIENDS OF LYMPSTONE CHURCH

The winner of the recent lottery draw was

March – Mrs Jones

Thank you for all your continued support.

Penny Lupton;
Treasurer

LYMPSTONE TENNIS CLUB

We're a friendly club aiming to provide fun and competitive tennis and promote connection and wellbeing for the Lymestone community. New members are most welcome!

Our annual membership commences 1 April and includes club sessions held on Tuesday evenings and Saturday afternoons. We also run a variety of social events throughout the year. Many members take part in competitive matches in local leagues and we offer Adult coaching and a programme for Mini and Junior members on Saturday mornings.

Our Summer Saturday morning programme for children is a brilliant introduction to tennis for primary school children and our experienced LTA accredited coaches deliver weekly engaging sessions that guarantee to get your child active and having fun on a tennis court.

If you'd like to join/find out more please contact the membership secretary:

LymestoneTCmembership@gmail.com

Men's Breakfast Club 13 April meeting at 8.15 for 8 30 breakfast at the Toby Carvery, Nutwell. Book with Bob Soutter 01395 273400 rjsoutter@aol.com

To receive information and news from Church and cannot wait for the Herald, just email:

alan.dabreo@outlook.com

and you will be one of the first to hear on weekly notices.

Web Site (shared with Holy Trinity Exmouth and Littleham) www.exmouthcoastalchurches.org.uk

For all enquiries including Weddings, Baptisms, Funerals, Events and contact the above email or 01395 263681.

Tick Tock the Toddlers Group every term time Friday 9 until 11.30. First meeting after Easter Holidays will be 19th April

Baptism and Confirmation

These are special services through which people become members of the church – Baptism – and affirm their wish to live as believers and followers of Jesus – Confirmation. A Confirmation service is happening in Exmouth in the summer.

If you would like to find out more about either of these services and explore whether either might be right for you, please have a chat with one of your church going friends or call the Rector, Steve Jones on 01395 266442.

Donating to Church. The church has a card reader for donations and collection at services, a QR code and cash box in the porch wall.

Brian Mather.

“WHAT A COUP!”

THE CORVUS CONSORT

A concert of English songs to celebrate May. Especially its flowers.
Sunday, 12th May at 4pm

It is being sung by the wonderful Corvus Consort, a group of professional singers who will be performing in Exeter Cathedral on Friday, and coming to Lypstone on the Sunday afternoon, 12th May.

A select group of some half a dozen of these performers will sing The Merry Month of May by the great Elizabethan composer William Byrd, Five Flower

Songs by Benjamin Britten, and songs by Ralph Vaughan Williams, Gustave Holst and Sir Arthur Sullivan, among other English composers.

Founded and directed by Freddie Crowley (a former chorister of Exeter Cathedral), Corvus Consort is a UK-based vocal ensemble comprising some of the country’s most talented young professional singers. Described as “one of the most innovative and adventurous vocal ensembles presently performing”, Corvus’s refreshing combination of musical excellence, passionate performance and unstuffy presentation makes them hugely popular with audiences up and down the country.

“Corvus is a marvel: glorious singing, expressive voices, imaginative programming...”

“What a coup, bringing Corvus to Lympstone!”

Tickets £15 from Susannah’s Tearoom (cash) or online from lympstone-entertainments.net

LYMPSTONE FILM SOCIETY

The last film of the season, on Friday 12th April, is Jojo Rabbit, a war comedy-drama written and directed by Taika Waititi. Roman Griffin Davis portrays the title character, Johannes “Jojo” Betzler, a ten-year-old Hitler Youth member who finds out that his mother (Scarlett Johansson) is hiding a Jewish girl (Thomasin McKenzie) in their attic. He must then question his beliefs while dealing with the intervention of his imaginary friend (Waititi), a fanciful version of Adolf Hitler with a comedic stance on the politics of the war.

WILD ABOUT LYMPSTONE

We have been beavering away in the background on various projects, one of which is the 1000 plant giveaway in May. We are also playing a small part in the Garden Festival in June when you will be able to come and find us in the Telfer's garden at Ellenthorpe, a wonderful example of gardening for wildlife.

The 1000 Plant Giveaway, Saturday 25th May on the Village Green.

The seeds have been planted and the volunteers will soon be potting them up ready for the plant giveaway. These wild native plants are all perennials or self-seeding annuals, and have been selected to attract a wide range of pollinating insects. Once planted in your garden they should flower for you year on year. Huge thanks to The Heathfield Allotment Trust for kindly organising this fantastic giveaway.

Members of Wild About Lymstone will be leading some wildlife walks on the day, so come along and find out what's growing in the village, and what wildlife it attracts and supports.

Churchyard maintenance consultation 25 May in the church.

Working with others in the community, the church is preparing a plan for management and maintenance of the churchyard to make it more friendly to the environment. As well as joining in with "No Mow May" this year, the plan will include encouragement of wildflowers, insects and bugs. Do come along on 25th May to see and comment on the proposed plan and join in with an insect/bug hunt and wildflower spotting.

The churchyard work is part of the church's fight against climate change. As an eco-church, it is committed to pursuing and promoting action to protect the planet. You can also find out more about this at the 25th May event.

NEW 'WATER GUARDIANS' RECEIVE TRAINING

Following an amazing response to a call for help in last month's Herald, 20 Lymptone residents received training in water quality monitoring on 14th March. The new 'water guardians' are a vital part of the community-led project to assess, protect and improve the water quality in the Wotton Brook and Exe Estuary. The training participants included a great mix of people from our community, with two important things in common – concern about the state of our natural waters and motivation to improve them. The youngest was 10-year-old Mylo, who inspired us all and was a reminder of why we were there – to improve our environment for future generations.

Mylo said:

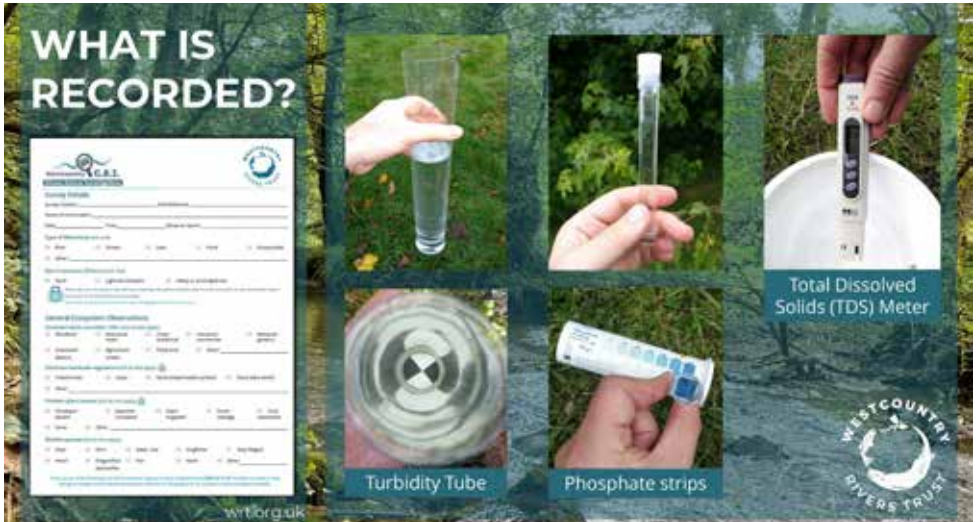

"I wanted to get involved because I knew that the brook was polluted and I wanted to help. I don't think [pollution] is good because it can hurt the animals that live there and the dogs that paddle in it, but we can change it and so I was pleased to do the training"

The training was provided by Westcountry Rivers Trust, a key partner in our project and a trailblazer in developing citizen science water monitoring – using a network of volunteers across the South West (currently 1,500 and growing). It included a mix of presentation, discussion about our local issues and plans, and practical demonstration of the monitoring techniques by the Brook.

Scan here to watch a short video by the Westcountry Rivers Trust:

The Lymptone Water Guardians will be involved in a range of activities - with people selecting those that suit their interests and time availability – including: raising awareness, observing the Brook and Estuary, conducting routine monitoring of the Brook (as demonstrated in the training), investigating sources of pollution and incidents, and conducting monitoring of aquatic invertebrates.

This is all part of a wider project plan, which includes working in partnership with other Lymptone groups (Lymptone Flood Resilience Group, Wild About Lymptone, Lymptone Fishery & Harbour Association, and Lymptone Primary School), residents, landowners, government organisations, and others. The first meeting of the Project Steering Group was held on 21st March, and both the Environment Agency and South West Water have committed to working collaboratively

with us to improve the water quality.

For more information and/or if you want to get involved, please contact:

Lymptone Water Quality Group (Clem Davies, Sara Davies, Justin Smallwood, Cllr Lisa Staddon, Rebecca Abrahams, Caroline Lewis, and Barry Lewis)

Beyond the Horizon: Take out the guesswork when it comes to retirement plans

Standing on the edge of an ocean is how some people describe their feelings towards retirement, and that's not always a good thing.

That's where Rodney Spiller Wealth Management's invitation to their new service - The Retirement Deep Dive - can help. "It's designed to ensure someone sails confidently through their retirement rather than struggle," explains Adrian Hick, Financial Planner at the Topsham based practice.

"Planning for later life is complex. The Retirement Deep Dive is our solution to all those uncertainties, utilising state-of-the-art software to provide a comprehensive analysis of someone's financial future. We are able to chart an individual's financial course, ensuring it's not just robust but adaptable to ever-changing events in life."

I was a little sceptical about seeking help with retirement planning, and felt I had put the right plans in hand myself but this service changed my perspective completely. The forecasting software means I could actually see the impact of various decisions available to me, and at different ages too.

It's given me the confidence and cues to adjust my retirement plans, and as importantly, the reassurance to spend some money now! Being able to see the consequences of having the things I want in my retirement, allows me to make informed choices today. I am really grateful to Adrian and the team for their support and expertise. It's put my mind at rest, that's for sure.

Brian H, Private Client.

To take advantage of the Retirement Deep Dive, which is a no-obligation service offered by Rodney Spiller Wealth management, either pop into the office at 59 Fore Street, Topsham or contact the practice via email to make an appointment. The process starts with an initial consultation that takes less than an hour.

From left to right financial planners Adrian, Nina and Rodney from the Practice

LYMPSTONE LADIES VILLAGE CHOIR

On 24th February we enjoyed taking part in the Village Concert. The WE that I refer to are the Lympstone Ladies Village Choir.

A year ago following the 2023 concert, I had an idea to get a few ladies together to prepare for, and participate in the 2024 concert. Little did I know that over 40 ladies would come forward and, after joining forces with Wendy Reynolds, our choir leader, and Fiona Archer, our ladies village choir was born.

In September 2023 we commenced our weekly sessions. Our chosen venue was the Sailing Club. This choice has had wonderful benefits with the seascape providing inspiration, but, it also has drawbacks. When there is a magnificent sunset, and there have been many, our attention gets distracted, interrupting the singing, but we have loved meeting there.

We run along the lines of a casual drop in, pay as you go choir. This has worked well with an average of 20-25 ladies attending each week.

No choir can function without an accomplished pianist. We had a lot of trouble finding one but, at the last minute

Nicky Perry, Musical Director Budleigh Salterton ladies choir stepped in and accompanied us. Thank-you Nicky.

We tested the water on the general public at Christmas with a few casual sing-alongs where we received a lot of encouragement. Our aim, to be fully choir fit for the village residents, was 24th February: the Village Concert. So, for those of you in the audience, we hope you enjoyed our renditions from the well known, My Fair Lady and Joseph and the Amazing Technicolour Dreamcoat musicals.

We thank the audience for their participation and rousing finale –in fact, we now feel, with so many good voices, that we have to widen our brief. The Ladies choir is now going to be ‘rebranded ‘ as The Lympstone Singers and will be open to any village women or men who want to join... no experience necessary! We are delighted that Martyn Esua has agreed to join us on the piano.

Future Plans.

We are taking a break until May when we start again to rehearse for the 80th anniversary of the D-Day landings on the evening of Thursday 6th June. We plan to gather, with picnics, under the oak tree opposite the church, where we will remember, in song, and possibly

verse, that momentous event.
Rehearsals will be at 5.30 – 7 p.m. on Thursdays throughout May. The 16th May will be from 4 – 5.30 p.m. as the Lymphstone ladies meet at 7.00 p.m. on that day.

Villagers, please put this date in your diaries, Thursday 6th June, audience participation will, once again, be encouraged.

If you are an instrumentalist or have a reading or poem and feel that you could contribute to this event we would love to have you.

We hope you can join us either at rehearsals or on 6th June. from 5.30 p.m.

Judy Stutchbury

LYMPSTONE GARDEN FESTIVAL

8 – 16th June 2024

The Planning for the Garden Festival is continuing and we now have 18 gardens (including the allotments and Gulliford Burial Ground) which will open at various times. We are delighted to include the gardens, grounds and parkland at Lympstone Manor in our event (on Sunday 16th June only). Many other events will also be taking place, including the Scarecrow Trail and Wild about Lympstone activities. The Seaglass Gallery will hold a special exhibition, with several award-winning west country artists, from Friday 8th June until Sunday 16th June . Full details of locations and opening times will be announced in the June Herald and from mid-May on the Lympstone village website. Or follow us on Instagram @lympstonegardenfestival

Front Gardens

There are many beautiful and interesting front gardens in our village which will delight visitors while they are following the Scarecrow Trail or visiting the Open

Gardens. Some of our residents have already agreed to highlight this by showcasing their gardens or putting out colourful pots and baskets. We will emphasize on the Open Gardens map that visitors should admire these gardens from the road/pavement only and under no circumstances to actually enter these gardens.

If you are interested in joining us with your front garden, please contact one of the organisers.

Garden Bric a Brac

We are also looking for any old garden bric a brac, gardening books and magazines to sell at the Festival.

Whether you open your garden, help out with the planning or volunteer on the day you'll be helping raise much needed funds for Exmouth & Lympstone Hospiscare.

Meanwhile, if you have any queries or wish to volunteer, please contact:
